Advising Rule #1
Knowing and understanding university requirements is your responsibility, seeing advisors and asking questions is important.

Advising Rule #2
Keep an “Advising” file at home to put all of your notes in after your session.

Advising Rule #3
Keep an eye on the Academic Calendar every semester so that you don’t miss any important deadlines!

Advising Rule #4
Know your UCF ID (PID) and NID numbers (and passwords!) You will need these when you come in for advising! Include them in your emails to any UCF office or professor. Add them to your professional email signature.

Orlando Walk in Office Hours
Monday through Thursday
9am to 4pm
Friday 9am - Noon

**Psychology Advising Center**

**UNIVERSITY OF CENTRAL FLORIDA**

This is a tool to help you keep track of the courses you have completed towards the Psychology Degree. You are responsible to follow the requirements as listed in your catalog. Have questions about your Psychology Degree requirements? Speak with Psychology Advising: PSY 250, Psychologyadvising@ucf.edu or 407-823-2219

---

- You must earn at least a 2.0 / "C" in courses that count for the psychology requirements of CPP, Advanced Core, Diversity, Track and Math/Science electives. A "C-" or below will not be accepted.
- 48 semester hours of upper division credit completed (3000 and higher).
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- At least 21 hours must be completed from the UCF Psychology Department.
- 120 Total Credit Hours Required.

---

1. **General Education Program (GEP)**

- If you received an A.A. degree from a public college in Florida, you do not have to complete the GEP requirements. See full catalog for GEP requirements information. College of Sciences Advising Services (cosas.ucf.edu) can assist with GEP questions.

---

2. **Foreign Language Requirement**

- Proficiency equivalent to one year of college instruction in either a foreign language or American Sign Language (up to the 2nd level of a foreign language or higher).
  - If you are fluent you can test out with the University Testing Center (utc.sdes.ucf.edu), or jump into level 2 or higher and be done with 1 class.
  - If not, then start with level 1 (ex. SPN 1120C, ASL 2140, etc) before moving on to required level 2 (ex. SPN 1121C, ASL 2150, etc).

---

3. **Common Program Prerequisites (CPP) (9 hrs)**

<table>

**Check courses for prerequisites**

**Track 2: Industrial/Organizational Psychology (12-13 hrs)**

| Required: |
| CLP 4314 Health Psychology |
| EXP 3404 Basic Learning Processes |
| EXP 3304 Motivation |
| INP 3141C Advanced Applied Psychology |
| INP 3951 Industrial/Organizational Fieldwork |
| INP 4313 Organizational Psychology |
| INP 4380 Psychology of Teamwork |
| PPE 3003 Personality Theory and Research |
| PSY 3302 Psychological Measurement |
| PSY 4215C Advanced Research Methods in Psychology |

**Select 3 of the following courses:**

- INP 3004 Industrial Organizational Psychology
- EXP 3404 Basic Learning Processes
- EXP 3304 Motivation
- INP 3141C Advanced Applied Psychology
- INP 3951 Industrial/Organizational Fieldwork
- INP 4313 Organizational Psychology
- INP 4380 Psychology of Teamwork
- PPE 3003 Personality Theory and Research
- PSY 3302 Psychological Measurement
- PSY 4215C Advanced Research Methods in Psychology

**Track 3: Human Factors Psychology (9-13 hrs)**

| Required: |
| EXP 3250 Principles of Human Factors Psychology |
| EXP 3204 Sensation and Perception |
| EXP 4507 Advanced Human Memory and Cognition |
| PSB 4240 Neuropsychology |
| PSY 3630 Psychology of Human-Animal Interaction |
| PSY 4215C Advanced Research Methods in Psychology |

**Select 3 of the following courses:**

- EXP 3204 Sensation and Perception
- EXP 4507 Advanced Human Memory and Cognition
- PSB 4240 Neuropsychology
- PSY 3630 Psychology of Human-Animal Interaction
- PSY 4215C Advanced Research Methods in Psychology
Select TWO from the following: (6 hrs)

- PSY 4240 Neuropsychology
- EXP 3204 Sensation and Perception
- EXP 3304 Motivation
- PSB 3441 Psychobiological Aspects of Drugs
- PSB 3842 Sleep and Dreams
- PSY 4215C Advanced Research Methods in Psychology

Track 5: Experimental (12-14 hrs)

Select 4 of the following courses:

- EXP 3204 Sensation and Perception
- EXP 3404 Basic Learning Processes
- EXP 4507 Advanced Human Memory and Cognition
- EXP 3204 Sensation and Perception
- PSY 3302 Psychological Measurement
- PSY 3320 Survey Methods in Psychology
- PSY 3635 Science and Pseudoscience in Psychology
- PSY 4215C Advanced Research Methods in Psychology

Required: 3 hrs

Track 4: Neuroscience (10-14 hrs)

Required:
- PSY 4240 Neuropsychology

Select 3 of the following courses: (9 to 10 hrs)

- PSY 3320 Survey Methods in Psychology
- EXP 3204 Sensation and Perception
- EXP 3500 Motivation
- PSB 3441 Psychobiological Aspects of Drugs
- PSB 3842 Sleep and Dreams
- PSY 4215C Advanced Research Methods in Psychology

Track 6: General (12-14 hrs)

Select any four (4) courses from those taught by the Psychology Department:

- INP 3141C Advanced Applied Psychology 1 hr
- INP 3951 Industrial/Organizational Field Work 3 hrs
- PSY 3905 Directed Independent Study 1 hr
- PSY 4906 Directed Independent Study 1 hr
- PSY 4912 Directed Independent Research 1 hr

NDT: The following courses will NOT fulfill this requirement:
- INP 3141C Advanced Applied Psychology
- INP 3951 Industrial/Organizational Field Work
- PSY 3905 Directed Independent Study
- PSY 4906 Directed Independent Study
- PSY 4912 Directed Independent Research

Highlighted courses have been available online at UCF.

