REQUIREMENTS

ACHIEVING SCHOLAR STATUS

- Complete the ICCAE passport by:
 - attending two events
 - attending the Spring Colloquium*
 - scheduling an advising session with the ICCAE advisor.”
- Minimum 3.0 Cumulative GPA

MAINTAINING SCHOLAR STATUS

- Complete the ICCAE Passport
- Maintain 3.0 GPA
- Complete the Self-Assessment Activity (available on Webcourses)

As you attend events, make sure to get your passport stamped to let us know you have attended. When you complete your passport, submit it to the ICCAE office to get your Scholar status verified!

** If you cannot attend the Spring Colloquium for any reason, please contact the ICCAE Advisor for information on an alternative requirement.*

OPPORTUNITIES

BENEFITS OF SCHOLAR STATUS

Extra consideration for ICCAE awards and events, IC jobs and internships when listing it on their CV/Resume and applications.

- Eligibility for the ICCAE Summer Seminar, exclusive internships and other select opportunities

INTERNSHIPS

Intelligence Community deadlines for internships are typically spread out during the fall, and are for either the following summer or even the year after (due to the security clearance process). They are also only open for a short time, and ICCAE mailings will keep members apprised of application openings and deadlines.

The ICCAE offers an internship stipend for those doing unpaid and underpaid internships related to intelligence. Be sure to check our website for details!
