**Department of Political Science**  
Designation of Outside Reader Form

At least one member of every dissertation advisory committee must be from outside the Department of Political Science. It is the responsibility of the student to secure the participation of their outside reader. Before the dissertation proposal hearing can be scheduled the student must inform the Department of Political Science their outside reader so we can nominate them as Graduate Faculty Scholars at UCF, if they are not Graduate Faculty Scholars already.

When submitting this form, please attach your outside reader's CV.

Graduate Faculty Scholars are individuals with special expertise and qualifications that privilege them to participate in graduate education at UCF. Scholars are often not employed by UCF, or have a shorter-term employment affiliation with UCF, such as faculty at other institutions, adjunct instructors, lecturers, or postdoctoral fellows. For the full description of the roles of Graduate Faculty Scholars at UCF, please see the Graduate Council policy.