Possible Plan of Study:

**Freshman Year - Fall** 15 hrs

- PSY 2012 General Psychology (3 hrs)
- ENC 1101 Composition I (3 hrs)
- GEP Math (3 hrs)
- GEP Science (CHM, PSC, PHY) (3 hrs)
- GEP (3 hrs)

**Freshman Year - Spring** 15 hrs

- PSY 2012 General Psychology (3 hrs)
- ENC 1102 Composition II (3 hrs)
- GEP (3 hrs)
- GEP 2004 Developmental Psychology (3 hrs)

**Sophomore Year - Fall** 15 hrs

- Math/Science elective 2 (3 hrs)
- Diversity Elective (3 hrs)
- GEP (3 hrs)
- GEP (3 hrs)
- Foreign Language I (4 hrs)

**Sophomore Year - Spring** 16 hrs

- Math/Science elective #2 (3 hrs)
- PSY 3204C Statistical Methods in Psychology (4 hrs)
- PSY 3XXX Psychology: Career Readiness I (2 hrs)
- SOP 3004 Social Psych (3 hrs)
- PSB 3002 Physiological Psychology (3 hrs)

**Junior Year - Fall** 15 hrs

- Track Elective #2 (3 hrs)
- PSY 3204C Statistical Methods in Psychology (4 hrs)
- PSY 3XXX Psychology: Career Readiness I (2 hrs)
- SOP 3004 Social Psych (3 hrs)
- PSB 3002 Physiological Psychology (3 hrs)

**Junior Year - Spring** 14 hrs

- Track Elective #3 (3 hrs)
- EXP 3604 Cognitive Psych (4 hrs)
- PSY 3XXX Psychology: Career Readiness II (2 hrs)
- PSY 3213C Research Methods in Psychology (5 hrs)

**Senior Year - Fall** 14 hrs

- Track Elective #4 (3 hrs)
- PSY 4604 History and Systems of Psychology (3 hrs)
- Psychology Capstone (2 hrs)
- Elective (3 hrs)
- Elective (3 hrs)

**Senior Year - Spring** 15 hrs

- Track Elective #5 (3 hrs)
- Elective (3 hrs)
- Elective (3 hrs)
- Elective (3 hrs)
Psychology (B.S.)

Email: psychadvising@ucf.edu

Psychology Advising Center, PSY 250, 407-823-2219
This degree program may be completed online, although not all elective options or program prerequisites may be offered online. Newly admitted students choosing to complete this program exclusively via UCF online classes may enroll with a reduction in campus-based fees. See http://ucf.edu/online for more information.

Admission Requirements
- None

Degree Requirements
- Students who change degree programs and select this major must adopt the most current catalog
- Departmental Residency Requirement: at least 21 semester hours of regularly scheduled 3000-4000 level courses must be taken from the UCF Psychology Department
- Students must earn a grade of "C" (2.0) or better in each course used to satisfy the CPP, Core Requirements, Restricted Electives and Science Electives.
- Students must maintain a minimum cumulative GPA of 2.0 in all courses satisfying major requirements. If additional Psychology courses are taken beyond the minimum required (e.g. additional restricted electives), those courses will be included in the GPA calculation.
- Students can select only one Track
- Co-op or internship credit cannot be used in this major without prior approval
- Students should consult with the Psychology Advising Center, prior to applying for graduation (before registration for the final term).
- Graduating seniors should complete the senior exit survey
- Additional requirements exist for students pursuing the Honors in the major program.
- All prerequisites of courses taught within the College of Sciences will be enforced.
- Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.

1. UCF General Education Program (GEP) (36 hrs)
   - Required: 21 hrs from the following courses
   - Note: Certain courses may be selected in the GEP for this major bringing the total GEP hours to more than 36. See Transfer Notes for possible substitutions.

2. Common Program Prerequisites (CPP) (3 hrs)
   - See Transfer Notes for possible substitutes for the courses listed below.
   - See "Common Prerequisites" in the Transfer and Transitions Services section for more information.

Psychology:
- PSY 2012 General Psychology GEP
- DEP 2004 Developmental Psychology 3 hrs

Biology:
- Select the advanced option if additional biology courses are planned.
- BSC 1005 Biological Principles or GEP
- BSC 2010C Biology I GEP

Statistics:
- STA 2014C Principles of Statistics or GEP
- STA 2023 Statistical Methods I GEP

3. Core Requirements: Basic Level
   - Most courses specifically identified in the preceding Common Program Prerequisites section of this catalog are also required in the Basic Core, and must be taken.

Psychology:
- PSY 2012 General Psychology GEP
- PSY 2013 Cognitive Psychology GEP

Biology:
- BSC 2010C Biology I GEP
- BSC 2010C Principles of Biology GEP

Statistics:
- STA 2023 Statistical Methods I GEP
- STA 2014C Principles of Statistics or GEP

4. Core Requirements: Advanced Level (31 hrs)
   - Required courses for this major including core requirements and electives.

   Psychology:
- PSY 3105C Research Methods in Psychology 3 hrs
- PSY 3204C Research Methods in Psychology 3 hrs

Biology:
- BSC 2010C Biology I GEP
- BSC 2010C Principles of Biology GEP

Statistics:
- STA 2023 Statistical Methods I GEP

5. Electives
   - Any courses not specifically listed in the Core Requirements above may be used to fulfill the electives requirement.

