### University Catalog Description

An introductory survey of the four major subfields of Anthropology: Social Anthropology, Physical Anthropology, Linguistics, and Archaeology. No pre-requisites required.

## *What is this course about?*

General anthropology includes everything you'll need to get acquainted with the research methodologies and theoretical approaches used by anthropologists to investigate the past and present human experience in society and the natural world. We will study each of anthropology's subfields by exploring such topics as human evolution and genetic diversity, archaeological excavations and prehistoric societies, language use and identity, and social institutions of gender, power, kinship, spiritualism and economics. Your goal is to take a fresh look at the world around you, make sense of what may seem strange or irrational, and better understand the processes, meanings and motivations behind who we are and what we do as humans.

After successfully completing this course, you should be able to:

- Identify central theoretical concepts of biological anthropology, archaeology, linguistic anthropology, and cultural anthropology and describe how these theoretical concepts contributed to the development of the discipline.
- Describe the role anthropologists play in examining social, cultural and biological assumptions about humans and explain how the anthropological perspective differs from both ethnocentrism and American exceptionalism.
- Make use of the topical or thematic specializations that exist within contemporary anthropology as examples of the range of questions and concerns anthropologists address.
- Demonstrate an understanding of scientific evidence for human evolution and biological diversity, archaeological interpretation of the past, relationship between language and culture, and positioning of social institutions and the self.
- Examine media and literature concerning human diversity, cultural interactions, and our human past to effectively recognize statements of opinion versus statements of scientific fact.

## *What skills will I develop in this course?*

While emphasis is placed on developing the knowledge and analytical skills necessary to evaluate scientific literature and mass media statements about topics in anthropology, you will also be developing the following intellectual and practical skills needed in your higher level university study and future employment opportunities:

After successfully completing this course, you should be able to:

- Demonstrate core skills of inquiry, analysis, and critical and creative thinking.
- Demonstrate initial skills in information literacy.
- Provide opinions and factual information through written and oral communication.
- Apply intercultural knowledge in various contexts.
- Participate in teamwork and problem solving activities in an effective manner.
- Understand the importance of civic engagement on a local and global scale

## *How does this course relate to my Gen-Ed Experience?*

General anthropology embodies the very essence of the UCF Integrative Gen-Ed experience. The Gen-Ed experience is designed to:

- Broaden and deepen your understanding of common human themes helping you to develop an awareness of diverse cultures, and understand the cultural, historical, economic, and social implications of what you learn
- Make you successful writers, speakers, and producers of digital materials in the academic, civic, and professional worlds
- Deepen your understanding of scientific methods while learning to connect and apply them to challenges facing our society today
- Transform you into well informed citizens who can reason and apply analytical, statistical, and computational methods to the challenges of a globally-diverse and technologically rich environment
- Train you to assess and decipher information in a world of conflicting sources

Through our holistic, comparative, and relativistic approach anthropologists apply method and theory from all five dimensions of the Gen-Ed Experience to study human behavior. This particular section will emphasize primary, secondary, and tertiary learning outcomes from the following dimensions:

- **Interpretation and Evaluation:** You will learn to assess and decipher information in a world full of conflicting sources and to employ social science models to produce knowledge.
- **Cultural Interactions:** You will broaden and deepen your understanding of common human themes; develop an awareness of diverse cultures, and understand the cultural, historical, economic, and social implications of what you learn.
- **Knowledge Application:** You will gain a deep understanding of scientific methods and learn to connect and apply them to challenges facing society today.

## *What reading materials and supplies will I need?*

**You are not required to purchase any textbooks** for successful completion of this course. All readings used in this course are **provided as open resources, made available to you through the UCF Library system, or posted in the modules**. Links to all required readings are supplied in each online

learning module. The readings may be read directly online or downloaded. Some of these may have a limited number of printable pages. If this is the case, a full print copy can also be found in the UCF Library Reserve system.

Open Educational Resources include:

## *How should I plan my time for this course?*

General anthropology is based on concepts and methods from biological and cultural anthropology, archaeology, and linguistic anthropology – areas of study which may be unfamiliar to many of you. While I can provide general guidelines based on past students experiences, everyone learns at a different pace, and you will need to decide how much time to set aside to be successful. Your study skills, prior knowledge of subjects, study environment, personal obligations and responsibilities play a huge role in learning and success in any course. Generally, the more time you spend on a course, the better you will do, but the **quality of the time spent is even more important.**

During the next 15 weeks of the Fall 2020 term, you should expect to spend around **1.5 hours of class time each week engaging in remote synchronous lectures via ZOOM.** You should also plan on setting aside at least **two to three hours each week for reading and your assigned coursework** posted in each learning module. This will greatly assist you in keeping up with the materials and course due dates each week, but keep in mind, these are 'estimates' of time that you should devote to this course.

Please do not be tempted to skip lecture and expect to catch up easily. You will need to attend lecture on a regular basis to learn the material for all required assignments and exams. If you need any assistance with assignments or study tips for exams, feel free to schedule a Zoom meeting with me during **office hours on Mondays and Wednesdays from 10:30am-12pm.** If you have a scheduling conflict, please contact me to set an appointment. You can also visit our GTA, George Micheletti.

## *How do I get started in the course?*

UCF faculty members are required to document all students' academic activity at the beginning of each course. In order to document that you began this course, please complete the **[REQUIRED ACTIVITY: Academic Survey](#)** by **11:59pm EST on Friday August 28, 2020**, or as soon as possible after adding the course. Failure to do so may result in a **delay in disbursement of your financial aid.**

# What are the course requirements?

## Summary

This course begins on **August 24, 2020** and ends on **December 12, 2020**. Over this period, you will be expected to:

- complete a required academic activity at the start of the course
- attend synchronous lectures via Zoom
- review learning module materials, including any assigned media, learning activities and readings
- complete 8 out of 10 online quizzes
- complete 3 online exams
- complete 8 out of 10 online assignments

## Academic Activity Assessment (week 1 only)

This is a simple survey available through the webcourse page. **Failure to complete this assessment will result in delay of financial aid disbursements.**

## Gen-Ed Pre-Test and Post-Test

You will find access to Gen-Ed quizzes in your personal webcourses main menu. The pre-test and post-test are used by the university and our department to determine what you learned during the semester. They **will not** count against you. The **Pre Test** is **due Friday September 4 at 11:59pm**. The **Post Test** is due **Friday December 4 at 11:59pm**.

## Modules

In each learning module, you will find an Introduction page outlining the expectations, readings, activities and assignments for that module. The modules contain your readings, assessments, links to information websites, and media content. Modules also contain lecture slide handouts and study guides to assist you

in reviewing for your exams. All written work submitted online for grading will be evaluated for plagiarism during the grading process.

## *Readings*

Readings are due on the day assigned. It is imperative that you do the readings **before** class and assignments, so that you will be prepared to understand the lectures and participate in assignments.

## *Class Lectures (Attendance mandatory, but not taken)*

Class lectures will be held synchronously via Zoom. This means we will meet via a recurring Zoom meeting link every week on Tuesdays from 4:30-5:50. During regular semesters I require attendance, and it counts for 5% of the grade. But this semester I know how hard it is for everyone to keep a regular schedule and I thought it best to waive the attendance requirement. **Lecture attendance is required, but attendance will not be taken.** It is through lecture where you'll learn the majority of content for exams and assignments, and it is a designated weekly time where you have the opportunity to ask questions about the material as we discuss it. **I will record the Zoom sessions and post them in the modules.** See the statement below on using Zoom for remote instruction.

**As a note, these Zoom lectures are proprietary and copyrighted - DO NOT SHARE OR POST ANY ZOOM LECTURES (ORIGINAL OR MODIFIED).** The lectures are posted for use in this class only.

## *Reading Quizzes (20% of final grade)*

You will be assigned **10 reading quizzes** of which **8 will count for your final grade** (lowest 2 scores dropped). Questions for quizzes assess your knowledge of the readings due on the day of lecture each Tuesday. The timing and content of quizzes are designed to prepare you for lecture and activities during the lecture experience.

## *Online Assignments (20% of final grade)*

You will be assigned **10 online assignments** of which **8 will count for your final grade** (lowest 2 scores dropped). The assignments will ask you to respond or reflect upon an issue relevant to the course, or apply a method/theory to your own experienced. These assignments are designed to help you keep up with, comprehend, and apply material from the class lectures and readings.

## *Online Exams (60% of final grade)*

**Three exams** will be administered during the semester, two midterms and one final. The exams are not cumulative. However, subsequent exams may include concepts and facts referring to material covered earlier in the course. I will inform you in advance about the material you need to review in preparation for

Summer in the course. I will inform you in advance about the material you need to review in preparation for the exam questions and provide a study guide. All exams will be taken online. **The final exam is Exam 3 and will be taken online due by Saturday December 12 at 11:59pm.**

## How will I be evaluated and graded?

Your final grade for the course is weighted and will be based on your performance on the following:

Assessment:	Points Possible	% Final Grade
Academic Activity	1	<1%
Reading Quizzes (8 of 10)	80	20%
Exams (3)	300	60%
Assignments (8 of 10)	80	20%
Total	461	100%

You can access your grades for assignments and exams through the 'Grades' link in the course menu on the left. It is **your responsibility to regularly check on your grades** throughout the course. Please allow for a reasonable amount of time to pass for the grading process to occur. When an assignment, quiz or exam score is posted, you will receive a notification that grades have been released (unmuted). If you have any questions about your score **after a grade has been released**, please notify me or your graduate teaching assistant (GTA) using WebCourses Inbox, and we will address the concern as soon as possible. Questions regarding individual scores must be addressed **within one week of the grade being released**.

The WebCourses system automatically grades all multiple-choice, true-false and fill-in questions; however, it will mark fill-in and short answer questions as incorrect when your answer does not exactly match the correct answer provided in the grading key. **Your GTA will be 'hand-grading' each assignment, quiz and exam to ensure that you receive points for any answers not automatically recognized by the system as being correct.** If point corrections are applied by the GTA during grading, the question will still show a 'red' flag indicating it is incorrect, but the **point value listed at the top right corner of the question** will show the value awarded for a correct answer, like the example shown here:

Question 8

1 / 1 pts

Our matrilineal most recent common ancestor (MRCA) is genetically traced using this lineage:

**You Answered** mtDNA lineage ( Mitochondrial Eve)

**Correct Answers** mtDNA

The following +/- grading scale will be used in this course:

Letter Grade	Percentage	Letter Grade	Percentage
A	94 - 100%	C+	76 - 79%
A-	90 - 93%	C	70 - 75%
B+	87 - 89%	D	60 - 69%
B	84 - 86%	F	59% or less
B-	80 - 83%		

Incomplete grades for this course are only given in situations where **unexpected and documented medical or family emergencies prevent an enrolled student in good standing** from completing the remaining work. Your instructor is the final authority on whether you qualify for an incomplete grade. Incomplete work must be finished by the end of the subsequent semester or the 'I' grade will automatically be recorded as an 'F' on your transcript.

## *What if I miss an assignment, quiz, or exam due date?*

Time management, problem solving, responsibility and personal accountability are among the most important things you can learn during your university education. **Missed or late quizzes and assignments are not accepted after their due date without a valid, verifiable excuse.** Please contact the professor via WebCourses Inbox if you need to have an excuse verified and approved for make-up work.

To be fair to everyone in the course, and to the GTA who will be completing the grading, **only work submitted on time will be graded unless late submission is properly approved** by the professor. It is your responsibility to check the course schedule for assignment and exam due dates.

- If you are **participating in an official UCF event** (e.g., sports, ROTC or academic events), please provide the proper documentation **in advance** of a quiz, assignment or exam opening online to receive any extension on due dates.
- Students **observing a holy day** of their religious faith are expected to notify their instructor **in advance** of a quiz, assignment or exam opening online to receive any extension on due dates.
- If you are a **deployed active duty or a reservist military** student, please **contact your instructor** to discuss your circumstances and set any special accommodation due to your unique status

to discuss your circumstances and set any special accommodations due to your unique status.

- If you find yourself in a situation where you are **going to miss an exam**, you must notify me as soon as possible by telephone, e-mail, in person, or by leaving a message with the department secretary (407-823-2227) **in advance** of the exam closing online. You must also provide valid, verifiable documentation explaining your absence. If you are provided the opportunity to take a make-up exam, it must be scheduled and completed online **within five days of the missed exam due date** (if medically possible).

## Required Statement Regarding COVID-19

### University-Wide Face Covering Policy for Common Spaces and Face-to-Face Classes

To protect members of our community, everyone is required to wear a facial covering inside all common spaces including classrooms

(<https://policies.ucf.edu/documents/PolicyEmergencyCOVIDReturnPolicy.pdf>). Students who choose not to wear facial coverings will be asked to leave the classroom by the instructor. If they refuse to leave the classroom or put on a facial covering, they may be considered disruptive (please see the Golden Rule for student behavior expectations). Faculty have the right to cancel class if the safety and well-being of class members are in jeopardy. Students will be responsible for the material that would have been covered in class as provided by the instructor.

### Notifications in Case of Changes to Course Modality

Depending on the course of the pandemic during the semester, the university may make changes to the way classes are offered. If that happens, please look for announcements or messages in

[Webcourses@UCF \(mailto:Webcourses@UCF\)](mailto:Webcourses@UCF) or Knights email about changes specific to this course.

### COVID-19 and Illness Notification

Students who believe they may have a COVID-19 diagnosis should contact UCF Student Health Services (407-823-2509) so proper contact tracing procedures can take place.

Students should not come to campus if they are ill, are experiencing any symptoms of COVID-19, have tested positive for COVID, or if anyone living in their residence has tested positive or is sick with COVID-19 symptoms. CDC guidance for COVID-19 symptoms is located here:

(<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>)

Students should contact their instructor(s) as soon as possible if they miss class for any illness reason to discuss reasonable adjustments that might need to be made. When possible, students should contact their instructor(s) before missing class.

### In Case of Faculty Illness

If the instructor falls ill during the semester, there may be changes to this course, including having a backup instructor take over the course. Please look for announcements or mail in [Webcourses@UCF](mailto:Webcourses@UCF)

Backup instructor take over the course. Please look for announcements or mail in [Webcourses@UCF](mailto:Webcourses@UCF) or Knights email for any alterations to this course.

## Course Accessibility and Disability COVID-19 Supplemental Statement

Accommodations may need to be added or adjusted should this course shift from an on-campus to a remote format. Students with disabilities should speak with their instructor and should contact [sas@ucf.edu](mailto:sas@ucf.edu) (<mailto:sas@ucf.edu>) to discuss specific accommodations for this or other courses.

## Using Zoom for Remote Instruction

Because of the continued remote instruction requirement due to the COVID-19 pandemic, this course will use Zoom for some synchronous (“real time”) class meetings. Meeting dates and times will be scheduled through Webcourses@UCF and should appear on your calendar.

Please take the time to familiarize yourself with Zoom by visiting the [UCF Zoom Guides](https://cdl.ucf.edu/support/webcourses/zoom/) (<https://cdl.ucf.edu/support/webcourses/zoom/>) at <https://cdl.ucf.edu/support/webcourses/zoom/>. You may choose to use Zoom on your mobile device (phone or tablet).

Things to Know About Zoom:

- You must sign in to my Zoom session using your UCF NID and password.
- The Zoom sessions are recorded.
- Improper classroom behavior is not tolerated within Zoom sessions and may result in a referral to the Office of Student Conduct.
- You can contact [Webcourses@UCF Support](https://cdl.ucf.edu/support/) (<https://cdl.ucf.edu/support/>) at <https://cdl.ucf.edu/support/webcourses/> if you have any technical issues accessing Zoom.
- **Zoom lectures are proprietary and copyrighted - DO NOT SHARE OR POST ANY ZOOM LECTURES (ORIGINAL OR MODIFIED).** The lectures are posted for use in this class only.

## Is the course accessible for students with disabilities?

The University of Central Florida is committed to providing access and inclusion for all persons with disabilities. This syllabus is available in alternate formats upon request. Students with disabilities who need specific access in this course, such as accommodations, should contact the professor as soon as possible to discuss various access options. Students should also connect with [Student Accessibility](#)

[Services](http://sas.sdes.ucf.edu/) (<http://sas.sdes.ucf.edu/>) (Ferrell Commons, 7F, Room 185, [sas@ucf.edu](mailto:sas@ucf.edu) (<mailto:sas@ucf.edu>), phone (407) 823-2371). Through Student Accessibility Services, a Course Accessibility Letter may be created and sent to professors, which informs faculty of potential access and accommodations that might be reasonable.

If you receive learning accommodations through SAS, please feel free to speak with me about any related concerns. It is always best if we can speak early about the possible need for any accessibility modifications to exams or assignments, and I will happily work with you and SAS to ensure that your needs are reasonably met in a timely fashion. **If your SAS-approved accommodations include a specialized environment or equipment for testing, it is your responsibility to make the necessary arrangements to write your exams within the SAS facilities.**

## *How is respect for diversity maintained?*

This course will be conducted in a way that respects **all aspects of diversity**. The very nature of this course requires us to delve into topics that may make some students uncomfortable and/or discuss topics with which some students may strongly disagree. I expect everyone to show respect for one another and the diverse issues presented and discussed. While various opinions and emotions are tied to some of the topics covered, **the greater purpose is to educate, not judge**. Everyone must be given a chance to express their thoughts in discussion without interruption or ridicule.

Any student who acts inappropriately, makes crude, suggestive, culturally insensitive, or otherwise juvenile comments, or becomes disruptive **will be blocked from participating in online and open class discussions**. If you do encounter materials in the course that you find offensive or disconcerting, take a moment to explore why you are offended or unsettled and then rationally explain your concerns so we can address the issue further through class discussion or privately during office hours.

## *How is academic integrity maintained?*

Students should familiarize themselves with UCF's Rules of Conduct at

<http://osc.sdes.ucf.edu/process/roc> [\\_ \(http://osc.sdes.ucf.edu/process/roc\)](http://osc.sdes.ucf.edu/process/roc)\_. According to Section 1, "Academic Misconduct," students are prohibited from engaging in:

1. Unauthorized assistance: Using or attempting to use unauthorized materials, information or study aids in any academic exercise unless specifically authorized by the instructor of record. The unauthorized possession of examination or course-related material also constitutes cheating.
2. Communication to another through written, visual, electronic, or oral means: The presentation of material which has not been studied or learned, but rather was obtained through someone else's efforts and used as part of an examination, course assignment, or project.
3. Commercial Use of Academic Material: Selling of course material to another person, student, and/or uploading course material to a third-party vendor without authorization or without the express written permission of the university and the instructor. Course materials include but are not limited to class notes, Instructor's PowerPoints, course syllabi, tests, quizzes, labs, instruction sheets, homework, study guides, handouts, etc.

study guides, handouts, etc.

4. Falsifying or misrepresenting the student's own academic work.
5. Plagiarism: Using or appropriating another's work without any indication of the source, thereby attempting to convey the impression that such work is the student's own.
6. Multiple Submissions: Submitting the same academic work for credit more than once without the express written permission of the instructor.
7. Helping another violate academic behavior standards.

For more information about Academic Integrity, consult the International Center for Academic Integrity <http://academicintegrity.org> [\\_\(http://academicintegrity.org\)\\_](http://academicintegrity.org).

For more information about plagiarism and misuse of sources, see "Defining and Avoiding Plagiarism: The WPA Statement on Best Practices" <http://wpacouncil.org/node/9> [\\_\(http://wpacouncil.org/node/9\)\\_](http://wpacouncil.org/node/9).

Academic dishonesty in any form will not be tolerated. If you are uncertain as to what constitutes academic dishonesty, please consult The Golden Rule, the University of Central Florida's Student Handbook (<http://www.goldenrule.sdes.ucf.edu/>) for further details. As in all University courses, The Golden Rule Rules of Conduct will be applied. Violations of these rules will result in a record of the infraction being placed in your file and receiving a zero on the work in question AT A MINIMUM. At the instructor's discretion, you may also receive a failing grade or a Z grade for the course. Confirmation of such incidents can also result in expulsion from the University.

## *Why should I use WebCourses Inbox?*

In this course, our **official mode of communication is through the secure WebCourses Inbox system**. This is to ensure the safety of your personal information. It is your responsibility to check the WebCourses Inbox and course announcements at least two or three times per week. You may also use your UCF Knight's Email account to communicate with the professor and/or the GTA. However, **if you use the UCF Knights Mail system**, please use the course number in your email reference so it is easily recognized, and please do not forget to add your name at the end of the email.

When using the proper channels of communication, you can generally **expect a response to your message through WebCourses Inbox within 24 hours**. Please keep in mind that I, and your GTA, may only check our UCF email once, if at all, during the weekend hours (unless an exam is open) or on holidays. If you send an email on a Friday afternoon or over the weekend, you may not receive a response until the following Monday.

All communication between student and professor (or GTA) and between student and student should be respectful and professional. Please be aware that any **online correspondence regarding assignments, grades, or course materials must utilize the WebCourses Inbox or UCF Knight's Mail systems**. Your GTA and I will not respond to messages sent by other means, such as your Smartphone or iPad. For example, we will not respond to:

Smartphones or tablets. For example, we will not respond to:

FM: partaymnstr18@gmail.com

"Hey! When are exam grades posted? Did I do ok? ATM AFC!"

Sent from iPhone.

## *What are the technology and software requirements?*

You must have access to a **reliable computer and a reliable internet connection at least three times a week** for this course. If you do not own a computer, there are student accessible computers in all of UCF's computer labs. For further information on UCF computer labs and a campus schedule, please see the following website: <http://guides.ucf.edu/content.php?pid=137016&sid=1173345>.  
(<http://guides.ucf.edu/content.php?pid=137016&sid=1173345>)

You are expected to have compatible versions of Adobe Reader, Adobe Flash, and PowerPoint Viewer (or the equivalent) installed on the computer commonly accessed so that you may properly view multimedia materials linked to the weekly content of the course. Please visit the following websites to access and install or upgrade to the most current versions of these products:

<http://get.adobe.com/reader/> (<http://get.adobe.com/reader/>)

<http://get.adobe.com/flashplayer/> (<http://get.adobe.com/flashplayer/>)

<http://www.microsoft.com/en-eg/download/details.aspx?id=13>

<https://cdl.ucf.edu/support/webcourses/zoom/>  
(<https://cdl.ucf.edu/support/webcourses/zoom/>)

WebCourses has an **online tracking system** where professors can review a student's progress and activities while logged into the course. This assists students and professors in instances where computer 'glitches' or 'Internet speed bumps' occur when submitting assignments, taking exams, etc. If you experience technical issues with WebCourses while submitting an assignment or taking an exam, it will show up in your online activity report. Therefore, the "Bill Gates ate my homework" or "I took the exam

show up in your online activity report. Therefore, the "I forgot to do my homework" or "I took the exam, but . . ." excuses **can be traced and verified**.

If you are experiencing problems accessing materials or submitting your work, please contact your professor or GTA so we can point you in the proper direction for assistance. The quickest way to receive assistance is through the 'Help' button located in the lower, left-hand corner, and then clicking on the most appropriate menu item.

This course contains copyright protected materials such as audio or video clips, images, text materials, etc. These items are being used with regard to the Fair Use doctrine in order to enhance your learning environment. Do not copy, duplicate, download or distribute these items. The **use of these materials is strictly reserved for this online course environment and your use only**. All copyright materials are credited to the copyright holder.

In addition, third party sites (e.g., Study Blue, Koofers, CourseHero, etc.) may be selling or requiring log-in access to class notes and other materials from current or past versions of this course **without my authorization**. Please be aware that this is a **violation of copyright**, and these materials and previous student submissions always contain extensive errors and outdated information, which could greatly affect your performance (and therefore your grade) in this course. **Use these materials at your own risk**.

During this course you might also encounter public online services and/or software applications, sometimes called third-party software, such as a blog or wiki. While some of these might be related to required course materials, **you will not need to release any personally identifying information on any public site. Do not post or provide any private information about yourself or your classmates**. If you have any concerns about this, please contact your professor or GTA for assistance.

## *What if there is an Emergency on campus?*

Emergencies on campus are rare, but if one should arise during class, everyone needs to work together. Students should be aware of their surroundings and familiar with some basic safety and security concepts.

- In case of an emergency, dial 911 for assistance.
- Every UCF classroom contains an emergency procedure guide posted on a wall near the door. Students should make a note of the guide's physical location and review the online version at [http://emergency.ucf.edu/emergency\\_guide.html](http://emergency.ucf.edu/emergency_guide.html) ([http://emergency.ucf.edu/emergency\\_guide.html](http://emergency.ucf.edu/emergency_guide.html)).

- Students should know the evacuation routes from each of their classrooms and have a plan for finding safety in case of an emergency.
- If there is a medical emergency during class, students may need to access a first-aid kit or AED (Automated External Defibrillator). To learn where those are located, see <http://www.ehs.ucf.edu/AEDlocations-UCF> [.\(http://www.ehs.ucf.edu/AEDlocations-UCF\)](http://www.ehs.ucf.edu/AEDlocations-UCF) (click on link from menu on left).
- To stay informed about emergency situations, students can sign up to receive UCF text alerts by going to <https://my.ucf.edu> [.\(https://my.ucf.edu\)](https://my.ucf.edu) and logging in. Click on “Student Self Service” located on the left side of the screen in the toolbar, scroll down to the blue “Personal Information” heading on the Student Center screen, click on “UCF Alert”, fill out the information, including e-mail address, cell phone number, and cell phone provider, click “Apply” to save the changes, and then click “OK.”
- Students with special needs related to emergency situations should speak with their instructors outside of class.

## Course Description

**An introductory survey of the four major subfields of anthropology: Social Anthropology, Physical Anthropology, Linguistics, and Archaeology**

This course will introduce you to the varied approaches anthropologists use to examine and explain humankind in the present and in the past. Anthropology is a broad discipline that is

concerned with both biological and cultural aspects of humanity. Anthropology can be both scientific and humanistic. It looks at human biology, the evolution and origin of our species, adaptation and variation, health and nutrition. Anthropology also examines our societies, our families, our values, beliefs and ideals and the ways we interact and communicate. Anthropology takes interest in the present and the past. Four major subfields of anthropology will be covered: Cultural Anthropology, Archaeology, Biological Anthropology, and Anthropological Linguistics. This course is fully online will not meet at a scheduled time, thus asynchronous. You will be self- but please be aware of Quiz, Assignment, and Exam deadlines.

## Student Learning Outcomes

When you leave this course, you will have a greater understanding and appreciation of human peoples and cultures around the globe. By bringing you into contact with different ways of life, you will understand and appreciate how arbitrary your own understanding of the world is. You will learn that you and all other humans live in culturally shaped worlds.

## Required Text

Reading your textbook is a fundamental part of your education. To do well in this class, you will need to do the required readings before completing assignments. And reading will help you better understand my lectures and perform well on the tests and quizzes. By its nature, anthropology covers material that may be unfamiliar to you, and sometimes unexpected, so be sure to get the most out of your textbook.

## Unauthorized Use of Websites and Internet Resources

There are many websites claiming to offer study aids to students, but in using such websites, students could find themselves in violation of academic conduct guidelines. These websites include (but are not limited to) Quizlet, Course Hero, Chegg Study, and Clutch Prep. UCF does not endorse the use of these products in an unethical manner, which could lead to a violation of our University's Rules of Conduct. They encourage students to upload course materials, such as test questions, individual assignments, and examples of graded material. Such materials are the intellectual property of instructors, the university, or publishers and may not be distributed without prior authorization. Students who engage in such activity could be found in violation of academic conduct standards and could face course and/or University penalties. Please let me know if you are uncertain about the use of a website so I can determine its legitimacy.

## Unauthorized Use of Websites and Internet Resources

If you were in a classroom setting taking a quiz, would you ask the student sitting next to you for an answer to a quiz or test question? The answer should be no. This also applies to graded homework, quizzes, tests, etc.

Students are not allowed to use GroupMe, WhatsApp, or any other form of technology to exchange course material associated with a graded assignment, quiz, test, etc. when opened on Webcourses.

The completion of graded work in an online course should be considered a formal process: Just because you are not in a formal classroom setting being proctored while taking a quiz or test does not mean that the completion of graded work in an online course should not be treated with integrity.

The following is not all inclusive of what is considered academic misconduct. These examples show how the use of technology can be considered academic misconduct and could result in the same penalties as cheating in a face-to-face class:

- Taking a screen shot of an online quiz or test question, posting it to GroupMe or WhatsApp, and asking for assistance is considered academic misconduct.

- Answering an online quiz or test question posted to GroupMe or WhatsApp is considered academic misconduct. Giving advice, assistance, or suggestions on how to complete a question associated with an online assignment, quiz, or test is considered academic misconduct.
- The use of outside assistance from another student or by searching the internet, Googling for answers, use of websites such as Quizlet, Course Hero, Chegg Study, etc. is considered academic misconduct.
- Gathering to take an online quiz or test with others and sharing answers in the process is considered academic misconduct.

## Unauthorized Distribution of Class Notes and Materials

Third parties may attempt to connect with you to sell your notes and other course information from this class. Distributing course materials to a third party without my authorization is a violation of our University's Rules of Conduct. Please be aware that such class materials that may have already been given to such third parties may contain errors, which could affect your performance or grade. Recommendations for success in this course include coming to class on a routine basis, visiting me during my office hours, connecting with the Teaching Assistant (TA), and making use of the Student Academic Resource Center (SARC), the University Writing Center (UWC), the Math Lab, etc. If a third party should contact you regarding such an offer, I would appreciate your bringing this to my attention. We all play a part in creating a course climate of integrity.

## Turnitin.com

In this course we will utilize turnitin.com, an automated system which instructors can use to quickly and easily compare each student's assignment with billions of web sites, as well as an enormous database of student papers that grows with each submission. Accordingly, you will be expected to submit assignments through the Canvas Assignment Tool in electronic format. After the assignment is processed, as an instructor I receive a report from turnitin.com that states if and how another author's work was used in the assignment. For a more detailed look at this process, visit <http://www.turnitin.com> [\(http://www.turnitin.com/\)](http://www.turnitin.com/).

