NSA Is Coming to...
University of Central Florida

NSA Information Session
Tuesday 09/06, 3:30 PM to 4:30 PM, MSB 318 (Math Science Building)

Summer Program for Operations Research Technology (SPORT)

The SPORT program at the National Security Agency (NSA) offers graduate students the opportunity to apply their academic knowledge in a stimulating professional environment. As a SPORT intern you will work closely with full time Operations Research analysts applying academic and technical skills to challenging, real-world problems. Internships are paid and are 12 weeks in duration (May-August). Applications accepted September 1st through October 31st.

NSA OPPORTUNITIES INCLUDE...

- Computer/Electrical Engineering
- Computer Science
- Cybersecurity
- Information Assurance
- Mathematics
- Foreign Language
- Intelligence Analysis

- Paid Internships, Scholarships and Co-op
- Cryptanalysis
- Signals Analysis
- Business Management
- Finance & Accounting