6. Honors in the major program.
   - Students must earn a grade of "C" (2.0) or better in each course used to satisfy the CPP, Core Requirements, Restricted Electives and Science Electives.
   - Students can select only one Track
   - Co-op or internship credit cannot be used in this major without prior approval
   - Students should consult with the Psychology Advising Center, prior to applying for graduation (before registration for the final term).
   - Graduating seniors should complete the senior exit survey
   - Additional requirements exist for students pursuing the Honors in the major program.
   - All prerequisites of courses taught within the College of Sciences will be enforced.
   - Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.

7. Additional Requirements
   - None

8. Required courses for this major including core requirements and electives.

   Psychology:
- PSY 2012 General Psychology GEP
- PSY 2013 Cognitive Psychology GEP

Biology:
- BSC 2010C Biology I GEP
- BSC 2010C Principles of Biology GEP

Statistics:
- STA 2023 Statistical Methods I GEP

9. Electives
   - Any courses not specifically listed in the Core Requirements above may be used to fulfill the electives requirement.

10. Honors in the major program.
   - Students must earn a grade of "C" (2.0) or better in each course used to satisfy the CPP, Core Requirements, Restricted Electives and Science Electives.
   - Students can select only one Track
   - Co-op or internship credit cannot be used in this major without prior approval
   - Students should consult with the Psychology Advising Center, prior to applying for graduation (before registration for the final term).
   - Graduating seniors should complete the senior exit survey
   - Additional requirements exist for students pursuing the Honors in the major program.
   - All prerequisites of courses taught within the College of Sciences will be enforced.
   - Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.

11. Required courses for this major including core requirements and electives.

- BSC 2010C Principles of Biology GEP

Statistics:
- STA 2023 Statistical Methods I GEP

12. Electives
   - Any courses not specifically listed in the Core Requirements above may be used to fulfill the electives requirement.

13. Honors in the major program.
   - Students must earn a grade of "C" (2.0) or better in each course used to satisfy the CPP, Core Requirements, Restricted Electives and Science Electives.
   - Students can select only one Track
   - Co-op or internship credit cannot be used in this major without prior approval
   - Students should consult with the Psychology Advising Center, prior to applying for graduation (before registration for the final term).
   - Graduating seniors should complete the senior exit survey
   - Additional requirements exist for students pursuing the Honors in the major program.
   - All prerequisites of courses taught within the College of Sciences will be enforced.
   - Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.

14. Required courses for this major including core requirements and electives.

   Psychology:
- PSY 2012 General Psychology GEP
- PSY 2013 Cognitive Psychology GEP

Biology:
- BSC 2010C Biology I GEP
- BSC 2010C Principles of Biology GEP

Statistics:
- STA 2023 Statistical Methods I GEP

15. Electives
   - Any courses not specifically listed in the Core Requirements above may be used to fulfill the electives requirement.

16. Honors in the major program.
   - Students must earn a grade of "C" (2.0) or better in each course used to satisfy the CPP, Core Requirements, Restricted Electives and Science Electives.
   - Students can select only one Track
   - Co-op or internship credit cannot be used in this major without prior approval
   - Students should consult with the Psychology Advising Center, prior to applying for graduation (before registration for the final term).
   - Graduating seniors should complete the senior exit survey
   - Additional requirements exist for students pursuing the Honors in the major program.
   - All prerequisites of courses taught within the College of Sciences will be enforced.
   - Courses designated in 1 (General Education Program) and 2 (Common Program Prerequisites) are usually completed in the first 60 hours.
5. Diversity Restricted Elective: Select one course from the following:

- SOP 3742 Psychology of Women [3 hrs]
- SOP 3723 Cross Cultural Psychology [3 hrs]
- SOP 3724 Psychology of Prejudice [3 hrs]
- SOP 3784 Psychology of Diversity [3 hrs]

6. Psychology Tracks [12-14 hrs]
Choose one of the following tracks.

**Track 1: Clinical Psychology [12-14 hrs]**
A grade of "C" (2.0) or better is required in each course used to complete this track.

**Required:**
- CLP 3143 Abnormal Psychology [3 hrs]

**Select 3 of the following courses (9 to 11 hrs)**
- APK 3400 Sports Psychology
- CLP 3004 Behavioral Self Control
- CLP 3184 Women's Mental Health
- CLP 3302 Clinical Psychology
- CLP 3413 Contemporary Behavior Therapy
- CLP 4134 Childhood Psychopathology
- CLP 4314 Health Psychology
- CLP 4390 Forensic Psychology
- DEP 3202 Psychology of Exceptional Children
- DEP 3464 Psychology of Aging
- EAB 3703 Principles of Behavior Modification
- EAB 3706 Behavior Modification Part 2
- PCO 4203 Interviewing and Counseling
- PPE 3003 Personality Theory and Research
- PSB 3441 Psychobiological Aspects of Drugs
- PSY 3302 Psychological Measurement
- PSY 4215C Advanced Research Methods in Psychology
- SOP 2772 Sexual Behavior
- SOP 3751 Legal Aspects of Psychology

**Track 2: Industrial/Organizational Psychology [12-13 hrs]**
A grade of "C" (2.0) or better is required in each course used to complete this track.