## Policy Statements

### Statement Regarding COVID-19

To protect members of our community, everyone is required to wear a facial covering inside all common spaces including classrooms (<https://policies.ucf.edu/documents/PolicyEmergencyCOVIDReturnPolicy.pdf> [\\_ \(https://policies.ucf.edu/documents](https://policies.ucf.edu/documents)

[/PolicyEmergencyCOVIDReturnPolicy.pdf](#)). Students who choose not to wear facial coverings will be asked to leave the classroom by the instructor. If they refuse to leave the classroom or put on a facial covering, they may be considered disruptive (please see the [Golden Rule \(https://goldenrule.sdes.ucf.edu/\)](#) for student behavior expectations). Faculty have the right to cancel class if the safety and well-being of class members are in jeopardy. Students will be responsible for the material that would have been covered in class as provided by the instructor.

### **Notifications in Case of Changes to Course Modality**

Depending on the course of the pandemic during the semester, the university may make changes to the way classes are offered. If that happens, please look for announcements or messages in Webcourses@UCF or Knights email about changes specific to this course.

### **COVID-19 and Illness Notification**

Students who believe they may have a COVID-19 diagnosis should contact UCF Student Health Services (407-823-2509) so proper contact tracing procedures can take place.

Students should not come to campus if they are ill, are experiencing any symptoms of COVID-19, have tested positive for COVID, or if anyone living in their residence has tested positive or is sick with COVID-19 symptoms. CDC guidance for COVID-19 symptoms is located here: (<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html> (<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>)).

Students should contact their instructor(s) as soon as possible if they miss class for any illness reason to discuss reasonable adjustments that might need to be made. When possible, students should contact their instructor(s) before missing class.

### **In Case of Faculty Illness**

If the instructor falls ill during the semester, there may be changes to this course, including having a backup instructor take over the course. Please look for announcements or mail in Webcourses@UCF or Knights email for any alterations to this course.

### **Course Accessibility and Disability COVID-19 Supplemental Statement**

Accommodations may need to be added or adjusted should this course shift from an on-campus to a remote format. Students with disabilities should speak with their instructor and should contact [sas@ucf.edu](mailto:sas@ucf.edu) (<mailto:sas@ucf.edu>) to discuss specific accommodations for this or other courses.

## **Academic Integrity**

Students should familiarize themselves with UCF's Rules of Conduct at

<<https://scai.sdes.ucf.edu/student-rules-of-conduct/>> [\(https://scai.sdes.ucf.edu/student-rules-of-conduct/\)](https://scai.sdes.ucf.edu/student-rules-of-conduct/)>. According to Section 1, “Academic Misconduct,” students are prohibited from engaging in

1. Unauthorized assistance: Using or attempting to use unauthorized materials, information or study aids in any academic exercise unless specifically authorized by the instructor of record. The unauthorized possession of examination or course-related material also constitutes cheating.
2. Communication to another through written, visual, electronic, or oral means: The presentation of material which has not been studied or learned, but rather was obtained through someone else’s efforts and used as part of an examination, course assignment, or project.
3. Commercial Use of Academic Material: Selling of course material to another person, student, and/or uploading course material to a third-party vendor without authorization or without the express written permission of the university and the instructor. Course materials include but are not limited to class notes, Instructor’s PowerPoints, course syllabi, tests, quizzes, labs, instruction sheets, homework, study guides, handouts, etc.
4. Falsifying or misrepresenting the student’s own academic work.
5. Plagiarism: Using or appropriating another’s work without any indication of the source, thereby attempting to convey the impression that such work is the student’s own.
6. Multiple Submissions: Submitting the same academic work for credit more than once without the express written permission of the instructor.
7. Helping another violate academic behavior standards.
8. Soliciting assistance with academic coursework and/or degree requirements.

### Responses to Academic Dishonesty, Plagiarism, or Cheating

Students should also familiarize themselves with the procedures for academic misconduct in UCF’s student handbook, *The Golden Rule* < <https://goldenrule.sdes.ucf.edu/> [\(https://goldenrule.sdes.ucf.edu/\)](https://goldenrule.sdes.ucf.edu/)>. UCF faculty members have a responsibility for students’ education and the value of a UCF degree, and so seek to prevent unethical behavior and respond to academic misconduct when necessary. Penalties for violating rules, policies, and instructions within this course can range from a zero on the exercise to an “F” letter grade in the course. In addition, an Academic Misconduct report could be filed with the Office of Student Conduct, which could lead to disciplinary warning, disciplinary probation, or deferred suspension or separation from the University through suspension, dismissal, or expulsion with the addition of a “Z” designation on one’s transcript.

Being found in violation of academic conduct standards could result in a student having to disclose such behavior on a graduate school application, being removed from a leadership position within a student organization, the recipient of scholarships, participation in University

activities such as study abroad, internships, etc.

Let's avoid all of this by demonstrating values of honesty, trust, and integrity. No grade is worth compromising your integrity and moving your moral compass. Stay true to doing the right thing: take the zero, not a shortcut.

## Course Accessibility Statement

The University of Central Florida is committed to providing access and inclusion for all persons with disabilities. Students with disabilities who need access to course content due to course design limitations should contact the professor as soon as possible. Students should also connect with Student Accessibility Services (SAS) <<http://sas.sdes.ucf.edu/> (<http://sas.sdes.ucf.edu/>) > (Ferrell Commons 185, [sas@ucf.edu](mailto:sas@ucf.edu) (<mailto:sas@ucf.edu>), phone 407-823-2371). For students connected with SAS, a Course Accessibility Letter may be created and sent to professors, which informs faculty of potential course access and accommodations that might be necessary and reasonable. Determining reasonable access and accommodations requires consideration of the course design, course learning objectives and the individual academic and course barriers experienced by the student. Further conversation with SAS, faculty and the student may be warranted to ensure an accessible course experience.

## Unexpected Course Changes

To stay informed about emergency situations, students can sign up to receive UCF text alerts by going to [ucf.edu](http://my.ucf.edu/) (<http://my.ucf.edu/>) and logging in. Click on "Student Self Service" located on the left side of the screen in the toolbar, scroll down to the blue "Personal Information" heading on the Student Center screen, click on "UCF Alert", fill out the information, including e-mail address, cell phone number, and cell phone provider, click "Apply" to save the changes, and then click "OK."

Students with special needs related to emergency situations should speak with their instructors outside of class.

Emergencies may occur that could affect this course's schedule.

## Deployed Active Duty Military Students

Students who are deployed active duty military and/or National Guard personnel and require accommodation should contact their instructors as soon as possible after the semester begins and/or after they receive notification of deployment to make related arrangements.

## Third-Party Software and FERPA

During this course you might have the opportunity to use public online services and/or software applications sometimes called third-party software such as a blog or wiki. While some of these could be required assignments, you need not make any personally identifying information on a public site. Do not post or provide any private information about yourself or your classmates. Where appropriate you may use a pseudonym or nickname. Some written assignments posted publicly may require personal reflection/comments, but the assignments will not require you to disclose any personally identity-sensitive information. ## Diversity and Inclusion

The University of Central Florida considers the diversity of its students, faculty, and staff to be a strength and critical to its educational mission. UCF expects every member of the university community to contribute to an inclusive and respectful culture for all in its classrooms, work environments, and at campus events. Dimensions of diversity can include sex, race, age, national origin, ethnicity, gender identity and expression, intellectual and physical ability, sexual orientation, income, faith and non-faith perspectives, socio-economic class, political ideology, education, primary language, family status, military experience, cognitive style, and communication style. The individual intersection of these experiences and characteristics must be valued in our community.

Title IX prohibits sex discrimination, including sexual misconduct, sexual violence, sexual harassment, and retaliation. If you or someone you know has been harassed or assaulted, you can find resources available to support the victim, including confidential resources and information concerning reporting options at [www.shield.ucf.edu](http://www.shield.ucf.edu) [\\_\(http://www.shield.ucf.edu\)](http://www.shield.ucf.edu) and <http://cares.sdes.ucf.edu/> [\\_\(http://cares.sdes.ucf.edu/\)](http://cares.sdes.ucf.edu/).

If there are aspects of the design, instruction, and/or experiences within this course that result in barriers to your inclusion or accurate assessment of achievement, please notify the instructor as soon as possible and/or contact Student Accessibility Services.

## Texts

***The Pithouses of Keatley Creek* by  
Hayden – available as a pdf in the  
class website**

**Callaghan and Williams –  
available as a pdf in the class  
website**

**Perspectives: An Introduction to  
Cultural Anthropology – available  
in the class website**

**The Insecure City**

## **A War of Witches**

**To Be Clear – All required texts are available as pdf's in the class website.**

### **Explanations for Texts:**

*Keatley Creek* is an archaeology case study that provides a good example of how archaeology is done and how archaeologists reach their conclusions

*Callaghan and Williams* is an introduction to physical anthropology and archaeology.

*Perspectives* is an introduction to cultural anthropology

A War of Witches, is an ethnography that illustrates points made in the cultural anthropology section of the course.

**Grading:** Three 100 point exams = 300 points  
17 On-line Assignments (one is worth 20) = 180 points

Total Possible: 480 points

A = 90 – 100%

B = 80 – 89%

C = 70 – 79%

D = 60 – 69%

E = Less than 60%

### **Weekly Modules**

The class is organized by sections (you can think of the sections as weeks). Within each section there are modules and activities. The modules

contain material from your instructor that supplements the texts. The supplemental modules are required. They are your instructor's way of providing what you miss in the lectures you would have in a face to face class. Consequently, there will be a substantial amount of material from the modules on the exams. Further, in some cases you will not be able to do the activities unless you have done the modules. The activities are things you must do for credit.

There are scheduled exam dates and due dates for the assignments. You need to read the syllabus below and take note of the due dates.

## Grading

**On-Line Exams:** The exams will be available for specified days (see Schedule). You must take the exam during those specified days or it will have been missed. Once you begin the exam you will have two hours to complete it. At the end of three hours it will automatically close. The exams will have only multiple choice questions and you should be able to complete the exams within one hour (this is the case when you instructor gives them in face-to-face classes), but you get two hours.

There are two regular exams in the course. There is also a Make Up Exam that will open on the Saturday after the last day of class – The Make Up Exam is to make up a missed exam (Exam 1 or Exam 2) and to provide students an opportunity, if they choose to improve their exam score (if they have taken Exam 1 and Exam 2).

**On-Line Assignments:** the syllabus below is organized by weeks that correspond to the sections in course content. Within each week there is a list of sections to cover. Read the online material in each section and the related material in the main text or supplemental texts. Then do the assignments for those sections. For example section 1 is to be done in week 1. It is recommended that you write your posting in MS

Word on your own computer and then go on-line and open that assignment and copy and paste your response. If you write first and save and then use copy and paste you will have your responses saved to your computer in case something happens. If you write the response on-line and something happens during your composition and you are not finished you will lose your work. Better to write it on your own computer and save it and then post it to the assignment.

There are due dates for the assignments. You can do the assignments any time before the due date, you do not have to wait until the last minute to do them. **Late assignments will receive 1/2 credit.**

**Warning:** Do not copy someone else's assignment and do not copy and paste from the online material into your assignments. Both are plagiarism and the minimum penalty is a 0 for the assignment.

**Important note: Do not use attachments to do the assignments.**

## **Required Statement Regarding COVID-19**

### **University-Wide Face Covering Policy for Common Spaces and Face-to-Face Classes**

To protect members of our community, everyone is required to wear a facial covering inside all common spaces including classrooms (<https://policies.ucf.edu/documents/PolicyEmergencyCOVIDReturnPolicy.pdf>). Students who choose not to wear facial coverings will be asked to leave the classroom by the instructor. If they refuse to leave the classroom or put on a facial covering, they may be considered disruptive (please see the [Golden Rule](#) for student behavior expectations). Faculty have the right to cancel class if the safety and well-being of class members are in jeopardy. Students will be responsible for the material that would have been covered in class as provided by the instructor.

### **Notifications in Case of Changes to Course Modality**

Depending on the course of the pandemic during the semester, the university may make changes to the way classes are offered. If that happens, please look for announcements or messages in Webcourses@UCF or Knights email about changes specific to this course.

### **COVID-19 and Illness Notification**

Students who believe they may have a COVID-19 diagnosis should contact UCF Student Health Services (407-823-2509) so proper contact tracing procedures can take place.

Students should not come to campus if they are ill, are experiencing any symptoms of COVID-19, have tested positive for COVID, or if anyone living in their residence has tested positive or is sick with COVID-19 symptoms. CDC guidance for COVID-19 symptoms is located here:

(<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>)

Students should contact their instructor(s) as soon as possible if they miss class for any illness reason to discuss reasonable adjustments that might need to be made. When possible, students should contact their instructor(s) before missing class.

### **In Case of Faculty Illness**

If the instructor falls ill during the semester, there may be changes to this course, including having a backup instructor take over the course. Please look for announcements or mail in Webcourses@UCF or Knights email for any alterations to this course.

## **Academic Integrity**

The Center for Academic Integrity (CAI) defines academic integrity as a commitment, even in the face of adversity, to five fundamental values: honesty, trust, fairness, respect, and responsibility. From these values flow principles of behavior that enable academic communities to translate ideals into action.

<http://academicintegrity.org/> (Links to an external site.)

*UCF Creed:* Integrity, scholarship, community, creativity, and excellence are the core values that guide our conduct, performance, and decisions.

1. Integrity: I will practice and defend academic and personal honesty.
2. Scholarship: I will cherish and honor learning as a fundamental purpose of my membership in the UCF community.

3. Community: I will promote an open and supportive campus environment by respecting the rights and contributions of every individual.
4. Creativity: I will use my talents to enrich the human experience.
5. Excellence: I will strive toward the highest standards of performance in any endeavor I undertake.

The following definitions of plagiarism and misuse of sources come from the Council of Writing Program Administrators <<http://wpacouncil.org/node/9> ([Links to an external site.](#))> and have been adopted by UCF's Department of Writing & Rhetoric.

### ***Plagiarism***

In an instructional setting, plagiarism occurs when a writer deliberately uses someone else's language, ideas, or other original (not common-knowledge) material without acknowledging its source. This definition applies to texts published in print or on-line, to manuscripts, and to the work of other student writers.

### ***Misuse of Sources***

A student who attempts (even if clumsily) to identify and credit his or her source, but who misuses a specific citation format or incorrectly uses quotation marks or other forms of identifying material taken from other sources, has not plagiarized. Instead, such a student should be considered to have failed to cite and document sources appropriately.

### ***Responses to Academic Dishonesty, Plagiarism, or Cheating***

UCF faculty members have a responsibility for your education and the value of a UCF degree, and so seek to prevent unethical behavior and when necessary respond to infringements of academic integrity. Penalties can include a failing grade in an assignment or in the course, suspension or expulsion from the university, and/or a "Z Designation" on a student's official transcript indicating academic dishonesty, where the final grade for this course will be preceded by the letter Z. For more information about the Z Designation, see <http://goldenrule.sdes.ucf.edu/zgrade>.

For more information about UCF's Rules of Conduct, see <http://www.osc.sdes.ucf.edu/>.

### ***Unauthorized Use of Class Materials***

There are many fraudulent websites claiming to offer study aids to students but are actually cheat sites. They encourage students to upload course materials, such as test questions, individual assignments, and examples of graded material. Such materials are the intellectual property of instructors, the university, or publishers and may not be distributed without prior authorization. Students who engage in such activity are in violation of academic conduct standards and may face penalties.

### ***Unauthorized Use of Class Notes***

Faculty have reported errors in class notes being sold by third parties, and the errors may be contributing to higher failure rates in some classes. The following is a statement appropriate for distribution to your classes or for inclusion on your syllabus:

Third parties may be selling class notes from this class without my authorization. Please be aware that such class materials may contain errors, which could affect your performance or grade. Use these materials at your own risk.

### ***In-Class Recording Policy***

Outside of the notetaking and recording services offered by Student Accessibility Services, the creation of an audio or video recording of all or part of a class for personal use is allowed *only* with the advance and explicit written consent of the instructor. Such recordings are only acceptable in the context of personal, private studying and notetaking and are not authorized to be shared with *anyone* without the separate written approval of the instructor.

## **Course Accessibility Statement**

The University of Central Florida is committed to providing access and inclusion for all persons with disabilities. This syllabus is available in alternate formats upon request. Students with disabilities who need specific access in this course, such as accommodations, should contact the professor as soon as possible to discuss various access options. Students should also connect with [Student Accessibility Services](#) (Ferrell Commons, 7F, Room 185, [sas@ucf.edu](mailto:sas@ucf.edu), phone (407) 823-2371). Through Student Accessibility Services, a Course Accessibility Letter may be created and sent to professors, which informs faculty of potential access and accommodations that might be reasonable.

# Campus Safety Statement

Emergencies on campus are rare, but if one should arise in our class, we will all need to work together. Everyone should be aware of the surroundings and familiar with some basic safety and security concepts.

- In case of an emergency, dial 911 for assistance.
- Every UCF classroom contains an emergency procedure guide posted on a wall near the door. Please make a note of the guide's physical location and consider reviewing the online version at [http://emergency.ucf.edu/emergency\\_guide.html](http://emergency.ucf.edu/emergency_guide.html).
- Familiarize yourself with evacuation routes from each of your classrooms and have a plan for finding safety in case of an emergency. (Insert class-specific details if appropriate)
- If there is a medical emergency during class, we may need to access a first aid kit or AED (Automated External Defibrillator). To learn where those items are located in this building, see <http://www.ehs.ucf.edu/AEDlocations-UCF> (click on link from menu on left). (insert class specific information if appropriate)
- To stay informed about emergency situations, sign up to receive UCF text alerts by going to [my.ucf.edu](http://my.ucf.edu) and logging in. Click on "Student Self Service" located on the left side of the screen in the tool bar, scroll down to the blue "Personal Information" heading on your Student Center screen, click on "UCF Alert", fill out the information, including your e-mail address, cell phone number, and cell phone provider, click "Apply" to save the changes, and then click "OK."
- If you have a special need related to emergency situations, please speak with me during office hours.
- Consider viewing this video ([You CAN Survive an Active Shooter \(Links to an](#)

[external site.](#)) about how to manage an active shooter situation on campus or elsewhere.

# Deployed Active Duty Military Students

If you are a deployed active duty military student and feel that you may need a special accommodation due to that unique status, please contact your instructor to discuss your circumstances.

## Student Responsibilities

1. You are responsible for having access to both a web capable computer and internet access throughout the entire period of this course.
2. You need to have MS word, Adobe Acrobat reader and Mozilla Firefox on your computer. Not having access to these capabilities is not an excuse for missing a due date for either an assignment or an exam. With the exception of MS Word all of the required programs are available for free download.
3. You are responsible for reading the syllabus, including the due dates included in the syllabus. The syllabus is available on the class homepage. Not reading the syllabus is not an excuse for missing a due date for either an assignment or an exam.
4. You are responsible for accessing the list of assignments in the class web site and taking note of the due dates for the assignments. Missing an assignment because you have not looked at the assignments page in the class web site is not an excuse for missing an assignment.
5. UCF Instructors are only allowed to communicate with students through knights mail. You are responsible for accessing your knights mail for information on the class on a bi-weekly basis. Not accessing your knights mail account is not an excuse for not receiving information on upcoming exams and exam topics. If you have problem with knights mail it is your responsibility to contact the help desk and resolve the issue.
6. Exams in this course become available on Saturday mornings at 8 am and remain available until the following Monday at 11 55 pm. The exam, once opened, will remain open for 2 – 3 hours (depending on the number of questions on the exam). You must complete the exam once you open it. There is only one chance to take an exam so be prepared before you open the exam. The only excuse for missing an exam is a **documented** medical emergency. The final exam is available to make up excused missed exams (not for trying to improve previous exam scores). If you do have such an emergency you are responsible for notifying your instructor through e mail before the exam availability closes. The final exam will be cumulative. You are responsible for taking the exams during the period they are available.

7. You are responsible for asking any questions you have at the time you have them of your instructor through e mail. Your instructor's email is: [vance.geiger@ucf.edu](mailto:vance.geiger@ucf.edu) and can be found in the syllabus you are required to read. Asking questions about issues that occurred more than a day after the problem occurs is not an excuse for missing a due date for an assignment or exam.
8. The syllabus clearly delineates the grading system for the course. You are responsible for reading the syllabus and assessing how you are doing in the course. Your instructor cannot discuss grades through e mail or in any online format per FERPA regulations.
9. Your instructor cannot discuss your grades in this class to any outside interested party, **no one**. If you are required to obtain information on your grades in a form requiring your instructor's signature then you must present yourself in person with ID during your instructor's on campus office hours found in the syllabus.
10. You have chosen to take an online course. This means you have chosen to take a course that requires you to have and maintain access to the internet. It also means that you have chosen a course that requires you to have access to more technology than other available alternatives. Online courses also require more personal initiative than face to face courses that meet three or two times a week. This is a choice you have made and are therefore responsible for. Your instructor does not meet with you on a regular schedule (although there will be online office hours scheduled and your instructor does hold on campus office hours – see the syllabus) which means that you must take the initiative to inform your instructor of any problems you have.

## University Catalog Description

An introductory survey of the four main subfields of anthropology: Social Anthropology, Physical Anthropology, Linguistics and Archaeology. **Prerequisite:** None

This course is a State General Education Core Course, and it satisfies the Social Foundation Area 1 requirement. The course also satisfies unrestricted elective requirements for many additional UCF degree programs. Please consult your academic advisor to determine how this course applies to your degree requirements.

## What is this course about?

Have you ever wondered about the people around you? Why they look the way they do? How they know to behave in different situations? How they even got there in the first place? Anthropology – the study of the human condition in the past, present, and future – can help you find answers to these questions and many more. Anthropologists research these kinds of questions using scientific and humanistic perspectives from four main subfields: biological anthropology (the study of human genetics, evolution, and diversity), archaeology (the study of past human material culture), linguistics (the study of human language, communication, and writing systems), and social anthropology (the study of human society and culture).

From art and economics, to Ancient Egypt and modern human genetics, this General Anthropology course includes everything you'll need to get acquainted with the research methods and theoretical approaches used to investigate the history of human development, the diversity of our cultural and social institutions, and issues that we face in our rapidly changing world, including environmental change, race and ethnic relations, world health issues, and globalization. Our primary goal is to explore, understand and respond meaningfully to the diversity of human possibilities.

## What skills will I develop in this course?

Emphasis is placed on developing the analytical skills necessary to evaluate scientific literature and mass media statements about human behavioral and biological diversity and similarity both past and

present.

After successfully completing this course, you should be able to:

- Explain and identify basic concepts and theoretical developments from four main subfields of anthropology.
- Summarize how anthropologists solve problems in business, government, public health, education, history, technology, and advocacy.
- Examine and evaluate methods and ethics of anthropological fieldwork, research and writing.
- Apply concepts of anthropology to past and contemporary global and social issues and your own behaviors.
- Consider how you and your place in the world may be perceived, how you perceive others, and the potential impact these perspectives may have on social, economic, and political institutions.
- Generate and defend informed opinions concerning past and contemporary diversity of differences, similarities, and interrelationships among individuals, cultures, and societies.

While emphasis is placed on the earning outcomes listed above, you will also be developing the following intellectual and practical skills needed in higher level university study and future employment opportunities:

- Demonstrate advanced skills of inquiry, analysis, and critical and creative thinking.
- Provide clearly expressed opinions and factual information through written and oral communication.
- Apply knowledge, skills, and responsibilities to novel settings and complex problems.
- Participate in discussion and problem solving activities in an effective manner.
- Critically reflect on learning and recognize progress and pathways for further development.

## *What textbooks will I need?*

This course uses **open educational resource (OER) textbook materials**, meaning there are **no textbooks to purchase** for this course! **All textbook materials are free** and **supplied directly in your course** learning modules through [WebCourses@UCF \(mailto:WebCourses@UCF\)](mailto:WebCourses@UCF).

### **OER Textbooks (free educational resource materials)**

**NOTE:** All chapters are supplied in .pdf format for ease of download and personal use, portability among devices, and standardization when printing (if needed).

## What is WebCourses@UCF?

**WebCourses@UCF** is an online course management system accessed through [my.ucf.edu](https://my.ucf.edu) (<http://my.ucf.edu>) and then the "Online Course Tools" tab. This is your companion learning forum and will be used to deliver some of your course content, to submit your assignments and to communicate with your professor, graduate teaching assistants (GTAs) and peers in the course. [Knight's Online](https://cdl.ucf.edu/support/student/knights-online/) (<https://cdl.ucf.edu/support/student/knights-online/>) has excellent resources to assist you in being successful when working in the online learning environment. Key components to success in this course are planning your time and maintaining academic self-discipline in class attendance and course work throughout the term.

It is **your responsibility to familiarize yourself with WebCourses** online learning platform. I have provided you with the necessary tools and tutorial links in the [COURSE INTRO: Things You Should Know](#), which can be accessed using the embedded link or the 'Modules' button in the course menu on the left. If this is your first time working in WebCourses or if you haven't worked in WebCourses for a term or two, I highly **recommend reviewing the current tutorial links** provided in the COURSE INTRO module. It's amazing how many changes take place in just one term!

## How should I plan my course work schedule?

General Anthropology is based on concepts and themes from areas of study that may be somewhat familiar to many of you; but, the focus areas of research, methods, and theories applied may be completely new. While I can provide general guidelines based on past students experiences, everyone learns at a different pace, and you will need to decide how much time to set aside to be successful. Your study skills, prior knowledge of the subject, study environment, personal obligations and responsibilities play a huge role in learning and success in any course. Generally, the more time you spend on a course, the better you will do, but the **quality of the time spent is even more important.**

During the next 15 weeks of the Fall 2020 term, you should expect to spend around **three hours of class time each week listening to lectures, taking notes, viewing and listening to online media, and participating in class activities.** You should also plan on setting aside at least **two-to-three hours each week to review and complete your assigned reading and required assignments.** This will greatly assist you in keeping up with the materials and course due dates each week, but keep in mind, these are 'estimates' of time that you should devote to this 2000-level course. All due dates for assignments, quizzes and exams are located in the table at the end of this syllabus.

Please do not be tempted to skip a week of class content and reading and expect to catch up easily. You

will need to study and participate in the course on a regular basis to meet the firm deadlines for all required assignments and exams. If you need any assistance with course materials, assignments or study tips for exams, please schedule a **face-to-face meeting with me Via Zoom**. You can also visit my **online office hours Fridays from 10:00AM to 12:00PM via Chat**. You can of course contact me through WebCourses Inbox, and we can make arrangements as needed.

## *How does Zoom remote instruction work?*

Because of the continued remote instruction requirement due to the COVID-19 pandemic, this course will use Zoom for some synchronous ("real time") class meetings. Meeting dates and times will be scheduled through Webcourses@UCF and should appear on your calendar.

Please take the time to **familiarize yourself with Zoom** by visiting the [UCF Zoom Guides \(https://cdl.ucf.edu/support/webcourses/zoom/\)](https://cdl.ucf.edu/support/webcourses/zoom/).

## *Things to Know About Zoom Access and Class Conduct*

- You must sign in to your class Zoom session ON TIME using your **UCF NID, UCF password, and Zoom passcode**.
  - The **Zoom passcode** and **meeting link** are in the Zoom invite received through your **Knights email**.
  - The meeting "room" will become **locked 10 minutes** after class begins.
- Please use your first and last name as your visible screen name identifier.
- The Zoom sessions are recorded, but will not be accessible until after each class time has ended.
- Improper classroom behavior is not tolerated within Zoom sessions and may result in a referral to the Office of Student Conduct.
  - You are not required to have your camera on, but if you choose to, please be appropriately dressed
  - While class is in session, your microphone will be muted. If you have questions, please type them into the chat box OR use the Raise Hand feature and I will unmute you.
  - Please be respectful to your instructor and your peers as we navigate this course virtually.
- You can contact [Webcourses@UCF Support \(https://cdl.ucf.edu/support/\)](https://cdl.ucf.edu/support/) if you have any technical issues accessing Zoom.

## *Is the course accessible for students with disabilities?*

UCF is committed to providing access and inclusion for all persons with disabilities. Students with disabilities who need access to course content due to course design limitations should contact the professor as soon as possible. Students should also connect with [Student Accessibility Services \(http://sas.sdes.ucf.edu/\)](http://sas.sdes.ucf.edu/) (Ferrell Commons, 7F, Room 185, [sas@ucf.edu \(mailto:sas@ucf.edu\)](mailto:sas@ucf.edu), phone (407) 823-2371, TTY/TDD only phone (407) 823-2116).

For students connected with SAS, a Course Accessibility Letter may be created and sent to professors,

which informs faculty of potential course access and accommodations that might be necessary and reasonable. Determining reasonable access and accommodations requires consideration of the course design, course learning objectives and the individual academic and course barriers experienced by the student. Further conversation with SAS, faculty and the student may be warranted to ensure an accessible course experience.

If you receive a Course Accessibility Letter through SAS, please feel free to speak with me about any related concerns. It is always best if we can speak early about the possible need for any accessibility modifications to exams or assignments, and I will happily work with you and SAS to ensure that your needs are reasonably met in a timely fashion. **If your approved accommodations include a specialized environment or equipment for testing, it is your responsibility to make the necessary arrangements to write your exams** within the SAS facilities.

## *What are the course requirements?*

The Fall 2020 semester begins on **August 24, 2020** and ends on **December 12, 2020**. Over this period, you will be expected to:

- submit a Required Academic Activity to start the course;
- attend class and participate in activities on Mondays and Wednesdays from 12:30-1:20pm EST
- review online companion learning module materials, including any assigned media content and readings;
- use the provided handouts and study guides;
- submit 13 of 15 Quizzes (two lowest scores are dropped);
- submit 5 Activity assignments;
- submit 3 online written exams.

