"You're taking chemistry, physics & pre-calculus, right?"

*Philanthropist and 11x NBA All-Star **Chris Bosh** didn't actually say that, but he'd probably agree with us.*

Advantages:
- *Prepare for technical degrees and college majors with the highest salaries*
- *Earn a letter grade higher in college STEM courses*
- *Be 4x more likely to graduate college on time*

Physics, chemistry & pre-calculus prepare you for majors like these:

- *Actuarial Science*
- *Athletic Training*
- *Biomedical Science*
- *Chemistry*
- *Engineering*
- *Forensic Science*
- *Information Technology*
- *Mathematics*
- *Pre-Med*
- *Science Education*

- *Architecture*
- *Biology*
- *Biotechnology*
- *Computer Science*
- *Exercise Science*
- *Health Science*
- *Kinesiology*
- *Physics*
- *Psychology*
- *Statistics*

"You're taking chemistry, physics & pre-calculus, right?"

*Actor and Neuroscientist **Mayim Bialik** didn't actually say that, but she'd probably agree with us.*

Advantages:
- *Prepare for technical degrees and college majors with the highest salaries*
- *Earn a letter grade higher in college STEM courses*
- *Be 4x more likely to graduate college on time*

Physics, chemistry & pre-calculus prepare you for majors like these:

- *Actuarial Science*
- *Athletic Training*
- *Biomedical Science*
- *Chemistry*
- *Engineering*
- *Forensic Science*
- *Information Technology*
- *Mathematics*
- *Pre-Med*
- *Science Education*

- *Architecture*
- *Biology*
- *Biotechnology*
- *Computer Science*
- *Exercise Science*
- *Health Science*
- *Kinesiology*
- *Physics*
- *Psychology*
- *Statistics*

"You're taking chemistry, physics & pre-calculus, right?"

*Pulsar discoverer **Jocelyn Bell Burnell** didn't actually say that, but she'd probably agree with us.*

Advantages:
- *Prepare for technical degrees and college majors with the highest salaries*
- *Earn a letter grade higher in college STEM courses*
- *Be 4x more likely to graduate college on time*

Physics, chemistry & pre-calculus prepare you for majors like these:

- *Actuarial Science*
- *Athletic Training*
- *Biomedical Science*
- *Chemistry*
- *Engineering*
- *Forensic Science*
- *Information Technology*
- *Mathematics*
- *Pre-Med*
- *Science Education*

- *Architecture*