**Required:**
- INP 3004 Industrial Organizational Psychology [3 hrs]

**Select 3 of the following courses (9 to 10 hrs)**
- CLP 4314 Health Psychology
- EXP 3404 Basic Learning Processes
- EXP 3304 Motivation
- INP 3141C Advanced Applied Psychology
- INDP 3951 Industrial/Organizational Fieldwork
- INP 4313 Organizational Psychology
- INP 4380 Psychology of Teamwork
- PPE 3003 Personality Theory and Research
- PSY 3302 Psychological Measurement
- PSY 4215C Advanced Research Methods in Psychology

**Track 3: Human Factors Psychology [9-13 hrs]**
A grade of "C" (2.0) or better is required in each course used to complete this track.

**Required:**
- EXP 3250 Principles of Human Factors Psychology

**Select 3 of the following courses (9 to 10 hrs)**
- EXP 3204 Sensation and Perception
- EXP 4507 Advanced Human Memory and Cognition
- PSB 4240 Neuropsychology
- PSY 3630 Psychology of Human-Animal Interaction
- PSY 4215C Advanced Research Methods in Psychology

**Track 4: Neuroscience [10-14 hrs]**
A grade of "C" (2.0) or better is required in each course used to complete this track.

**Required:**
- PSB 4240 Neuropsychology

**Select 3 of the following courses (9 to 10 hrs)**
- PSY 3302 Psychological Measurement
- PSY 4215C Advanced Research Methods in Psychology

**Track 5: Experimental [12-14 hrs]**
A grade of "C" (2.0) or better is required in each course used to complete this track.

**Select 4 of the following courses (12 to 14 hrs)**
- EXP 3304 Motivation
- EXP 3640 Psychology of Language
- EXP 3404 Basic Learning Processes
- EXP 4507 Advanced Human Memory and Cognition
- EXP 3204 Sensation and Perception
- PSB 3302 Psychological Measurement
- PSY 3302 Psychological Measurement
- PSY 3635 Science and Pseudoscience in Psychology
- PSY 4215C Advanced Research Methods in Psychology

**Track 6: General [12-14 hrs]**
Select any four (4) courses from those taught by the Psychology department (12 to 14 hrs)

**NOTE:** The following courses will NOT fulfill this requirement.
- INP 3141C Advanced Applied Psychology [1 hr]
- INP 3951 Industrial/Organizational Field Work [3 hrs]
- PSY 3905 Directed Independent Study [1 hr]
- PSY 4906 Directed Independent Study [1 hr]
- PSY 4912 Directed Independent Research [1 hr]

F. Math/Science Electives: Select from the following:

**Students must meet the course prerequisites for any course they select. See course listing for prerequisites**
- ANT 2511 The Human Species [3 hrs]
- ANT 3541 Biobehavioral Anthropology [3 hrs]
- ANT 3550C Primatology [3 hrs]
- ANT 4516 Human Biological Diversity [3 hrs]
- ANT 4586C Human Origins [3 hrs]
BSC 2011C  Biology II or  4 hrs
BSC 4312C  Advanced Marine Biology or  4 hrs
CHM 1020  Concepts in Chemistry or  3 hrs
CHM 2045C  Chemistry Fundamentals I or  4 hrs
CHM 2046  Chemistry Fundamentals II or  3 hrs
EVR XXXX  Any EVR prefix course or  3 hrs
HSA 4702  Health Sciences Research Methods or  3 hrs
HSC 3147  Introduction to Pharmacology or  3 hrs
MAC 2233  Concepts of Calculus or  3 hrs
MAC 2253  Applied Calculus or  3 hrs
MCB XXXX  Any MCB prefix course or  3 hrs
PCB 3063  Genetics or  3 hrs
PCB 3703C  Human Physiology or  4 hrs
PHY 2053C  College Physics I or  4 hrs
PSC 1121  Physical Science or  3 hrs
STA 4102  Computer Processing of Statistical Data or  3 hrs
STA 4163  Statistical Methods II or  3 hrs
STA 4164  Statistical Methods III or  3 hrs
ZOO XXXX  Any ZOO prefix course 3 hrs

7. Capstone Requirements

PSY 4049  Psychology Capstone 1 hr

8. Foreign Language Requirements

Admissions

- Met by graduation requirement.

Graduation

- Proficiency equivalent to one year of college instruction in either a foreign language, or two semesters equivalent of American Sign Language. Standardized examinations may be used to meet the requirement.

9. Electives

- Select primarily from upper level courses after meeting with a departmental advisor. Courses may be outside the department.

10. Additional Requirements

- None

11. Required Minors

- None

12. Departmental Exit Requirements

- Students must earn at least a "C" (2.0) in each course used to satisfy the CPP, Core Requirements, Restricted Electives and Science Electives.
- Students must maintain a minimum cumulative GPA of 2.0 in all courses satisfying major requirements. If additional Psychology courses are taken beyond the minimum required (e.g., additional restricted electives), those courses will be included in the GPA calculation.

13. University Minimum Exit Requirements

- A 2.0 UCF GPA
- 60 semester hours earned after CLEP awarded
- 48 semester hours of upper division credit completed
- 30 of the last 39 hours of course work must be completed in residency at UCF.
- A maximum of 45 hours of extension, correspondence, CLEP, Credit by Exam, and Armed Forces credits permitted.
- Complete the General Education Program, the Gordon Rule, and nine hours of Summer credit.