In each learning module, you will find an **INTRODUCTION page** outlining the expectations, readings, activities and assignments for that section of the course. The modules contain your online lectures, assignments, quizzes, links to information websites, and assigned media content. Modules also contain lecture slide handouts and study guides to assist you in reviewing for your quizzes and exams. All work submitted online for grading **will be evaluated for academic integrity** during the grading process (see section below on academic integrity).

**All graded work is due on an assigned schedule.** A missed or late quiz, activity assignment or exam will not be accepted for grading unless there is an approved and valid, verifiable excuse (see section below on missed assignments and make-up exams). You are notified of this policy from the start, and you should recognize that it is **your responsibility to be aware of all due dates** for this course.

## *How do I get started in the course?*

After reading the Course Syllabus, click on the 'Modules' button in the menu on the left to access the course materials. You will need to review all of the information in the [COURSE INTRO: Things You](#)

**Should Know**, which includes an introduction to your professor, details about course communication and office hours, computer set-up and/or use of mobile devices, details about the academic integrity policy, and who to contact for technical assistance. You will also find some helpful suggestions on study strategies and a few tips from previous students on how to be successful in the course.

UCF faculty are required to document all students' academic activity at the beginning of each course. In order to document that you began this course, please complete the **REQUIRED ACTIVITY: Who Are We?** discussion in the COURSE INTRO: Things You Should Know by **11:59pm EST** on **AUG 28, 2020**, or as soon as possible after adding the course. Failure to do so may result in a delay in disbursement of your financial aid and access to MODULE 1 learning materials.

## How will I be evaluated and graded?

Your **final grade is weighted** and based on your performance on the following:

Assessment:	Points Possible	% Final Grade
Required (1) & Anthropology Activities (5)	80	30%
Quizzes (13)	130	25%
Exams (3)	300	45%
<i>Total Possible</i>	<i>510</i>	<i>100%</i>

You will be evaluated on your ability to articulate and critically apply terms, concepts and theories from course materials in online quizzes and exams and to demonstrate critical thinking and reflection in your Anthropology Activity assignments, and classroom attendance activities.

- **Required Activity:** You will need to submit work for a required academic discussion activity to initiate your class participation. In the activity, you will have an opportunity to meet other students, share your interests, and find out who we are as a class.. **You are required to participate in and submit this discussion assignment** to access course materials in Module 1.
- **Quizzes:** You will need to demonstrate that you understand terms, concepts and research presented in each learning module. Quizzes will include a mix of multiple choice, true-false, identification, and fill-in questions. **You are required to submit at least 13 of the 15 quizzes** located in the learning modules. WebCourses will **automatically drop the two lowest scores** from 15 possible quiz grades when calculating your final grade.
- **Anthropology Activity Assignments:** These activity assignments are designed around current methods of investigation and will help you further develop your skills in gathering and analyzing data, interpreting results, and understanding the applications of the various techniques used in assessing and understanding past and contemporary human biological and cultural diversity. **You are required to submit all 5 activity assignments** located in the learning modules.
- **Exams:** You will need to demonstrate your understanding of terms and concepts, evaluate historical and current contexts of information, and recognize scientific applications of anthropology presented in a select group of learning modules. Exams will include a mix of multiple choice, true-false,

in a select group of learning modules. Exams will include a mix of multiple choice, true-false, identification, fill-in, and short answer questions. **You are required to submit all 3 online exams** located in the learning modules.

Many students take advantage of the dropped grades for their quizzes at the very start, but you never know when you might need to miss a due date later in the course. It is **your responsibility to keep track of the number of quizzes you have submitted** using the 'Grades' button in the menu on the left.

The following +/- grading scale will be used in this course:

Letter Grade	Percentage	Letter Grade	Percentage
A	95 - 100%	C+	76 - 79%
A-	90 - 94%	C	70 - 75%
B+	87 - 89%	D	60 - 69%
B	84 - 86%	F	59% or less
B-	80 - 83%		

Incomplete grades for this course are only given in situations where **unexpected and documented medical, family or catastrophic emergencies prevent an enrolled student in good standing** from completing the remaining work. Your instructor is the final authority on whether you qualify for an incomplete grade. Incomplete work must be finished by the end of the subsequent semester or the 'I' grade will automatically be recorded as an 'F' on your transcript.

## *How do I view my grades?*

You can access your grades for assignments and exams through the 'Grades' link in the course menu on the left. It is **your responsibility to regularly check on your grades** throughout the course. Please allow for a reasonable amount of time to pass for the grading process to occur. In most instances, quiz grades will be available within three days after the final due date. For activity assignments and exams, grades will be available within three-to-five days after the final due date. When a score is released, you will receive an announcement that grades have been posted (unmuted) and are ready for your review.

You will receive constructive feedback on your work periodically throughout the term. This may take the form of an Inbox message, review comments, or correct answers supplied for comparison with your submission. If you have any questions about your score **after a grade has been released**, please notify me or your graduate teaching assistant (GTA) using WebCourses Inbox, and we will address the concern as soon as possible. Questions regarding individual scores must be addressed **within five days of the grade being released**.

WebCourses automatically grades all multiple-choice, true-false and fill-in questions; however, it will mark fill-in and some short answer questions as incorrect when your response does not exactly match the correct answer provided in the grading key. **Your GTA will be 'hand-grading' each assignment, quiz and exam to ensure that you receive points for any answers not automatically recognized by the system as correct**

the system as correct.

If point corrections are applied by the GTA during grading, the question **will still show a 'red' flag** indicating it is incorrect, but the **points listed in the top right corner of the question will show the value awarded** for a correct answer, like the example shown here:

The screenshot shows a question box titled "Question 7". In the top right corner, there is a small box containing the number "1" followed by "/ 1 pts". A red arrow points to this box. Below the question text, "The study of human history and prehistory through excavation of sites and analysis of artifacts is:", there is a text input field containing the word "Archeology". To the left of this field is a red button labeled "You Answered". Below the input field, there is a section labeled "Correct Answers" which contains the word "Archaeology".

Correct answers for each quiz, assignment and exam will be available for a limited time after each set of grades has been posted. Please check the course announcements to know when this feature is available.

## *What if I miss a quiz, assignment, or exam due date?*

Time management, problem solving, responsibility and personal accountability are among the most important things you can learn during your university education. **Missed or late assignments and exams are serious issues that must be addressed as soon as possible.** Please contact me via WebCourses Inbox if you need to have an absence validated and approved for scheduling make-up work. If approved, no penalty will be applied.

To be fair to everyone in the course, and to the GTA who will be completing the majority of grading, **only work submitted on time will be graded unless late submission is properly approved by your instructor.** It is your responsibility to check the course schedule for assignment and exam due dates.

- Unforeseen events or circumstances may occur that cause a student to miss class time or fall behind in their assignments. These could include **illness, bereavement, accident, or a catastrophic event** such as fire. If such issues arise, students are encouraged to **notify their instructor** as soon as possible in order to apprise them of the circumstances and to develop a plan, with a timetable, to make up missed coursework. Family members and/or students also need to contact [Student Care Services](https://scs.sdes.ucf.edu/services/) (<https://scs.sdes.ucf.edu/services/>) with appropriate documentation to obtain a courtesy class absence notification letter for online, mixed-mode and face-to-face courses.
- If you find yourself in a situation where you are **going to miss an exam due date**, you must **notify your instructor** as soon as possible by telephone, e-mail, in person, or by leaving a message with the department secretary (407-823-2227) **in advance** of the exam closing online. You must also provide valid, verifiable documentation explaining your absence. If you are provided the opportunity to take a make-up exam it must be scheduled and completed online **within five days of the missed**

to take a make-up exam, it must be scheduled and completed within five days of the missed exam due date (if medically possible).

## Are there accommodations for authorized absences?

The following authorized absences with valid notification will receive reasonable accommodations for make-up work in this course:

- Students who are **deployed active duty military** and/or **National Guard personnel** and require accommodation should **contact their instructors** as soon as possible after the semester begins and/or after they receive notification of deployment to make related arrangements.
- Students who are **active emergency first-response or medical staff workers** and require accommodation should **contact their instructors** as soon as possible after the semester begins and/or after they receive notification of extended responsibilities during emergency management/pandemic situations to make related arrangements.
- Students who **represent the university in an authorized event or activity** (for example, student-athletes) and who are unable to meet a course deadline due to a conflict with that event must provide the instructor with **documentation in advance** to arrange a make-up. No penalty will be applied. For more information, see the [UCF policy](https://policies.ucf.edu/documents/4-401.pdf) (<https://policies.ucf.edu/documents/4-401.pdf>).
- Students intending to miss class to **observe a holy or remembrance day** of their religious faith must **notify their instructor in advance** if they intend to miss class. For more information, see the [UCF policy](http://regulations.ucf.edu/chapter5/documents/5.020ReligiousObservancesFINALJan19.pdf) (<http://regulations.ucf.edu/chapter5/documents/5.020ReligiousObservancesFINALJan19.pdf>).

## What are the COVID-related requirements at UCF?

### University-Wide Face-Covering Policy

To protect members of our community, **everyone is required** (<https://policies.ucf.edu/documents/PolicyEmergencyCOVIDReturnPolicy.pdf>) **to wear a facial covering inside all common spaces** including classrooms. Students who choose not to wear facial coverings will be asked to leave the classroom by the instructor. If they refuse to leave the classroom or put on a facial covering, they may be considered disruptive (please see [Golden Rule](https://goldenrule.sdes.ucf.edu/) (<https://goldenrule.sdes.ucf.edu/>) for student behavior expectations). Faculty have the right to cancel class if the safety and well-being of class members are in jeopardy. Students will be responsible for the material that would have been covered in class as provided by the instructor.

### Changes to Course Modality

Depending on the course of the pandemic during the semester, the university may make changes to the way classes are offered. If that happens, please look for [Announcements](#) or messages in Webcourses@UCF or Knights email about changes specific to this course.

### Illness Notifications

Students who believe they may have a COVID-19 diagnosis should contact UCF Student Health Services (407-823-2509) so proper contact tracing procedures can take place. Students **should not come to campus** if they:

- are ill and/or experiencing any symptoms of COVID-19.
- have tested positive for COVID, or if anyone living in their residence has tested positive or is sick with COVID-19 symptoms.

Students should contact their instructor(s) as soon as possible if they miss class for any illness reason to discuss reasonable adjustments that might need to be made. When possible, students should contact their instructor(s) before missing class.

If the instructor falls ill during the semester, there may be changes to this course, including having a backup instructor take over the course. Please look for [Announcements](#) or mail in Webcourses@UCF or Knights email for any alterations to this course.

## *What academic resources are available to me?*

UCF provides many offices and services to support your academic success. There are several [Online Resources to Support Academic Success](#) available to all UCF students regardless of your location or the type of course in which you are enrolled. These include:

- **Writing help** from the [University Writing Center](http://uwc.cah.ucf.edu/) [\(http://uwc.cah.ucf.edu/\)](http://uwc.cah.ucf.edu/), such as downloadable writing and style guides, online writing consultations, and online scheduling for peer tutor review.
- **Tutoring and study help** from the [Student Academic Resource Center](http://sarconline.sdes.ucf.edu/) [\(http://sarconline.sdes.ucf.edu/\)](http://sarconline.sdes.ucf.edu/) (SARC), such as 24/7 tools for study, online peer assisted learning, and online academic success workshops.
- **Access to software** through [UCF apps](https://apps.ucf.edu/) [\(https://apps.ucf.edu/\)](https://apps.ucf.edu/), for programs you need for your courses, such as SPSS, Office 365, and others.
- **Concrete study actions** to better your performance through the [Successful You Video Series](https://vimeopro.com/cdlvideo/successful-you)  [\(https://vimeopro.com/cdlvideo/successful-you\)](https://vimeopro.com/cdlvideo/successful-you), so you can avoid undesirable academic outcomes.

## *How is respect for diversity and inclusion maintained?*

UCF considers the diversity of its students, faculty, and staff to be a strength and critical to its educational mission. UCF expects every member of the university community to contribute to an inclusive and respectful culture for all in its classrooms, work environments, and at campus events. If there are aspects of the design, instruction, and/or experiences within this course that result in barriers to your inclusion or accurate assessment of achievement, please **notify the instructor as soon as possible** and/or contact Student Accessibility Services.

This course will be conducted in a way that respects **all aspects of diversity**  [\(http://www.diversity.ucf.edu\)](http://www.diversity.ucf.edu). The very nature of this course requires us to delve into topics that may

make some students uncomfortable and/or discuss topics with which some students may strongly disagree. I expect everyone to show respect for one another and the diverse issues presented and discussed. Any student who acts inappropriately through language use or disruptive behavior **will be blocked from participating in online discussions and forfeit their grade for those discussions.**

While various opinions and emotions are tied to some of the topics covered, **the greater purpose is to educate, not judge.** Everyone must be given a chance to express their thoughts in discussion without interruption or ridicule. If you encounter materials in the course that you find disconcerting, take a moment to explore why you are unsettled and then rationally explain your concerns to me so we can address the materials further through class discussion or privately during office hours.

## *How is academic integrity maintained?*

If you were in a classroom setting taking a quiz, would you ask the student sitting next to you for an answer to a quiz or test question? The answer should be no. This also applies to graded homework, quizzes, tests, etc. The completion of graded work in an online course should be considered a formal process: just because you are not in a formal classroom setting being proctored while taking a quiz or test does not mean that the completion of graded work in an online course should not be treated with integrity.

Your enrollment in this course means that you will adhere to the [UCF Creed](http://catalog.ucf.edu/content.php?catoid=2&navoid=4) (<http://catalog.ucf.edu/content.php?catoid=2&navoid=4>) and you will maintain the highest standards of academic integrity. According to UCF's Rules of Conduct, [Section 1 Academic Misconduct](http://osc.sdes.ucf.edu/process/roc) (<http://osc.sdes.ucf.edu/process/roc>), students are prohibited from engaging in:

- **Unauthorized assistance:** Using or attempting to use unauthorized materials, information or study aids in any academic exercise unless specifically authorized by the instructor of record. The unauthorized possession of examination or course-related material also constitutes cheating.
- **Communication to another through written, visual, electronic, or oral means:** The presentation of material which has not been studied or learned, but rather was obtained through someone else's efforts and used as part of an examination, course assignment, or project.
- **Commercial Use of Academic Material:** Selling of course material to another person, student, and/or uploading course material to a third-party vendor without authorization or without the express written permission of the university and the instructor. Course materials include but are not limited to class notes, Instructor's PowerPoints, course syllabi, tests, quizzes, labs, instruction sheets, homework, study guides, handouts, etc.
- **Falsifying or misrepresenting** the student's own academic work.
- **Plagiarism:** Using or appropriating another's work without any indication of the source, thereby attempting to convey the impression that such work is the student's own.
- **Multiple Submissions:** Submitting the same academic work for credit more than once without the express written permission of the instructor.
- **Helping another violate** academic behavior standards

UCF faculty members have a responsibility for students' education and the value of a UCF degree, and so seek to prevent unethical behavior and when necessary respond to academic misconduct. Academic misconduct of any kind on an exam or any other assignment in this course will result at least in an 'F' grade for that assignment (and may, depending on the severity of the case, lead to an 'F' or '**Z' grade** (<http://goldenrule.sdes.ucf.edu/zgrade>) for the entire course). All academic integrity issues will be subject to appropriate referral to the **Office of Student Conduct** (<http://osc.sdes.ucf.edu/faq#students>), which may take further action (e.g., assignment of 'Z' grade, conduct review and possible expulsion). See the **UCF Golden Rule** (<http://goldenrule.sdes.ucf.edu/>) for further information.

All written work for this course is **automatically reviewed for academic integrity** during the grading process.

- **Do not share your work with anyone else, do not use the work of someone else as yours, and do not write exams as a group or share exam answers in study groups.** If you do this, it is easily detectable through online links and WebCourses action logs including student answer and submission matches.
- **Do not plagiarize any written work from past UCF submissions, journals, academic texts, or Internet resources.** If you do this, the plagiarism check system will detect it and provide a traceable report listing the sources that you used.
- **For each quiz and exam, you are expected to remain on the testing screen for the duration.** You may not visit other websites or online communication tools for assistance. The **Webcourses@UCF quiz audit log will be monitored** for compliance. Failure to only access the quiz or exam during testing will result in an academic integrity violation.

As reflected in the UCF Creed, integrity and scholarship are core values that should guide our conduct and decisions as members of the UCF community. I, and your GTA, will also adhere to these standards, so please **do not ask us to change (or expect us to change) your grade illegitimately** by bending rules that would benefit your grade, or asking for a grade-related opportunity that will not be equally applied the entire class (e.g., individual extra-credit assignments). We will not respond to requests to 'round up' final grades – you will be assigned the grade that you have earned.

## *How can I use study groups and external materials responsibly?*

This course contains copyright protected materials such as audio or video clips, images, text materials, etc. These items are being used with regard to the Fair Use doctrine in order to enhance your learning environment. Do not copy, duplicate, download or distribute these items. The **use of these materials is**

**strictly reserved for this online course environment and your use only.** All copyright materials are credited to the copyright holder.

GroupMe and WhatsApp study groups (and other study platforms) are encouraged as long as copyright for course materials is respected and academic integrity is maintained. **If one member of a study**

**group account is found in violation of copyright or UCF Rules of Conduct, all members are subject to review for academic misconduct.** In the past, GroupMe study groups experienced added benefits and avoided these issues by inviting the GTA to join in!

These examples show how the use of study groups can be **considered academic misconduct** and could result in the **same penalties as cheating** in a face-to-face class:

- **Taking a screen shot of an online quiz or exam question and posting it** to GroupMe or WhatsApp, and/or asking for assistance is considered academic misconduct.
- **Answering an online quiz or test question posted to GroupMe or WhatsApp** is considered academic misconduct. Giving advice, assistance, or suggestions on how to complete a question associated with an online assignment, quiz, or test is considered academic misconduct.
- **Using outside assistance from another student or by searching the Internet;** Googling for answers, use of websites such as Quizlet, Course Hero, Chegg Study, etc.. is considered academic misconduct.
- **Joining others to take an online quiz or test and sharing answers** in the process is considered academic misconduct.

Third parties (e.g., OneNote, Study Blue, Koofers, CourseHero, Clutch Prep, etc.) may attempt to connect with you to sell your notes and other course information from this class. Distributing course materials to a third party without my authorization is a **violation of UCF Rules of Conduct**. Students who engage in this behavior **may also face serious penalties** beyond participation in this course. Please be aware that materials on these websites almost always contain extensive errors, outdated information, and a misleading sense of being 'in-the-know' about exams or assignments, all of which will greatly affect your performance (and therefore your grade) in this course. **WARNING:** Use these materials at **your own risk**.

During this course you might also encounter public online services and/or software applications, such as blogs or wikis. While some of these might be related to required assignments or course materials, **you need not make any personally identifying information on a public site. Do not post or provide any private information about yourself or your classmates.** Where appropriate you may use a pseudonym or nickname. If you have any concerns about this, please contact me or GTA for assistance.

## *Why should I use WebCourses Email Inbox?*

Our **official mode of communication is the secure WebCourses Email Inbox system**. This ensures the safety of your personal information. It is your responsibility to check the WebCourses Inbox and course announcements at least two-or-three times per week. You may also use your UCF Knight's Email account to communicate with me and/or the GTA. However, **if you use the UCF Knights Mail system**, please use the course number in your email reference so it is easily recognized, and please do not forget to add your name at the end of the email.

When using the proper channels of communication, you can generally **expect a response to your**

**message through WebCourses Inbox within 24 hours.** Please keep in mind that I, and your GTA, may only check our UCF email once, if at all, during the weekend hours (unless an exam is open) or on holidays. If you send an email on a Friday afternoon or over the weekend, you may not receive a response until the following Monday.

All communication between student and instructor, between student and GTA, and between student and student should be respectful and professional. Please be aware that any **online correspondence regarding assignments, grades, or course materials must utilize the WebCourses Inbox or UCF Knight's Mail systems.** Your GTA and I will not respond to messages sent by other means, such as your Smartphone or iPad unless you are using the WebCourses@UCF [Canvas Student Mobile application](#).

## *What are the technology and software requirements?*

Students will be expected to have access to a computer frequently, as all course materials are supplied online and all assignments will be submitted and graded through WebCourses. At a minimum, you will need:

- Access to a reliable laptop or desktop computer **at least three times a week.** If you do not own a computer, there are student accessible computers in all of UCF's computer labs. For further information, please see the UCF Libraries FAQ for [lab hours and locations](#) (<http://guides.ucf.edu/c.php?g=78577&p=517810>) . (<http://guides.ucf.edu/content.php?pid=137016&sid=1173345>)
- Reliable broadband internet access
- A [compatible web browser](#) (<https://cdl.ucf.edu/support/webcourses/browser/>)
- Audio input, built-in, or external computer speakers

You are expected to have access to Adobe Reader and PowerPoint for the Web/PowerPoint app, or the equivalent (through [Office 365](#) (<https://extranet.cst.ucf.edu/office365selfsvc/>)) on the computer or device commonly accessed so that you may properly view multimedia materials in the course content. If you are not using Office 365, please contact [WebCourses@UCF Support](#) (<https://cdl.ucf.edu/support/webcourses/>) for technical support assistance with the most current versions of these products.

## *Who do I contact if something isn't working in the course modules?*

If you are experiencing **problems accessing materials or submitting your work**, please contact your professor or GTAs so we can assist you as soon as possible.

Technology can have its challenges. If you need **help with computer set-up or online technical assistance**, please use the following links:

- Technical assistance is available through phone, email and live chat through [WebCourses@UCF Support](https://cdl.ucf.edu/support/webcourses/) [\(https://cdl.ucf.edu/support/webcourses/\)](https://cdl.ucf.edu/support/webcourses/)
- A built-in 'Help' button for WebCourses@UCFSupport and WebCourses system is located in the WebCourses@UCF permanent toolbar. You will find links to Canvas Support Guides, reporting problems to WebCourses@UCF Support, Knights Online Learning, and Computer Setup.

WebCourses allows tracking of a student's progress and activities while logged into the course to assist in verifying instances where computer 'glitches' or 'Internet speed bumps' occur when submitting assignments, taking exams, etc. If you experience **problems with WebCourses while submitting and assignment or taking an exam**, it will show up in your individual WebCourses action log. Therefore, the "Bill Gates ate my homework" or "I took the quiz, but . . ." excuses can be traced and verified.

## *What do I do if there is a campus emergency?*

Emergencies on campus are rare, but if one should arise during class, everyone needs to work together. Students should be aware of their surroundings and familiar with some basic safety and security concepts.

- In case of emergency, **dial 911** for assistance.
- Every UCF classroom contains an **emergency procedure guide** posted on a wall near the door. Students should make a note of the guide's physical location and review the [online version](http://emergency.ucf.edu/emergency_guide.html) [.\(http://emergency.ucf.edu/emergency\\_guide.html\)](http://emergency.ucf.edu/emergency_guide.html).
- Students should know the **evacuation routes** from each of their classrooms and have a plan for finding safety in case of an emergency.
- If there is a **medical emergency during class**, students may need to [locate](http://www.ehs.ucf.edu/AEDlocations-UCF) [.\(http://www.ehs.ucf.edu/AEDlocations-UCF\)](http://www.ehs.ucf.edu/AEDlocations-UCF) and access a first-aid kit or AED (Automated External Defibrillator).
- To **stay informed about emergency situations**, students can [sign up](https://my.ucf.edu) [.\(https://my.ucf.edu\)](https://my.ucf.edu) through "Student Self Service/Personal Information" to receive UCF text alerts.
- Students with special needs related to emergency situations should speak with their instructors outside of class.
- To learn about how to manage an **active-shooter situation** on campus or elsewhere, consider viewing this [UCF video](https://youtu.be/NIKYajEx4pk) [.\(https://youtu.be/NIKYajEx4pk\)](https://youtu.be/NIKYajEx4pk).

## *What is my course lecture and assignment schedule?*

Changes to the course lecture and assignment schedules are not expected but may occur. Your professor reserves the right to make reasonable adjustments to the lecture and assignment schedule. **You will be notified of any changes through** [Announcements](#) in WebCourses.

Your lecture schedule and course materials may be accessed through the 'Modules' button in the course

menu on the left.

- **Due dates for graded work** are listed in the table below and in the INTRODUCTION page of each learning module.
- **Assigned readings** are listed in the INTRODUCTION page of each learning module.

## University Catalog Description

An introductory survey of the four main subfields of anthropology: Social Anthropology, Physical Anthropology, Linguistics and Archaeology. **Prerequisite:** None

This course is a State General Education Core Course, and it satisfies the Social Foundation Area 1 requirement. The course also satisfies unrestricted elective requirements for many additional UCF degree programs. Please consult your academic advisor to determine how this course applies to your degree requirements.

## *What is this course about?*

Have you ever wondered about the people around you? Why they look the way they do? How they know to behave in different situations? How they even got there in the first place? Anthropology – the study of the human condition in the past, present, and future – can help you find answers to these questions and many more. Anthropologists research these kinds of questions using scientific and humanistic perspectives from four main subfields: biological anthropology (the study of human genetics, evolution, and diversity), archaeology (the study of past human material culture), linguistics (the study of human language, communication, and writing systems), and social anthropology (the study of human society and culture).

From art and economics, to Ancient Egypt and modern human genetics, this General Anthropology course includes everything you'll need to get acquainted with the research methods and theoretical approaches used to investigate the history of human development, the diversity of our cultural and social institutions, and issues that we face in our rapidly changing world, including environmental change, race and ethnic relations, world health issues, and globalization. Our primary goal is to explore, understand and respond meaningfully to the diversity of human possibilities.

## *What skills will I develop in this course?*

Emphasis is placed on developing the analytical skills necessary to evaluate scientific literature and mass media statements about human behavioral and biological diversity and similarity both past and present.

After successfully completing this course, you should be able to:

- Explain and identify basic concepts and theoretical developments from four main subfields of anthropology.
- Summarize how anthropologists solve problems in business, government, public health, education, history, technology, and advocacy.
- Examine and evaluate methods and ethics of anthropological fieldwork, research and writing.
- Apply concepts of anthropology to past and contemporary global and social issues and your own behaviors.
- Consider how you and your place in the world may be perceived, how you perceive others, and the potential impact these perspectives may have on social, economic, and political institutions.
- Generate and defend informed opinions concerning past and contemporary diversity of differences, similarities, and interrelationships among individuals, cultures, and societies.

While emphasis is placed on the earning outcomes listed above, you will also be developing the following intellectual and practical skills needed in higher level university study and future employment opportunities:

- Demonstrate advanced skills of inquiry, analysis, and critical and creative thinking.
- Provide clearly expressed opinions and factual information through written and oral communication.
- Apply knowledge, skills, and responsibilities to novel settings and complex problems.
- Participate in discussion and problem solving activities in an effective manner.
- Critically reflect on learning and recognize progress and pathways for further development.

## *What textbooks will I need?*

This course uses **open educational resource (OER) textbook materials**, meaning there are **no textbooks to purchase** for this course! **All textbook materials are free** and **supplied directly in your course** learning modules through [WebCourses@UCF \(mailto:WebCourses@UCF\)](mailto:WebCourses@UCF).

## OER Textbooks (**free** educational resource materials)

**NOTE:** All chapters are supplied in .pdf format for ease of download and personal use, portability among devices, and standardization when printing (if needed).

## What is WebCourses@UCF?

**WebCourses@UCF** is an online course management system accessed through [my.ucf.edu](http://my.ucf.edu) (<http://my.ucf.edu>) and then the "Online Course Tools" tab. This is your learning forum and will be used to deliver your course content, submit your assignments and communicate with your instructor, graduate teaching assistant (GTA) and peers in the course. Online learning is not for everyone; some students may have difficulty learning in and managing a course that does not meet face-to-face. [Knight's Online](https://cdl.ucf.edu/support/student/knights-online/) (<https://cdl.ucf.edu/support/student/knights-online/>) has excellent resources to assist you in being successful when working in an online learning environment. Key components to success in this course are planning your time and maintaining academic self-discipline in class participation and graded course work throughout the term.

It is **your responsibility to familiarize yourself with WebCourses** online learning platform. I have provided you with the necessary tools and tutorial links in the [COURSE INTRO: Things You Should Know](#), which can be accessed using the embedded link or the 'Modules' button in the course menu on the left. If this is your first time working in WebCourses or if you haven't worked in WebCourses for a term or two, I highly **recommend reviewing the current tutorial links** provided in the COURSE INTRO module. It's amazing how many changes take place in just one term!

## How should I plan my course work schedule?

General Anthropology is based on concepts and themes from areas of study that may be somewhat familiar to many of you; but, the focus areas of research, methods, and theories applied may be completely new. While I can provide general guidelines based on past students experiences, everyone learns at a different pace, and you will need to decide how much time to set aside to be successful. Your study skills, prior knowledge of the subject, study environment, personal obligations and responsibilities play a huge role in learning and success in any course. Generally, the more time you spend on a course, the better you will do, but the **quality of the time spent is even more important**.

During the next 15 weeks of the Fall 2020 term, you should expect to spend around **three hours of class time each week with online lectures, assigned media, participating in class discussion and completing assignments**. You should also plan on setting aside at least **three hours each week to complete your assigned reading and taking and reviewing your notes**. This will greatly assist you in keeping up with the materials and course due dates each week, but keep in mind, these are 'estimates' of time that you should devote to this 2000-level course. All due dates for assignments, quizzes and exams are located in your calendar and in the schedule at the end of this syllabus.

Please do not be tempted to skip two or three days of class content and reading and expect to catch up easily. You will need to study and participate in the course on a regular basis to meet the firm deadlines for all required assignments and exams. If you need any assistance with course materials, assignments or study tips for exams, please visit my **online office hours on Mondays from 1:00-3:00pm EST**. If you have a scheduling conflict with this time, please contact me through WebCourses Inbox, and I can assist you via messaging or arrange an online Conferences or Zoom appointment as needed.

