STEP 2

By signing below, I am confirming that I completed, or will complete, the COS Online Workshop, which illustrates University policies, deadlines posted in the UCF on-line academic calendar, and academic resources available to assist me as a UCF student. I understand that if I do not complete the COS Online Workshop (through [www.Webcourses.ucf.edu](http://www.webcourses.ucf.edu)) by the given deadline that I am risking not being able to register for the next term. I also understand that the College of Sciences Advising Services office (COSAS) is my College advising office, and will offer Peer and Professional Advising at my request. Visit <http://www.cos.ucf.edu/cosas/> for additional information. **COS will not lift previous term holds once the next term begins until after the first week of classes.**
