## **General Areas of Teaching & Research**

Southern politics, race, racial attitudes, identity politics, voting behavior, political parties, elections, Florida politics, comparative politics, civic engagement, research methods.

## **Faculty Positions Held**

- 2005-date: Associate Professor (with tenure), University of Central Florida
- 1999-2005: Assistant Professor, University of Central Florida
- 1998-1999: Lecturer, University of New Orleans

## **Other Positions Held**

- 2011-2015: Fellow and Director of Research, Lou Frey Institute for Politics and Government, University of Central Florida
- 2008-2013: Graduate Program Director

## **Teaching**

### ***Courses Taught Last 5 Years***

#### Undergraduate:

**CPO 3103 – Comparative Politics** (*Upper level; elective for Political Science; core for International & Global Studies major; web-based*)

Government and politics in selected nations, with emphasis upon comparative analysis of contemporary problems, politics, political culture, behavior, and institutions.

**CPO 4123 – Government and Politics of Great Britain** (*Upper level; elective; face-to-face*)

A survey of British government, society, politics and institutions, emphasizing parliamentary traditions. Britain's foreign policy and European role will be discussed.

**POS 3173 – Southern Politics** (*Upper level; elective; face-to-face and web-based*)

Study of southern politics past and present. Emphasis on factors effecting changes in the region and the states, especially the role of race and racism. Southern and national relationship examined.

**POS 3703 – Scope & Methods of Political Science** (*Upper-level; core; web-based*)

The scope and methodology of political analysis. Extensive examination of the discipline, research design, methodology and data analysis. This class is required all political science majors.

Graduate:

**POS 6045 – Seminar on American Politics** (*Required, core seminar; face-to-face*)

Overview of the institutions and processes of the American political system, the trend and tendencies of political behavior, and the diverse theoretical understandings of American government in the world of political science. Focus is on understanding and critically evaluating interpretations of the structure and function of our governmental system, including: the three branches of government, elections, political socialization and civic engagement, representation, political parties, and interest mobilization.

**POS 6207 – Seminar on Political Behavior** (*Elective; face-to-face*)

Overview of current research on American political behavior. Examines topics such as public opinion, and political participation, with particular attention to electoral politics and voting behavior. The antecedents of opinions and participation are analyzed along with the consequences and implications of people's opinions and behavioral patterns. Methods of studying these phenomena are critically assessed

***Student Supervision Past 5 Years***

Ph.D. Committee Member

Stephanie Williams (University of South Florida), "In Defense of the Forgotten Man: The Sustained Legacy of the Southern Strategy on the Post-Reagan Era Presidency (Defender, Spring 2019), external committee member.