## Is the course accessible for students with disabilities?

UCF is committed to providing access and inclusion for all persons with disabilities. Students with disabilities who need access to course content due to course design limitations should contact the professor as soon as possible. Students should

also connect with [Student Accessibility Services](http://sas.sdes.ucf.edu/) (<http://sas.sdes.ucf.edu/>) (Ferrell Commons, 7F, Room 185, [sas@ucf.edu](mailto:sas@ucf.edu) (<mailto:sas@ucf.edu>), phone (407) 823-2371, TTY/TDD only phone (407) 823-2116).

For students connected with SAS, a Course Accessibility Letter may be created and sent to professors, which informs faculty of potential course access and accommodations that might be necessary and reasonable. Determining reasonable access and accommodations requires consideration of the course design, course learning objectives and the individual academic and course barriers experienced by the student. Further conversation with SAS, faculty and the student may be warranted to ensure an accessible course experience.

If you receive a Course Accessibility Letter through SAS, please feel free to speak with me about any related concerns. It is always best if we can speak early about the possible need for any accessibility modifications to exams or assignments, and I will happily work with you and SAS to ensure that your needs are reasonably met in a timely fashion. **If your approved accommodations include a specialized environment or equipment for testing, it is your responsibility to make the necessary arrangements to write your exams within the SAS facilities.**

## *What are the course requirements?*

The Fall 2020 semester begins on **AUG 24, 2020** and ends on **DEC 12, 2020**. Over this period, you will be expected to:

- submit responses in a university-required academic activity to start the course;
- review online course content materials, including any assigned media content and readings;
- use the provided handouts and study guides;
- submit 13 of 15 Quizzes (two lowest scores are dropped);
- submit 5 Activity assignments;
- submit 3 online written exams.

In each learning module, you will find an **INTRODUCTION** page outlining the expectations, readings, activities and assignments for that section of the course. The modules contain your online lectures, assignments, quizzes, links to information websites, and assigned media content. Modules also contain lecture slide handouts and study guides to assist you in reviewing for your quizzes and exams. All work submitted online for grading **will be evaluated for academic integrity** during the grading process (see section below on academic integrity).

**All graded work is due on an assigned schedule.** A missed or late quiz, activity assignment or exam will not be accepted for grading unless there is an approved and valid, verifiable excuse (see section below on missed assignments and make-up exams). You are notified of this policy from the start, and you should recognize that it is **your responsibility to be aware of all due dates** for this course.

## *How do I get started in the course?*

After you finish reading the Course Syllabus, click on the 'Modules' button in the menu on the left to access course materials. You will need to review all of the information in the [COURSE INTRO: Things You Should Know](#), which includes an introduction to your professor, details about course communication and office hours, how to set up your computer and/or use mobile devices, details about the academic integrity policy, and who to contact for technical assistance. You will also find some helpful suggestions on study strategies and a few tips from previous students on how to be successful in the course.

UCF faculty are required to document all students' academic activity at the beginning of each course. In order to document that you began this course, please complete the [REQUIRED ACTIVITY: Who Are We?](#) in the COURSE INTRO module by **11:59pm EST on AUG 28, 2020**, or as soon as possible after adding the course. Failure to do so may result in a delay in disbursement of your financial aid and your ability to access the MODULE 1 learning materials.

## *How will I be evaluated and graded?*

Your **final grade is weighted** and based on your performance on the following:

Assessment:	Points Possible	% Final Grade
Required (1) & Anthropology Activities (5)	80	30%
Quizzes (13)	130	25%
Exams (3)	300	45%
<i>Total Possible</i>	<i>510</i>	<i>100%</i>

You will be evaluated on your ability to articulate and critically apply terms, concepts and theories from course materials in online quizzes and exams and to demonstrate critical thinking and reflection in your Anthropology Activity assignments, and classroom attendance activities.

- **Required Activity:** You will need to submit work for a required academic discussion activity to initiate your class participation. In the activity, you will have an opportunity to meet other students, share your interests, and find out who we are as a class..**You are required to participate in and submit this discussion assignment** to access course materials in Module 1.
- **Quizzes:** You will need to demonstrate that you understand terms, concepts and research presented in each learning module. Quizzes will include a mix of multiple choice, true-false, identification, and fill-in questions. **You are required to submit at least 13 of the 15 quizzes** located in the learning modules. WebCourses will **automatically drop the two lowest scores** from 15 possible quiz grades when calculating your final grade.
- **Anthropology Activity Assignments:** These activity assignments are designed around current methods of investigation and will help you further develop your skills in gathering and analyzing data, interpreting results, and understanding the applications of the various techniques used is assessing and understanding past and contemporary human biological and cultural diversity. **You are required to submit all 5 activity assignments** located in the learning modules.
- **Exams:** You will need to demonstrate your understanding of terms and concepts, evaluate historical and current contexts of information, and recognize scientific applications of anthropology presented in a select group of learning modules. Exams will include a mix of multiple choice, true-false, identification, fill-in, and short answer questions. **You are required to submit all 3 online exams** located in the learning modules.

Many students take advantage of the dropped grades for their quizzes at the very start, but you never know when you might need to miss a due date later in the course. It is **your responsibility to keep track of the number of quizzes you have submitted** using the 'Grades' button in the menu on the left.

The following +/- grading scale will be used in this course:

Letter Grade	Percentage	Letter Grade	Percentage
A	95 - 100%	C+	76 - 79%
A-	90 - 94%	C	70 - 75%
B+	87 - 89%	D	60 - 69%
B	84 - 86%	F	59% or less
B-	80 - 83%		

Incomplete grades for this course are only given in situations where **unexpected and documented medical, family or catastrophic emergencies prevent an enrolled student in good standing** from completing the remaining work. Your instructor is the final authority on whether you qualify for an incomplete grade. Incomplete work must be finished by the end of the subsequent semester or the 'I' grade will automatically be recorded as an 'F' on your transcript.

## How do I view my grades?

You can access your grades for assignments and exams through the 'Grades' link in the course menu on the left. It is **your responsibility to regularly check on your grades** throughout the course. Please allow for a reasonable amount of time to pass for the grading process to occur. In most instances, quiz grades will be available within three days after the final due date. For activity assignments and exams, grades will be available within three-to-five days after the final due date. When a

score is released, you will receive an announcement that grades have been posted (unmuted) and are ready for your review.

You will receive constructive feedback on your work periodically throughout the term. This may take the form of an Inbox message, review comments, or correct answers supplied for comparison with your submission. If you have any questions about your score **after a grade has been released**, please notify me or your graduate teaching assistant (GTA) using WebCourses Inbox, and we will address the concern as soon as possible. Questions regarding individual scores must be addressed **within five days of the grade being released**.

WebCourses automatically grades all multiple-choice, true-false and fill-in questions; however, it will mark fill-in and some short answer questions as incorrect when your response does not exactly match the correct answer provided in the grading key. **Your GTA will be 'hand-grading' each assignment, quiz and exam to ensure that you receive points for any answers not automatically recognized by the system as correct.**

If point corrections are applied by the GTA during grading, the question **will still show a 'red' flag** indicating it is incorrect, but the **points listed in the top right corner of the question will show the value awarded** for a correct answer, like the example shown here:

The screenshot shows a question interface for 'Question 7'. In the top right corner, there is a score display '1 / 1 pts' with a red arrow pointing to it. The question text is 'The study of human history and prehistory through excavation of sites and analysis of artifacts is:'. Below the question, there is a 'You Answered' section with a red border containing the text 'Archeology'. Below that is a 'Correct Answers' section containing the text 'Archaeology'.

Correct answers for each quiz, assignment and exam will be available for a limited time after each set of grades has been posted. Please check the course announcements to know when this feature is available.

## *What if I miss a quiz, assignment, or exam due date?*

Time management, problem solving, responsibility and personal accountability are among the most important things you can learn during your university education. **Missed or late assignments and exams are serious issues that must be addressed as soon as possible.** Please contact me via WebCourses Inbox if you need to have an absence validated and approved for scheduling make-up work. If approved, no penalty will be applied.

To be fair to everyone in the course, and to the GTA who will be completing the majority of grading, **only work submitted on time will be graded unless late submission is properly approved by your instructor.** It is your responsibility to check the course schedule for assignment and exam due dates.

- Unforeseen events or circumstances may occur that cause a student to miss class time or fall behind in their assignments. These could include **illness, bereavement, accident, or a catastrophic event** such as fire. If such issues arise, students are encouraged to **notify their instructor** as soon as possible in order to apprise them of the circumstances and to develop a plan, with a timetable, to make up missed coursework. Family members and/or students also need to contact [Student Care Services](https://scs.sdes.ucf.edu/services/) [\(https://scs.sdes.ucf.edu/services/\)](https://scs.sdes.ucf.edu/services/) with appropriate documentation to obtain a courtesy class absence notification letter for online, mixed-mode and face-to-face courses.
- If you find yourself in a situation where you are **going to miss an exam due date**, you must **notify your instructor** as soon as possible by telephone, e-mail, in person, or by leaving a message with the department secretary (407-823-2227) **in advance** of the exam closing online. You must also provide valid, verifiable documentation explaining your absence. If you are provided the opportunity to take a make-up exam, it must be scheduled and completed online **within five days of the missed exam due date** (if medically possible).

## Are there accommodations for authorized absences?

The following authorized absences with valid notification will receive reasonable accommodations for make-up work in this course:

- Students who are **deployed active duty military** and/or **National Guard personnel** and require accommodation should **contact their instructors** as soon as possible after the semester begins and/or after they receive notification of deployment to make related arrangements.
- Students who are **active emergency first-response or medical staff workers** and require accommodation should **contact their instructors** as soon as possible after the semester begins and/or after they receive notification of extended responsibilities during emergency management/pandemic situations to make related arrangements.
- Students who **represent the university in an authorized event or activity** (for example, student-athletes) and who are unable to meet a course deadline due to a conflict with that event must provide the instructor with **documentation in advance** to arrange a make-up. No penalty will be applied. For more information, see the [UCF policy \(https://policies.ucf.edu/documents/4-401.pdf\)](https://policies.ucf.edu/documents/4-401.pdf).
- Students intending to miss class to **observe a holy or remembrance day** of their religious faith must **notify their instructor in advance** if they intend to miss class. For more information, see the [UCF policy \(http://regulations.ucf.edu/chapter5/documents/5.020ReligiousObservancesFINALJan19.pdf\)](http://regulations.ucf.edu/chapter5/documents/5.020ReligiousObservancesFINALJan19.pdf).

## What are the COVID-related requirements at UCF?

### University-Wide Face-Covering Policy

To protect members of our community, **everyone is required**  [\(https://policies.ucf.edu/documents/PolicyEmergencyCOVIDReturnPolicy.pdf\)](https://policies.ucf.edu/documents/PolicyEmergencyCOVIDReturnPolicy.pdf) **to wear a facial covering inside all common spaces** including classrooms. Students who choose not to wear facial coverings will be asked to leave the classroom by the instructor. If they refuse to leave the classroom or put on a facial covering, they may be considered disruptive (please see [Golden Rule \(https://goldenrule.sdes.ucf.edu/\)](https://goldenrule.sdes.ucf.edu/) for student behavior expectations). Faculty have the right to cancel class if the safety and well-being of class members are in jeopardy. Students will be responsible for the material that would have been covered in class as provided by the instructor.

### Changes to Course Modality

Depending on the course of the pandemic during the semester, the university may make changes to the way classes are offered. If that happens, please look for [Announcements](#) or messages in Webcourses@UCF or Knights email about changes specific to this course.

### Illness Notifications

Students who believe they may have a COVID-19 diagnosis should contact UCF Student Health Services (407-823-2509) so proper contact tracing procedures can take place. Students **should not come to campus** if they:

- are ill and/or experiencing any symptoms of COVID-19.
- have tested positive for COVID, or if anyone living in their residence has tested positive or is sick with COVID-19 symptoms.

Students should contact their instructor(s) as soon as possible if they miss class for any illness reason to discuss reasonable adjustments that might need to be made. When possible, students should contact their instructor(s) before missing class.

If the instructor falls ill during the semester, there may be changes to this course, including having a backup instructor take over the course. Please look for [Announcements](#) or mail in Webcourses@UCF or Knights email for any alterations to this course.

## What academic resources are available to me?

UCF provides many offices and services to support your academic success. There are several [Online Resources to Support Academic Success](#) available to all UCF students regardless of your location or the type of course in which you are enrolled. These include:

- **Writing help** from the [University Writing Center](http://uwc.cah.ucf.edu/) [\(http://uwc.cah.ucf.edu/\)](http://uwc.cah.ucf.edu/), such as downloadable writing and style guides, online writing consultations, and online scheduling for peer tutor review.
- **Tutoring and study help** from the [Student Academic Resource Center](http://sarconline.sdes.ucf.edu/) [\(http://sarconline.sdes.ucf.edu/\)](http://sarconline.sdes.ucf.edu/) (SARC), such as 24/7 tools for study, online peer assisted learning, and online academic success workshops.
- **Access to software** through [UCF apps](https://apps.ucf.edu/) [\(https://apps.ucf.edu/\)](https://apps.ucf.edu/), for programs you need for your courses, such as SPSS, Office 365, and others.
- **Concrete study actions** to better your performance through the [Successful You Video Series](https://vimeopro.com/cdlvideo/successful-you) [\(https://vimeopro.com/cdlvideo/successful-you\)](https://vimeopro.com/cdlvideo/successful-you), so you can avoid undesirable academic outcomes.

## How is respect for diversity and inclusion maintained?

UCF considers the diversity of its students, faculty, and staff to be a strength and critical to its educational mission. UCF expects every member of the university community to contribute to an inclusive and respectful culture for all in its classrooms, work environments, and at campus events. If there are aspects of the design, instruction, and/or experiences within this course that result in barriers to your inclusion or accurate assessment of achievement, please **notify the instructor as soon as possible** and/or contact Student Accessibility Services.

This course will be conducted in a way that respects **all aspects of diversity** [\(http://www.diversity.ucf.edu/\)](http://www.diversity.ucf.edu/). The very nature of this course requires us to delve into topics that may make some students uncomfortable and/or discuss topics with which some students may strongly disagree. I expect everyone to show respect for one another and the diverse issues presented and discussed. Any student who acts inappropriately through language use or disruptive behavior **will be blocked from participating in online discussions and forfeit their grade for those discussions**.

While various opinions and emotions are tied to some of the topics covered, **the greater purpose is to educate, not judge**. Everyone must be given a chance to express their thoughts in discussion without interruption or ridicule. If you encounter materials in the course that you find disconcerting, take a moment to explore why you are unsettled and then rationally explain your concerns to me so we can address the materials further through class discussion or privately during office hours.

## How is academic integrity maintained?

If you were in a classroom setting taking a quiz, would you ask the student sitting next to you for an answer to a quiz or test question? The answer should be no. This also applies to graded homework, quizzes, tests, etc. The completion of graded work in an online course should be considered a formal process: just because you are not in a formal classroom setting being proctored while taking a quiz or test does not mean that the completion of graded work in an online course should not be treated with integrity.

Your enrollment in this course means that you will adhere to the [UCF Creed](http://catalog.ucf.edu/content.php?catoid=2&navoid=4) [\(http://catalog.ucf.edu/content.php?catoid=2&navoid=4\)](http://catalog.ucf.edu/content.php?catoid=2&navoid=4) and you will maintain the highest standards of academic integrity. According to UCF's Rules of Conduct, [Section 1 Academic Misconduct](http://osc.sdes.ucf.edu/process/roc) [\(http://osc.sdes.ucf.edu/process/roc\)](http://osc.sdes.ucf.edu/process/roc), students are prohibited from engaging in:

- **Unauthorized assistance:** Using or attempting to use unauthorized materials, information or study aids in any academic exercise unless specifically authorized by the instructor of record. The unauthorized possession of examination or course-related material also constitutes cheating.
- **Communication to another through written, visual, electronic, or oral means:** The presentation of material which has not been studied or learned, but rather was obtained through someone else's efforts and used as part of an

examination, course assignment, or project.

- **Commercial Use of Academic Material:** Selling of course material to another person, student, and/or uploading course material to a third-party vendor without authorization or without the express written permission of the university and the instructor. Course materials include but are not limited to class notes, Instructor's PowerPoints, course syllabi, tests, quizzes, labs, instruction sheets, homework, study guides, handouts, etc.
- **Falsifying or misrepresenting** the student's own academic work.
- **Plagiarism:** Using or appropriating another's work without any indication of the source, thereby attempting to convey the impression that such work is the student's own.
- **Multiple Submissions:** Submitting the same academic work for credit more than once without the express written permission of the instructor.
- **Helping another violate** academic behavior standards.

UCF faculty members have a responsibility for students' education and the value of a UCF degree, and so seek to prevent unethical behavior and when necessary respond to academic misconduct. Academic misconduct of any kind on an exam or any other assignment in this course will result at least in an 'F' grade for that assignment (and may, depending on the severity of the case, lead to an 'F' or '**Z' grade** (<http://goldenrule.sdes.ucf.edu/zgrade>) for the entire course). All academic integrity issues will be subject to appropriate referral to the **Office of Student Conduct** (<http://osc.sdes.ucf.edu/faq#students>), which may take further action (e.g., assignment of 'Z' grade, conduct review and possible expulsion). See the **UCF Golden Rule** (<http://goldenrule.sdes.ucf.edu/>) for further information.

All written work for this course is **automatically reviewed for academic integrity** during the grading process.

- **Do not share your work with anyone else, do not use the work of someone else as yours, and do not write exams as a group or share exam answers in study groups.** If you do this, it is easily detectable through online links and WebCourses action logs including student answer and submission matches.
- **Do not plagiarize any written work from past UCF submissions, journals, academic texts, or Internet resources.** If you do this, the plagiarism check system will detect it and provide a traceable report listing the sources that you used.
- **For each quiz and exam, you are expected to remain on the testing screen for the duration.** You may not visit other websites or online communication tools for assistance. The **Webcourses@UCF quiz audit log will be monitored** for compliance. Failure to only access the quiz or exam during testing will result in an academic integrity violation.

As reflected in the UCF Creed, integrity and scholarship are core values that should guide our conduct and decisions as members of the UCF community. I, and your GTA, will also adhere to these standards, so please **do not ask us to change (or expect us to change) your grade illegitimately** by bending rules that would benefit your grade, or asking for a grade-related opportunity that will not be equally applied the entire class (e.g., individual extra-credit assignments). We will not respond to requests to 'round up' final grades – you will be assigned the grade that you have earned.

## *How can I use study groups and external materials responsibly?*

This course contains copyright protected materials such as audio or video clips, images, text materials, etc. These items are being used with regard to the Fair Use doctrine in order to enhance your learning environment. Do not copy, duplicate, download or distribute these items. The **use of these materials is strictly reserved for this online course environment and your use only**. All copyright materials are credited to the copyright holder.

GroupMe and WhatsApp study groups (and other study platforms) are encouraged as long as copyright for course materials is respected and academic integrity is maintained. **If one member of a study group account is found in violation of copyright or UCF Rules of Conduct, all members are subject to review for academic misconduct.** In the past, GroupMe study groups experienced added benefits and avoided these issues by inviting the GTA to join in!

These examples show how the use of study groups can be **considered academic misconduct** and could result in the **same penalties as cheating** in a face-to-face class:

- **Taking a screen shot of an online quiz or exam question and posting it** to GroupMe or WhatsApp, and/or asking for

assistance is considered academic misconduct.

- **Answering an online quiz or test question posted to GroupMe or WhatsApp** is considered academic misconduct. Giving advice, assistance, or suggestions on how to complete a question associated with an online assignment, quiz, or test is considered academic misconduct.
- **Using outside assistance from another student or by searching the Internet;** Googling for answers, use of websites such as Quizlet, Course Hero, Chegg Study, etc.. is considered academic misconduct.
- **Joining others to take an online quiz or test and sharing answers** in the process is considered academic misconduct.

Third parties (e.g., OneNote, Study Blue, Koofers, CourseHero, Clutch Prep, etc.) may attempt to connect with you to sell your notes and other course information from this class. Distributing course materials to a third party without my authorization is a **violation of UCF Rules of Conduct**. Students who engage in this behavior **may also face serious penalties** beyond participation in this course. Please be aware that materials on these websites almost always contain extensive errors, outdated information, and a misleading sense of being 'in-the-know' about exams or assignments, all of which will greatly affect your performance (and therefore your grade) in this course. **WARNING:** Use these materials at **your own risk**.

During this course you might also encounter public online services and/or software applications, such as blogs or wikis. While some of these might be related to required assignments or course materials, **you need not make any personally identifying information on a public site. Do not post or provide any private information about yourself or your classmates.** Where appropriate you may use a pseudonym or nickname. If you have any concerns about this, please contact me or GTA for assistance.

## *Why should I use WebCourses Email Inbox?*

Our **official mode of communication is the secure WebCourses Email Inbox system**. This ensures the safety of your personal information. It is your responsibility to check the WebCourses Inbox and course announcements at least two-or-three times per week. You may also use your UCF Knight's Email account to communicate with me and/or the GTA. However, **if you use the UCF Knights Mail system**, please use the course number in your email reference so it is easily recognized, and please do not forget to add your name at the end of the email.

When using the proper channels of communication, you can generally **expect a response to your message through WebCourses Inbox within 24 hours**. Please keep in mind that I, and your GTA, may only check our UCF email once, if at all, during the weekend hours (unless an exam is open) or on holidays. If you send an email on a Friday afternoon or over the weekend, you may not receive a response until the following Monday.

All communication between student and instructor, between student and GTA, and between student and student should be respectful and professional. Please be aware that any **online correspondence regarding assignments, grades, or course materials must utilize the WebCourses Inbox or UCF Knight's Mail systems**. Your GTA and I will not respond to messages sent by other means, such as your Smartphone or iPad unless you are using the WebCourses@UCF [Canvas Student Mobile application](#).

## *What are the technology and software requirements?*

Students will be expected to have access to a computer frequently, as all course materials are supplied online and all assignments will be submitted and graded through WebCourses. At a minimum, you will need:

- Access to a reliable laptop or desktop computer **at least three times a week**. If you do not own a computer, there are student accessible computers in all of UCF's computer labs. For further information, please see the UCF Libraries FAQ for [lab hours and locations](http://guides.ucf.edu/c.php?g=78577&p=517810) [\\_ \(http://guides.ucf.edu/c.php?g=78577&p=517810\) \\_ \(http://guides.ucf.edu/content.php?pid=137016&sid=1173345\)](http://guides.ucf.edu/content.php?pid=137016&sid=1173345)
- Reliable broadband internet access
- A [compatible web browser](https://cdl.ucf.edu/support/webcourses/browser/) [\\_ \(https://cdl.ucf.edu/support/webcourses/browser/\)](https://cdl.ucf.edu/support/webcourses/browser/)

- Audio input, built-in, or external computer speakers

You are expected to have access to Adobe Reader and PowerPoint for the Web/PowerPoint app, or the equivalent (through [Office 365](https://extranet.cst.ucf.edu/office365selfsvc/) [\\_ \(https://extranet.cst.ucf.edu/office365selfsvc/\)](https://extranet.cst.ucf.edu/office365selfsvc/)) on the computer or device commonly accessed so that you may properly view multimedia materials in the course content. If you are not using Office 365, please contact [WebCourses@UCF Support](mailto:WebCourses@UCFSupport) [\\_ \(https://cdl.ucf.edu/support/webcourses/\)](https://cdl.ucf.edu/support/webcourses/) for technical support assistance with the most current versions of these products.

## *Who do I contact if something isn't working in the course modules?*

If you are experiencing **problems accessing materials or submitting your work**, please contact your professor or GTAs so we can assist you as soon as possible.

Technology can have its challenges. If you need **help with computer set-up or online technical assistance**, please use the following links:

- Technical assistance is available through phone, email and live chat through [WebCourses@UCF Support](mailto:WebCourses@UCFSupport) [\(https://cdl.ucf.edu/support/webcourses/\)](https://cdl.ucf.edu/support/webcourses/)
- A built-in 'Help' button for WebCourses@UCF Support and WebCourses system is located in the WebCourses@UCF permanent toolbar. You will find links to Canvas Support Guides, reporting problems to WebCourses@UCF Support, Knights Online Learning, and Computer Setup.

WebCourses allows tracking of a student's progress and activities while logged into the course to assist in verifying instances where computer 'glitches' or 'Internet speed bumps' occur when submitting assignments, taking exams, etc. If you experience **problems with WebCourses while submitting and assignment or taking an exam**, it will show up in your individual WebCourses action log. Therefore, the "Bill Gates ate my homework" or "I took the quiz, but . . ." excuses can be traced and verified.

## *What do I do if there is a campus emergency?*

Emergencies on campus are rare, but if one should arise during class, everyone needs to work together. Students should be aware of their surroundings and familiar with some basic safety and security concepts.

- In case of emergency, **dial 911** for assistance.
- Every UCF classroom contains an **emergency procedure guide** posted on a wall near the door. Students should make a note of the guide's physical location and review the [online version](http://emergency.ucf.edu/emergency_guide.html) [\\_ \(http://emergency.ucf.edu/emergency\\_guide.html\)](http://emergency.ucf.edu/emergency_guide.html).
- Students should know the **evacuation routes** from each of their classrooms and have a plan for finding safety in case of an emergency.
- If there is a **medical emergency during class**, students may need to [locate](http://www.ehs.ucf.edu/AEDLocations-UCF) [\\_ \(http://www.ehs.ucf.edu/AEDLocations-UCF\)](http://www.ehs.ucf.edu/AEDLocations-UCF) and access a first-aid kit or AED (Automated External Defibrillator).
- To **stay informed about emergency situations**, students can [sign up](https://my.ucf.edu) [\\_ \(https://my.ucf.edu\)](https://my.ucf.edu) through "Student Self Service/Personal Information" to receive UCF text alerts.
- Students with special needs related to emergency situations should speak with their instructors outside of class.
- To learn about how to manage an **active-shooter situation** on campus or elsewhere, consider viewing this [UCF video](https://youtu.be/NIKYajEx4pk) [\\_ \(https://youtu.be/NIKYajEx4pk\)](https://youtu.be/NIKYajEx4pk).

## *What is my course lecture and assignment schedule?*

Changes to the course lecture and assignment schedules are not expected but may occur. Your professor reserves the right to make reasonable adjustments to the lecture and assignment schedule. **You will be notified of any changes through [Announcements](#)** in WebCourses.

Your lecture schedule and course materials may be accessed through the 'Modules' button in the course menu on the left.

- **Due dates for graded work** are listed in the table below and in the INTRODUCTION page of each learning module.
- **Assigned readings** are listed in the INTRODUCTION page of each learning module.

## Required Text

- Archaeology Essentials 4th Edition, by Colin Renfrew and Paul Bahn. Available through the UCF Bookstore or online retailers as an ebook or book.

## Course Requirements

There will be three **exams** in the course, the third exam is during finals week and will be cumulative. Each exam is weighted the same in your grade book.

There will be **five written assignments**. There will also be **five required group discussions** in which you will participate.

You must complete each module to proceed to the next module in the sequence. You will not be able to skip modules. There is no penalty for completing the course early. **However, there are due dates for the assignments and exams and these must be completed on or before their respective due dates, not after.** So, you can move as quickly as you like through the course, provided all assignments and exams are completed on or before their due dates.

## Attendance/Participation and Missed Assignments

It is strongly advised that you **not miss a scheduled exam or assignment**. I understand that life

can be unpredictable, BUT scheduling make-up exams and opening closed modules, quizzes or assignments is a great inconvenience and will **only** be given in the following extenuating circumstances with written documentation of said circumstance:

- 1) Students must notify their instructor in advance if they intend to miss class for or if a deadline conflicts with a religious observance. For more information, see the UCF policy at < <http://regulations.ucf.edu/chapter5/documents/5.020ReligiousObservancesFINALJan19.pdf> [.\(http://regulations.ucf.edu/chapter5/documents/5.020ReligiousObservancesFINALJan19.pdf\)](http://regulations.ucf.edu/chapter5/documents/5.020ReligiousObservancesFINALJan19.pdf) >.
- 2) Students who represent the university in an authorized event or activity (for example, student-athletes) and who are unable to meet a course deadline due to a conflict with that event must provide the instructor with documentation in advance to arrange a make-up. No penalty will be applied. For more information, see the UCF policy at <<https://policies.ucf.edu/documents/4-401.pdf> [.\(https://policies.ucf.edu/documents/4-401.pdf\)](https://policies.ucf.edu/documents/4-401.pdf) >
- 3) Illness of yourself or dependent – a doctor's note is required. Please do not submit your personal medical information.
- 4) Jury duty – copy of jury summons is required.
- 5) Extenuating circumstances with prior notification and documentation but excluding oversleeping, forgetfulness, and alien abduction. Active duty military please see section below. **Please note that previously scheduled personal appointments or social functions (weddings, cruises, trips to Disney) do not constitute an emergency and are not considered extenuating circumstances.**

**Please note that late assignments will suffer a point reduction. See individual assignment descriptions.**

## Evaluation and Grading

Your grade will be calculated based on the percentage of the total points available. For example, your total points is 325 and the total points available is 405, then your grade would be  $325/405=0.802$  which is 80.2%

<b>Activities</b>	<b>Total Points</b>
Weekly Quizzes (13 at 10 points each) [Includes Academic Engagement Quiz]	130
Writing Assignments (5 at 15 points each)	75
Group Discussions (5 at 10 points each)	50

Writing assignments and discussion posts are due at 11:59 pm on each due date. Do not wait until the last minute to submit your assignment!

All examinations are worth the same amount toward your final grade, including the final exam.