Total Semester Hours Required 120

Honors In Major

Additional Requirements: 6 hrs
- The Honors in Psychology is available to majors who show outstanding scholarship and promise in psychology.
- Apply and be accepted into the program through the department.
- Fulfill University requirements for Honors in the Major.
- Earn an overall UCF GPA above 3.2.
- All grades in Psychology courses must be a "B" (3.0) or higher.
- Have a Psychology GPA above 3.5, based on at least 11 credits, including the following course.
  - PSY 3213C  Research Methods in Psychology  5 hrs
  - PSY 4903H  Honors Directed Reading I  3 hrs
  - PSY 4970H  Undergraduate Honors Thesis  3 hrs

Advising Notes

- Visit the Psychology Advising Center (PSY 250); walk-in advising available Monday and Friday from 9 to 5.

Transfer Notes

- Lower division courses do not substitute for upper division courses.
- Courses transferred from private and out-of-state schools must be evaluated for equivalency credit. The student must provide all supporting information.

Acceptable Substitutes for Transfer Courses

- The following substitutions for common program prerequisites are acceptable if taken prior to transferring to UCF:
  - Biology: any lower level BSC course or ZOO X010 will satisfy the CPP. However, the course is required in the core and still must be taken. In addition, the advanced course is a prerequisite for some courses.
  - Statistics: any lower level STA course will satisfy the CPP. However, the course is required in the core and still must be taken. In addition, they are prerequisites for some courses.

- None
Plan of Study

- This is one of numerous possible plans of study. See program description for all requirements. Consult a departmental advisor for alternate, new or more appropriate selections.
- Although all classes are listed as being taken during the academic year, you may be required to complete 9 hours of them during the Summer. Consult with an advisor to determine if you are exempt.

</tbody>
</table>
PSY 2012  General Psychology 3(3,0)
A survey of the basic principles, theories, and methods of contemporary psychology, including the study of human diversity. Fall, Spring.

PSY 2012H Honors General Psychology 3(3,0)
PR: Permission of Honors
A survey of the basic principles, theories, and methods of contemporary psychology, including the study of human diversity. Honors-level content. Fall, Spring.

PSY 3024 Psychology: Career Readiness I 2(2,0)
PR: PSY2012
What it means to be a psychology major, career opportunities upon graduation, and different graduate school paths. Fall, Spring, Summer

PSY 3022C Academic Counseling 3(1,8)
PR: PSY2012 & C.I (Peer Advisors only)
Psychology majors only. Research findings, theory, models and techniques of academic counseling and career advising. S/U graded. Fall

PSY 3074 Psychology: Career Readiness II 2(2,0)
PR: PSY2012, PSY3023 and Psychology major
Focuses on developing employability skills and taking steps toward individual career goals.

PSY 3204C Statistical Methods in Psychology 4(3,1)
PR: PSY2012, STA2014C or STA2023 or C.I
Standard scores, confidence intervals, sampling distributions, hypothesis testing, correlation and regression as applied to research in psychology. Occasional

PSY 3204H Honors Statistical Methods in Psychology 4(3,1)
PR: Consent of Honors, PSY2012, STA2014C or STA2023 or C.I
Standard scores, confidence intervals, sampling distributions, hypothesis testing, correlation and regression as applied to research in psychology. With Honors content. Occasional

PSY 3213C Research Methods in Psychology 5(3,2)
PR: PSY 2012, PSY3204C and either STA 2014C or STA 2023
Investigation of experimental designs and research methods utilized in psychology. Laboratory outcomes will be statistically analyzed and reported in APA format. Fall, Spring. M&S fee: $20.00

PSY 3213H Honors Research Methods in Psychology 5(3,2)
PR: PSY 2012, PSY3204C and STA 2014C or STA 2023 and consent of Honors
Investigation of experimental designs and research methods utilized in psychology. Laboratory outcomes will be statistically analyzed and reported in APA format. With Honors content. Occasional

PSY 3302 Psychological Measurement 3(3,0)
PR: PSY2012 & STA2014C or STA2023
A study of the theory underlying psychological tests and measurements procedures, including reliability, validity, and item analysis. Occasional

PSY 3320C Survey Methods in Psychology 3(2,2)
PR: PSY 2012, PSY 3204C
Sampling methods, questionnaire construction, and interpretation of results. Occasional

PSY 3625 Science and Pseudoscience in Psychology 3(3,0)
PR: PSY 2012 or C.I
Critically evaluates fringe-science, paranormal, and otherwise unusual beliefs about human behavior. Scientific methodology is used to evaluate bizarre claims such as ESP, astrology, voodoo, mind control, and alien abduction. Occasional

PSY 3630 Psychology of Human-Animal Interaction 3(3,0)
PR: PSY 2012 and Psychology major, or C.I
Psychological aspects of human relationships with animals. Occasional

PSY 3951 Undergraduate Field Work 1-9(3-30)
PR: Senior Standing & C.I
Placement in a community agency for supervised experience in applications of psychology to community problems. Graded S/U. May be repeated for credit. Fall & Spring

PSY 4025 Psychology of Art 3(3,0)
PR: PSY2012 & ARH2050 or ARH2051, or any ART prefix course
Discussion of the psychological perspectives on art to gain a greater understanding and enhanced appreciation for the process and products of creativity. Occasional

PSY 4049 Psychology Capstone 2(2,0)
PR or CR: PSY2012, PSY3204C, PSY3213C, PSY4604, and Psychology Major
Refresher and apply their knowledge in core areas of psychology to cutting edge research in applied disciplines. Fall, Spring, Summer

PSY 4215C Advanced Research Methods in Psychology 4(3,2)
PR: PSY3213C
Design, analysis, and interpretation of complex research projects in psychology. Fall, Spring M&S fee: $20.00

PSY 4215H Honors Advanced Research Methods in Psychology 4(3,2)
PR: PSY3213C and consent of Honors
Design, analysis, and interpretation of complex research projects in psychology, with Honors content. Fall, Spring M&S fee: $20.00

