

Exercise 6 – Priors
Due February 21, 2024

1. Read the following articles:
 - McCarthy and Masters, 2005
 - Choy et al. 2009
2. Briefly summarize the arguments made by each article, and provide a critique marking strengths, weaknesses, and potential counter arguments.
3. Considering your own work, please identify potential sources of priors and how you would be able to use them in your analysis.

NOTE: Submit your answers in a single document (PDF preferred) to Michelle.Bardales@ucf.edu
