8TH INTERNATIONAL CONFERENCE ON ATTOSECOND SCIENCE AND TECHNOLOGY

Dear Colleagues,

We cordially invite you to the 8th International Conference on Attosecond Science and Technology (ATTO VIII) that will take place at the University of Central Florida (UCF) in Orlando, USA between July 11th and 15th 2022.

We are delighted to announce the list of invited speakers. The topics of the invited presentations will cover all established and emerging areas of attosecond science.

We are also pleased to announce that the conference will be held at the *Celeste*, a new boutique hotel on the main campus of the University of Central Florida. More detailed information about the venue, accommodations, and other aspects of ATTO VIII will be announced on the conference website as it becomes available.

Please note the following important dates: Abstract submission will open October 18, 2021, and abstracts will be due on February 11, 2022. Registration will open on March 28, 2022. We are confident that ATTO VIII will be held in-person. We will continue following the recommendations of the US Centers for Disease Control, the World Health Organization, and UCF regarding COVID-19 safety practices.