PSY 4604 History and Systems of Psychology 3(3,0)
PR: PSY 2012 & Junior Standing
Historical development of psychology, with emphasis on classical theoretical positions. Occasional

PSY 4604H Honors History and Systems of Psychology 3(3,0)
PR: PSY 2012 & Junior Standing and consent of Honors
Historical development of psychology, with emphasis on classical theoretical positions. With Honors content. Occasional

PSY 4906 Directed Independent Studies 1-9

Ethical and legal dilemmas and issues in the practice of psychology.  
Occasional.  
3(3,0)

SOP 3784 Psychology of Diversity  
PR: PSY2012  
A review of the contributions of psychology to the understanding of human diversity related to ethnic background, gender, sexuality, and belief systems.  
Occasional.  
3(3,0)

NOTES:  
“C” After the course number indicates the course includes a lab or extra lab work on student’s time outside class  
“PR” Prerequisite courses that are required before taking the desired course  
“C.I” Consent of the instructor.  
“C.R” Co-requisite is a course in which the department prefers a student to enroll in during the same term as the primary course.

DEFINITIONS OF PSYCHOLOGY COURSE PREFIXES  
The course prefix is a three-letter designator for a major division of an academic discipline, subject matter area, or sub-category of knowledge. The prefix is not intended to identify the department in which a course is offered. Rather, the content of a course determines the assigned prefix used to identify the course.

APK = APPLIED KINESIOLOGY  
CLP = CLINICAL PSYCHOLOGY  
CYP = COMMUNITY PSYCHOLOGY  
DEP = DEVELOPMENTAL PSYCHOLOGY  
EAB = EXPERIMENTAL ANALYSIS OF BEHAVIOR  
EXP = EXPERIMENTAL PSYCHOLOGY  
INP = INDUSTRIAL & APPLIED PSYCHOLOGY  
PCO = PSYCHOLOGY FOR COUNSELING  
PPE = PERSONALITY  
PSB = PSYCHOBIOLOGY  
PSY = PSYCHOLOGY  
SOP = SOCIAL PSYCHOLOGY

PSYCHOLOGY RELATED STUDENT ORGANIZATIONS

UCF Psychological Society

The Psychological Society is an organization for those interested in getting involved with Psychology. Link with faculty, staff, and professionals in the field, learn about volunteer and research opportunities, and provide information about Psychology at UCF.

Drop off yearly/semesterly application in PSY 323 during their posted office hours.

- Email: psychsociety.ucf@gmail.com  psychology.cos.ucf.edu/psychsociety
- Find them on Facebook: UCF Psych Society at UCF Main Campus

Psi Chi International Honor Society

As a Psychology major or minor, you can join Psi Chi honor society if you meet their yearly GPA cutoff. This society recognizes scholastic excellence and contributions to the field of Psychology by undergraduate majors. Getting involved with Psi Chi at UCF opens a wealth of information and support from the National Psi Chi office: www.psichi.org. Drop off application in PSY 323 during their posted office hours.

- Email: ucfpsichi@gmail.com  psychology.cos.ucf.edu/psichi
- Find them on Facebook: Psi Chi at UCF

The Multicultural Psychological Student Association (MPSA)

The goal of this organization is to embrace diversity in psychology. They host annual conferences and help with getting involved with Psychology in the UCF and Orlando community. Check them out during their office hours in PSY 323.

- Find them on Facebook: Multicultural Psychological Student Association
- Email: ucfmpsa.ucf@gmail.com

American Psychological Association- Student Affiliate

You can become an APA Student Affiliate as a Psychology undergraduate to be a member of the national organization in psychology, have access to subscriptions, and learn about internships and career resources, possible scholarships, and more. To find out how to become an APA Student Affiliate go to www.apa.org/membership/student/index.aspx

Active Minds

Though not a Psychology specific organization, this is a club you can be a part of to help spread the importance of Mental Health on the college campus. Through campus-wide events and national programs, Active Minds aims to remove the stigma that surrounds mental health issues, and create a comfortable environment for an open conversation about mental health issues on campuses throughout North America.

- Check out their website: caps.sdes.ucf.edu/active
- Find them on Facebook: www.facebook.com/UCFAactiveMinds
RESEARCH EXPERIENCES

UCF Psychology Department opportunities: The faculty in the Psychology Department are very active in research:

- Labs in the Psychology Department: [psychology.cos.ucf.edu/research/laboratories](psychology.cos.ucf.edu/research/laboratories)
- To apply to a research lab, go to RA Match and click on the lab(s) you wish to apply to. RA Match: [psyramatch.cos.ucf.edu/](psyramatch.cos.ucf.edu/)
- Next, be sure to make an appointment to meet the professor to talk about graduate school and the availability of a research position within their lab. Their contact information will be posted on their lab webpage or you can get it from the UCF Psych webpage.
- Most labs prefer that you have earned a “B” or better in PSY3204C Statistical Methods in Psychology at minimum. If you can’t get into the research lab relevant to your preferred field, don’t worry!
- All research experience is good research experience! Learning how to work with participants, read, collect, and input or code data, and work on research papers will be necessary to apply for graduate programs in any field. Most graduate programs like to see at least 1 year of research experience or more on your resume or CV.
- Some labs require that you are CITI trained. Go to [www.citiprogram.org/](www.citiprogram.org/) and log in with your NID and NID password to take the CITI training course for Group 2: Social/Behavioral Research Investigators and Key Personnel Group
- Other Research Lab opportunities Other undergraduate research opportunities may be found through the UCF Institute for Simulation Training ([www.ist.ucf.edu](www.ist.ucf.edu)) or the UCF Marriage and Family Research Institute ([www.mfri.ucf.edu](www.mfri.ucf.edu))

