## **OPPORTUNITIES**

### ***BENEFITS***

- Extra consideration for ICCAE awards and events, IC jobs and internships when listing it on their CV/Resume and applications.
- Eligibility for the ICCAE Summer Seminar, exclusive internships and other select opportunities

### ***INTERNSHIPS***

Intelligence Community deadlines for internships are typically spread out during the fall, and are for either the following summer or even the year after (due to the security clearance process). They are also only open for a short time, and ICCAE mailings will keep members apprised of application openings and deadlines.

*\* If you cannot attend the Spring Colloquium for any reason, please contact the ICCAE Advisor for information on an alternative requirement.*
