

Jeffrey S. Bedwell

Curriculum Vita (updated 10/30/23)

Department of Psychology
University of Central Florida
4111 Pictor Lane
Orlando, FL 32816-1390
Work Phone: 407-823-5858
Email: jeffrey.bedwell@ucf.edu

Educational History

2004	Ph.D., Psychology (Clinical) Dissertation Chair: L. Stephen Miller, Ph.D.	University of Georgia, Athens, GA
2002 - 2003	Predocloral Clinical Psychology Internship Clinical Neuropsychology Focus	Medical University of South Carolina/ Veterans Affairs Consortium, Charleston, SC
2001	M.S., Psychology (Clinical) Thesis Chair: L. Stephen Miller, Ph.D.	University of Georgia, Athens, GA
1995	B.S., Psychology (Magna Cum Laude)	James Madison University, Harrisonburg, VA

Professional Academic and Research Positions

2021 – present	Program Director/Director of Clinical Training, Clinical Psychology Ph.D. Program, Department of Psychology, University of Central Florida, Orlando, FL
2020 – present	Professor, Clinical Psychology Ph.D. Program, Department of Psychology, University of Central Florida, Orlando, FL
2020 – present	Secondary Joint Appointment: Professor of Medicine, Department of Clinical Sciences, College of Medicine, University of Central Florida, Orlando, FL
2010 – 2020	Associate Professor, Clinical Psychology Ph.D. Program, Department of Psychology, University of Central Florida, Orlando, FL
2016 – 2020	Secondary Joint Appointment: Associate Professor of Medicine, Department of Clinical Sciences, College of Medicine, University of Central Florida, Orlando, FL
2004 – 2010	Assistant Professor, Clinical Psychology Ph.D. Program, Department of Psychology, University of Central Florida, Orlando, FL
1996 – 1999	Post-baccalaureate Research Assistant (full-time, funded), Childhood-Onset Schizophrenia Project, Child Psychiatry Branch – Director: Dr. Judith Rapoport, National Institute of Mental Health, Bethesda, MD

Licensure

2006 - present	Psychologist (Clinical), Florida PY7264
----------------	---

Professional Society Membership

2021 – present	Member, Council of University Directors of Clinical Psychology
2007 – present	Member, Society for Research in Psychopathology
2004 – present	Member, American Psychological Association
2020 – 2021	Member, Association for Psychological Science
2005 – 2020	Member, Society of Biological Psychiatry

Awards and Honors

2020	Teaching Incentive Program Award (UCF) for excellence in undergraduate and graduate teaching and mentoring.
2019	Selected in competitive process for induction into the UCF Scroll & Quill Society based on “recognition of sustained and outstanding achievements in research activities.”
2016	Research Incentive Award (UCF) for research productivity and impact.
2011	Teaching Incentive Program Award (UCF) for excellence in undergraduate and graduate teaching and mentoring.
2003 - 2004	University-Wide Dissertation Completion Award, School of Graduate Studies, University of Georgia, Athens, GA
2003	First place in Research Paper Competition (based on external reviews), Predoctoral Clinical Internship, Medical University of South Carolina/Dept. of Veterans Affairs, Charleston, SC
2002	Henry E. Adams Memorial Research Award (based on external reviews), Clinical Psychology Program, University of Georgia, Athens, Georgia
2002	Herbert Zimmer Award, Clinical Psychology Program, University of Georgia, Athens, Georgia
2001	Manfred Meier Neuropsychology Scholarship, National award for excellence in neuropsychological research, American Psychological Foundation, American Psychological Association

Professional Development

2022 (Feb.)	Attended New Director of Clinical Training Workshop offered by the Council of University Directors of Clinical Psychology (Virtual)
2022 (Jan.)	Participant in Annual Mid-Winter Meeting, Council of University Directors of Clinical Psychology (Virtual due to COVID-19)
2020 – 2021	UCF Academic Leadership Academy
2018	UCF Faculty Excellence Summer Development Conference Track on Promotion from Associate Professor to Professor
2009	UCF New Faculty Focus Group
2006	UCF Faculty Center for Teaching and Learning – Workshop on “Teaching Creatively: Ideas in Action”
2005	UCF Online Course Development Training and Certification (IDL 6543)

Publications

Refereed Journal Articles

* Indicates a graduate student, ** undergraduate student, working under my supervision during the time the research was conducted.

The majority of articles in the below list, including more information, can be accessed at my ORCID website:

<https://orcid.org/0000-0002-1205-5792>

1. Panzarino, R., Vanrychkeghem, M., **Bedwell, J.**, & Wendt, O. (in press). Relationships between psychological distress and affective, behavioral, and cognitive experiences of stuttering. *American Journal of Speech-Language Pathology*.
2. Simpson, S.D.* & **Bedwell, J.S.** (2022). Big five aspect personality scales and social anxiety severity in a nonpsychiatric sample. *Personality and Individual Differences*, 199, 111840.
3. Salgari, G.C.*, Kramer, M.P., Spencer, C.C.*, Dvorak, R.D., Bohil, C.J., O'Donnell, J.P.*, & **Bedwell, J.S.** (2022). Psychometric psychopathy: Relationships with indices of reinforcement sensitivity theory factors. *Personality and Individual Differences*, 195, 111669.
4. Cohen, A.S., Cox, C.R., Cowan, T., Masucci, M.D., Le, T., Docherty, A.R., & **Bedwell, J.S.** (2022). High predictive accuracy of negative schizotypy with acoustic measures. *Clinical Psychological Science*, 10, 310-323.
5. Salgari, G.C.*, Potts, G.F., Schmidt, J., Chan, C.C.*, Spencer, C.C.*, & **Bedwell, J.S.** (2021). Event-related potentials to rare visual targets and negative symptoms severity in a transdiagnostic psychiatric sample. *Clinical Neurophysiology*, 132, 1526-1536.

6. Berg, S.K.** , **Bedwell, J.S.**, Dvorak, R.D., & Tone, E.B. (2021). Higher social anxiety predicts better cognitive empathy performance in women but not men. *Psychological Reports*, 124, 2549-2566.

Invited Chapters in Edited Scholarly Books (* indicates a graduate student working under my supervision)

1. **Bedwell, J.S.**, Simpson, S.D.*, & Salgari, G.C.* (2021). Neural perspectives on depression. *Encyclopedia of Behavioral Neuroscience*, 2nd Edition. Oxford, U.K.: Elsevier.
2. **Bedwell, J.S.**, Spencer, C.C.*, & O'Donnell, J.P.* (2018). Promise and challenges with the research domain criteria framework. In Beidel, D.C. & Frueh, C. (Ed.). *Adult Psychopathology and Diagnosis*, 8th Edition. Hoboken: John Wiley & Sons, Inc.
3. **Bedwell, J.S.**, Ragsdale, K.A.*, & Deptula, A.E.* (2015). Early visual processing abnormalities related to schizophrenia and autism spectrum disorder. In Hoffman, R.R., Hancock, P.A., Scerbo, M.W. Parasuraman, R., & Szalma, J.L. (Ed.), *The Cambridge Handbook of Applied Perception Research*. New York: Cambridge University Press.