OUR- Office of Undergraduate Research

The University of Central Florida offers numerous opportunities for undergraduates to pursue research in various disciplines under the direction of a faculty member. This intensive research opportunity enhances the academic experience and challenges students to strengthen their critical, analytical, and writing skills. You can find out more at the UCF Office of Undergraduate Research [www.our.ucf.edu](www.our.ucf.edu), or visit their peer advisors in Tech. Commons II, Rm 209

- Honors in the Major (HIM) Program: The Burnett Honors College hosts the HIM program which offers UCF juniors and seniors the opportunity to earn Honors distinction on their diploma. Students work with faculty in their major to produce an independent thesis on an original topic in their area of interest. [research.honors.ucf.edu/honors-in-the-major](research.honors.ucf.edu/honors-in-the-major)
- McNair Scholars Program: McNair prepares undergraduate students for doctoral studies through involvement in research and other scholarly activities. Participants are either first-generation college students and low-income as defined by federal guidelines or members of a group that is traditionally underrepresented in graduate school. [mcnair.ucf.edu](mcnair.ucf.edu)
- Research and Mentoring Program (RAMP): RAMP offers paid research experiences to students in their junior and senior years with the potential to continue in graduate school. Faculty members mentor students, and participants engage in research throughout the academic year. [www.ramp.ucf.edu](www.ramp.ucf.edu)
- Burnett Research Scholars: The Burnett Honors College hosts the SMART program, which offers research experiences to all UCF undergraduate students who have completed at least one semester and have at least two semesters left before graduation. SMART offers grants to students and faculty every spring, summer, and fall. [research.honors.ucf.edu/burnett-research-scholars](research.honors.ucf.edu/burnett-research-scholars)
- Summer Research Academy (SRA)

This two-and-a-half day event is held every summer for transfer students and rising sophomores and juniors. SRA scholars receive one credit and free housing (if needed) for the academy, where they learn about academic research. [www.sra.ucf.edu](www.sra.ucf.edu)
INTERNSHIPS

PSY 4942- Instructional Experiences in Undergraduate Psychology- Psych Elective!
This Teaching Assistant (TA) experience is designed for advanced psychology majors who want to explore Teaching as part of their professional development. Additionally this experience gives students a chance to work more closely with professors in the Psychology Department. It is required that you register for PSY 4942 Instructional Experiences in Psychology, during your first semester as a Teaching Assistant. PSY 4942 is an online (S/U) graded 3 credit course that coincides with the work you complete with a faculty member. To become a TA- While you are in classes, network with your professors by attending office hours, participating in class, and having conversations with them one on one. Well before the semester you want to assist them, ask for their permission. TA duties depend on the each individual professor you work with. To enroll in PSY 4942- bring in a note or email from a professor to the Psychology Advising Center in PSY 250 (Psychadvising@ucf.edu) that says you can be a TA for them. Psychology Advising will send you the instructions to enroll and complete the FERPA training to be a TA. If you have completed the TA class, you can TA again as a volunteer and for other professors. Just work it out with that professor what your duties will be, no need to enroll for TA course.

Psychology Peer Advising, PSY 3022 Academic Counseling – Psych Elective!
The Psychology Peer Advisors (PA’s) are advanced undergraduate psychology majors who assist other psychology majors/minors to understand and complete their psychology degree requirements. The PA’s help students understand university policies and procedures, assist in schedule planning, and provide advisement on other academic matters such as applying for extracurricular activities and graduate school.
Peer Advisors, are not paid, but do earn upper level psychology credit for participating in the internship. This is a three semester of Fall, Spring, and Summer-10 hour per week- commitment. PA’s are chosen based on GPA, other related experience, and extracurricular activities.
Applications are found in PSY 250, it is highly recommend you speak to a Peer Advisor before applying. Applications are due around midSummer, with interviews conducted soon after. Training will start for selected PA’s before Fall starts.

Office of Experiential Learning
OEL has internship opportunities available for students of all majors. Start with creating an account on www.explearning.ucf.edu. Then when you apply to internships, you will meet with the Psychology advisor, Denise.Moore@ucf.edu. Contact her to schedule an appointment during her office hours.

EDG 4948 – Service Learning
Service Learning is a 3 credit, letter graded, opportunity to volunteer at any nonprofit organization. Only 50 hours of volunteer experience is needed for the course. Contact the professor Deborah.Becker@ucf.edu for more information.

OTHER INVOLVEMENT OPPORTUNITIES
Office of Student Involvement
Join student organizations, clubs, and go to campus events to meet new peers, network with faculty, staff, and professionals, gain leaderships skills and enjoy your time at UCF! This is what college is about- get involved!
www.getinvolveducf.com
- Need help with learning about ALL the opportunities available to you on campus? Make an appointment with KORT (Knights of the Round Table)’s KNIGHT QUEST: getinvolveducf.com/kort/rebuild/

Career Services
Need help with applying to research, internships, or part-time job opportunities? See Career Services for Walk-In Resume help from 10am to 3pm or make an appointment to see a counselor: 407-823-2361 in CSEL career.sdes.ucf.edu
Specializations in Psychology

Check out www.learnpsychology.org/resources/choosing-a-specialization to read about specializations in psychology, counseling, social work, and therapist specialties. This list is not ALL the fields of psychology- just some- you might even develop your own!

