Click **Keep** when receiving notification
Then click **Zoom... .exe**

Zoom_cm_foi029v...exe

Click the box to see the menu. Then, click 'open'.

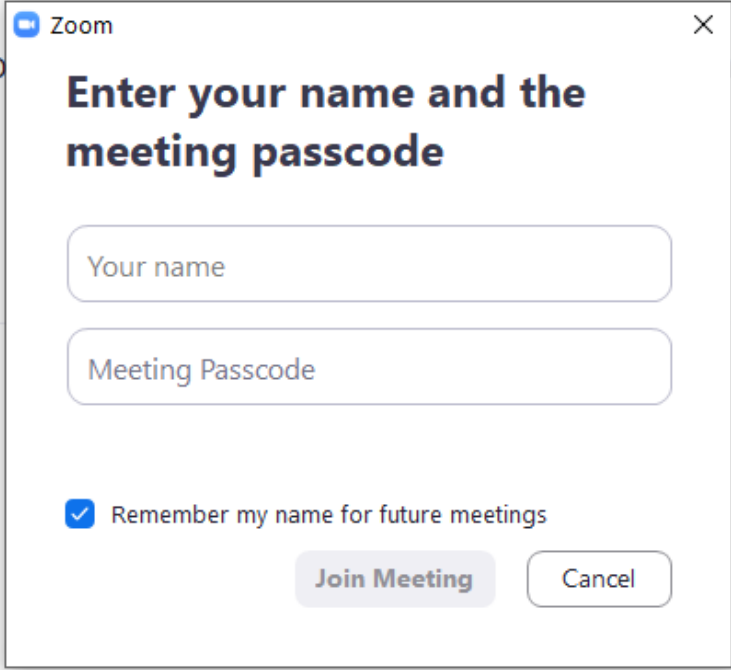

The pop-up box will appear and your computer starts to install Zoom.

Write the name as it appears on the registration. Meeting Passcode is 'apple'. Then, press 'join meeting'

Once you

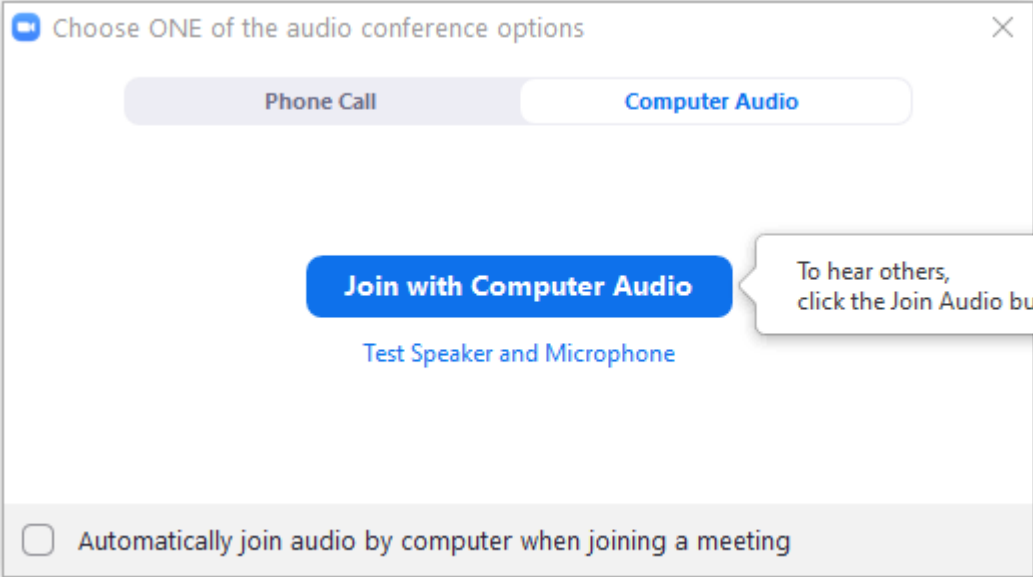

g below

The image shows a Zoom dialog box titled "Zoom" with a close button (X) in the top right corner. The main heading is "Enter your name and the meeting passcode". Below this heading are two input fields: "Your name" and "Meeting Passcode". Underneath the input fields is a checked checkbox labeled "Remember my name for future meetings". At the bottom of the dialog box are two buttons: "Join Meeting" and "Cancel".

Click 'Join with Computer Audio'.

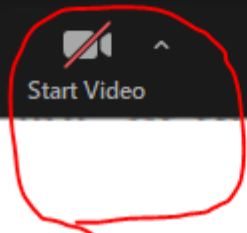

The image shows a Zoom dialog box titled "Choose ONE of the audio conference options" with a close button (X) in the top right corner. At the top, there are two radio button options: "Phone Call" and "Computer Audio", with "Computer Audio" selected. Below these options is a large blue button labeled "Join with Computer Audio". Underneath this button is the text "Test Speaker and Microphone". To the right of the "Join with Computer Audio" button is a callout box containing the text "To hear others, click the Join Audio button". At the bottom of the dialog box is a checkbox labeled "Automatically join audio by computer when joining a meeting", which is currently unchecked.

Click 'Start Video' so that your child is visible. If your child will talk, then click 'unmute' button. Otherwise, stay on 'unmute' so that noise from your house doesn't transfer to the entire class.

Click if you want to switch to a different microphone or speaker