Funded National Research Grants Received

Co-Principal Investigator (Total Costs: \$75,001; 30% credit) 8/1/2020 – 11/21/2020
 Department of Defense – Defense Health Agency – STTR (with Soar Technology, Inc.); PI: Corey Bohil
 “Neurofeedback training and hyperscanning for mission readiness and return-to-duty via functional near-infrared spectrometry (fNIRS).”

Principal Investigator (Total Costs: \$404,036; 100% credit) 3/17/14 – 11/14/16
 National Institute of Mental Health (1R15MH097222-01A1)
 “Transdiagnostic psychiatric symptoms related to visual processing abnormalities.”
 This project investigated clusters of psychiatric symptoms that relate to visual-evoked potential abnormalities across a broadly-defined schizophrenia-spectrum, which includes bipolar disorder. The overarching goal was to inform the NIMH Research Domain Criteria initiative, which aims to develop “new ways of classifying mental disorders based on dimensions of observable behavior and neurobiological measures.”

Co-Principal Investigator (Total Costs: \$249,994; 25% credit) 3/17/14 – 11/14/16
 U.S. Army Military Operations Medical Research Program (08214003); PI: Deborah Beidel
 “Trauma Management Therapy for OEF/OIF Veterans”
 This project utilizes “Plus Up” funds related to a larger funded project. This specific add-on project relates to assessment of event-related potentials and functional near-infrared imaging as related to olfactory processing of war-related scents in veterans in relation to treatment (pre/post assessment).

Co-Principal Investigator (Total Direct Costs: \$57,272; 33% Credit) 9/1/06 - 12/30/09
 National Science Foundation (BCS-0639037); Gallagher, Shaun (PI)

“Collaborative Research: Theoretical and Conceptual Advances in the Cognitive Neuroscience of Self Representation.” The overall goal was to bring together world researchers from philosophy, psychology, cognitive neuroscience and psychiatry in an interdisciplinary examination of the phenomenology, psychology, and neuroscience of self-representation.

Principal Investigator (Total Costs: \$2,500) 11/15/01 - 1/15/04
American Psychological Foundation, American Psychological Association.
Manfred Meier Neuropsychology Scholarship: Project used fMRI to examine the magnocellular visual pathway in nonpsychotic first-degree relatives of persons with schizophrenia.

Funded Internal/Local Research and Equipment Grants Received

Principal Investigator (Total: \$10,000) 3/22/12 – 2/28/13
University of Central Florida College of Sciences and Office of Research and Commercialization
SEED Grant – “Transdiagnostic psychiatric symptoms related to early visual processing abnormalities.”

Principal Investigator (Total: \$1,480). 12/4/07 – 5/1/10
The Learning Institute for Elders at University of Central Florida
Competitive Grant Program - Line of research on the influence of chronic stress on cognitive functioning in an older adult population.

Co-Investigator (Total: \$10,917) 11/1/08 – 10/31/09
University of Central Florida – College of Arts and Humanities; Yonetani, Ayako (PI)
2008-2009 Interdisciplinary Awards Program – “Music Brain Function”

Principal Investigator (Total: \$7,500) 4/1/08 – 3/31/09
University of Central Florida - Office of Research and Commercialization
In-House Research Grant: “Neurocognitive Correlates of Social Anxiety”

Principal Investigator (Total: \$7,500) 5/1/05 – 12/31/10
University of Central Florida - Office of Research and Commercialization
In-House Research Grant: “Biobehavioral Markers of Schizophrenia”

Principal Investigator (Total: \$96,000) 1/15/05 - 7/31/10
University of Central Florida - Office of Research and Commercialization
Presidential Major Equipment Award: “Functional magnetic resonance imaging equipment: A joint venture with Florida Hospital.”

Co-Principal Investigator (Total: \$1,000) 8/1/07 - 5/1/08
University of Central Florida Information Fluency Initiative; Whitten, Shannon (PI)
“Critical thinking about sources of news information.”

Principal Investigator (Total: \$2,000) 12/15/04 - 5/15/05
University of Central Florida – Burnett Honors College
Student-Mentor Academic Research Team (SMART) Grant: Project examined visual backward masking performance in undergraduate students who reported schizotypy features (Student: Diana Orem).

Principal Investigator (Total: \$2,500) 9/1/00 - 4/30/01
Georgia Gerontology Consortium Seed Grant Program.
“Accelerated age-related decline in sensory-perceptual processing in healthy, elderly, first-degree relatives of persons with schizophrenia.”

Editorial Positions

Associate Editor: *Frontiers in Psychology and Frontiers in Psychiatry: Psychopathology* (2021 – present)
Review Editor: *BMC Psychiatry* (2021 – present)

Editorial Board Membership

Journal of Psychiatric Research (2021 – present)

Frontiers in Psychology: Evolutionary Psychology (2017 – 2021)

Frontiers in Psychology: Social and Evolutionary Neuroscience (2017 – 2021)

Frontiers in Psychology: Evolutionary Psychology and Neuroscience (2011 – 2017)

Journal of Anxiety Disorders (2008 – 2011)

Research Grant Reviewer

European Science Foundation – Invited Three-Year Term as Member of the FWO Review College (2022 – 2024)

□ Panel Review Member – FWO G&M3RP grants for Section: Psychology, Pedagogy, Didactics and Social Work (2022)

□ Reviewer – FWO Senior Research Project (2023)

European Science Foundation – Invited Three-Year Term as Member of College of Expert Reviewers (2019 – 2022)

□ Research Foundation Flanders Grant (2020)

United States-Israel Binational Science Foundation (2021)

Social Sciences and Humanities Research Council of Canada – Insight Grant (2020)

European Science Foundation – Research Foundation Flanders Grant (2019; prior to appointment on above)

United States-Israel Binational Science Foundation (2019)

European Science Foundation – Exploratory Workshop proposal (2011)

United States-Israel Binational Science Foundation (2010)

Social Sciences and Humanities Research Council of Canada (2009)

Service to National and International Professional Organizations

2021 – present Member, Diversity Workforce, Mentoring Subcommittee, Society for Research in Psychopathology

2022 Panelist, Diversifying Clinical Psychology Graduate Admissions Panel, Annual Mid-Winter Meeting, Council of University Directors of Clinical Psychology (Virtual due to COVID-19)

2021 Member of President's Award Committee – Society for Research in Psychopathology

2019 – 2020 Member of Honorific Awards Committee – Society of Biological Psychiatry

2019 Member of Program Planning Committee – Society for Research in Psychopathology

2018 Participated as a selected Mentor to a young investigator at the 2018 Mentor/Mentee Program at the 32nd Annual Meeting of the Society for Research in Psychopathology.