Do an informational interview and talk with professionals in the field through:
- LinkedIn: www.linkedin.com
- UCF Counseling and Psychological Services: www.caps.sdes.ucf.edu
- UCF Psychology: www.psychology.cos.ucf.edu
- UCF School of Social Work: www.cohpa.ucf.edu/socialwork
- UCF Counselor Education department: www.education.ucf.edu/counselored

Addiction Psychology

As the specialty name implies, this area of psychology uses psychological research and theories to counsel, diagnose and treat individuals with addictions. Addiction psychologists take various psychological approaches, such as cognitive-behavioral therapy, behaviorism and psychodynamics to treat and better understand addictions. http://work.chron.com/job-description-addiction-psychologist-19144.html

Biopsychology

Also known as behavioral neuroscience, biopsychology is the study of the biological basis for human behavior. Biopsychology is not just limited to how and why humans act a certain way, but includes how human behavior interacts with other biological systems, such as the immune system, cardiovascular system and nervous system. The study of biopsychology often involves examination of the human brain on the cellular level and how it relates to human behavior. http://study.com/directory/category/Psychology/Psychology_and_Human_Behavior/Biopsychology.html

Cognitive Psychology

Cognitive psychology is the study of the human thought process. Mental activities such as thinking, memory, learning, reasoning, perception and language are all part of this psychology specialty. Cognitive psychology is a very influential psychology specialty as it affects many other psychology specialties, such as education psychology, social psychology and development psychology. http://careersinpsychology.org/becoming-a-cognitive-psychologist/

Counseling Psychology

Counseling psychology can be thought of as a specialty that applies psychological concepts to people and their everyday lives. For example, stress management, coping with negative events and mental disorders are all addressed in counseling psychology. The counseling psychology specialty covers many areas including psychological counseling, education and health improvement. http://careersinpsychology.org/what-is-counseling-psychology/

Developmental Psychology

Developmental psychology is the study of how humans change over the course of their lives. Developmental psychologists study both how the human mind develops and ages and how human social interactions and cultures change over time. http://careersinpsychology.org/what-is-developmental-psychology/

Educational Psychology

Educational psychology is concerned with how people learn. Various psychological concepts such as motivation, intelligence, personality and cognition are all examined to understand their roles in learning. Appropriately, much of what is learned and studied applies to the classroom setting. http://careersinpsychology.org/educational-psychologist/
Forensic Psychology

Forensic psychology involves applying psychological concepts within the legal system. Forensic psychologists help the court system by explaining psychological concepts to court and law enforcement personnel and providing psychological advice and assessment, especially as expert witnesses. Job duties can include psychological assessment of criminals, evaluation of witness credibility and assisting law enforcement with criminal profiling. See our forensic psychology page for more info. http://www.learnpsychology.org/forensic-psychology/

Health Psychology

As its name implies, health psychology is the specialization that examines how human psychology and behavior affect health. Health psychologists research connections as to how good health can be promoted through psychological concepts. Health psychologists also educate others on how illnesses can be caused or alleviated by certain behaviors or mental processes. See our health psychology page for more info. http://www.learnpsychology.org/health-psychology/

Human Factors Psychology

Human factors psychology is the intersection of mechanical engineering, ergonomics and psychological principles. Based on experimental data, human factor psychologists design and engineer objects humans interact with so that they may be used more effectively or more safely. http://www.apa.org/action/science/human-factors/education-training.aspx

Industrial and Organizational Psychology

Industrial and organizational psychology can also be thought of as office psychology, as it is the scientific examination of human behavior in the workplace and similar organizations. This specialization looks at the how and why of workers: what motivates them, how to make them happy and what can keep them satisfied. See our industrial and organizational psychology page for more info. http://www.learnpsychology.org/industrial-psychology/

Media Psychology

Media psychology studies how various forms of media and technology affect human behavior. The media psychology specialty is very useful for marketing and studying the effects of social media. http://careersinpsychology.org/becoming-a-media-psychologist/

Military Psychology

This specialty takes psychological concepts and gives them military applications. Military psychologists help military personnel both on and off the battlefield by helping them with post-traumatic stress disorder, burnout, and gaining strategic and tactical advantage over a soldier’s adversary, among many other points. http://careersinpsychology.org/become-a-military-psychologist/

Pediatric Psychology

The pediatric psychology specialty applies psychological principles within the field of pediatric or children’s health. Much of pediatric psychology focuses on using psychological theories to promote healthy behaviors in children, but it also looks at children’s relationship with their families, healthcare providers and peers. http://careersinpsychology.org/becoming-a-child-psychologist/

Social Psychology

Social psychologists examine how the human mind is affected by others, real or imagined. Topics studied include why people act a certain way with others, why people have prejudices and why and how certain attitudes exist. While similar to sociology, social psychology looks at the micro level factors (such as individual attitudes and human perception) that affect human and behavior, while sociology takes a broader view and looks at how social institutions and broad populations affect human behavior. See our social psychology page for more info. http://www.learnpsychology.org/social-psychology

Sports Psychology

Sport psychology looks at the mental aspect of athletic performance. Sports psychologists study various psychological factors and how they can affect sports and exercise, whether it be a faster way to recover from injury or how to improve clutch performance. The effect sports and exercise has the human mind is also studied. See our sport psychology page for more info. http://www.learnpsychology.org/sports-psychology/
Gain entry level experience now as a student doing internships, volunteering, and getting involved with campus activities. Check our website for more information on internships: psychology.cos.ucf.edu/undergraduate-psychology-advising/opportunities-in-psychology