**Please Note:** Because writing assignments and discussion posts require more time to grade, please be patient. It may take up to two weeks to grade an assignment.

#### A Note on Grading

If you dispute a grade on any part of your essays or tests, you have three days after the grade is posted to bring the matter to my attention. It is your responsibility to examine your graded material within a reasonable time after I return the material to you. Do not wait until the end of the semester to dispute your grades. **Also, please do not request that your grade be rounded up at the end of the semester. I will not reply to any requests for rounding up, so don't take it personally.**

## Unauthorized Use of Websites and Internet Resources

There are many websites claiming to offer study aids to students, but in using such websites, students could find themselves in violation of academic conduct guidelines. These websites include (but are not limited to) Quizlet, Course Hero, Chegg Study, and Clutch Prep. UCF does not endorse the use of these products in an unethical manner, which could lead to a violation of our University's Rules of Conduct. They encourage students to upload course materials, such as test questions, individual assignments, and examples of graded material. Such materials are the intellectual property of instructors, the university, or publishers and may not be distributed without prior authorization. Students who engage in such activity could be found in violation of academic conduct standards and could face course and/or University penalties. Please let me know if you

are uncertain about the use of a website so I can determine its legitimacy.

## Unauthorized Use of Websites and Internet Resources

If you were in a classroom setting taking a quiz, would you ask the student sitting next to you for an answer to a quiz or test question? The answer should be no. This also applies to graded homework, quizzes, tests, etc.

Students are not allowed to use GroupMe, WhatsApp, or any other form of technology to exchange course material associated with a graded assignment, quiz, test, etc. when opened on Webcourses.

The completion of graded work in an online course should be considered a formal process: Just because you are not in a formal classroom setting being proctored while taking a quiz or test does not mean that the completion of graded work in an online course should not be treated with integrity.

The following is not all inclusive of what is considered academic misconduct. These examples show how the use of technology can be considered academic misconduct and could result in the same penalties as cheating in a face-to-face class:

- Taking a screen shot of an online quiz or test question, posting it to GroupMe or WhatsApp, and asking for assistance is considered academic misconduct.
- Answering an online quiz or test question posted to GroupMe or WhatsApp is considered academic misconduct. Giving advice, assistance, or suggestions on how to complete a question associated with an online assignment, quiz, or test is considered academic misconduct.
- The use of outside assistance from another student or by searching the internet, Googling for answers, use of websites such as Quizlet, Course Hero, Chegg Study, etc. is considered academic misconduct.
- Gathering to take an online quiz or test with others and sharing answers in the process is considered academic misconduct.

## Unauthorized Distribution of Class Notes and Materials

Third parties may attempt to connect with you to sell your notes and other course information from this class. Distributing course materials to a third party without my authorization is a violation of our University's Rules of Conduct. Please be aware that such class materials that may have already been given to such third parties may contain errors, which could affect your performance or grade. Recommendations for success in this course include coming to class on a routine basis, visiting me during my office hours, connecting with the Teaching Assistant (TA),

and making use of the Student Academic Resource Center (SARC), the University Writing Center (UWC), the Math Lab, etc. If a third party should contact you regarding such an offer, I would appreciate your bringing this to my attention. We all play a part in creating a course climate of integrity.

## Turnitin.com

In this course we will utilize turnitin.com, an automated system which instructors can use to quickly and easily compare each student's assignment with billions of web sites, as well as an enormous database of student papers that grows with each submission. Accordingly, you will be expected to submit assignments through the Canvas Assignment Tool in electronic format. After the assignment is processed, as an instructor I receive a report from turnitin.com that states if and how another author's work was used in the assignment. For a more detailed look at this process, visit <http://www.turnitin.com> [\(http://www.turnitin.com/\)](http://www.turnitin.com/).

## Policy Statements

### Statement Regarding COVID-19

To protect members of our community, everyone is required to wear a facial covering inside all common spaces including classrooms (<https://policies.ucf.edu/documents/PolicyEmergencyCOVIDReturnPolicy.pdf> [\\_ \(https://policies.ucf.edu/documents/PolicyEmergencyCOVIDReturnPolicy.pdf\)](https://policies.ucf.edu/documents/PolicyEmergencyCOVIDReturnPolicy.pdf)). Students who choose not to wear facial coverings will be asked to leave the classroom by the instructor. If they refuse to leave the classroom or put on a facial covering, they may be considered disruptive (please see the [Golden Rule](https://goldenrule.sdes.ucf.edu/) [\(https://goldenrule.sdes.ucf.edu/\)](https://goldenrule.sdes.ucf.edu/) for student behavior expectations). Faculty have the right to cancel class if the safety and well-being of class members are in jeopardy. Students will be responsible for the material that would have been covered in class as provided by the instructor.

### Notifications in Case of Changes to Course Modality

Depending on the course of the pandemic during the semester, the university may make changes to the way classes are offered. If that happens, please look for announcements or messages in Webcourses@UCF or Knights email about changes specific to this course.

### COVID-19 and Illness Notification

Students who believe they may have a COVID-19 diagnosis should contact UCF Student Health Services (407-823-2509) so proper contact tracing procedures can take place.

Students should not come to campus if they are ill, are experiencing any symptoms of COVID-19, have tested positive for COVID, or if anyone living in their residence has tested

positive or is sick with COVID-19 symptoms. CDC guidance for COVID-19 symptoms is located here: (<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html> (<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>)).

Students should contact their instructor(s) as soon as possible if they miss class for any illness reason to discuss reasonable adjustments that might need to be made. When possible, students should contact their instructor(s) before missing class.

### **In Case of Faculty Illness**

If the instructor falls ill during the semester, there may be changes to this course, including having a backup instructor take over the course. Please look for announcements or mail in [Webcourses@UCF](mailto:Webcourses@UCF) or Knights email for any alterations to this course.

### **Course Accessibility and Disability COVID-19 Supplemental Statement**

Accommodations may need to be added or adjusted should this course shift from an on-campus to a remote format. Students with disabilities should speak with their instructor and should contact [sas@ucf.edu](mailto:sas@ucf.edu) (<mailto:sas@ucf.edu>) to discuss specific accommodations for this or other courses.

## **Academic Integrity**

Students should familiarize themselves with UCF's Rules of Conduct at <https://scai.sdes.ucf.edu/student-rules-of-conduct/> (<https://scai.sdes.ucf.edu/student-rules-of-conduct/>) >. According to Section 1, "Academic Misconduct," students are prohibited from engaging in

1. Unauthorized assistance: Using or attempting to use unauthorized materials, information or study aids in any academic exercise unless specifically authorized by the instructor of record. The unauthorized possession of examination or course-related material also constitutes cheating.
2. Communication to another through written, visual, electronic, or oral means: The presentation of material which has not been studied or learned, but rather was obtained through someone else's efforts and used as part of an examination, course assignment, or project.
3. Commercial Use of Academic Material: Selling of course material to another person, student, and/or uploading course material to a third-party vendor without authorization or without the express written permission of the university and the instructor. Course materials include but are not limited to class notes, Instructor's PowerPoints, course syllabi, tests, quizzes, labs, instruction sheets, homework, study guides, handouts, etc.
4. Falsifying or misrepresenting the student's own academic work.
5. Plagiarism: Using or appropriating another's work without any indication of the source,

thereby attempting to convey the impression that such work is the student's own.

6. Multiple Submissions: Submitting the same academic work for credit more than once without the express written permission of the instructor.
7. Helping another violate academic behavior standards.
8. Soliciting assistance with academic coursework and/or degree requirements.

## Responses to Academic Dishonesty, Plagiarism, or Cheating

Students should also familiarize themselves with the procedures for academic misconduct in UCF's student handbook, *The Golden Rule* < <https://goldenrule.sdes.ucf.edu/> (<https://goldenrule.sdes.ucf.edu/>) >. UCF faculty members have a responsibility for students' education and the value of a UCF degree, and so seek to prevent unethical behavior and respond to academic misconduct when necessary. Penalties for violating rules, policies, and instructions within this course can range from a zero on the exercise to an "F" letter grade in the course. In addition, an Academic Misconduct report could be filed with the Office of Student Conduct, which could lead to disciplinary warning, disciplinary probation, or deferred suspension or separation from the University through suspension, dismissal, or expulsion with the addition of a "Z" designation on one's transcript.

Being found in violation of academic conduct standards could result in a student having to disclose such behavior on a graduate school application, being removed from a leadership position within a student organization, the recipient of scholarships, participation in University activities such as study abroad, internships, etc.

Let's avoid all of this by demonstrating values of honesty, trust, and integrity. No grade is worth compromising your integrity and moving your moral compass. Stay true to doing the right thing: take the zero, not a shortcut.

## Course Accessibility Statement

The University of Central Florida is committed to providing access and inclusion for all persons with disabilities. Students with disabilities who need access to course content due to course design limitations should contact the professor as soon as possible. Students should also connect with Student Accessibility Services (SAS) <<http://sas.sdes.ucf.edu/> (<http://sas.sdes.ucf.edu/>) > (Ferrell Commons 185, [sas@ucf.edu](mailto:sas@ucf.edu) (<mailto:sas@ucf.edu>), phone 407-823-2371). For students connected with SAS, a Course Accessibility Letter may be created and sent to professors, which informs faculty of potential course access and accommodations that might be necessary and reasonable. Determining reasonable access and accommodations requires consideration of the course design, course learning objectives and the individual

academic and course barriers experienced by the student. Further conversation with SAS, faculty and the student may be warranted to ensure an accessible course experience.

## Unexpected Course Changes

To stay informed about emergency situations, students can sign up to receive UCF text alerts by going to [ucf.edu](http://my.ucf.edu/) [\(http://my.ucf.edu/\)](http://my.ucf.edu/) and logging in. Click on “Student Self Service” located on the left side of the screen in the toolbar, scroll down to the blue “Personal Information” heading on the Student Center screen, click on “UCF Alert”, fill out the information, including e-mail address, cell phone number, and cell phone provider, click “Apply” to save the changes, and then click “OK.”

Students with special needs related to emergency situations should speak with their instructors outside of class.

Emergencies may occur that could affect this course's schedule.

## Deployed Active Duty Military Students

Students who are deployed active duty military and/or National Guard personnel and require accommodation should contact their instructors as soon as possible after the semester begins and/or after they receive notification of deployment to make related arrangements.

While some of these could be required assignments, you need not make any personally identifying information on a public site. Do not post or provide any private information about yourself or your classmates. Where appropriate you may use a pseudonym or nickname. Some written assignments posted publicly may require personal reflection/comments, but the assignments will not require you to disclose any personally identity-sensitive information. ## Diversity and Inclusion

The University of Central Florida considers the diversity of its students, faculty, and staff to be a strength and critical to its educational mission. UCF expects every member of the university community to contribute to an inclusive and respectful culture for all in its classrooms, work environments, and at campus events. Dimensions of diversity can include sex, race, age, national origin, ethnicity, gender identity and expression, intellectual and physical ability, sexual orientation, income, faith and non-faith perspectives, socio-economic class, political ideology, education, primary language, family status, military experience, cognitive style, and communication style. The individual intersection of these experiences and characteristics must be valued in our community.

<b>Course ID</b>	ANT2410
<b>Credit Hours</b>	3
<b>Semester/Year</b>	Fall 2020
<b>Location</b>	v1 mixed mode

## Course Description

This class is an introduction to cultural anthropology, its methods, concepts and a survey of the cross cultural findings of anthropologists. In addition, we will be using research conducted by your instructor in a refugee camp as illustrations of the concepts you will learn and how they can be useful in understanding human behavior.

## Course Objectives

- Students gain an appreciation of how culture impacts human behavior.
- Students comprehend that culture is a holistic phenomena, where subsistence, social organization, beliefs, technology, language, politics, and economics are all inter-related.
- Students understand the biological basis of culture and the unique capabilities of humans to create culture.
- Students understand the basis of natural selection and what biological evolution is.

- Students understand the relationship from some of the important developments of human evolution (bipedalism, big heads) and the biological basis of culture in Homo sapiens
- Students understand that real cross-cultural comparisons must include all aspects of a culture including subsistence, social organization, religion and beliefs, etc.

### Learning Outcomes

- Students demonstrate through answers to assignments and discussion responses that they have read and comprehended the online material and supplemental texts.
- Students demonstrate through answers to assignments that they have acquired the capability to be analytical when addressing aspects of cultures.
- Students demonstrate through answers to assignments that they have the capability to synthesize aspects of a culture to reveal the relationships between subsistence, social organization and beliefs.

## Course Requirements

**Important Information:** There is a syllabus quiz that you need to take before **Friday 8/28 at 11:55 pm**. The quiz establishes your engagement in the class for financial aid purposes so you need to take it. Failing to take the quiz by the Friday deadline can result in delaying your financial aid. The score on the quiz does not affect your grade.

The class is organized by weeks. Within each week, there are [modules](#). The modules contain material from your instructor that supplements the texts. The modules are required. They are your instructor's way of providing what you miss in lectures. Consequently, there will be a substantial amount of material from the modules on the exams. Further, in some cases you will not be able to do the assignments unless you have done the modules. The assignments are things you must do for credit, and they have set due dates. Please consult the [Schedule](#) for more details.

## Evaluation and Grading

Assignment	Points
Exam 1	100
Exam 2	100
Exam 3	100
15 Online quizzes @ 10 points each	150
3 Discussion posts and responses 20 points each	60
Total	510 points

## Online Exams

The exams will be available for specified days (see [Schedule](#)). You must take the exam during those specified days or it will have been missed. Once you begin the exam, you will have two hours to complete it. At the end of two hours, it will automatically close. The exams will have only multiple choice questions and you should be able to complete the exams within one hour (this is the case when your instructor gives them in face-to-face classes), but you get two hours.

## Online Discussions

Within the week to week modules, there are quizzes.

The discussions pose questions for you to engage with the class material and think about it. The discussion format is also a way to consider how other students in the class think about the material or the issues presented in the class. The goal is to create a thoughtful and analytical response to the question, and also to other student's responses. The discussions are not for simply stating a preconceived opinion, or attempting to provoke an argument. So be thoughtful and respectful in your responses to the questions and other student's responses.

It is recommended that you write your response in Word, then go online and open that discussion and copy and paste your response. If you write first and save and then use

copy and paste, you will have your responses saved to your computer in case something happens. If you write the response online and something happens during your composition and you are not finished, you will lose your work. Better to write it on your own computer and save it and then post it to the list.

Very Important note: this is not cable news. Answer the question you are asked, not the question you wished had been asked. One of the main reasons students lose points on written discussions is the failure to follow directions.

Letter Grade	Percentage
A	90-100
B	80-89
C	70-79
D	60-69
F	59 or below

## Missed Assignments/Make-Ups/Extra Credit

Those who take all three regularly scheduled exams are exempted from the Final Exam. With advance notice of an issue or documented serious medical issue, I will allow a make up of an earlier exam. Anyone who misses a regularly scheduled exam **MUST TAKE THE FINAL EXAM**. The Final Exam will be CUMULATIVE.

Discussions have due dates. You can submit late discussions, but they receive 1/2 credit.

### **Covid V1 mixed mode using Zoom - Statement**

# Required Statement Regarding COVID-19

## University-Wide Face Covering Policy for Common Spaces and Face-to-Face Classes

To protect members of our community, everyone is required to wear a facial covering inside all common spaces including classrooms (<https://policies.ucf.edu/documents/PolicyEmergencyCOVIDReturnPolicy.pdf> [Links to an external site.](#)). Students who choose not to wear facial coverings will be asked to leave the classroom by the instructor. If they refuse to leave the classroom or put on a facial covering, they may be considered disruptive (please see the [Golden Rule](#) [Links to an external site.](#) for student behavior expectations). Faculty have the right to cancel class if the safety and well-being of class members are in jeopardy. Students will be responsible for the material that would have been covered in class as provided by the instructor.

## Notifications in Case of Changes to Course Modality

Depending on the course of the pandemic during the semester, the university may make changes to the way classes are offered. If that happens, please look for announcements or messages in Webcourses@UCF or Knights email about changes specific to this course.

## COVID-19 and Illness Notification

Students who believe they may have a COVID-19 diagnosis should contact UCF Student Health Services (407-823-2509) so proper contact tracing procedures can take place.

Students should not come to campus if they are ill, are experiencing any symptoms of COVID-19, have tested positive for COVID, or if anyone living in their residence has tested positive or is sick with COVID-19 symptoms. CDC guidance for COVID-19 symptoms is located here: (<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html> ([Links to an external site.](#)))

Students should contact their instructor(s) as soon as possible if they miss class for any illness reason to discuss reasonable adjustments that might need to be made. When possible, students should contact their instructor(s) before missing class.

## In Case of Faculty Illness

If the instructor falls ill during the semester, there may be changes to this course, including having a backup instructor take over the course. Please look for announcements or mail in Webcourses@UCF or Knights email for any alterations to this course.

### **Course Accessibility and Disability COVID-19 Supplemental Statement**

Accommodations may need to be added or adjusted should this course shift from an on-campus to a remote format. Students with disabilities should speak with their instructor and should contact [sas@ucf.edu](mailto:sas@ucf.edu) to discuss specific accommodations for this or other courses.

## **Academic Honesty**

Plagiarism and cheating of any kind on an examination, quiz, or assignment will result at least in an "F" for that assignment (and may, depending on the severity of the case, lead to an "F" for the entire course) and may be subject to appropriate referral to the [Office of Student ConductLinks to an external site.](#) for further action. See the [UCF Golden RuleLinks to an external site.](#) for further information. I will assume for this course that you will adhere to the academic creed of this University and will maintain the highest standards of academic integrity. In other words, don't cheat by giving answers to others or taking them from anyone else. I will also adhere to the highest standards of academic integrity, so please do not ask me to change (or expect me to change) your grade illegitimately or to bend or break rules for one person that will not apply to everyone.

## **Accessibility Statement**

The University of Central Florida is committed to providing reasonable accommodations for all persons with disabilities. This syllabus is available in alternate formats upon request. Students with disabilities who need accommodations in this course must contact the professor at the beginning of the semester to discuss needed accommodations. No accommodations will be provided until the student has met with the professor to request accommodations. Students who need accommodations must connect with [Student Accessibility ServicesLinks to an external site.](#), Ferrell Commons, 7F, Room 185, phone (407) 823-2371, TTY/TDD only phone (407) 823-2116, before requesting accommodations from the professor.

## UCF Catalog Description

An introduction to human diversity as exemplified among various cultures and ethnic groups.

## COVID-19 Notes

This is a remote, video-delivered course. No in-person classroom attendance is required. Students are expected to attend virtually at designated days and times as specified in the class meeting pattern. Instruction may be supplemented by additional online activity, projects, or exams. Internet access, browser, and e-mail required. Webcams and microphones will be required for class meetings and may be required for exams. Moved to distance learning due to COVID-19.

**Although we are meeting virtually, you are still expected to be present and logged into our Zoom class meetings. Attendance and participation will be measured through a combination of graded class-activities and discussions.**

### Statement

Because of the continued remote instruction requirement due to the COVID-19 pandemic, this course will use Zoom for synchronous (“real time”) class meetings. Meeting dates and times will be scheduled through [Webcourses@UCF](mailto:Webcourses@UCF) and should appear on your calendar.

Please take the time to familiarize yourself with Zoom by visiting the [UCF Zoom Guides](https://cdl.ucf.edu/support/webcourses/zoom/) at <<https://cdl.ucf.edu/support/webcourses/zoom/>>. You may choose to use Zoom on your mobile device (phone or tablet).

Things to Know About Zoom:

- You must sign in to my Zoom session using your UCF NID and password.
- The Zoom sessions are recorded.
- A Webcam is required
- Improper classroom behavior is not tolerated within Zoom sessions and may result in a referral to the Office of Student Conduct.
- You can contact [Webcourses@UCF Support](mailto:Webcourses@UCF Support) at <<https://cdl.ucf.edu/support/webcourses/>> if you have any technical issues accessing Zoom.

## Course Description

Cultural anthropology explores and explains the similarities and differences in human behavior, social institutions, and ways of life of all people, past and present, by studying living cultures worldwide. This course will examine how cultural anthropologists carry out research in order to understand the ways people live in groups, create culture and adapt to their environments. A variety of topics related to culture are covered including communication, marriage, economics, subsistence, culture change, globalization, kinship, violence, gender and sexuality.

# Course and Student Learning Objectives

*“To make the strange familiar and the familiar strange.”*

- 1) To understand and articulate the theory, methods, concepts, and major debates of cultural anthropology
- 2) To understand the diversity of human experiences by examining and comparing world cultures across multiple dimensions including:
  - a. Historical connectedness,
  - b. Norms, values, and beliefs
  - c. Language
  - d. Kinship and Marriage
  - e. Race and Ethnicity
  - f. Sex, Gender, and Sexuality
  - g. Subsistence and Economic Systems
  - h. Religion and Cosmology

## What is the course format?

In class, you will be introduced to new materials, participate in discussions related to your textbook readings, and explore examples through class activities. To be successful in this course, you will need to attend class (virtually), listen to lectures, take notes, and ask questions.

Over the 15 weeks in the Fall 2020 term, you are required to spend **three hours each week** attending class and participating in class activities. In addition to this, you are required to review any media (e.g., video content) and/or any additional information presented in the online modules. You should plan on spending **a few hours each week outside of class** completing your assigned reading, studying your notes, and working on your assignments.

If you need any assistance with course materials, assignments or study tips, please visit me during **office hours**. **Office hours** are held on Wednesdays from 9:30 - 11:30 pm. If you have a scheduling conflict with these times, please contact me to set an appointment that will reasonably fit your schedule. All office visits will be done virtually through Zoom.

## What are the course requirements?

This course begins on **AUG 24, 2020** and ends on **DEC 06, 2020**. Over this period, you will be expected to:

- attend class (virtually) and participate in class activities
- review course materials, including assigned video or audio content and readings
- complete a required activity at the start of the course
- complete online assignments
- complete in-class participation activities
- complete any quizzes or exams that are assigned

## How is respect for diversity maintained?

This class will be conducted in a way that **respects all aspects of diversity**. It is expected that everyone show respect for one another and the diverse issues and concepts that we may encounter and/or discuss in class. Everyone must be given a chance to express their thoughts in class discussion without interruption or ridicule.

Any student who acts inappropriately or becomes disruptive will be asked to leave the classroom and may be blocked from participating in class discussion and activities. If you encounter materials in the course that you find offensive or disconcerting, take a moment to explore why you are offended or unsettled and then rationally explain why so we can discuss the issue further in class or during office hours.

## How will I be evaluated and graded?

**\*This will most likely change as we navigate the new challenges that teaching virtually presents. I will announce during our class meetings and online when there are changes. More details to follow.\***

Assessment		Points Possible		% Final Grade
Online Assignments		100		20%

You can access your grades through the 'Grades' link in the main course menu on the left. It is **your responsibility to check on your grades throughout the course**. Please allow a reasonable amount of time to pass for the grading process to take place. If you have any questions concerning your scores **after it has been released**, please notify me using **WebCourses Messaging** in the main course menu on the left, and I will address the concern as soon as possible. Questions regarding your score must be addressed **within one week of the grade being released**.

The following +/- grading scale will be used in this course:

Letter Grade	Percentage	Letter Grade	Percentage
A	95 - 100%	C+	76 - 79%
A-	90 - 94%	C	70 - 75%
B+	87 - 89%	D	60 - 69%

Incomplete grades are only given in situations where **unexpected and documented medical emergencies prevent a student enrolled in the course in good standing** from completing the remaining work. Your professor is the final authority on whether you qualify for an incomplete. Incomplete work must be finished by the end of the subsequent semester or the 'I' grade will automatically be recorded as an 'F' on your transcript.

## How is academic integrity maintained?

**Plagiarism, cheating, or academic dishonesty of any kind on any quiz, assignment or exam will not be tolerated** and will result at least in an 'F' grade for that assignment (and may, depending on the severity of the case, lead to an 'F' grade for the entire course) and will be subject to appropriate referral to the [Office of Student Conduct](#) for further action (e.g., 'Z' grades and possible expulsion). See the [UCF Golden Rule](#) for further information. All written work in this course is **automatically reviewed** for plagiarism during the grading process.

We will assume your enrollment in this course means that you will adhere to the academic creed of the Global Achievement Academy and this University, and you will maintain the highest standards of academic integrity. In other words, **do not share your work with anyone else**, and above all, **do not plagiarize any written work from past UCF submissions, journals, academic texts, or Internet sources**.

Your professors will also adhere to the highest standards of academic integrity, so please **do not ask us to change (or expect me to change) your grade illegitimately**, to bend rules that would benefit your grade, or ask for a grade-related opportunity that will not equally be applied the entire class. I will not respond to requests to 'round up' final grades – you will be assigned the grade that you have earned.

## Why should I use WebCourses Inbox?

In this course, our **official mode of communication outside of class is the secure WebCourses Inbox system**. It is your responsibility to check your WebCourses Inbox and course announcements at least two or three times per week.

All communication between student and professor and between student and student should be respectful and professional. Please be aware that any **online correspondence regarding assignments, grades, or course materials must use the WebCourses Inbox**.

## What are the technology and software requirements?

**You will need to have reliable access to a computer and the Internet for this course. This course is unique and also requires the use of a webcam.**

WebCourses has an **online tracking system** where professors can review a student's progress and activities while logged into the course. This assists students and professors in instances where computer 'glitches' or 'Internet speed bumps' occur when submitting assignments, taking exams, etc. If you experience technical issues with WebCourses while submitting an assignment or taking an exam, it will show up in your online activity report. Therefore, the 'The system deleted my homework' or 'I took the quiz, but . . .' excuses **can be traced and verified**.

If you are experiencing problems accessing materials or submitting your work, please contact me so we can point you in the proper direction to resolve the problem. The quickest way to receive assistance is through the 'Help' button located in the lower, left-hand corner, and then clicking on the most appropriate menu item.

## What should I know about copyright and third-party software?

This course may contain copyright protected materials such as audio or video clips, images, text materials, etc. These items are being used with regard to the Fair Use doctrine in order to enhance your learning environment. Do not copy, duplicate, download or distribute these items. **The use of these materials is strictly reserved for this online course environment and your use only.** All copyright materials are credited to the copyright holder.

In addition, third party sites (e.g., Study Blue, Chegg, CourseHero, etc.) may be selling or requiring log-in access to class notes and other materials from current or past versions of this course **without authorization**. Please be aware that this is a **violation of copyright**, and these course materials very often contain extensive errors or outdated information, which could greatly affect your performance (and therefore your grade) in this course. **Use these materials at your own risk.**

During this course you might also encounter public online services and/or software applications, sometimes called third-party software, such as a blog or wiki. While some of these might be related to required course materials, you **will not need to release any personally identifying information on any public site. Do not post or provide any private information about yourself or your classmates.** If you have any concerns about this, please contact your professor or GAA assistant for help.

## Is the course accessible for students with disabilities?

It is our goal for this course to be an accessible and welcoming experience for all students, including those with disabilities that may impact their learning in this course. If anyone believes the design of this course poses barriers to effectively participating and/or demonstrating learning in this course, please meet with me (with or without

a [Student Accessibility Services](#) [Links to an external site.](#) [Links to an external site.](#) (SAS) accommodation letter) to discuss reasonable options or adjustments. During discussion, we may suggest the possibility/necessity of your contacting SAS (Ferrell Commons 185; 407-823-2371; [sas@ucf.edu](mailto:sas@ucf.edu)) to talk about academic accommodations.

If you receive SAS-approved learning accommodations, please feel free to speak with us at any point in the semester with any related concerns. It is always best if we can speak at least one week prior to the possible need for any added accessibility modifications, but we will happily work with you and SAS to ensure that your needs are reasonably met in a timely fashion.

## What if I am an active duty military student?

Students who are deployed active duty military and/or National Guard personnel and require accommodation should contact their instructors as soon as possible after the semester begins and/or after they receive notification of deployment to make related arrangements.

## What should I know about Campus Safety?

Emergencies on campus are rare, but if one should arise during class, everyone needs to work together. Students should be aware of their surroundings and familiar with some basic safety and security concepts.

- In case of an emergency, dial 911 for assistance.
- Every UCF classroom contains an emergency procedure guide posted on a wall near the door. Students should make a note of the guide's physical location and review the online version at [http://emergency.ucf.edu/emergency\\_guide.html](http://emergency.ucf.edu/emergency_guide.html) [Links to an external site.](#).
- Students should know the evacuation routes from each of their classrooms and have a plan for finding safety in case of an emergency.
- If there is a medical emergency during class, students may need to access a first-aid kit or AED (Automated External Defibrillator). To learn where those are located, see <http://www.ehs.ucf.edu/AEDlocations-UCF> [Links to an external site.](#) (click on link from menu on left).
- To stay informed about emergency situations, students can sign up to receive UCF text alerts by going to <https://my.ucf.edu> [Links to an external site.](#) and logging in. Click on "Student Self Service" located on the left side of the screen in the toolbar, scroll down to the blue "Personal Information" heading on the Student Center screen, click on "UCF Alert", fill out the information, including e-mail address, cell phone number, and cell phone provider, click "Apply" to save the changes, and then click "OK."
- Students with special needs related to emergency situations should speak with their instructors outside of class.

- To learn about how to manage an active-shooter situation on campus or elsewhere, consider viewing this video (<[You CAN Survive an Active Shooter \(Links to an external site.\)](#)

[external site.\)](#)

>).

#### **Catalog Description**

Human biological variation in an evolutionary perspective. Prerequisite(s)/Corequisite(s): None.

#### **Required Course Materials/Resources**

Larson, Clark Spencer. *Essentials of Biological Anthropology* ([Links to an external site.](#)), 4th Edition. Norton.