2016 – 2019 Member of Ziskind-Somerfeld Award Committee, Society of Biological Psychiatry

2017 – 2018 Co-Chair of Ziskind-Somerfeld Award Committee, Society of Biological Psychiatry

2017 Invited Mentor for a young investigator for the 2017 Mentor/Mentee Program of the Society of Biological Psychiatry.

2015 – 2017 Member of Continuing Education Committee, American Psychological Association

2015 – 2017 Member of Program Planning Committee, Continuing Education Workshops, American Psychological Association Annual Convention

2013 – 2016 Member of Program Planning Committee, Society of Biological Psychiatry

2012 Reviewer for Young Investigator Travel Awards, International Congress on Schizophrenia Research Program Committee

2011 – present Campus/Training Representative, American Psychological Association Federal Education Advocacy Coordinators (FEDAC)

Chair or Moderator of Research Conference Symposium/Oral Session

2019 (September): Session Chair of Paper Session – *Internalizing Disorders*. 33rd Annual Meeting of the Society for Research in Psychopathology, Buffalo, NY.

2018 (September): Moderator of Paper Session – *Social cognition and treatment in schizophrenia*. 32nd Annual Meeting of the Society for Research in Psychopathology, Indianapolis, IN.

2017 (September): Symposium Chair. Bedwell, J.S., Butler, P.D., Erikson, M., & Lee, J. *Visual processing across schizophrenia-spectrum and mood disorders: Links to transdiagnostic symptoms, cognition, and functional outcome*. 31st Annual Meeting of the Society for Research in Psychopathology, Denver, CO.

- 2016 (May): Oral Session Chair. *Schizophrenia Biology*. 71st Annual Scientific Meeting of the Society of Biological Psychiatry, Atlanta, GA.
- 2015 (May): Oral Session Chair. *Translational Approaches Across Disorders*. 70th Annual Scientific Meeting of the Society of Biological Psychiatry, Toronto, Ontario, Canada.

Invited National or State Research Presentations and Research Panel Activities

- 2022 (Sept.): Invited “Featured Speaker.” *The Effects of Social Media on Mental Health*. National Alliance on Mental Illness Florida Annual Conference, Orlando, FL.
- 2022 (May): Invited panel member: Salon Series, Cultural Programs of the National Academy of Sciences. *What does evaluating art exhibitions for diverse communities look like?* Online meeting (May 17, 2022).
- 2021 (May): Speaker. *Transdiagnostic psychiatric symptoms and event-related potentials following rewarding and aversive outcomes*. Invited talk to the EPICENTER research team at Ohio State University.

International and National Research Conference Presentations

* Indicates a graduate or medical student, ** undergraduate student, working under my supervision during the time the research was conducted.

1. Panzarino, R., Vanryckeghem, M., **Bedwell, J.**, & Wendt, O. (2023, September). *Relationships between psychological distress and affective, behavioral and cognitive experiences of stuttering*. Poster to be presented at the 13th Oxford Dysfluency Conference, Oxford, UK.
2. Simpson, S.D.* & **Bedwell, J.S.** (2022, November). *Big five aspect personality scales and social anxiety severity in a nonpsychiatric sample*. Poster presented at the 56th Annual Meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
3. Simpson, S.D.*, So, A.W., Gooding, D.C., & **Bedwell, J.S.** (2022, September). *The revised reinforcement sensitivity theory of personality and social anhedonia severity*. Poster presented at the Annual Meeting of the Society for Research in Psychopathology, Philadelphia, PA.
4. Salgari, G.C.*, Le, T., & **Bedwell, J.S.** (2022, September). *Neural correlates of visual processing in a transdiagnostic sample*. Poster presented at the Annual Meeting of the Society for Research in Psychopathology, Philadelphia, PA.
5. Panzarino, R., Vanryckeghem, M., Wendt, O. & **Bedwell, J.** (2022, May). *Psychological distress and affective, behavioral and cognitive experiences of the person who stutters*. Technical presentation at the Joint World Congress on Stuttering and Cluttering, Montreal, Canada.
6. Ruiz, J.A.* & **Bedwell, J.S.** (2021, May). *Firefighter suicidality and help-seeking behavior: A mixed-methods study*. Poster presented at the Annual Convention of the Association for Psychological Sciences (held online due to pandemic).
7. Salgari, G.C.*, Kramer, M., Spencer, C.C.*, Dvorak, R., O'Donnell, J.P.*, **Bedwell, J.S.** (2021, May). *Features of psychopathy and the revised reinforcement sensitivity theory*. Poster presented at the Annual Convention of the Association for Psychological Sciences (held online due to pandemic).
8. O'Donnell, J.P.*, Spencer, C.C.*, & **Bedwell, J.S.** (2021, May). *Concussion history and effort expenditure for reward*. Poster presented at the Annual Convention of the Association for Psychological Sciences (held online due to pandemic).
9. Garcia, A.** & **Bedwell, J.S.** (2021, May). *Structural equation analysis of steps 1 and 2 of the three-step theory of suicidality*. Poster presented at the Annual Convention of the Association for Psychological Sciences (held online due to pandemic).
10. **Bedwell, J.S.**, Cohen, A.S., Spencer, C.C.*, & Simpson, S.D.* (2019, September). *The emotional experience and expression suppression scale: Psychometric properties and relationships with depression and schizotypy*. Oral session presented at the 33rd Annual Meeting of the Society for Research in Psychopathology, Buffalo, NY.
11. Berg, S.K.** , **Bedwell, J.S.**, & Tone, E.B. (2019, September). *Social anxiety severity and empathy: The moderating influences of general anxiety severity and biological sex*. Poster session presented at the 33rd Annual Meeting of the Society for Research in Psychopathology, Buffalo, NY.
12. LaRochelle, C.E.** , Spencer, C.C.* , Simpson, S.D.* , & **Bedwell, J.S.** (2019, September). *Emotion expression suppression relates to lower empathy*. Poster session presented at the 33rd Annual Meeting of the Society for Research in Psychopathology, Buffalo, NY.

