

Pi Sigma Alpha Political Science Honor Society Membership Requirements and Application

The UCF Mu Sigma chapter of Pi Sigma Alpha is seeking new members. Pi Sigma Alpha, the Political Science National Honor Society, is the only honor society for college students studying political science (including International and Global Studies). Pi Sigma Alpha is open to both undergraduate and graduate students.

The purpose of Pi Sigma Alpha is to recognize students who excel in the study of political science and to spark interest in political science, scholarship and civic participation. Members of Pi Sigma Alpha receive certificates of membership and may also purchase honor cords and honor medallions that normally would be worn at graduation. Membership is a solid resume builder and is an honor that will look especially good on applications to graduate or law school.

Undergraduate Membership Requirements:

Must be a junior or senior undergraduate (60 or more credit hours completed) with a political science or international and global studies major or minor. Courses being taken this semester do not count.

Must have completed at least 10 credit hours at UCF in political science or international and global studies course work with at least one course taken at the 3000/4000 level or above. Courses being taken this semester (IP or in progress) do not count.

Must have at least a 3.0 GPA or higher in political science or international and global studies course work (must be at least 3.0 without rounding up).

Must have at least a 3.5 GPA or higher overall (must be at least 3.5 without rounding up).

Graduate Membership Requirements:

Graduate students must have completed at least 9 graduate credits in political science at UCF in the MA or PhD program with no grade lower than a B.

Cost of Membership: There is a onetime fee for lifetime membership.

\$65 - Membership Certificate with Honor Cord and Honor Medallion

\$35 – Lifetime Membership with Certificate

To Apply for Membership:

Fill out the application for Pi Sigma Alpha membership found on the 2nd page of this announcement.

Go to your my.ucf account and save a copy of your current degree audit. Please verify that you meet the membership requirements listed above for hours taken and GPA.

Please email UCF Pi Sigma Alpha Chapter Advisor Dr. Aubrey Jewett at Aubrey.Jewett@ucf.edu with your application and your degree audit attached (or if you have questions).

Deadline to Apply: Fall Semester October 1; Spring Semester March 1

Payment: Once Dr. Jewett has confirmed your eligibility, he will email you with a link that you can use to pay with your credit or debit card online directly to the national office. National office will then send membership certificates, cords, and medallions to UCF and we will distribute them to the new members.