#### **Course Description**

This course introduces students to biological anthropology, one of the four traditional branches of anthropology. Biological anthropology utilizes many lines of evidence to holistically understand human evolution, primates, and the ancestors of these groups. The course is divided into two broad sections. The first explores biological anthropology in the present. This includes developing an understanding of biological evolution and genetics, as well as reviewing biological diversity among living populations of humans. We will also examine living primates during this section. The second section examines evidence related to ancestral groups, and includes examinations of the fossil record, early hominin origins, dispersal of modern peoples, and impacts related to the last 10,000 years of cultural and environmental change.

#### **Synchronous Teaching**

Because of the continued remote instruction requirement due to the COVID-19 pandemic, this course will use Zoom for synchronous (“real time”) class meetings. Meeting dates and times are listed in the Schedule of Courses and will be scheduled through [Webcourses@UCF](mailto:Webcourses@UCF). They should appear on your

calendar. Several assignments - such as exams - are scheduled on Thursdays. We do not meet on several of those days. Refer to the schedule below for more information.

I do not take attendance in my F2F courses, and will not be taking attendance in this course. The Zoom lectures will be recorded and made available to all students. It is up to each of you to determine how you will interact with this content. The synchronous lectures will include time for students to ask questions.

Please take the time to familiarize yourself with Zoom by visiting the [UCF Zoom Guides](https://cdl.ucf.edu/support/webcourses/zoom/) at <<https://cdl.ucf.edu/support/webcourses/zoom/>>. You may choose to use Zoom on your mobile device (phone or tablet).

Things to Know About Zoom:

- You must sign in to my Zoom session using your UCF NID and password.
- The Zoom sessions are recorded.
- Improper classroom behavior is not tolerated within Zoom sessions and may result in a referral to the Office of Student Conduct.
- You can contact [Webcourses@UCF Support](mailto:Webcourses@UCF.Support) at <<https://cdl.ucf.edu/support/webcourses/>> if you have any technical issues accessing Zoom.

## **GroupMe Policy**

GroupMe can be an excellent way to communicate with your fellow students. However, it is also often used to cheat in online courses. Students are allowed to use a GroupMe for this course on two conditions. First, the instructor is made aware of any GroupMe groups created for this course. Failure to do so will result in disciplinary action. Second, sharing answers via GroupMe will result in an automatic 0 for the assignment for ALL members of the GroupMe. DO NOT use GroupMe to share answers. UCF and I both monitor GroupMe.

## **Online Discusison Policy**

This course includes online discussions, some of which may cover topics that are sensitive or uncomfortable for some students. Students will treat one another with respect. DO NOT use slurs, derogatory speech, or inflammatory language, including offensive memes intended as a "joke." In general, avoid cursing and other potentially offensive words. If you are unsure of whether or not something you want to say is appropriate, contact the instructor ahead of time. The severity of any offense will determine the associated penalty. If students witness such behavior they should contact the instructor (or GTA) immediately. Disrespecting your fellow students, GTA, or instructor WILL NOT be tolerated.

## **Student Learning Objectives**

Upon successful completion of this course, each student will understand:

- how to think scientifically,

- the basics of evolutionary theory,
- how humans are related to primates and what this means,
- human and primate evolution,
- why humans are biocultural organisms,
- the complexities of modern biological human variation as it relates to cultural and scientific principles.

## **UCF Integrative General Education Goals**

This course fulfills requirements related to General Education courses at the University of Central Florida. This course contains material related to common human themes related to cultural and historical knowledge, regarding the application of scientific knowledge, and support well-informed citizens who can relate science to significant social problems and other related disciplines. Assignments include transparent statements connecting work to these goals.

## **Grading**

Grades will be determined from four exams, and a series of graded assignments (e.g., video responses, labs). Students are expected to complete assigned readings prior to class. Make-up exams and assignments are typically granted only if arranged prior to the assignment's original date as listed in this syllabus. Exceptions to this rule are allowed when accompanied by appropriate documentation (i.e. doctor's note).

Your grades will come from:

Four Exams:	80 possible points (20 points each)
Two Film Responses:	10 possible points (5 points each)
Seven Lab Activities:	10 possible points (variable points per assignment)

Total possible points 100 (each point earned = 1% point)

## **Breakdown of Grading**

Four Exams: Exams will consist of multiple choice, T/F, and short answer questions. Each exam is worth 20 points. Students will have 90 minutes to complete exams. Exams are administered via WebCourses and will be available for 24 hours. Questions are drawn from lectures and readings. There is NO cumulative final exam. We will not hold class on the days exams take place, allowing students to use class time to complete each exam. I DO NOT provide study guides for exams.

[Total Points: 80]

Two Video Responses: Students will watch videos available through one of UCF's streaming video sites (e.g., Alexander Street). Students will be provided with a list of questions to answer while watching the video, and an online quiz will assess these answers. Quizzes are available between Monday and Friday the week they are due.

[Total Points: 10]

Seven Lab Activities: Some of these labs are simple responses requiring students to think about a topic and provide a written response. Other labs provide an more 'hands-on' activity using interactive online content to answer questions. Points for each lab are weighted depending on complexity. Labs are Evolution is a Fact and a Theory (1 points); Hardy-Weinberg Equilibrium (1 points); Defining Primate Characteristics (1 points); Why Are There Still Monkeys (1 points); 3D Hominins Lab (4 points); What Is This Artifact (1 points); and The Future of Us (1 points).

[Total Points: 10]

Total Possible Points: 100

## **Course Grading Scale**

Students will have access to the WebCourses Gradebook. Students are responsible for keeping up with their own grades. To determine your current grade, divide the points earned (your grades) by the total available points and multiply the result by 100. This provides your percentage grade. For instance, if you have earned 45 out of 50 possible points,  $45/50 = .9 \times 100 = 90\%$ . I DO NOT assign C- or D- grades. I DO assign A- and B- grades.

A = 94-100      A- = 90-93.9

B+ = 87-89.9    B = 84-86.9      B- = 80-83.9

C+ = 77-79.9    C = 70-76.9

D+ = 67-69.9    D = 60-66.9

F = 59.9 and below

## **Extra Credit Opportunities**

I offer one extra credit opportunity. This is a syllabus quiz and serves as the confirmation of academic activity. It allows you to receive financial aid and is initially due the first Friday of the semester. The due date will then be adjusted allowing students to take the quiz an unlimited number of times throughout the semester. The final due date will be the last day of class. This adjustment allows students to receive full (extra) credit. It is worth 2 points, or 2% of your overall grade.

## **Late Video Response and/or Lab Policy**

Video Responses and Labs cannot be made up as they are available for several days. It is the responsibility of students to make sure they have adequate internet connectivity and computer resources to complete online assignments. If you lose connectivity or power, you must either (1) return to the assignment as soon as connectivity is restored and complete it, or (2) reach out to WebCourses and have them document your version of events. Failure to do one of these will prohibit students from receiving credit. Students who fail to participate will be allowed to turn in a 2-page essay discussing the assignment's topic assuming they provide appropriate documentation explaining why they did not complete the assigned during its original time. Appropriate documentation includes official UCF correspondence, doctor's notes, or similar information. Photographs of wrecked cars, hospital interiors, work schedules, and so forth are not appropriate documentation. DO NOT send them, I WILL NOT look at them.

## **Late Exam Policy**

Exams are administered via WebCourses. It is the responsibility of students to make sure they have adequate internet connectivity and computer resources to complete online assignments. If you lose connectivity or power, you must either (1) return to the exam as soon as connectivity is restored and complete the exam, or (2) reach out to WebCourses and have them document your version of events. Failure to do one of these will prohibit students from receiving credit.

If a student fails to contact the instructor before a due date or provide documentation, they have 1 week to make-up exams. This is automatically set up in WebCourses. The late penalty for exams is -5% per day. To avoid this penalty either turn in work on time, contact the instructor ahead of time, or have appropriate documentation excusing the original absence. The only exception is the last exam (during finals week), there are no make-ups/late exams during finals.

Appropriate documentation includes official UCF correspondence, doctor's notes, or similar information. Photographs of wrecked cars, hospital interiors, work schedules, and so forth are not appropriate documentation. DO NOT send them, I WILL NOT look at them.

## **Contacting the Instructor**

Students will use WebCourses Mail for all course-related communications with the instructor. This is accessed via the "Inbox" icon on the left side of WebCourses pages. Allow up to two days (48 hours) for a response. I typically do not respond on weekends. Students should take care in composing messages. It only takes a moment and demonstrates that you care about the course. Below are some pointers on what **NOT** to do.

## **Contacting the Instructor Concerning Your Grade(s)**

Students are encouraged to wait 24 hours before contacting the instructor and/or GTAs about grades, especially on exams. Why? If you are unhappy with a grade, waiting 24 hours will allow you to calmly discuss your concerns. DO NOT contact the instructor to ask for additional extra credit, free points, or to round up your grade.

## **Addressing Me**

I prefer to be addressed as Dr. GT. Why? It is easier for you to say. If you insist on incorrectly addressing me (Mr. Gonzalez, Dr. Tennant, etc.), I may deduct points. Would you forget your boss' name, or a co-worker's name? This as a real-world lesson.

- Unauthorized assistance: Using or attempting to use unauthorized materials, information or study aids in any academic exercise unless specifically authorized by the instructor of record. The unauthorized possession of examination or course-related material also constitutes cheating.
- Communication to another through written, visual, electronic, or oral means: The presentation of material which has not been studied or learned, but rather was obtained through someone else's efforts and used as part of an examination, course assignment, or project.

## Responses to Academic Dishonesty, Plagiarism, or Cheating

I adhere to the highest standards of academic integrity, so please do not ask me to change (or expect me to change) your grade illegitimately or to bend or break rules for one person that do not apply to everyone. Students should also familiarize themselves with the procedures for academic misconduct in UCF's student handbook, [The Golden Rule. Links to an external site.](#) UCF faculty members have a responsibility for students' education and the value of a UCF degree, and so seek to prevent unethical behavior and when necessary respond to academic misconduct. Penalties can include a failing grade in an assignment or in the course, suspension or expulsion from the university, and/or a "Z Designation" on a student's official transcript indicating academic dishonesty, where the final grade for this course will be preceded by the letter Z. For more information about the Z Designation, see <http://goldenrule.sdes.ucf.edu/zgrade>[Links to an external site.](#).

## Course Accessibility Statement

The University of Central Florida is committed to providing access and inclusion for all persons with disabilities. Students with disabilities who need disability-related access in this course should contact the professor as soon as possible. Students should also connect with [Student Accessibility Services](#)[Links to an external site.](#) (Ferrell Commons 185, [sas@ucf.edu](mailto:sas@ucf.edu), phone (407) 823-2371). Through Student Accessibility Services, a Course Accessibility Letter may be created and sent to professors, which informs faculty of potential access and accommodations that might be reasonable. Determining reasonable access and accommodations requires consideration of the course design, course learning objectives and the individual academic and course barriers experienced by the student.

## Campus Safety Statement

Emergencies on campus are rare, but if one should arise in our class, everyone needs to work together. Students should be aware of the surroundings and familiar with some basic safety and security concepts.

- In case of an emergency, dial 911 for assistance.
- Every UCF classroom contains an emergency procedure guide posted on a wall near the door. Please make a note of the guide's physical location and consider reviewing the online version at [http://emergency.ucf.edu/emergency\\_guide.html](http://emergency.ucf.edu/emergency_guide.html)[Links to an external site.](#).
- Students should know the evacuation routes from each of their classrooms and have a plan for finding safety in case of an emergency.
- If there is a medical emergency during class, we may need to access a first aid kit or AED (Automated External Defibrillator). To learn where those items are located in this building, see <http://www.ehs.ucf.edu/workplacesafety.html>[Links to an external site.](#) (click on link from menu on left).

- To stay informed about emergency situations, sign up to receive UCF text alerts by going to [my.ucf.edu](https://my.ucf.edu)[Links to an external site.](#) and logging in. Click on "Student Self Service" located on the left side of the screen in the tool bar, scroll down to the blue "Personal Information" heading on your Student Center screen, click on "UCF Alert," fill out the information, including your e-mail address, cell phone number, and cell phone provider, click "Apply" to save the changes, and then click "OK."
- Students with special needs related to emergency situations should speak with their instructors outside of class.
- To learn about how to manage an active-shooter situation on campus or elsewhere, consider viewing this video. [You CAN Survive an Active Shooter \(Links to an external site.\)](#)

## **Deployed Active Duty Military Students**

If you are a deployed active duty military student and feel that you may need a special accommodation due to that unique status, please contact your instructor to discuss your circumstances.

## **Copyright**

This course may contain copyright protected materials such as audio or video clips, images, text materials, etc. These items are being used with regard to the Fair Use doctrine in order to enhance the learning environment. ## **Third-Party Software and FERPA**

During this course you might have the opportunity to use public online services and/or software applications sometimes called third-party software such as a blog or wiki. While some of these could be required assignments, you need not make any personally identifying information on a public site. Do not post or provide any private information about yourself or your classmates. Where appropriate you may use a pseudonym or nickname. Some written assignments posted publicly may require personal reflection/comments, but the assignments will not require you to disclose any personally identity-sensitive information. If you have any concerns about this, please contact your instructor.

## **Required Statement Regarding COVID-19**

### **University-Wide Face Covering Policy for Common Spaces and Face-to-Face Class**

To protect members of our community, everyone is required to wear a facial covering inside all common spaces including classrooms

(<https://policies.ucf.edu/documents/PolicyEmergencyCOVIDReturnPolicy.pdf>[Links to an external site.](#). Students who choose not to wear facial coverings will be asked to leave the classroom by the instructor. If they refuse to leave the classroom or put on a facial covering, they may be considered disruptive (please see the [Golden Rule](#)[Links to an external site.](#) for student behavior expectations). Faculty have the right to cancel class if the safety and well-being of class members are in jeopardy. Students will be responsible for the material that would have been covered in class as provided by the instructor.

### **Notifications in Case of Changes to Course Modality**

Depending on the course of the pandemic during the semester, the university may make changes to the way classes are offered. If that happens, please look for announcements or messages in Webcourses@UCF or Knights email about changes specific to this course.

### **COVID-19 and Illness Notification**

Students who believe they may have a COVID-19 diagnosis should contact UCF Student Health Services (407-823-2509) so proper contact tracing procedures can take place.

Students should not come to campus if they are ill, are experiencing any symptoms of COVID-19, have tested positive for COVID, or if anyone living in their residence has tested positive or is sick with COVID-19 symptoms. CDC guidance for COVID-19 symptoms is located here:

(<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html> ([Links to an external site.](#)))

Students should contact their instructor(s) as soon as possible if they miss class for any illness reason to discuss reasonable adjustments that might need to be made. When possible, students should contact their instructor(s) before missing class.

### **In Case of Faculty Illness**

If the instructor falls ill during the semester, there may be changes to this course, including having a backup instructor take over the course. Please look for announcements or mail in Webcourses@UCF or Knights email for any alterations to this course.

### **Course Accessibility and Disability COVID-19 Supplemental Statement**

Accommodations may need to be added or adjusted should this course shift from an on-campus to a remote format. Students with disabilities should speak with their instructor and should contact [sas@ucf.edu](mailto:sas@ucf.edu) to discuss specific accommodations for this or other courses.

### **Catalog Description**

Human biological variation in an evolutionary perspective. Prerequisite(s)/Corequisite(s): None.

### **Required Course Materials/Resources**

Larson, Clark Spencer. *Essentials of Biological Anthropology* ([Links to an external site.](#)), 4th Edition. Norton.

### **Course Description**

This course introduces students to biological anthropology, one of the four traditional branches of anthropology. Biological anthropology utilizes many lines of evidence to holistically understand human evolution, primates, and the ancestors of these groups. The course is divided into two broad sections. The first explores biological anthropology in the present. This includes developing an understanding of biological evolution and genetics, as well as reviewing biological diversity among living populations of humans. We will also examine living primates during this section. The second section examines evidence related to ancestral groups, and includes examinations of the fossil record, early hominin origins, dispersal of modern peoples, and impacts related to the last 10,000 years of cultural and environmental change.

### **Synchronous Teaching**

Because of the continued remote instruction requirement due to the COVID-19 pandemic, this course will use Zoom for synchronous (“real time”) class meetings. Meeting dates and times are listed in the Schedule of Courses and will be scheduled through [Webcourses@UCF](mailto:Webcourses@UCF). They should appear on your

calendar. Several assignments - such as exams - are scheduled on Thursdays. We do not meet on several of those days. Refer to the schedule below for more information.

I do not take attendance in my F2F courses, and will not be taking attendance in this course. The Zoom lectures will be recorded and made available to all students. It is up to each of you to determine how you will interact with this content. The synchronous lectures will include time for students to ask questions.

Please take the time to familiarize yourself with Zoom by visiting the [UCF Zoom Guides](https://cdl.ucf.edu/support/webcourses/zoom/) at <<https://cdl.ucf.edu/support/webcourses/zoom/>>. You may choose to use Zoom on your mobile device (phone or tablet).

Things to Know About Zoom:

- You must sign in to my Zoom session using your UCF NID and password.
- The Zoom sessions are recorded.
- Improper classroom behavior is not tolerated within Zoom sessions and may result in a referral to the Office of Student Conduct.
- You can contact [Webcourses@UCF Support](mailto:Webcourses@UCF.Support) at <<https://cdl.ucf.edu/support/webcourses/>> if you have any technical issues accessing Zoom.

## **GroupMe Policy**

GroupMe can be an excellent way to communicate with your fellow students. However, it is also often used to cheat in online courses. Students are allowed to use a GroupMe for this course on two conditions. First, the instructor is made aware of any GroupMe groups created for this course. Failure to do so will result in disciplinary action. Second, sharing answers via GroupMe will result in an automatic 0 for the assignment for ALL members of the GroupMe. DO NOT use GroupMe to share answers. UCF and I both monitor GroupMe.

## **Online Discusison Policy**

This course includes online discussions, some of which may cover topics that are sensitive or uncomfortable for some students. Students will treat one another with respect. DO NOT use slurs, derogatory speech, or inflammatory language, including offensive memes intended as a "joke." In general, avoid cursing and other potentially offensive words. If you are unsure of whether or not something you want to say is appropriate, contact the instructor ahead of time. The severity of any offense will determine the associated penalty. If students witness such behavior they should contact the instructor (or GTA) immediately. Disrespecting your fellow students, GTA, or instructor WILL NOT be tolerated.

## **Student Learning Objectives**

Upon successful completion of this course, each student will understand:

- how to think scientifically,

- the basics of evolutionary theory,
- how humans are related to primates and what this means,
- human and primate evolution,
- why humans are biocultural organisms,
- the complexities of modern biological human variation as it relates to cultural and scientific principles.

## **UCF Integrative General Education Goals**

This course fulfills requirements related to General Education courses at the University of Central Florida. This course contains material related to common human themes related to cultural and historical knowledge, regarding the application of scientific knowledge, and support well-informed citizens who can relate science to significant social problems and other related disciplines. Assignments include transparent statements connecting work to these goals.

## **Grading**

Grades will be determined from four exams, and a series of graded assignments (e.g., video responses, labs). Students are expected to complete assigned readings prior to class. Make-up exams and assignments are typically granted only if arranged prior to the assignment's original date as listed in this syllabus. Exceptions to this rule are allowed when accompanied by appropriate documentation (i.e. doctor's note).

Your grades will come from:

Four Exams:	80 possible points (20 points each)
Two Film Responses:	10 possible points (5 points each)
Seven Lab Activities:	10 possible points (variable points per assignment)

Total possible points 100 (each point earned = 1% point)

## **Breakdown of Grading**

Four Exams: Exams will consist of multiple choice, T/F, and short answer questions. Each exam is worth 20 points. Students will have 90 minutes to complete exams. Exams are administered via WebCourses and will be available for 24 hours. Questions are drawn from lectures and readings. There is NO cumulative final exam. We will not hold class on the days exams take place, allowing students to use class time to complete each exam. I DO NOT provide study guides for exams.

[Total Points: 80]

Two Video Responses: Students will watch videos available through one of UCF's streaming video sites (e.g., Alexander Street). Students will be provided with a list of questions to answer while watching the video, and an online quiz will assess these answers. Quizzes are available between Monday and Friday the week they are due.

[Total Points: 10]

Seven Lab Activities: Some of these labs are simple responses requiring students to think about a topic and provide a written response. Other labs provide an more 'hands-on' activity using interactive online content to answer questions. Points for each lab are weighted depending on complexity. Labs are Evolution is a Fact and a Theory (1 points); Hardy-Weinberg Equilibrium (1 points); Defining Primate Characteristics (1 points); Why Are There Still Monkeys (1 points); 3D Hominins Lab (4 points); What Is This Artifact (1 points); and The Future of Us (1 points).

[Total Points: 10]

Total Possible Points: 100

## **Course Grading Scale**

Students will have access to the WebCourses Gradebook. Students are responsible for keeping up with their own grades. To determine your current grade, divide the points earned (your grades) by the total available points and multiply the result by 100. This provides your percentage grade. For instance, if you have earned 45 out of 50 possible points,  $45/50 = .9 \times 100 = 90\%$ . I DO NOT assign C- or D- grades. I DO assign A- and B- grades.

A = 94-100      A- = 90-93.9

B+ = 87-89.9    B = 84-86.9      B- = 80-83.9

C+ = 77-79.9    C = 70-76.9

D+ = 67-69.9    D = 60-66.9

F = 59.9 and below

## **Extra Credit Opportunities**

I offer one extra credit opportunity. This is a syllabus quiz and serves as the confirmation of academic activity. It allows you to receive financial aid and is initially due the first Friday of the semester. The due date will then be adjusted allowing students to take the quiz an unlimited number of times throughout the semester. The final due date will be the last day of class. This adjustment allows students to receive full (extra) credit. It is worth 2 points, or 2% of your overall grade.

## **Late Video Response and/or Lab Policy**

Video Responses and Labs cannot be made up as they are available for several days. It is the responsibility of students to make sure they have adequate internet connectivity and computer resources to complete online assignments. If you lose connectivity or power, you must either (1) return to the assignment as soon as connectivity is restored and complete it, or (2) reach out to WebCourses and have them document your version of events. Failure to do one of these will prohibit students from receiving credit. Students who fail to participate will be allowed to turn in a 2-page essay discussing the assignment's topic assuming they provide appropriate documentation explaining why they did not complete the assigned during its original time. Appropriate documentation includes official UCF correspondence, doctor's notes, or similar information. Photographs of wrecked cars, hospital interiors, work schedules, and so forth are not appropriate documentation. DO NOT send them, I WILL NOT look at them.

## **Late Exam Policy**

Exams are administered via WebCourses. It is the responsibility of students to make sure they have adequate internet connectivity and computer resources to complete online assignments. If you lose connectivity or power, you must either (1) return to the exam as soon as connectivity is restored and complete the exam, or (2) reach out to WebCourses and have them document your version of events. Failure to do one of these will prohibit students from receiving credit.

If a student fails to contact the instructor before a due date or provide documentation, they have 1 week to make-up exams. This is automatically set up in WebCourses. The late penalty for exams is -5% per day. To avoid this penalty either turn in work on time, contact the instructor ahead of time, or have appropriate documentation excusing the original absence. The only exception is the last exam (during finals week), there are no make-ups/late exams during finals.

Appropriate documentation includes official UCF correspondence, doctor's notes, or similar information. Photographs of wrecked cars, hospital interiors, work schedules, and so forth are not appropriate documentation. DO NOT send them, I WILL NOT look at them.

## **Contacting the Instructor**

Students will use WebCourses Mail for all course-related communications with the instructor. This is accessed via the "Inbox" icon on the left side of WebCourses pages. Allow up to two days (48 hours) for a response. I typically do not respond on weekends. Students should take care in composing messages. It only takes a moment and demonstrates that you care about the course. Below are some pointers on what **NOT** to do.

## **Contacting the Instructor Concerning Your Grade(s)**

Students are encouraged to wait 24 hours before contacting the instructor and/or GTAs about grades, especially on exams. Why? If you are unhappy with a grade, waiting 24 hours will allow you to calmly discuss your concerns. DO NOT contact the instructor to ask for additional extra credit, free points, or to round up your grade.

Links to an external site.](#) UCF faculty members have a responsibility for students' education and the value of a UCF degree, and so seek to prevent unethical behavior and when necessary respond to academic misconduct. Penalties can include a failing grade in an assignment or in the course, suspension or expulsion from the university, and/or a "Z Designation" on a student's official transcript indicating academic dishonesty, where the final grade for this course will be preceded by the letter Z. For more information about the Z Designation, see <http://goldenrule.sdes.ucf.edu/zgrade>[Links to an external site.](#).

## Course Accessibility Statement

The University of Central Florida is committed to providing access and inclusion for all persons with disabilities. Students with disabilities who need disability-related access in this course should contact the professor as soon as possible. Students should also connect with [Student Accessibility Services](#)[Links to an external site.](#) (Ferrell Commons 185, [sas@ucf.edu](mailto:sas@ucf.edu), phone (407) 823-2371). Through Student Accessibility Services, a Course Accessibility Letter may be created and sent to professors, which informs faculty of potential access and accommodations that might be reasonable. Determining reasonable access and accommodations requires consideration of the course design, course learning objectives and the individual academic and course barriers experienced by the student.

## Campus Safety Statement

Emergencies on campus are rare, but if one should arise in our class, everyone needs to work together. Students should be aware of the surroundings and familiar with some basic safety and security concepts.

- In case of an emergency, dial 911 for assistance.
- Every UCF classroom contains an emergency procedure guide posted on a wall near the door. Please make a note of the guide's physical location and consider reviewing the online version at [http://emergency.ucf.edu/emergency\\_guide.html](http://emergency.ucf.edu/emergency_guide.html)[Links to an external site.](#).
- Students should know the evacuation routes from each of their classrooms and have a plan for finding safety in case of an emergency.
- If there is a medical emergency during class, we may need to access a first aid kit or AED (Automated External Defibrillator). To learn where those items are located in this building, see <http://www.ehs.ucf.edu/workplacesafety.html>[Links to an external site.](#) (click on link from menu on left).

- To stay informed about emergency situations, sign up to receive UCF text alerts by going to [my.ucf.edu](https://my.ucf.edu)[Links to an external site.](#) and logging in. Click on "Student Self Service" located on the left side of the screen in the tool bar, scroll down to the blue "Personal Information" heading on your Student Center screen, click on "UCF Alert," fill out the information, including your e-mail address, cell phone number, and cell phone provider, click "Apply" to save the changes, and then click "OK."
- Students with special needs related to emergency situations should speak with their instructors outside of class.
- To learn about how to manage an active-shooter situation on campus or elsewhere, consider viewing this video. [You CAN Survive an Active Shooter \(Links to an external site.\)](#)

## **Deployed Active Duty Military Students**

If you are a deployed active duty military student and feel that you may need a special accommodation due to that unique status, please contact your instructor to discuss your circumstances.

## **Copyright**

This course may contain copyright protected materials such as audio or video clips, images, text materials, etc. These items are being used with regard to the Fair Use doctrine in order to enhance the learning environment. Please do not copy, duplicate, download or distribute these items. The use of these materials is strictly reserved for this online classroom environment and your use only. All copyright materials are credited to the copyright holder.

## **Third-Party Software and FERPA**

During this course you might have the opportunity to use public online services and/or software applications sometimes called third-party software such as a blog or wiki. While some of these could be required assignments, you need not make any personally identifying information on a public site. Do not post or provide any private information about yourself or your classmates. Where appropriate you may use a pseudonym or nickname. Some written assignments posted publicly may require personal reflection/comments, but the assignments will not require you to disclose any personally identity-sensitive information. If you have any concerns about this, please contact your instructor.

## **Required Statement Regarding COVID-19**

### **University-Wide Face Covering Policy for Common Spaces and Face-to-Face Class**

To protect members of our community, everyone is required to wear a facial covering inside all common spaces including classrooms

(<https://policies.ucf.edu/documents/PolicyEmergencyCOVIDReturnPolicy.pdf>[Links to an external site.](#).) Students who choose not to wear facial coverings will be asked to leave the classroom by the instructor. If they refuse to leave the classroom or put on a facial covering, they may be considered disruptive (please see the [Golden Rule](#)[Links to an external site.](#) for student behavior expectations). Faculty have the right to cancel class if the safety and well-being of class members are in jeopardy. Students will be responsible for the material that would have been covered in class as provided by the instructor.

### **Notifications in Case of Changes to Course Modality**

Depending on the course of the pandemic during the semester, the university may make changes to the way classes are offered. If that happens, please look for announcements or messages in Webcourses@UCF or Knights email about changes specific to this course.

### **COVID-19 and Illness Notification**

Students who believe they may have a COVID-19 diagnosis should contact UCF Student Health Services (407-823-2509) so proper contact tracing procedures can take place.

Students should not come to campus if they are ill, are experiencing any symptoms of COVID-19, have tested positive for COVID, or if anyone living in their residence has tested positive or is sick with COVID-19 symptoms. CDC guidance for COVID-19 symptoms is located here:

(<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html> ([Links to an external site.](#)))

Students should contact their instructor(s) as soon as possible if they miss class for any illness reason to discuss reasonable adjustments that might need to be made. When possible, students should contact their instructor(s) before missing class.

### **In Case of Faculty Illness**

If the instructor falls ill during the semester, there may be changes to this course, including having a backup instructor take over the course. Please look for announcements or mail in Webcourses@UCF or Knights email for any alterations to this course.

### **Course Accessibility and Disability COVID-19 Supplemental Statement**

Accommodations may need to be added or adjusted should this course shift from an on-campus to a remote format. Students with disabilities should speak with their instructor and should contact [sas@ucf.edu](mailto:sas@ucf.edu) to discuss specific accommodations for this or other courses.

## Course Description and Scope

The focus of this course is a general overview of biological or physical anthropology. We will be using many lines of evidence to form a holistic picture of human evolution. In the first section of the course we will examine the processes of evolution and other important background concepts. During the second section we will examine our non-human primate relatives to see what they can tell us about ourselves as humans. Finally, in the last section we will study the human fossil and archaeological records, and the spectrum of variation found in modern humanity.