13. Lee Lum, A.A.**, Spencer, C.C.*, & **Bedwell, J.S.** (2019, September). *General personality dysfunction and general anxiety severity*. Poster session presented at the 33rd Annual Meeting of the Society for Research in Psychopathology, Buffalo, NY.
14. O'Donnell, J.P.*, Spencer, C.C.*, & **Bedwell, J.S.** (2019, September). *Concussion history and effort for reward*. Poster session presented at the 33rd Annual Meeting of the Society for Research in Psychopathology, Buffalo, NY.
15. Payne, C.A.** & **Bedwell, J.S.** (2019, September). *Does mental status moderate the relationship between traumatic brain injury history and life satisfaction?* Poster session presented at the 33rd Annual Meeting of the Society for Research in Psychopathology, Buffalo, NY.
16. Schifft, S.L.*, Spencer, C.C.*, Simpson, S.D.*, & **Bedwell, J.S.** (2019, September). *Reduced visuospatial working memory performance relates to increased blunted affect in unipolar depression*. Poster session presented at the 33rd Annual Meeting of the Society for Research in Psychopathology, Buffalo, NY.
17. Simpson, S.D.*, Spencer, C.C.*, Gooding, D.C., & **Bedwell, J.S.** (2019, September). *General personality dysfunction and social anhedonia severity*. Poster session presented at the 33rd Annual Meeting of the Society for Research in Psychopathology, Buffalo, NY.
18. Spencer, C.C.*, Vivier, H., Davey, B., & **Bedwell, J.S.** (2019, September). *Levels of maladaptive personality in cancer patients*. Poster session presented at the 33rd Annual Meeting of the Society for Research in Psychopathology, Buffalo, NY.
19. **Bedwell, J.S.**, Spencer, C.C.*, Chirino, C.A.**, & O'Donnell, J.P.* (2018, September). *The sweet taste test: Assessment of initial response to reward*. Poster session presented at the 32nd Annual Meeting of the Society for Research in Psychopathology, Indianapolis, IN.
20. Spencer, C.C.*, **Bedwell, J.S.**, & Bohil, C.J. (2018, September). *Bayesian examination of reward processing in narcissism*. Poster session presented at the 32nd Annual Meeting of the Society for Research in Psychopathology, Indianapolis, IN.
21. O'Donnell, J.P.*, **Bedwell, J.S.**, & Spencer, C.C.* (2018, September). *Past cannabis use, biological sex, and anhedonia across psychiatric diagnoses*. Poster session presented at the 32nd Annual Meeting of the Society for Research in Psychopathology, Indianapolis, IN.
22. **Bedwell, J.S.**, Spencer, C.C.*, Chan, C.C.*, Butler, P.D., Sehatpour, P., & Schmidt, J. (2017, September). *The P1 visual-evoked potential and transdiagnostic psychiatric symptoms*. Symposium session at the 31st Annual Meeting of the Society for Research in Psychopathology, Denver, CO.
23. Spencer, C.C.*, **Bedwell, J.S.**, & O'Donnell, J.* (2017, September). *A multilevel examination of the narcissism spectrum and the revised-reinforcement sensitivity theory of personality*. Poster session presented session at the 31st Annual Meeting of the Society for Research in Psychopathology, Denver, CO.
24. **Bedwell, J.S.**, Bohil, C.J., Neider, M.B., Gramlich, M.A., Neer, S.M., & Beidel, D.C. (2017, May). *The late positive potential response to olfactory stimuli in combat veterans with posttraumatic stress disorder*. Poster session presented at 72nd Annual Scientific Convention of the Society of Biological Psychiatry, San Diego, CA.
25. Spencer, C.C.*, Foster, J.D. & **Bedwell, J.S.** (2017, May). *Structural relationships among the revised-reward sensitivity theory and grandiose and vulnerable narcissism*. Poster session presented at 72nd Annual Scientific Convention of the Society of Biological Psychiatry, San Diego, CA.
26. **Bedwell, J.S.**, Potts, G.F., Gooding, D.C., Trachik, B.J.*, Chan, C.C.*, & Spencer, C.C.* (2016, May). *Transdiagnostic psychiatric symptoms and event-related potentials following rewarding and aversive outcomes*. Poster session presented at 71st Annual Scientific Meeting of the Society of Biological Psychiatry, Atlanta, GA.
27. Spencer, C.C. *, Foster, J.D., Braden, D.**, & **Bedwell, J.S.** (2016, May). *Differential relationships between subtypes of self-reported narcissism and behavioral reward sensitivity*. Poster session presented at 71st Annual Scientific Meeting of the Society of Biological Psychiatry, Atlanta, GA.
28. Finner, A.M.**, Chan, C.C.*, & **Bedwell, J.S.** (2016, May). *Transdiagnostic exploration of psychiatric symptoms related to misattribution errors in neutral faces*. Poster session presented at 71st Annual Scientific Meeting of the Society of Biological Psychiatry, Atlanta, GA.
29. **Bedwell, J.S.**, Potts, G.F., Gooding, D.C., Trachik, B.J.*, Chan, C.C.*, & Spencer, C.C.* (2015, October). *A transdiagnostic examination of neurophysiology during reward processing in schizophrenia-spectrum and bipolar disorders*. Oral session presented at the 29th Annual Meeting of the Society for Research in Psychopathology, New Orleans, LA.

