

UCF

Department of Mathematics

UNIVERSITY OF CENTRAL FLORIDA

SUMMER 2024

RESEARCH EXPERIENCE FOR UNDERGRADUATES IN APPLIED AND COMPUTATIONAL MATHEMATICS

REU PROJECTS

The research projects aim to address important questions in applied partial differential equations, computational mathematics, financial mathematics, and mathematics biology.

REU ACTIVITIES

Ten-week program that includes short courses on math contents and software, weekly research group meetings, seminars on ethics, discrimination and harassment, career opportunities, and preparation for graduate school, and social events.