\*\*\*Please note that this class deals heavily with human evolution and evolutionary theory. **This is not a debate class!!** This class accepts the overwhelming scientific evidence that supports evolutionary theory. I completely respect all religious beliefs and/or personal perspectives; however, the course content will not be altered. There will be no special accommodations given based on any personal beliefs. This is what the class is about! If you take issue with the course content, I urge you to drop this class and take another GEP Science Foundation course. Or stick around, you could find it interesting!

**Course Catalog Description:** Human biological variation in an evolutionary perspective.

## Course Objectives

Upon completion of this course you will be able to determine or have the skills to:

- identify and explain the major objectives, methods, and concepts (including names, places, scientific terms) of physical anthropology
- understand the place of humans within the Order Primates, and our relationship to modern living primates
- place the major events and trends in hominoid evolution in their chronological and geographical contexts
- describe several different phylogenetic hypotheses of human evolution
- understand human variation and what makes us different
- describe the fundamental elements that make us human

## **Required Text:**

**Title:** *Essentials of Biological Anthropology*, 4th Edition By Clark Spencer Larsen

**Publisher:** Norton

**Year:** 2018 ISBN: 978-0393667431

**NO ACCESS CODE IS NECESSARY. YOU ONLY NEED TO PURCHASE THE TEXT.**

**Please Note:** It is important that you have the 4th edition of this text, as all quizzes and assignments are based on this new edition.

## **Required Tools**

1. A functioning computer or tablet with access to internet and websites (phones are not recommended)
2. Adobe reader (or another tool that makes pdf's accessible and able to be read)
3. Headphones (if working in a public space so that video clips may be watched)
4. Access to Microsoft word (You can download FOR FREE from UCF Apps: <https://it.ucf.edu/ucf-apps/> [\(https://it.ucf.edu/ucf-apps/\)](https://it.ucf.edu/ucf-apps/).)

## Course Requirements:

This course begins on August 24, 2020 and ends on December 11, 2020. **This course is a self-paced course, so you may go as fast as you like as long as you finish by required deadlines (modules are grouped together and due on specific dates throughout the course (see schedule below)). This is to promote scaffolded learning; essentially, so you build your knowledge instead of cramming it in at the last moment at the end of the semester.** There will also be a deadline for the last modules (once again, to curb students from handing in everything at the last moment). Please note the module closing dates below (all Modules close at 11:59PM on their respective due date)... **I will not, under any circumstances, open a module for students because they missed the closing date.** This is something that all students are advised of since the beginning of the course. **You will only be able to advance to the next module once you have completed all the requirements for the preceding module.** You begin the course by clicking on the “modules” button on the main page. Each individual module, as well as the getting started module, is available from this page.

**You must first achieve a perfect score of "10" on the Getting Started Quiz in the Getting Started Module before you will have access to Module 1. You have unlimited attempts at this quiz only, allowing you the opportunity to earn the 10.**

It is your responsibility to check on your grades. Automatically graded quizzes should be available immediately after you submit them. If you check your grades and your quiz has not been graded please email me and I will manually grade it.

## GEP Quizzes

You will find access to **GEP quizzes** in your personal webcourses main menu. The GEP pre- and post- tests are used by the university and our department to determine the knowledge you acquired during the semester. They will **NOT** count against you. Please take them **WITHOUT** your book! The GEP pretest will be open for you to take during the first 2 weeks of class. The posttest will be available the last 2 weeks of class. Again, the scores you earn on the GEP pretest and posttest are NOT included in your total points.

### **Pre-test**

Opening: August 24 at 12:01am

Closing: September 4 at 11:59pm

### **Post-test**

Opening: November 23 at 12:01am

Closing: December 4 at 11:59pm

## **Timed Assignments: Mini-Quizzes, Quiz-graded Assignments, and Exams:**

You will encounter timed work in this class. **Once a timed assignment, mini-quiz, or exam is opened, it is your ONLY chance to complete the quiz** – there is no second chance! Note that once you click "Take the Quiz", the countdown clock begins and will continue running til time is up (even if you navigate away from the page). Any timed assignment problems that are the result of you waiting until the last minute to take the timed assignment will result in a "0" for the quiz. Also, you will receive a "0" for any assignment that is not completed by the time the module is closed such as discussions, internet assignments, and exercises.

## **Participation Activities:**

You are also going to encounter non-timed assignments, called Participation Activities. These are very small discussions or document uploads, worth 5 points a piece. They are meant to be a participation "check-in" to engage you with course material, while not being overly taxing!

## **Grading Scheme**

Final grades in this class are weighted (see below)

<b><u>Assignment Group</u></b>	<b><u>Percentage of your Final Grade</u></b>
Exams	50%
Mini-Quizzes and Realizeit Exam Reviews	15%
Participation and Quiz- graded assignments	35%

**How do I calculate my weighted grade?** Well, webcourses does it for you. However, if you would like to understand how it works, here's an example. In this class we have three assignment groups (A, B, and C) weighted at 50%, 15%, and 35%, respectively. The total score equation for a course with three assignment groups would be (percentage A x weight A) + (percentage B x weight B) + (percentage C x weight C) = final course percentage. If a student scores 85% in Group A, 90% in Group B, and 80% in Group C, the final score would be calculated as  $(.85 \times .5) + (.90 \times .15) + (.80 \times .35) = .84$ , or 84%.

The +/- system will be used in this course. These percentages correspond to the following letter grades

Letter Grade	Percentage
A	94-100%
A-	90-93%
B+	87-89%
B	83-86%
B-	80-82%
C+	77-79%
C	69.5-76%
D+	67-69%
D	63-66%
D-	60-62%
F	<59

Under no exception will I make individual allowances for anyone in this course in terms of grading. Since you have the whole term to complete the course at your own pace, I will not allow anyone to make up missed assignments at the end of the course - do not wait until the last minute complete assignments. In addition, I will not curve anyone's final grade nor will I provide extra credit for anyone that is unhappy with their final course grade. Please do not ask! (I do round up scores, anything .5 or higher. For example, a percentage of 89.5 would be rounded to a 90)

## **Personal Adaptive Learning Reviews**

In this class, Exam Reviews are presented in a system called **Realizeit**. Exam Reviews are given immediately prior to exam deadlines and are a great way to practice and study for exams; they are also worth up to 5 points each. The system will "Determine Your Knowledge" then highlight the areas in which you need more review and practice. For more information, please see the "[Getting Started with Personalized Adaptive Learning \(https://webcourses.ucf.edu/courses/1357662/pages/getting-started-with-personalized-adaptive-learning\)](https://webcourses.ucf.edu/courses/1357662/pages/getting-started-with-personalized-adaptive-learning)" page in the Getting Started Module.

## **Reviewing Quiz/Assignment Questions:**

I am happy to address any questions you have concerning a grade. But please know you have up to 1 week after the closing of a quiz to bring up these questions or discrepancies concerning your score. After 1 week, I will no longer address these concerns. This is to prevent students from waiting until they see their final grade to address any issues in an effort to get their score bumped up. Please be sure to review your grade as soon as you submit and be sure to bring up any questions to me immediately!

## **Important Dates and Information**

Add class deadline Friday, August 28 ; Drop class deadline: Friday, August 28

Withdrawal deadline for this course: Friday, October 30

Final course closing date: Friday, December 11

## **First Assignment and Your Financial Aid**

As of Fall 2014, all faculty members are required to document students' academic activity at the beginning of each course. In order to document that you began this course, please complete the Getting Started Quiz by the end of the first week of classes, or as soon as possible after adding the course, but no later than **August 28**. Failure to do so will result in a delay in the disbursement of your financial aid.

## **Make-ups/Excuses:**

There are NO make-ups in this course. As each set of modules close approximately every two to three weeks, you are provided plenty of time to complete modules prior to the deadline. However, I do understand there are circumstances that can interrupt your ability to finish modules on time. Some of these valid excuses include a death in the family, family emergency, or you were recently personally injured or ill not COVID-related (within the week of the deadline). Documentation (for example, doctor's note WITH DATES AND CONTACT INFORMATION or an obituary) of these incidences MUST be provided within 5 days after the module closing in order for a make-up to be considered. \*\*\* A broken computer is NOT a valid excuse. The professor maintains the right to refuse a make-up.

Additionally, a written email or note from a parent, friend, or employer does NOT count as a valid excuse.

**\*\*If an error occurs while taking a quiz, or while attempting to upload a document, you MUST take a screen shot or video of your computer desktop which shows the error. IMPORTANT:**

**Your screen shot must include proof of time/date. Without the date and time there is no way to prove that your issue occurred prior to the deadline.**

## **COVID-19 and Illness Notification**

Students who believe they may have a COVID-19 diagnosis should contact UCF Student Health Services (407-823-2509) so proper contact tracing procedures can take place. Students should not come to campus if they are ill, are experiencing any symptoms of COVID-19, have tested positive for COVID, or if anyone living in their residence has tested positive or is sick with COVID-19 symptoms. CDC guidance for COVID-19 symptoms is located here: (<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html> [\\_ \(https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html\)\\_](https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html))

Students should contact their instructor(s) as soon as possible if they miss class for due to COVID-19 illness reason to discuss reasonable adjustments that might need to be made (documentation will be required). When possible, students should contact their instructor(s) before missing class.

## **In case of Faculty Illness**

If the instructor falls ill during the semester, there may be changes to this course, including having a backup instructor take over the course. Please look for announcements or mail in [Webcourses@UCF](mailto:Webcourses@UCF) or Knights email for any alterations to this course.

## **Discussion Board Appropriateness:**

The discussion board is to be used by students to discuss topics concerning our class. Feel free to discuss topics covered in the class, articles you may have found online. As stated in the golden rule, please do not share or discuss specific quiz/exam answers or answers to assignments. Additionally, please do not use the discussion board to launch personal attacks against myself or fellow students. If there is an issue, please do not hesitate to contact me privately. I am happy to help in any way I can.

## **Student Non-solicitation**

Students have the right to privacy and non-solicitation in an online environment. Thus, students are NOT permitted to send out mass emails to the entire class via inbox or [knights.ucf.edu](mailto:knights.ucf.edu) without explicit permission from the professor. If a student wants to bring up a subject to the class, the student must use the [Discussions \(https://webcourses.ucf.edu/courses/1357662/discussion\\_topics\)](https://webcourses.ucf.edu/courses/1357662/discussion_topics) board and select the appropriate discussion thread for conversing. I have provided an area under

Discussions for students to message and contact each other. I will not tolerate students harassing, spamming, or inciting each other when discussions can be handled and monitored in one location via the Discussions tab. If you are being spammed or bullied by a fellow student, please report to me and I will handle the issue. The Office of Student Conduct may be used if a solution cannot be found.

\*\*\*This applies to mass emails, you are obviously more than welcome to email individual friends in the class

## **Email Appropriateness:**

Please address emails in a formal matter. Emails are the only correspondence I have with you, therefore, they are the only impression I get of your character. Sometimes emails that are blunt can come off as rude.

## **GroupMe**

GroupMe is meant to be used for simple class discussions. If a student wishes to create a GroupMe concerning this class, they are required to post the link publicly (via the Discussion tab) so that all students and the TA have the opportunity to join. If I learn that a class GroupMe was created without my knowledge, I will assume it was made with the intent to share answers.

If you join a GroupMe, or any other group messaging platform, and notice any instances of answer sharing, cheating, or students asking for answers, please report it immediately (regardless of what class you are in!). You will not get in trouble for reporting! Furthermore, if you receive an email or private message about joining a GroupMe that does not include me or the TAs, please report it to me; again, you will remain anonymous.

Please know if you are found asking for OR sharing answers to quizzes, exams, or assignments, you will be **reported to the Office of Student Conduct**.

## **Online Technology**

By signing up for an online class, students assume the responsibility for having a functioning computer and programs necessary for viewing videos or accessing websites. A broken computer or non-functioning software is not a valid excuse for missing a deadline. Additionally, if a student waits until after 5pm on the due date to work on an assignment and experiences an issue, they are responsible for finding a solution (Unless there is a mass issue that effects every student in the class...if this is the case the professor will produce a solution).

Students are responsible for ensuring they are completing their work from a reliable internet source and device. If issues occur regarding internet or device, the student bears the burden of proving an

issue occurred with the device or internet in order for make-up or retakes to be permitted. Without proof, no retakes will be permitted.

## **Academic Services and Resources**

A list of available academic support and learning services is available at [UCF Student Services \(https://www.ucf.edu/services/\)](https://www.ucf.edu/services/). Click on "Academic Support and Learning Services" on the right-hand side to filter. This section includes, for example, access to: therapy assisted online (TAO) Self Help, Knights Online, SAS, Writing Center, Tutoring Center, etc.

## **Non-Academic Services and Resources**

A list of non-academic support and services is also available at [UCF Student Services \(https://www.ucf.edu/services/\)](https://www.ucf.edu/services/). Click on "Support" on the right-hand side to filter. This section includes, for example, access to: Victim Services, UCF CARES, Career Services, etc.

If you are a UCF Online student, please consult the [UCF Online Student Guidelines \(https://www.ucf.edu/online/resources/guidelines/\)](https://www.ucf.edu/online/resources/guidelines/) for more information about your access to non-academic services.

## **Academic Integrity**

Students should familiarize themselves with [UCF's Rules of Conduct \(http://osc.sdes.ucf.edu/process/roc\)](http://osc.sdes.ucf.edu/process/roc). According to Section 1, "Academic Misconduct," students are prohibited from engaging in:

- *Unauthorized assistance*: Using or attempting to use unauthorized materials, information or study aids in any academic exercise unless specifically authorized by the instructor of record. The unauthorized possession of examination or course-related material also constitutes cheating.
- *Communication to another through written, visual, electronic, or oral means*: The presentation of material which has not been studied or learned, but rather was obtained through someone else's efforts and used as part of an examination, course assignment, or project.
- *Commercial Use of Academic Material*: Selling of course material to another person, student, and/or uploading course material to a third-party vendor without authorization or without the express written permission of the university and the instructor. Course materials include but are not limited to class notes, Instructor's PowerPoints, course syllabi, tests, quizzes, labs, instruction sheets, homework, study guides, handouts, etc.
- *Falsifying or misrepresenting* the student's own academic work.

- *Plagiarism*: Using or appropriating another's work without any indication of the source, thereby attempting to convey the impression that such work is the student's own.
- *Multiple Submissions*: Submitting the same academic work for credit more than once without the express written permission of the instructor.
- *Helping another violate* academic behavior standards.

For more information about Academic Integrity, students may consult [The Center for Academic Integrity](http://www.academicintegrity.org/ica/assets/FVProject.pdf). (<http://www.academicintegrity.org/ica/assets/FVProject.pdf>)

For more information about plagiarism and misuse of sources, see "[Defining and Avoiding Plagiarism: The WPA Statement on Best Practices](http://wpacouncil.org/node/9)" (<http://wpacouncil.org/node/9>)".

## **Responses to Academic Dishonesty, Plagiarism, or Cheating**

Students should also familiarize themselves with the procedures for academic misconduct in UCF's student handbook, [The Golden Rule](http://goldenrule.sdes.ucf.edu/docs/goldenrule.pdf). (<http://goldenrule.sdes.ucf.edu/docs/goldenrule.pdf>) UCF faculty members have a responsibility for students' education and the value of a UCF degree, and so seek to prevent unethical behavior and when necessary respond to academic misconduct. Penalties can include a failing grade in an assignment or in the course, suspension or expulsion from the university, and/or a "Z Designation" on a student's official transcript indicating academic dishonesty, where the final grade for this course will be preceded by the letter Z. For more information about the Z Designation, see <http://goldenrule.sdes.ucf.edu/zgrade> (<http://goldenrule.sdes.ucf.edu/zgrade>).

**GROUP ME:** If a student creates a group me for this class, they are required to make the link public (posted in the Discussions board) to make it accessible to the entire class. Please be aware that students are more likely to tell on each other for cheating or answer sharing, so use this wisely. I will not hesitate to turn you over to the Office of Student Conduct.

## **University-Wide Face Covering Policy for Common Spaces and Face-to-Face Classes**

To protect members of our community, everyone is required to wear a facial covering inside all common spaces including classrooms (<https://policies.ucf.edu/documents/PolicyEmergencyCOVIDReturnPolicy.pdf> (<https://policies.ucf.edu/documents/PolicyEmergencyCOVIDReturnPolicy.pdf>)). Students who choose not to wear facial coverings will be asked to leave the classroom by the instructor. If they refuse to leave the classroom or put on a facial covering, they may be considered disruptive (please see the [Golden Rule](https://goldenrule.sdes.ucf.edu/) (<https://goldenrule.sdes.ucf.edu/>) for student behavior expectations). Faculty have the right to cancel class if the safety and well-being of class members are in jeopardy. Students will be

responsible for the material that would have been covered in class as provided by the instructor.

## **Notifications in Case of Changes to Course Modality**

Depending on the course of the pandemic during the semester, the university may make changes to the way classes are offered. If that happens, please look for announcements or messages in Webcourses@UCF or Knights email about changes specific to this course.

## **Course Accessibility Statement**

The University of Central Florida is committed to providing access and inclusion for all persons with disabilities. Students with disabilities who need disability-related access in this course should contact the professor as soon as possible. Students should also connect with [Student Accessibility Services](http://sas.sdes.ucf.edu/) (<http://sas.sdes.ucf.edu/>) (Ferrell Commons 185, [sas@ucf.edu](mailto:sas@ucf.edu) (<mailto:sas@ucf.edu>), phone (407) 823-2371). Through Student Accessibility Services, a Course Accessibility Letter may be created and sent to professors, which informs faculty of potential access and accommodations that might be reasonable. Determining reasonable access and accommodations requires consideration of the course design, course learning objectives and the individual academic and course barriers experienced by the student.

**\*\*If you are registered with SAS, please contact the professor immediately for information concerning extended quiz and assignment times**

**\*\*\*Please note that if you are permitted extended quiz/exam times, it is your responsibility to begin quizzes, quiz-graded assignments, and exams with enough time prior to the deadline to fulfill that extension. Having extended quiz times DOES NOT give you permission to run beyond the deadline time of 11:59pm.**

## **Campus Safety Statement**

Emergencies on campus are rare, but if one should arise in our class, everyone needs to work together. Students should be aware of the surroundings and familiar with some basic safety and security concepts.

- In case of an emergency, dial 911 for assistance.
- Every UCF classroom contains an emergency procedure guide posted on a wall near the door. Please make a note of the guide's physical location and consider reviewing the online version at [http://emergency.ucf.edu/emergency\\_guide.html](http://emergency.ucf.edu/emergency_guide.html) ([http://emergency.ucf.edu/emergency\\_guide.html](http://emergency.ucf.edu/emergency_guide.html)).
- Students should know the evacuation routes from each of their classrooms and have a plan for finding safety in case of an emergency.

- If there is a medical emergency during class, we may need to access a first aid kit or AED (Automated External Defibrillator). To learn where those items are located in this building, see <http://www.ehs.ucf.edu/workplacesafety.html> [\(http://www.ehs.ucf.edu/workplacesafety.html\)](http://www.ehs.ucf.edu/workplacesafety.html) (click on link from menu on left).
- To stay informed about emergency situations, sign up to receive UCF text alerts by going to [my.ucf.edu](http://my.ucf.edu) [\(http://my.ucf.edu\)](http://my.ucf.edu) and logging in. Click on "Student Self Service" located on the left side of the screen in the tool bar, scroll down to the blue "Personal Information" heading on your Student Center screen, click on "UCF Alert," fill out the information, including your e-mail address, cell phone number, and cell phone provider, click "Apply" to save the changes, and then click "OK."
- Students with special needs related to emergency situations should speak with their instructors outside of class.
- To learn about how to manage an active-shooter situation on campus or elsewhere, consider viewing this video.

## **Deployed Active Duty Military Students**

If you are a deployed active duty military student and feel that you may need a special accommodation due to that unique status, please contact your instructor to discuss your circumstances.

## **Copyright**

This course contains copyright protected materials such as audio or video clips, video lectures, images, text materials, etc. These items are being used with regard to the Fair Use doctrine in order to enhance the learning environment. Please do not copy, duplicate, download or distribute these items. The use of these materials is strictly reserved for this online classroom environment and your use only. According to the Academic Misconduct section of the UCF Golden Rule section C. states:

"Commercial use of academic material: Selling notes, handouts, etc., without authorization or using them for any commercial purpose without the express written permission of the University and the instructor is a violation of this rule." Students cannot use any class materials for commercial purposes without instructor consent. If you do, it could result in disciplinary expulsion. All punitive sanctions can come with educational sanctions to help enforce the rules of conduct. In other words, we will file a lawsuit.

## **Third-Party Software and FERPA**

During this course you might have the opportunity to use public online services and/or software applications sometimes called third-party software such as a blog or wiki. While some of these could be required assignments, you need **not** make any personally identifying information on a public site. Do not post or provide any private information about yourself or your classmates. Where appropriate you may use a pseudonym or nickname. Some written assignments posted publicly may require personal reflection/comments, but the assignments will not require you to disclose any personally identity-sensitive information. If you have any concerns about this, please contact your instructor.

## **My expectations of you for taking Human Species**

- I expect you to do your work and not copy the work from others.
- When you take an online quiz, I expect you to complete the quiz by yourself.
- I expect you to treat all communications with me and your fellow students professionally and respectfully. I expect you to write using conventional rules of grammar, spelling, and paragraph formation. Please refrain from slang.
- I expect you to progress in a timely manner through the course. You are permitted to work at your own pace, however if you leave everything to the last minute it will be impossible to complete the course.

## **3. Course Description:**

The course provides a general overview of human biological variation in an evolutionary perspective, and uses multiple lines of evidence to form a holistic picture of human evolution. In the first quarter of the course we examine the processes of evolution and other important background concepts. The second quarter explores our non-human primate relatives to discover how human anatomy and behavior are rooted in a deep evolutionary history. The last half of the semester concentrates on the human fossil and archaeological records, and the spectrum of variation found in modern humanity.

Biological anthropology is a science, and this course is organized and delivered with that in mind. Throughout the course, we will reinforce core scientific concepts that apply not only the process of human evolution, but also to the sciences in general. Students will see how scholars use the scientific method to create relevant research designs, reconstruct our evolutionary history, and explore modern human biological variability.

## **4. Learning Outcomes:**

This course is a requirement for undergraduate Anthropology majors and minors and it satisfies part of the General Education Program (GEP) requirement for the Sciences. The primary GEP foundation for ANT 2511 is Knowledge Application,

and course content and assessment is designed to satisfy the following Learning Outcomes:

*Learning Outcome 1:* Characterize a scientific theory as a product of objective evidence and scientific methods.

- *Related Assessments:* The Nature of Science pre/posttests, Quizzes 2-4, Exams 1, 3 and 4

*Learning Outcome 2:* Interpret, develop, and use visual representations of data to make and support inferences from scientific observations.

- *Related Assessments:* Quiz 5

*Learning Outcome 3:* Identify observational data as the foundation of a scientific argument.

- *Related Assessments:* Quizzes 2-4, Exams 1, 3, and 4

*Learning Outcome 4:* Employ scientific principles, techniques, or concepts to identify, explain, or address challenges facing society.

- *Related Assessments:* Quiz 3, Exams 2 and 4

## **5. Course Schedule:**

The Course Schedule that is posted to Webcourses after this syllabus contains all of the assignments and due dates.

## **6. Course Evaluation:**

Your grade in this course will be based out of **500 total points**. You can calculate your grade by dividing the total number of points you have earned by the total points possible. Grades on all assessments will only be posted online in Webcourses.

### **6a. Assessments and Point Values:**

- *Three Midterm Exams—195 points (65 points each)*

There will be 3 exams during the semester. Each exam will consist of True/False and Multiple Choice questions and all will be administered online according to the course schedule. I will

not reopen closed exams after the due date unless you have a documented excuse as defined by the syllabus (see “6c. Make-up Policy” below).

- ***Final Exam—75 points***

The exam will not be cumulative and will only cover material discussed since the third exam. It will consist of True/False and Multiple Choice questions and will be held during the finals week scheduled by the university. I will not reopen the final exam after the due date unless you have a documented excuse as defined by the syllabus (see “6c. Make-up Policy” below).

- ***Six Announced In Class Quizzes—60 points (10 points each)***

There will be 6 quizzes worth 10 points each for a total of 60 points. These will be administered via webcourses at the end of the remote lecture on the days they are scheduled. See the course schedule for details. I will not reopen missed quizzes after the quiz date unless you have a documented excuse as defined by the syllabus (see “6c. Make-up Policy” below).

- ***Module Assignments—120 points***

As this is a mixed mode class, part of your grade is based on work you’ll do on Webcourses. There are 12 modules for the course. The modules consist of an online lecture that you will review, then you will take the associated assessment online. Each assessment is worth 10 points for a total of 120 points. Modules and the associated quizzes will go live at 7am every Monday per the course schedule. You must complete the related Quiz by 11:59 am on the following Friday (i.e. you have the entire work week to complete them. I will not reopen closed module quizzes after the due date unless you have a documented excuse as defined by the syllabus (see “6c. Make-up Policy” below).

- ***Inquizitive Homework Assignments—50 points***

These homework exercises prepared by the textbook publisher are designed to complement the online modules to enhance student comprehension and retention. Inquizitives are worth a maximum of 50 points toward your final grade in the class. Because there are 14 Inquizitives worth 5 points each (for a total of 70), if you do ALL of them and earn more than 50 points then the Webcourses grade book will add those extra points into your record. However, you can only earn a maximum of 50 points for Inquizitives for grading purposes, so any total you accumulate OVER 50 points will be reduced manually, by me at the end of the semester, to the maximum of 50 for the purposes of calculating your final grade. In short, we drop four Inquizitives whether you do them or not.

Because they are designed to be used as a study too, Inquizitives are due in groups at the same time as exams. See the "How Inquizitive Works" in this module for details on which chapters are due when. I will not reopen closed inquizitives after the due date unless you have a documented excuse as defined by the syllabus (see "6c. Make-up Policy" below).

- *Extra credit Pop Quizzes (20 points total)*

Pop quizzes are my way of encouraging attendance and participation. They are always for extra credit. These will be administered at random times throughout the term via webcourses at the end of the remote lecture. There are no makeups for pop quizzes. If you miss one because you were absent it does not lower your grade.

6b. Grading Scheme Used For Final Grades: The +/- system will be used in this course. Your point totals correspond to the following letter grades.

A 470 or more

A- 450-469

B+ 435-449

B 420-434

B- 400-419

C+ 385-399

C 370-384

C- 350-369

D+ 335-349

D 320-334

D- 300-319

F 299 or fewer

Individual exams and quizzes will not be curved. Neither will the final course distribution.

6c. Make-up Policy: If there is an unforeseen emergency and you will not be able to take an exam or complete an assessment, it is critical that you notify me immediately via phone or email. All make-ups or deadline extensions require documentation excusing your absence—NO EXCEPTIONS. The only acceptable form of documentation for illness is a doctor's statement. Proof of personal or family emergency can consist of a police report, a

deceased's obituary, an airline ticket invoice, police report, or other form I deem acceptable. Except in extraordinary cases approved by me, all makeup exams must be completed within 3 business days of the scheduled exam time.

Computer problems are NOT a legitimate excuse, including "my internet went down" or "I couldn't open the file". We are all working remotely and it is your responsibility to ensure that you have the tools you need.

## 7. Course Materials:

*Essentials of Biological Anthropology*  
4th Edition, by Clark Larsen

**Available at various bookstores or  
BUY THE EBOOK FOR ONLY \$50 VIA  
THE ONLINE LINK IN  
WEBCOURSES!**

You will need to acquire an Access Code from W.W. Norton (the book publisher) to complete the Inquizitives. Using the "Free Trial" WILL NOT WORK and you will not receive credit for if you complete the inquizitives that way. There are three ways to buy an access code:

1. BUY A NEW BOOK: If you buy a new hardcopy of the book, the access code is included.
2. BUY THE EBOOK: If you buy the Ebook, the access code is included.
3. BUY THE ACCESS CODE BY ITSELF FOR \$20: If you buy a USED book, or don't buy a book at all, you will need to buy the access code separately through the Ebook link posted on the course modules page in Webcourses.

Links to videos or other media through the UCF library, Youtube, or other websites or platforms will be posted within individual modules.

I will also prepare and distribute a study guide in advance of each exam. Everything that will be on the exam will be listed on the study guide. If you use your notes to familiarize yourself with the material on the study guide, then you will do very well in this class. These will be posted in the "Study Guides" section linked to the main course homepage.

### **Notifications in Case of Changes to Course Modality**

Depending on the course of the pandemic during the semester, the university may make changes to the way classes are offered. If that happens, please look for announcements or messages in Webcourses@UCF or Knights email about changes specific to this course.

### **COVID-19 and Illness Notification**

Students who believe they may have a COVID-19 diagnosis should contact UCF Student Health Services (407-823-2509) so proper contact tracing procedures can take place.

Students should not come to campus if they are ill, are experiencing any symptoms of COVID-19, have tested positive for COVID, or if anyone living in their residence has tested positive or is sick with COVID-19 symptoms. Students should contact their instructor(s) as soon as possible if they miss class for any illness reason to discuss reasonable adjustments that might need to be made. When possible, students should contact their instructor(s) before missing class.

### **In Case of Faculty Illness**

If the instructor falls ill during the semester, there may be changes to this course, including having a backup instructor take over the course. Please look for

announcements or mail in [Webcourses@UCF](mailto:Webcourses@UCF) or Knights email for any alterations to this course.

### **Course Accessibility and Disability COVID-19 Supplemental Statement**

Accommodations may need to be added or adjusted should this course shift from an on-campus to a remote format. Students with disabilities should speak with their instructor and should contact [sas@ucf.edu](mailto:sas@ucf.edu) (<mailto:sas@ucf.edu>) to discuss specific accommodations for this or other courses.