30. Chan, C.C.*, Spencer, C.C.*, West, C.*, Viegas, C.*, & **Bedwell, J.S.** (2015, May). *Metacognition in psychometrically-defined schizotypy*. Poster presented at the 70th Annual Scientific Meeting of the Society of Biological Psychiatry, Toronto, Ontario, Canada.
31. **Bedwell, J.S.**, Butler, P.D., Chan, C.C.*, & Trachik, B.J.* (2015, May). *Transdiagnostic psychiatric symptoms related to visual-evoked potential abnormalities*. Poster presented at the 70th Annual Scientific Meeting of the Society of Biological Psychiatry, Toronto, Ontario, Canada.
32. Deptula, A.E.*, **Bedwell, J.S.**, & Malaspina, D. (2015, May). *Declarative memory, theory of mind, and social functioning in schizophrenia*. Poster presented at the 70th Annual Scientific Meeting of the Society of Biological Psychiatry, Toronto, Ontario, Canada.
33. **Bedwell, J.S.**, Butler, P.D., Chan, C.C.*, & Trachik, B.J.* (2015, March). *Transdiagnostic psychiatric symptoms related to visual-evoked potential abnormalities*. Oral presentation at the 15th International Congress on Schizophrenia Research, Colorado Springs, CO.
34. **Bedwell, J.S.**, Compton, M.T., Jentsch, F.G., Deptula, A.E.*, Goulding, S.M., & Tone, E.B. (2015, March). *Latent factor modeling of four schizotypy dimensions with theory of mind and empathy*. Poster presented at the 15th International Congress on Schizophrenia Research, Colorado Springs, CO.
35. **Bedwell, J.S.**, Trachik, B.J.*, Cohen, A.S., Deptula, A.E.*, & Mitchell, J.E.* (2014, May). *Speech prosody abnormalities and specific dimensional schizotypy features: Are relationships limited to males?* Poster presented at the 69th Annual Scientific Meeting of the Society of Biological Psychiatry, New York, NY.
36. Chan, C.C.*, Trachik, B.J.*, & **Bedwell, J.S.** (2014, May). *An event-related potential investigation of error monitoring in adults with a history of psychosis*. Poster presented at the 69th Annual Scientific Meeting of the Society of Biological Psychiatry, New York, NY.
37. **Bedwell, J.S.** (2014, January). *Eye tracking and electroencephalography in psychological research and education*. Invited talk presented at the annual conference of the American Association of Physics Teachers, Orlando, FL.
38. Rassovsky, Y., Steinberg, A., Harpaz, Y., Goldstein, A., & **Bedwell, J.S.** (2014, January). *Electrophysiological correlates of the red light effect in individuals with psychometrically defined schizotypy: A MEG study*. Poster presented at the annual Alpine Brain Imaging Meeting, Champéry, Switzerland.
39. Chan, C.C.*, Trachik, B.J.*, Kadison, L.***, Puentes, C.***, Pacheco, M.***, & **Bedwell, J.S.** (2013, July). *Error-related negativity in individuals with a history of psychosis*. Poster presented at the 7th World Congress of Behavioural and Cognitive Therapies, Lima, Peru.
40. **Bedwell, J.S.**, Chan, C.C.*, Cohen, O., Karbi, Y., Shamir, E., & Rassovsky, Y. (2013, May). *The magnocellular visual pathway and facial emotion misattribution errors in schizophrenia*. Poster presented at the 68th Annual Scientific Meeting of the Society of Biological Psychiatry, San Francisco, CA.
41. **Bedwell, J.S.**, Chan, C.C.*, Cohen, O., Karbi, Y., Shamir, E., & Rassovsky, Y. (2013, April). *The magnocellular visual pathway and facial emotion misattribution errors in schizophrenia*. Poster presented at the 14th International Congress on Schizophrenia Research, Orlando, FL.
42. Trachik, B.J.*, Gooding, D.C., Chan, C.C.*, Kadison, L.***, Puentes, C.***, & **Bedwell, J.S.** (2013, April). *Subtypes of anhedonia in broadly-defined schizophrenia-spectrum disorders*. Poster presented at the 14th International Congress on Schizophrenia Research, Orlando, FL.
43. Deptula, A.E.* & **Bedwell, J.S.** (2013, April). *Schizotypy and phenomenological characteristics of autobiographical memory*. Poster presented at the 14th International Congress on Schizophrenia Research, Orlando, FL.
44. Kolpakova, J.** & **Bedwell, J.S.** (2013, April). *Cat bites in childhood and schizotypy in early adulthood*. Poster presented at the 14th International Congress on Schizophrenia Research, Orlando, FL.
45. Pearte, C.*, Renk, K., & **Bedwell, J.** (2013). *The use of dialectical behavior therapy with an outpatient client with borderline personality disorder: A case study*. American Psychological Association Convention, Honolulu, Hawaii.
46. Ragsdale, K.A.*, Mitchell, J.C.*, Kadison, L.S.***, Schlander, D.S.***, Spencer, C.***, & **Bedwell, J.S.** (2012, September). *Electrodermal arousal to pictures of others in distress in individuals with schizotypy*. Poster presented at the 52nd Annual Meeting of the Society for Psychophysiological Research in New Orleans, LA.
47. **Bedwell, J.S.**, Rassovsky, Y., Butler, P., Ranieri, A.***, Spencer, C.***, and Deptula, A.E.* (2012, August). *The relationship of visual-evoked potentials with specific symptoms of schizophrenia*. Paper session presented at the 120th Annual Convention of the American Psychological Association, Division 12 – Society of Clinical Psychology, in Orlando, FL.

48. **Bedwell, J.S.**, Chan, C.C.*, Trachik, B.J.*, Spencer, C.***, Richards, D.***, & Rassovsky, Y. (2012, May). *Red light and early visual-evoked potentials in relation to specific symptoms of schizotypy*. Poster presented at the 67th Annual Scientific Meeting of the Society of Biological Psychiatry in Philadelphia, PA.
49. Pearte, C.*, Renk, K., & **Bedwell, J.** (2012). *The use of dialectical behavior therapy with an outpatient client with borderline personality disorder: A case study*. Annual Research Meeting of the Association for Behavioral and Cognitive Therapies in National Harbor, Maryland.
50. **Bedwell, J.S.**, Butler, P., Ranieri, A.***, Rassovsky, Y., & Keller, E. (2011, September). *Differential schizotypy symptom relationships with two lateralized visual-evoked potential effects*. Poster presented at the 25th Annual Meeting of the Society for Research in Psychopathology in Boston, MA.
51. Deptula, A.E.*, Vann-Campbell, I.***, & **Bedwell, J.S.** (2011, September). *Unique schizotypy symptom relationships with distinct aspects of theory of mind*. Poster presented at the 25th Annual Meeting of the Society for Research in Psychopathology in Boston, MA.
52. Ragsdale, K.*, **Bedwell, J.S.**, Allen, M.***, Fiore, S., & Gallagher, S. (2011, September). *Increased dimensional somatization is related to an increased color-word stroop effect*. Poster presented at the 25th Annual Meeting of the Society for Research in Psychopathology in Boston, MA.
53. **Bedwell, J.S.**, Hernandez, D.***, & Ranieri, A.*** (2010, October). *The backward masking red light effect and schizotypy: The influence of sex*. Poster presented at the 24th Annual Meeting of the Society for Research in Psychopathology in Seattle, WA.
54. Sutterby, S.R.*, Passler, J.S.***, & **Bedwell, J.S.** (2010, October). *Social anxiety and social cognition: The influence of sex*. Poster presented at the 24th Annual Meeting of the Society for Research in Psychopathology in Seattle, WA.
55. Ragsdale, K.* & **Bedwell, J.S.** (2010, October). *The relationship between schizotypy and psychopathy*. Poster presented at the 24th Annual Meeting of the Society for Research in Psychopathology in Seattle, WA.
56. **Bedwell, J.S.**, Orem, D.M.*, & Kamath, V.* (2010, May). *The backward masking red light effect in schizophrenia: Relationship with symptoms and premorbid intelligence*. Poster presented at the 65th annual meeting of the Society of Biological Psychiatry in New Orleans, LA.
57. Orem, D.M.* & **Bedwell, J.S.** (2010, February). *The role of emotional content on selective attention in individuals with schizophrenia and demographically matched controls*. Poster presented at the 38th Annual Meeting of the International Neuropsychological Society in Acapulco, Mexico.
58. Sutterby, S.R.*, Johnston, L.N.***, & **Bedwell, J.S.** (2010, February). *Neuropsychological functioning in social phobia*. Poster presented at the 38th Annual Meeting of the International Neuropsychological Society in Acapulco, Mexico.
59. Whitten S. N., **Bedwell J.**, Mottarella K., Collins D., Harper A., Maleski L., Lajoie B., & Gilliard J. (2010, January). *Relationship between openness to experience and watching comedy news programs*. Poster presented at the 11th annual Society for Personality and Social Psychology in Las Vegas, Nevada.
60. **Bedwell, J.S.**, Orem, D.M.*, Kamath, V.*, & Deptula, A.E.* (2009, September). *Visual backward masking and the emotional stroop task in schizophrenia*. Poster presented at the annual meeting of the Society for Research in Psychopathology in Minneapolis, MN.
61. Dykstra, D.M.*, Orem, D.M.*, Kamath, V.*, Deptula, A.E.*, & **Bedwell, J.S.** (2009, September). *Verbal working memory and anticipatory pleasure in schizophrenia*. Poster presented at the annual meeting of the Society for Research in Psychopathology in Minneapolis, MN.
62. Deptula, A.E.*, Kamath, V.*, Orem, D.M. *, & **Bedwell, J.S.** (2009, September). *The emotional stroop task and cognitive empathy in schizophrenia*. Poster presented at the annual meeting of the Society for Research in Psychopathology in Minneapolis, MN.
63. Petrac, D.C.*, & **Bedwell, J.S.** (2009, February). *Self-reported lifetime stress and performance on neuropsychological tasks in older adults*. Poster presented at the 37th Annual Meeting of the International Neuropsychological Society in Atlanta, GA.
64. **Bedwell, J.S.**, Orem, D.M.*, Rassovsky, Y., Allen, L.G., & Sutterby, S.R.* (2008, September). *A potential qualitative endophenotype for schizophrenia: Backward masking response to red light*. Poster session presented at the annual meeting of the Society for Research in Psychopathology, Pittsburgh, PA.
65. Kamath, V.* & **Bedwell, J.S.** (2008, May). *Is the smell identification deficit in schizophrenia specific to pleasant odors?* Poster session presented at the annual meeting of the Society of Biological Psychiatry, Washington, DC.
66. **Bedwell, J.S.**, Orem, D.M.*, Rassovsky, Y., Allen, L.G., & Sutterby, S.R.* (2008, May). *A potential qualitative endophenotype for schizophrenia: Backward masking response to red light*. Poster session presented at the annual meeting of the Society of Biological Psychiatry, Washington, DC.

67. Orem, D.M.* & **Bedwell, J.S.** (2008, May). *Cognitive correlates of delusion-proneness in a nonpsychiatric population*. Poster session presented at the annual meeting of the Society of Biological Psychiatry, Washington, DC.
68. Orem, D.M.* & **Bedwell, J.S.**, & Kamath, V.*. (2008, May). *The discriminant validity of psychometric measures of delusion-proneness and schizotypy*. Poster session presented at the annual meeting of the Society of Biological Psychiatry, Washington, DC.
69. Kamath, V.* & **Bedwell, J.S.** (2008, February). *A disconnect between self-report questionnaire and clinical interview assessment of schizotypal personality: Influence on cognitive endophenotype expression*. Poster session presented at the annual meeting of the International Neuropsychological Society, Waikoloa, HI.
70. Orem, D.M.* & **Bedwell, J.S.** (2007, November). *Cognitive correlates of delusion-proneness in a nonpsychiatric population*. Poster session presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
71. Sutterby, S.R.* & **Bedwell, J.S.** (2007, November). *Lack of attention bias to disgust faces in relation to a dimensional construct of social anxiety*. Poster session presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
72. Kamath, V.* & **Bedwell, J.S.**, Asberg, K.K., & Baksh, E.J. (2007, November). *Social support moderates the relationship between maladaptive schemas and schizotypal personality*. Poster session presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
73. Petrac, D.* & Orem, D.* & **Bedwell, J.S.** (2007, August). *The relationship between chronic self-reported stress and divided attention*. Poster session presented at the annual meeting of the American Psychological Association, San Francisco, CA.
74. Orem, D.M.* & Petrac, D.* & **Bedwell, J.S.** (2007, August). *Chronic self-perceived stress and set-shifting performance*. Poster session presented at the annual meeting of the American Psychological Association, San Francisco, CA.
75. Whitten, S.N., Mottarella, K. & **Bedwell, J.S.** (2007, July). *The relationship between news media and argument quality*. Poster session presented at the annual meeting of the Society for Text and Discourse, Glasgow, Scotland.
76. **Bedwell, J.S.**, Fiore, S., & Gallagher, S. (2007, May). *Linguistic changes in autobiographical narrative related to deception: Self vs. false self*. Proposal presented at the annual workshop of the Brain, Agency, Self, Intersubjectivity, and Consciousness (BASIC) Project of the European Science Foundation Consciousness in a Natural and Cultural Context initiative, Snekkersten, Denmark.
77. **Bedwell, J.S.**, Orem, D.M.* & Allen, L.G., Donnelly, R.S.* & Kamath, V.* & Petrac, D.* (2007, March). *Visual processing response to red light: A useful endophenotype for schizophrenia?* Oral presentation at the 11th International Congress on Schizophrenia Research, Colorado Springs, CO.
78. Kamath, V.* & **Bedwell, J.S.** (2007, March). *Olfactory identification deficits related to psychometrically-defined schizotypy*. Poster session presented at the 11th International Congress on Schizophrenia Research, Colorado Springs, CO.
79. Faraco, C.C., Miller, L.S., Yanasak, N., **Bedwell, J.**, & Kessel, Y. (2007, February). *Searching for endophenotypic markers of schizophrenia: An FMRI study using the stroop task*. Poster session presented at the annual meeting of the International Neuropsychological Society, Portland, OR.
80. Webster, C.E.** & Sutterby, S.R.* & **Bedwell, J.S.** (2006, November). *Personality traits related to vengeance propensity*. Poster session presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.
81. **Bedwell, J.S.**, Baksh, E.J.* & Orem, D.M.* & Kamath, V.* (2006, May). *Backward masking red light effect in individuals hypothetically at risk for schizophrenia*. Poster session presented at the annual meeting of the Society of Biological Psychiatry, Toronto, Ontario, Canada.
82. Orem, D.M.* & Smith, G.V., & **Bedwell, J.S.** (2006, May). *Pituitary volume in first-degree relatives of persons with schizophrenia*. Poster session presented at the annual meeting of the Society of Biological Psychiatry, Toronto, Ontario, Canada.
83. Kamath, V.* & Baksh, E.J.* & **Bedwell, J.S.** (2006, May). *Relative sensitivity of the continuous performance test to schizotypal personality features*. Poster session presented at the annual meeting of the Society of Biological Psychiatry, Toronto, Ontario, Canada.
84. **Bedwell, J.S.**, Donnelly, R.S.* & Orem, D.M.* & Baksh, E.J.* (2005, May). *Schizotypal personality disorder or prodromal symptoms of schizophrenia?* Poster session presented at the annual meeting of the Society of Biological Psychiatry, Atlanta, GA.