8a. Academic Integrity. Students should familiarize themselves with UCF's Rules of Conduct at <http://osc.sdes.ucf.edu/process/roc>. According to Section 1, "Academic Misconduct," students are prohibited from engaging in:

1. Unauthorized assistance: Using or attempting to use unauthorized materials, information or study aids in any academic exercise unless specifically authorized by the instructor of record. The unauthorized possession of examination or course-related material also constitutes cheating.
2. Communication to another through written, visual, electronic, or oral means: The presentation of material which has not been studied or learned, but rather was obtained through someone else's efforts and used as part of an examination, course assignment, or project.
3. Commercial Use of Academic Material: Selling of course material to another person, student, and/or uploading course material to a third-party vendor without authorization or without the express written permission of the university and the instructor. Course materials include but are not limited to class notes, Instructor's PowerPoints, course syllabi, tests, quizzes, labs, instruction sheets, homework, study guides, handouts, etc.
4. Falsifying or misrepresenting the student's own academic work.
5. Plagiarism: Using or appropriating another's work without any indication of the source, thereby attempting to convey the impression that such work is the student's own.
6. Multiple Submissions: Submitting the same academic work for credit more than once without the express written permission of the instructor.
7. Helping another violate academic behavior standards.

For more information about Academic Integrity, consult the International Center for Academic Integrity <http://academicintegrity.org>. For more information about plagiarism and misuse of sources, see “Defining and Avoiding Plagiarism: The WPA Statement on Best Practices” <http://wpacouncil.org/node/9> Responses to Academic Dishonesty, Plagiarism, or Cheating. Students should also familiarize themselves with the procedures for academic misconduct in UCF’s student handbook, The Golden Rule <http://goldenrule.sdes.ucf.edu/docs/goldenrule.pdf>. UCF faculty members have a responsibility for students’ education and the value of a UCF degree, and so seek to prevent unethical behavior and when necessary respond to academic misconduct. Penalties can include a failing grade in an assignment or in the course, suspension or expulsion from the university, and/or a “Z Designation” on a student’s official transcript indicating academic dishonesty, where the final grade for this course will be preceded by the letter Z. For more information about the Z Designation, see <http://goldenrule.sdes.ucf.edu/zgrade>.

8b. Course Accessibility Statement: The University of Central Florida is committed to providing access and inclusion for all persons with disabilities. Students with disabilities who need access to course content due to course design limitations should contact the professor as soon as possible. Students should also connect with Student Accessibility Services (SAS) <<http://sas.sdes.ucf.edu/>> (Ferrell Commons 185, [sas@ucf.edu](mailto:sas@ucf.edu), phone 407-823-2371). For students connected with SAS, a Course Accessibility Letter may be created and sent to professors, which informs faculty of potential course access and accommodations that might be necessary and reasonable. Determining reasonable access and accommodations requires consideration of the course design, course learning objectives and the individual academic and course barriers experienced by the student. Further conversation with SAS, faculty and the student may be warranted to ensure an accessible course experience.

I am pleased to assist those students need additional accommodation. However, you MUST present me with documentation from SAS that verifies your needs. ANY REQUEST FOR SPECIAL ACCOMMODATION THAT IS NOT ACCOMPANIED BY SUCH DOCUMENTATION WILL NOT BE HONORED.

**8c. Campus Safety Statement:** Emergencies on campus are rare, but if one should arise during class, everyone needs to work together. Students should be aware of their surroundings and familiar with some basic safety and security concepts.

- In case of an emergency, dial 911 for assistance.
- Every UCF classroom contains an emergency procedure guide posted on a wall near the door. Students should make a note of the guide's physical location and review the online version at [http://emergency.ucf.edu/emergency\\_guide.html](http://emergency.ucf.edu/emergency_guide.html).
- Students should know the evacuation routes from each of their classrooms and have a plan for finding safety in case of an emergency.
- If there is a medical emergency during class, students may need to access a first-aid kit or AED (Automated External Defibrillator). To learn where those are located, see <http://www.ehs.ucf.edu/AEDlocations-UCF>.
- To stay informed about emergency situations, students can sign up to receive UCF text alerts by going to <https://my.ucf.edu> and logging in. Click on "Student Self Service" located on the left side of the screen in the toolbar, scroll down to the blue "Personal Information" heading on the Student Center screen, click on "UCF Alert", fill out the information, including e-mail address, cell phone number, and cell phone provider, click "Apply" to save the changes, and then click "OK."
- Students with special needs related to emergency situations should speak with their instructors outside of class.
- To learn about how to manage an active-shooter situation on campus or elsewhere, consider viewing this video <https://youtu.be/NIKYajEx4pk>.

**8d. Deployed Active Duty Military Students:** If you are a deployed active duty military student and feel that you may need a special accommodation due to that unique status, please contact your instructor to discuss your circumstances.

**8e. Make-Up Assignments for Authorized University Events or Co-curricular Activities:** Students who represent the university in an authorized event or activity (for example, student-athletes) and who are unable to meet a course deadline due to a conflict with that event must provide the instructor with documentation in advance to arrange a make-up. No penalty will be applied. For more information, see the UCF policy at

<http://policies.ucf.edu/documents/4->

[401.2MakeUpAssignmentsorAuthUnivEventsorCocurricularActivities.pdf](#)

8f. Religious Observances: Students must notify their instructor in advance if they intend to miss class for a religious observance. For more information, see the UCF policy at

<http://regulations.ucf.edu/chapter5/documents/5.020ReligiousObservancesFINALJan19.pdf>.

8g. UCF Cares. During your UCF career, you may experience challenges including struggles with academics, finances, or your personal well-being. UCF has a multitude of resources available to all students. Please visit [UCFCares.com](http://UCFCares.com) if you are seeking resources and support, or if you are worried about a friend or classmate. Free services and information are included for a variety of student concerns, including but not limited to alcohol use, bias incidents, mental health concerns, and financial challenges. You can also e-mail [ucfcares@ucf.edu](mailto:ucfcares@ucf.edu) with questions or for additional assistance. You can reach a UCF Cares staff member between 8 a.m. and 5 p.m. by calling 407-823-5607. If you are in immediate distress, please call Counseling and Psychological Services to speak directly with a counselor 24/7 at 407-823-2811, or please call 911.

8h. FERPA and Privacy: As a student, your educational records are considered confidential. Under FERPA (Family Educational Rights and Privacy Act), your records are confidential and protected. Under most circumstances your records will not be released without your written and signed consent. However, some directory information may be released to third parties without the your prior consent unless a written request to restrict this is on file. You can learn more about student rights to privacy at <http://registrar.ucf.edu/ferpa> (<http://registrar.ucf.edu/ferpa>).

## 9. Protocols

9a. Webcourses Announcements and Messages. Webcourses announcements and messages from me will be an integral part of this course. Make sure you:

1. Check for announcements and messages at least twice per week (more often is better).

2. Be patient. Don't expect an immediate response when you send a message.  
Generally, two days is considered reasonable amount of time to receive a reply.
3. Include "Subject" headings: use something that is descriptive and refer to a particular assignment or topic.
4. Be courteous and considerate. Being honest and expressing yourself freely is very important but being considerate of others online is just as important as in the classroom.
5. Make every effort to be clear. Online communication lacks the nonverbal cues that fill in much of the meaning in face-to-face communication.
6. Do not use all caps. This makes the message very hard to read and is considered "shouting." Check spelling, grammar, and punctuation (you may want to compose in a word processor, then cut and paste the message into the discussion or e-mail).
7. Break up large blocks of text into paragraphs and use a space between paragraphs.
8. Sign your e-mail messages.
9. Never assume that your messages can be read by no one except yourself; others may be able to read or access your mail. Never send or keep anything that you would not mind seeing on the evening news.

9b. Discussion Topics. Many of the "rules of the road" or protocols that apply to messages also apply to the use of discussions. Use the following conventions when composing a discussion posting:

1. During a Discussion assignment, deadlines for posting to and replying will be specified with each assignment. It is a good practice to always check the Discussions multiple times during the week.
2. If you want to send a personal message to the instructor or to another student, use webcourses messages rather than the discussions (see above Protocols).
3. Use the appropriate Discussion Topic; don't post everything on the "Main" Discussion Topic.
4. Be patient. Don't expect an immediate response when you send a message.
5. A helpful hint for use with both discussions and messages --- Compose your message in your word-processing application in order to check spelling,

punctuation, and grammar --- then copy and paste your composition the discussion.

6. Everyone should feel free to participate in class and online discussions.
7. Respect each other's ideas, feelings and experience.
8. Be courteous and considerate. It is important to be honest and to express yourself freely, but being considerate of others is just as important and expected online, as it is in the classroom.
9. Explore disagreements and support assertions with data and evidence.
10. "Subject" headings: use something that is descriptive and refer to a particular assignment or discussion topic when applicable. Some assignments will specify the subject heading.
11. Use the "reply" button rather than the "compose" button if you are replying to someone else's posting.
12. Do not use postings such as "I agree," "I don't know either," "Who cares," or "ditto." They do not add to the discussion, take up space on the Discussions, and will not be counted for assignment credit.
13. Avoid posting large blocks of text. If you must, break them into paragraphs and use a space between paragraphs.
14. Use the Technical Discussion topic for assistance with technical issues. Use the Help Discussion topic for questions about course material or assignments. There will be specific discussion topics for particular discussions - pay close attention to the assignment, and post appropriately.

9c. Viruses. A virus can spell disaster. Your use of a reputable anti-virus program is a requirement for participation in this course (good ones include McAfee or Norton).

Also, you are responsible to have access to working technology. "My computer crashed" and "My internet doesn't work" are today's equivalents of "My dog ate my homework." You signed up for an online class, so these are not valid excuses for failing to get your work in on time.

9d. Technical Resources. For specific problems in any of the areas below or for further information go to the corresponding link for assistance.

- **UCF Home Page** [\\_\(http://www.ucf.edu\)\\_](http://www.ucf.edu) will help find UCF resources

- **Learning Online** [\\_\(http://learn.ucf.edu\)](http://learn.ucf.edu) This site provides information on study skills for distance learners, the library and the writing center.
- Buying a new computer or upgrading your current equipment –

- **Hardware/Software Requirements** [\\_\(http://learn.ucf.edu/webcourses/support.html\)](http://learn.ucf.edu/webcourses/support.html)
- Technical Discussion Topic: If you have technical questions and/or problems, please post a message to the Technical Discussion Topic. I encourage members of the class who are technically proficient to also monitor this discussion topic and assist your classmates.
- If your equipment problems prevent you from using e-mail from home, there are many computer labs on campus and virtually every public library offers Internet access.

## **3. Course Description:**

The course provides a general overview of human biological variation in an evolutionary perspective, and uses multiple lines of evidence to form a holistic picture of human evolution. In the first quarter of the course we examine the processes of evolution and other important background concepts. The second quarter explores our non-human primate relatives to discover how human anatomy and behavior are rooted in a deep evolutionary history. The last half of the semester concentrates on the human fossil and archaeological records, and the spectrum of variation found in modern humanity.

Biological anthropology is a science, and this course is organized and delivered with that in mind. Throughout the course, we will reinforce core scientific concepts that apply not only the process of human evolution, but also to the sciences in general. Students will see how scholars use the scientific method to create relevant research designs, reconstruct our evolutionary history, and explore modern human biological variability.

## **4. Learning Outcomes:**

This course is a requirement for undergraduate Anthropology majors and minors and it satisfies part of the General Education Program (GEP) requirement for the Sciences. The primary GEP foundation for ANT 2511 is Knowledge Application,

and course content and assessment is designed to satisfy the following Learning Outcomes:

*Learning Outcome 1:* Characterize a scientific theory as a product of objective evidence and scientific methods.

- *Related Assessments:* The Nature of Science pre/posttests, Quizzes 2-4, Exams 1, 3 and 4

*Learning Outcome 2:* Interpret, develop, and use visual representations of data to make and support inferences from scientific observations.

- *Related Assessments:* Quiz 5

*Learning Outcome 3:* Identify observational data as the foundation of a scientific argument.

- *Related Assessments:* Quizzes 2-4, Exams 1, 3, and 4

*Learning Outcome 4:* Employ scientific principles, techniques, or concepts to identify, explain, or address challenges facing society.

- *Related Assessments:* Quiz 3, Exams 2 and 4

## **5. Course Schedule:**

The Course Schedule that is posted to Webcourses after this syllabus contains all of the assignments and due dates.

## **6. Course Evaluation:**

Your grade in this course will be based out of **500 total points**. You can calculate your grade by dividing the total number of points you have earned by the total points possible. Grades on all assessments will only be posted online in Webcourses.

### **6a. Assessments and Point Values:**

- *Three Midterm Exams—195 points (65 points each)*

There will be 3 exams during the semester. Each exam will consist of True/False and Multiple Choice questions and all will be administered online according to the course schedule. I will

not reopen closed exams after the due date unless you have a documented excuse as defined by the syllabus (see “6c. Make-up Policy” below).

- ***Final Exam—75 points***

The exam will not be cumulative and will only cover material discussed since the third exam. It will consist of True/False and Multiple Choice questions and will be held during the finals week scheduled by the university. I will not reopen the final exam after the due date unless you have a documented excuse as defined by the syllabus (see “6c. Make-up Policy” below).

- ***Six Announced In Class Quizzes—60 points (10 points each)***

There will be 6 quizzes worth 10 points each for a total of 60 points. These will be administered via webcourses at the end of the remote lecture on the days they are scheduled. See the course schedule for details. I will not reopen missed quizzes after the quiz date unless you have a documented excuse as defined by the syllabus (see “6c. Make-up Policy” below).

- ***Module Assignments—120 points***

As this is a mixed mode class, part of your grade is based on work you’ll do on Webcourses. There are 12 modules for the course. The modules consist of an online lecture that you will review, then you will take the associated assessment online. Each assessment is worth 10 points for a total of 120 points. Modules and the associated quizzes will go live at 7am every Monday per the course schedule. You must complete the related Quiz by 11:59 am on the following Friday (i.e. you have the entire work week to complete them. I will not reopen closed module quizzes after the due date unless you have a documented excuse as defined by the syllabus (see “6c. Make-up Policy” below).

- ***Inquizitive Homework Assignments—50 points***

These homework exercises prepared by the textbook publisher are designed to complement the online modules to enhance student comprehension and retention. Inquizitives are worth a maximum of 50 points toward your final grade in the class. Because there are 14 Inquizitives worth 5 points each (for a total of 70), if you do ALL of them and earn more than 50 points then the Webcourses grade book will add those extra points into your record. However, you can only earn a maximum of 50 points for Inquizitives for grading purposes, so any total you accumulate OVER 50 points will be reduced manually, by me at the end of the semester, to the maximum of 50 for the purposes of calculating your final grade. In short, we drop four Inquizitives whether you do them or not.

Because they are designed to be used as a study tool, Inquizitives are due in groups at the same time as exams. See the "How Inquizitive Works" in this module for details on which chapters are due when. I will not reopen closed inquizitives after the due date unless you have a documented excuse as defined by the syllabus (see "6c. Make-up Policy" below).

- *Extra credit Pop Quizzes (20 points total)*

Pop quizzes are my way of encouraging attendance and participation. They are always for extra credit. These will be administered at random times throughout the term via webcourses at the end of the remote lecture. There are no makeups for pop quizzes. If you miss one because you were absent it does not lower your grade.

6b. Grading Scheme Used For Final Grades: The +/- system will be used in this course. Your point totals correspond to the following letter grades.

A 470 or more

A- 450-469

B+ 435-449

B 420-434

B- 400-419

C+ 385-399

C 370-384

C- 350-369

D+ 335-349

D 320-334

D- 300-319

F 299 or fewer

Individual exams and quizzes will not be curved. Neither will the final course distribution.

6c. Make-up Policy: If there is an unforeseen emergency and you will not be able to take an exam or complete an assessment, it is critical that you notify me immediately via phone or email. All make-ups or deadline extensions require documentation excusing your absence—NO EXCEPTIONS. The only acceptable form of documentation for illness is a doctor's statement. Proof of personal or family emergency can consist of a police report, a

deceased's obituary, an airline ticket invoice, police report, or other form I deem acceptable. Except in extraordinary cases approved by me, all makeup exams must be completed within 3 business days of the scheduled exam time.

Computer problems are NOT a legitimate excuse, including "my internet went down" or "I couldn't open the file". We are all working remotely and it is your responsibility to ensure that you have the tools you need.

## 7. Course Materials:

*Essentials of Biological Anthropology*  
4th Edition, by Clark Larsen

**Available at various bookstores or  
BUY THE EBOOK FOR ONLY \$50 VIA  
THE ONLINE LINK IN  
WEBCOURSES!**

You will need to acquire an Access Code from W.W. Norton (the book publisher) to complete the Inquizitives. Using the "Free Trial" WILL NOT WORK and you will not receive credit for if you complete the inquizitives that way. There are three ways to buy an access code:

1. **BUY A NEW BOOK:** If you buy a new hardcopy of the book, the access code is included.
2. **BUY THE EBOOK:** If you buy the Ebook, the access code is included.
3. **BUY THE ACCESS CODE BY ITSELF FOR \$20:** If you buy a USED book, or don't buy a book at all, you will need to buy the access code separately through the Ebook link posted on the course modules page in Webcourses.

Links to videos or other media through the UCF library, Youtube, or other websites or platforms will be posted within individual modules.

I will also prepare and distribute a study guide in advance of each exam. Everything that will be on the exam will be listed on the study guide. If you use your notes to familiarize yourself with the material on the study guide, then you will do very well in this class. These will be posted in the "Study Guides" section linked to the main course homepage.

in jeopardy. Students will be responsible for the material that would have been covered in class as provided by the instructor.

### **Notifications in Case of Changes to Course Modality**

Depending on the course of the pandemic during the semester, the university may make changes to the way classes are offered. If that happens, please look for announcements or messages in Webcourses@UCF or Knights email about changes specific to this course.

### **COVID-19 and Illness Notification**

Students who believe they may have a COVID-19 diagnosis should contact UCF Student Health Services (407-823-2509) so proper contact tracing procedures can take place.

Students should not come to campus if they are ill, are experiencing any symptoms of COVID-19, have tested positive for COVID, or if anyone living in their residence has tested positive or is sick with COVID-19 symptoms. CDC guidance for COVID-19 symptoms is located here: ([https://www.cdc.gov/coronavirus/2019-](https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html)

Students should contact their instructor(s) as soon as possible if they miss class for any illness reason to discuss reasonable adjustments that might need to be made. When possible, students should contact their instructor(s) before missing class.

### **In Case of Faculty Illness**

If the instructor falls ill during the semester, there may be changes to this course, including having a backup instructor take over the course. Please look for

announcements or mail in [Webcourses@UCF](mailto:Webcourses@UCF) or Knights email for any alterations to this course.

### **Course Accessibility and Disability COVID-19 Supplemental Statement**

Accommodations may need to be added or adjusted should this course shift from an on-campus to a remote format. Students with disabilities should speak with their instructor and should contact [sas@ucf.edu](mailto:sas@ucf.edu) (<mailto:sas@ucf.edu>) to discuss specific accommodations for this or other courses.

8a. Academic Integrity. Students should familiarize themselves with UCF's Rules of Conduct at <http://osc.sdes.ucf.edu/process/roc>. According to Section 1, "Academic Misconduct," students are prohibited from engaging in:

1. Unauthorized assistance: Using or attempting to use unauthorized materials, information or study aids in any academic exercise unless specifically authorized by the instructor of record. The unauthorized possession of examination or course-related material also constitutes cheating.
2. Communication to another through written, visual, electronic, or oral means: The presentation of material which has not been studied or learned, but rather was obtained through someone else's efforts and used as part of an examination, course assignment, or project.
3. Commercial Use of Academic Material: Selling of course material to another person, student, and/or uploading course material to a third-party vendor without authorization or without the express written permission of the university and the instructor. Course materials include but are not limited to class notes, Instructor's PowerPoints, course syllabi, tests, quizzes, labs, instruction sheets, homework, study guides, handouts, etc.
4. Falsifying or misrepresenting the student's own academic work.
5. Plagiarism: Using or appropriating another's work without any indication of the source, thereby attempting to convey the impression that such work is the student's own.
6. Multiple Submissions: Submitting the same academic work for credit more than once without the express written permission of the instructor.
7. Helping another violate academic behavior standards.

For more information about Academic Integrity, consult the International Center for Academic Integrity <http://academicintegrity.org>. For more information about plagiarism and misuse of sources, see “Defining and Avoiding Plagiarism: The WPA Statement on Best Practices” <http://wpacouncil.org/node/9> Responses to Academic Dishonesty, Plagiarism, or Cheating. Students should also familiarize themselves with the procedures for academic misconduct in UCF’s student handbook, The Golden Rule <http://goldenrule.sdes.ucf.edu/docs/goldenrule.pdf>. UCF faculty members have a responsibility for students’ education and the value of a UCF degree, and so seek to prevent unethical behavior and when necessary respond to academic misconduct. Penalties can include a failing grade in an assignment or in the course, suspension or expulsion from the university, and/or a “Z Designation” on a student’s official transcript indicating academic dishonesty, where the final grade for this course will be preceded by the letter Z. For more information about the Z Designation, see <http://goldenrule.sdes.ucf.edu/zgrade>.

8b. Course Accessibility Statement: The University of Central Florida is committed to providing access and inclusion for all persons with disabilities. Students with disabilities who need access to course content due to course design limitations should contact the professor as soon as possible. Students should also connect with Student Accessibility Services (SAS) <<http://sas.sdes.ucf.edu/>> (Ferrell Commons 185, [sas@ucf.edu](mailto:sas@ucf.edu), phone 407-823-2371). For students connected with SAS, a Course Accessibility Letter may be created and sent to professors, which informs faculty of potential course access and accommodations that might be necessary and reasonable. Determining reasonable access and accommodations requires consideration of the course design, course learning objectives and the individual academic and course barriers experienced by the student. Further conversation with SAS, faculty and the student may be warranted to ensure an accessible course experience.

I am pleased to assist those students need additional accommodation. However, you MUST present me with documentation from SAS that verifies your needs. ANY REQUEST FOR SPECIAL ACCOMMODATION THAT IS NOT ACCOMPANIED BY SUCH DOCUMENTATION WILL NOT BE HONORED.

**8c. Campus Safety Statement:** Emergencies on campus are rare, but if one should arise during class, everyone needs to work together. Students should be aware of their surroundings and familiar with some basic safety and security concepts.

- In case of an emergency, dial 911 for assistance.
- Every UCF classroom contains an emergency procedure guide posted on a wall near the door. Students should make a note of the guide's physical location and review the online version at [http://emergency.ucf.edu/emergency\\_guide.html](http://emergency.ucf.edu/emergency_guide.html).
- Students should know the evacuation routes from each of their classrooms and have a plan for finding safety in case of an emergency.
- If there is a medical emergency during class, students may need to access a first-aid kit or AED (Automated External Defibrillator). To learn where those are located, see <http://www.ehs.ucf.edu/AEDlocations-UCF>.
- To stay informed about emergency situations, students can sign up to receive UCF text alerts by going to <https://my.ucf.edu> and logging in. Click on "Student Self Service" located on the left side of the screen in the toolbar, scroll down to the blue "Personal Information" heading on the Student Center screen, click on "UCF Alert", fill out the information, including e-mail address, cell phone number, and cell phone provider, click "Apply" to save the changes, and then click "OK."
- Students with special needs related to emergency situations should speak with their instructors outside of class.
- To learn about how to manage an active-shooter situation on campus or elsewhere, consider viewing this video <https://youtu.be/NIKYajEx4pk>.

**8d. Deployed Active Duty Military Students:** If you are a deployed active duty military student and feel that you may need a special accommodation due to that unique status, please contact your instructor to discuss your circumstances.

**8e. Make-Up Assignments for Authorized University Events or Co-curricular Activities:** Students who represent the university in an authorized event or activity (for example, student-athletes) and who are unable to meet a course deadline due to a conflict with that event must provide the instructor with documentation in advance to arrange a make-up. No penalty will be applied. For more information, see the UCF policy at

<http://policies.ucf.edu/documents/4->

[401.2MakeUpAssignmentsorAuthUnivEventsorCocurricularActivities.pdf](#)

8f. Religious Observances: Students must notify their instructor in advance if they intend to miss class for a religious observance. For more information, see the UCF policy at

<http://regulations.ucf.edu/chapter5/documents/5.020ReligiousObservancesFINALJan19.pdf>.

8g. UCF Cares. During your UCF career, you may experience challenges including struggles with academics, finances, or your personal well-being. UCF has a multitude of resources available to all students. Please visit [UCFCares.com](http://UCFCares.com) if you are seeking resources and support, or if you are worried about a friend or classmate. Free services and information are included for a variety of student concerns, including but not limited to alcohol use, bias incidents, mental health concerns, and financial challenges. You can also e-mail [ucfcares@ucf.edu](mailto:ucfcares@ucf.edu) with questions or for additional assistance. You can reach a UCF Cares staff member between 8 a.m. and 5 p.m. by calling 407-823-5607. If you are in immediate distress, please call Counseling and Psychological Services to speak directly with a counselor 24/7 at 407-823-2811, or please call 911.

8h. FERPA and Privacy: As a student, your educational records are considered confidential. Under FERPA (Family Educational Rights and Privacy Act), your records are confidential and protected. Under most circumstances your records will not be released without your written and signed consent. However, some directory information may be released to third parties without the your prior consent unless a written request to restrict this is on file. You can learn more about student rights to privacy at <http://registrar.ucf.edu/ferpa> (<http://registrar.ucf.edu/ferpa>).

## 9. Protocols

9a. Webcourses Announcements and Messages. Webcourses announcements and messages from me will be an integral part of this course. Make sure you:

1. Check for announcements and messages at least twice per week (more often is better).

2. Be patient. Don't expect an immediate response when you send a message.  
Generally, two days is considered reasonable amount of time to receive a reply.
3. Include "Subject" headings: use something that is descriptive and refer to a particular assignment or topic.
4. Be courteous and considerate. Being honest and expressing yourself freely is very important but being considerate of others online is just as important as in the classroom.
5. Make every effort to be clear. Online communication lacks the nonverbal cues that fill in much of the meaning in face-to-face communication.
6. Do not use all caps. This makes the message very hard to read and is considered "shouting." Check spelling, grammar, and punctuation (you may want to compose in a word processor, then cut and paste the message into the discussion or e-mail).
7. Break up large blocks of text into paragraphs and use a space between paragraphs.
8. Sign your e-mail messages.
9. Never assume that your messages can be read by no one except yourself; others may be able to read or access your mail. Never send or keep anything that you would not mind seeing on the evening news.

9b. Discussion Topics. Many of the "rules of the road" or protocols that apply to messages also apply to the use of discussions. Use the following conventions when composing a discussion posting:

1. During a Discussion assignment, deadlines for posting to and replying will be specified with each assignment. It is a good practice to always check the Discussions multiple times during the week.
2. If you want to send a personal message to the instructor or to another student, use webcourses messages rather than the discussions (see above Protocols).
3. Use the appropriate Discussion Topic; don't post everything on the "Main" Discussion Topic.
4. Be patient. Don't expect an immediate response when you send a message.
5. A helpful hint for use with both discussions and messages --- Compose your message in your word-processing application in order to check spelling,

punctuation, and grammar --- then copy and paste your composition the discussion.

6. Everyone should feel free to participate in class and online discussions.
7. Respect each other's ideas, feelings and experience.
8. Be courteous and considerate. It is important to be honest and to express yourself freely, but being considerate of others is just as important and expected online, as it is in the classroom.
9. Explore disagreements and support assertions with data and evidence.
10. "Subject" headings: use something that is descriptive and refer to a particular assignment or discussion topic when applicable. Some assignments will specify the subject heading.
11. Use the "reply" button rather than the "compose" button if you are replying to someone else's posting.
12. Do not use postings such as "I agree," "I don't know either," "Who cares," or "ditto." They do not add to the discussion, take up space on the Discussions, and will not be counted for assignment credit.
13. Avoid posting large blocks of text. If you must, break them into paragraphs and use a space between paragraphs.
14. Use the Technical Discussion topic for assistance with technical issues. Use the Help Discussion topic for questions about course material or assignments. There will be specific discussion topics for particular discussions - pay close attention to the assignment, and post appropriately.

9c. Viruses. A virus can spell disaster. Your use of a reputable anti-virus program is a requirement for participation in this course (good ones include McAfee or Norton).

Also, you are responsible to have access to working technology. "My computer crashed" and "My internet doesn't work" are today's equivalents of "My dog ate my homework." You signed up for an online class, so these are not valid excuses for failing to get your work in on time.

9d. Technical Resources. For specific problems in any of the areas below or for further information go to the corresponding link for assistance.

- [UCF Home Page](http://www.ucf.edu) [\\_\(http://www.ucf.edu\)\\_](http://www.ucf.edu) will help find UCF resources

- **UCF Computer Service Desk** [\\_\(http://servicedesk.ucf.edu/\)\\_](http://servicedesk.ucf.edu/) – You can also call the Service Desk at 407-823-5117.
- **Learning Online** [\\_\(http://learn.ucf.edu\)](http://learn.ucf.edu) This site provides information on study skills for distance learners, the library and the writing center.
- Buying a new computer or upgrading your current equipment – <http://www.cstore.ucf.edu/> [\\_\(http://www.cstore.ucf.edu/\)](http://www.cstore.ucf.edu/)
- **Hardware/Software Requirements** [\\_\(http://learn.ucf.edu/webcourses/support.html\)](http://learn.ucf.edu/webcourses/support.html)
- Technical Discussion Topic: If you have technical questions and/or problems, please post a message to the Technical Discussion Topic. I encourage members of the class who are technically proficient to also monitor this discussion topic and assist your classmates.
- If your equipment problems prevent you from using e-mail from home, there are many computer labs on campus and virtually every public library offers Internet access.