85. **Bedwell, J.S.**, Brown, J.M., Yanasak, N.E., & Miller, L.S. (2004, April). *Schizophrenia and red light: fMRI evidence for a novel biobehavioral marker*. Poster session presented at the annual meeting of the Society of Biological Psychiatry, New York, NY.
86. Horner, M.D., **Bedwell, J.S.**, & Duong, A. (2004, February). *An abbreviated form of the test of memory malingering*. Poster session presented at the annual meeting of the International Neuropsychological Society, Baltimore, MD.
87. Mani, T.M., **Bedwell, J.S.** & Miller, L.S. (2003, October). *Age-related decrements in performance on the continuous performance test*. Poster session presented at the annual meeting of the National Academy of Neuropsychology, Dallas, TX.
88. Yamanaka, K., Nahas, Z., Mu, Q., Mishory, A., Hill, S.A., Horner, M.D., **Bedwell, J.**, et al. (2003, May). *The effect of sleep deprivation on functional circuits involved in working memory*. Poster session presented at the annual meeting of the Society of Biological Psychiatry, San Francisco, CA
89. Klumpp, H., Amir, N., Elias, J., Selvig, A., Yanasak, N., **Bedwell, J.**, et al. (2003, March). *Correlation of fMRI data and behavioral data in the emotional processing of facial expressions in social phobia*. Poster session presented at the annual meeting of the Anxiety Disorders Association of America, Toronto, Ontario, Canada.
90. **Bedwell, J.S.**, Yanasak, N., & Miller, L.S. (2003, April). *Preliminary fMRI evidence for a hyperactive magnocellular visual pathway in first-degree relatives of persons with schizophrenia*. Poster session presented at the 9th International Congress on Schizophrenia Research, Colorado Springs, CO.
91. Miller, S., **Bedwell, J.S.**, Yanasak, N., & Allison, J. (2003, February). *Age effects on the stroop color-word task as measured by the fMRI BOLD response*. Poster session presented at the annual meeting of the International Neuropsychological Society, Honolulu, HI.
92. **Bedwell, J.S.**, Strauss, G.P., Esposito, S., & Miller, L.S. (2002, May). *Accelerated age-related decline of executive functioning in healthy first-degree relatives of persons with schizophrenia*. Poster session presented at the annual meeting of the Society of Biological Psychiatry Convention, Philadelphia, PA.
93. **Bedwell, J.S.**, Brown, J.M., Strauss, G.P., Esposito, S., & Miller, L.S. (2002, May). *Evidence of a hyperactive magnocellular visual pathway in healthy first-degree relatives of persons with schizophrenia – Backward masking and red light*. Poster session presented at the annual meeting of the Society of Biological Psychiatry, Philadelphia, PA.
94. Miller, L.S., **Bedwell, J.S.**, Allison, J., & Strauss, G. (2002, May). *A robust, qualitatively similar but quantitatively different bold response in healthy older versus younger adults on a retinal photic-stimulation fMRI task*. Poster session presented at the annual meeting of the Society of Biological Psychiatry, Philadelphia, PA.
95. **Bedwell, J.S.**, Strauss, G., & Miller, L.S. (2002, February). *Accelerated age-related decline of visual processing in schizophrenia*. Poster session presented at the International Neuropsychological Society, Toronto, Ontario, Canada.
96. Miller, L.S., **Bedwell, J.S.**, Parrish, C., Carter, N.M., & Evans, C.C. (2001, April). *Brain ventricular volume correlates with verbal memory deficits in persons hypothetically at-risk for schizophrenia*. Poster session presented at the 8th International Congress on Schizophrenia Research, Whistler, British Columbia, Canada.
97. **Bedwell, J.S.**, Evans, C.C., Carter, N.M., & Miller, L.S. (2000, November). *Neuropsychological correlates of lateral ventricular volume in persons hypothetically at-risk for schizophrenia*. Poster session presented at the annual meeting of the National Academy of Neuropsychology, Orlando, FL.
98. **Bedwell, J.S.**, Evans, C.C., Carter, N.M., & Miller, L.S. (2000, May). *Lateral ventricular volume correlates in persons hypothetically at-risk for schizophrenia*. Poster session presented at the annual meeting of the Society of Biological Psychiatry, Chicago, IL.
99. **Bedwell, J.S.**, Keller, B, Smith, A.K., Goldberg, T.E., Hamburger S., Kumra, S., et al. (1999, May). *Childhood-onset schizophrenia: Why does post-psychotic IQ decline?* Paper presented at the annual meeting of the Society of Biological Psychiatry, Washington, DC.
100. Nicolson, R., Singaracharlu, S., Lenane, M., Giedd, J.N., Hamburger, S.D., **Bedwell, J.**, et al. (1999, May). *Premorbid impairments in childhood-onset schizophrenia: Association with risk factors*. Poster session presented at the annual meeting of the Society of Biological Psychiatry, Washington, DC.
101. Nicolson, R., Swedo, S.E., Lenane, M., **Bedwell, J.**, & Rapoport, J.L. (1999, May). *Plasmapheresis treatment of childhood-onset obsessive-compulsive disorder*. Poster session presented at the annual meeting of the Society of Biological Psychiatry, Washington, DC.

102. Lenane, M., Nicolson, R., **Bedwell, J.**, & Rapoport, J.L. (1999). *Schizophrenia spectrum disorders in first-degree relatives of patients with childhood-onset schizophrenia*. Poster session presented at the 7th International Congress on Schizophrenia Research, Santa Fe, NM.
103. Nicolson, R., Hommer, D., Thaker, G., Brown, M., **Bedwell, J.**, Lenane, M., et al. (1999). *Smooth pursuit eye tracking in the relatives of patients with childhood-onset schizophrenia*. Poster session presented at the 7th International Congress on Schizophrenia Research, Santa Fe, NM.
104. Nicolson, R., Giedd, J., Malaspina, D., Lenane, M., Fernandez, T., **Bedwell, J.**, et al. (1999). *Obstetrical complications in childhood-onset schizophrenia*. Poster session presented at the 7th International Congress on Schizophrenia Research, Santa Fe, NM.
105. **Bedwell, J.S.**, Kumra, S., Rapoport, J.L., & Asarnow, R. (1998, May). *Comparison of neuropsychological deficits in pediatric patients with childhood-onset schizophrenia and multidimensionally impaired syndrome*. Poster session presented at the annual meeting of the Society of Biological Psychiatry, Toronto, Ontario, Canada.
106. Kumra, S., **Bedwell, J.**, Hommer, D., & Rapoport, J. (1998, May). *Comparison of smooth pursuit eye movements in pediatric patients with childhood-onset schizophrenia and "multidimensionally impaired syndrome."* Poster session presented at the annual meeting of the Society of Biological Psychiatry, Toronto, Ontario, Canada.
107. Nicolson, R., Kumra, S., Giedd, J., Fernandez, T., **Bedwell, J.**, Lenane, M. et al. (1998, May). *Clinical and biological correlates of cytogenetic abnormalities in childhood-onset psychosis*. Poster session presented at the annual meeting of the Society of Biological Psychiatry, Toronto, Ontario, Canada.

Invited Research Presentations to the Community and University

1. Bedwell, J.S. (2022, September). *The effects of social media on mental health*. Invited talk presented to the National Alliance on Mental Illness Florida Chapter Conference, Orlando, FL.
2. Bedwell, J.S. (2021, February). *Research methods in neuroscience and example projects from the UCF MPACT laboratory*. Invited talk presented via Zoom to the UCF Neuroscience Alliance undergraduate student group.
3. Bedwell, J.S. (2019, November). *Neurobiological differences related to reduced reward learning, motivation, and hedonic tone*. Invited talk presented at UCF Neuroscience Retreat at the School of Medicine.
4. Bedwell, J.S. (2018, March). *Childhood cat ownership and bites in relation to schizophrenia-spectrum, bipolar-spectrum, and unipolar depression disorders*. Invited talk presented at the Brain Awareness Symposium at UCF.
5. Bedwell, J.S. (2018, October). *Overview and examples of profiles of successful promotion candidates at comparable universities*. Invited talk to the UCF Associate Professor Mentoring Community.
6. Bedwell, J.S. (2018, March). *Brain abnormalities in the visual system relate to specific mental health symptoms*. Invited talk presented at the Brain Awareness Symposium at UCF.
7. Bedwell, J.S. (2017, May). *Applying for a NIH R15 Grant*. Invited talk at the 2017 NIH Boot Camp at UCF.
8. Bedwell, J.S., Chan, C.C., Trachik, B.J., Spencer, C., Richards, D., & Rassovsky, Y. (2012, May). *Red light and early visual-evoked potentials in relation to specific symptoms of schizotypy*. Invited poster presented at the Brain Computer Interface Conference at the Walt Disney Pavilion, Florida Hospital for Children, Orlando, FL.
9. Bedwell, J.S. (2012, June). *Schizophrenia, schizoaffective disorder, and bipolar disorder: Possible causes, related brain abnormalities, and effective treatments*. Invited talk presented at UCF Psychology Department's Minding Your Health series to community members.
10. Bedwell J.S. (2012, March). *Early visual processing and schizophrenia*. Invited talk presented at the Advances in Neuroscience Research Symposium at Florida Hospital for Children, Orlando, FL.
11. Bedwell J.S. (2007, February). *Visual processing and schizophrenia*. Invited talk presented to the Psychiatry Department at Florida Hospital Center for Behavioral Health, Orlando, FL.
12. Bedwell, J.S. (2006, Spring). Presented a talk on fMRI to interdisciplinary "Imaging Sciences Research Forum" at UCF.
13. Bedwell, J.S. (2006, Fall). *Neuropsychological outcomes from stroke and traumatic brain injury*. Invited talk at UCF-sponsored Physical Rehabilitation professional conference.
14. Bedwell, J.S. (2004, Fall). Presentation of Psychology Department research to an interdisciplinary Biomedical Science Forum at UCF.

Specialized Research Training

- 2008 11-day “Event-Related Potential (ERP) Boot Camp” at the University of California-Davis Center for Mind and Brain (Director: Steve Luck, Ph.D.), funded by the National Institute of Mental Health.
- 2003 5-day Advanced Training Institute in Functional Magnetic Resonance Imaging, Massachusetts General Hospital, Boston, MA (Director: Robert L. Savoy, Ph.D.), funded by the American Psychological Association.

Teaching Experience

Graduate-Level Courses (needs to be updated):

- Adult Psychological Assessment*, CLP 7447C; taught annually since 2005 - 14 times
- Affective Neuroscience (Special Topics)*, CLP 7939; taught annually since 2019. Designed as new course to the department for students in Clinical Psychology Ph.D. Program to meet recent APA requirements to blend two core topic areas into one integrated class.
- Physiological Psychology*, PSB 5005; taught three times (2016 - 2018); twice as special “psychopharmacology” section that I designed for the first time in our department (2017 – 2018)
- Clinical Neuropsychological Assessment*, CLP 7429; Taught once (Fall 2012)
- Adult Psychopathology*, CLP 7125; Taught once (Spring 2012)
- Clinical Practicum*, CLP 7943C; taught eight times (2005 – 2011)
- Cognitive-Behavioral Therapy*, CLP 6458C; Taught once (Fall 2006)
- Advanced Research Methods I*, PSY 6216; taught twice (2004 – 2005)

Undergraduate-Level Honors Courses (needs to be updated):

- Honors Personality Theory*, PPE 3003H; Taught seven times (2009 – 2017; teaching again Fall 2019)
- Honors Physiological Psychology*, PSB 3002H; Taught twice (2017 – 2018)
- Honors Abnormal Psychology*, CLP 3143H; Taught three times (2009 – 2011)

Other Undergraduate-Level Courses (needs to be updated):

- Neuropsychology*, PSB 4240C (online); taught 11 times (2007 – 2014; 2022)
- Physiological Psychology*, PSB 3002 (online, face-to-face, and mixed modes); taught 11 times (2005 – 2019; teaching again Fall 2019)
- Clinical Psychology*, CLP 3302 (online); taught annually since 2019
- Personality Theory and Research*, PPE 3003 (online and face-to-face); taught three times (2011 – 2018)
- Abnormal Psychology*, CLP 3143 (face-to-face); taught six times (2006 – 2012)
- Research Methods in Psychology*, PSY 3214C (face-to-face); taught once (Summer 2004)
- Psychology of Adjustment* (taught once as graduate student at University of Georgia (Fall 2003)

Student Research Committees Chaired

Dissertations Chaired

- Giulia C. Salgari – “Feedback-related negativity, reward-based learning, and ADHD symptoms: Preliminary findings in a pediatric sample with prominent mood symptoms.” Successfully proposed May 2023 – in progress.
- Samantha D. Simpson – “Social cognition, anhedonia, and support in relation to depression severity in individuals with breast cancer.” Successfully proposed October 2022 – in progress.
- Jessica Ruiz – “Does assessment of distress disclosure enhance prediction of suicidal ideation in the three-step theory of suicide?” Successfully proposed October 2022 – in progress.
- John P. O’Donnell – “The role of savoring in the relationship between concussion history and consummatory reward.” Successfully defended July 2023. Ph.D. awarded August 2023. Currently a Staff Psychologist, Primary Care, VA Medical Center (Orlando, Lake Baldwin).
- Christopher C. Spencer – “Maladaptive personality traits and acute psychological distress in individuals with head and neck cancer.” Status: Successfully defended in May 2020. Ph.D. awarded August 2020. Currently a Primary Care Mental Health Integration Psychologist at the Tampa VA Medical Center.
- Chi C. Chan – “Visual scanpath training for facial affect recognition in a psychiatric sample.” Status: Successfully defended in May 2016. Ph.D. awarded August 2016. A Licensed Psychologist with a completed postdoctoral

clinical psychology fellowship. Currently an Assistant Professor at the Icahn School of Medicine at Mount Sinai.

- Andrew E. Deptula – “Episodic memory, theory of mind, and social functioning in schizophrenia.” Status: Successfully defended in July 2015. Ph.D. awarded August 2016. A Licensed Psychologist with a completed postdoctoral clinical psychology fellowship. Currently an Assistant Professor of Psychiatry at Stony Brook Medicine, Stony Brook, NY
- Diane C. Petrac (now Robinson) – “Does chronic stress accelerate late-aging cognitive decline in memory and executive functioning?” Status: Successfully defended in May 2010. Ph.D. awarded August 2010. A Licensed Psychologist with a completed clinical neuropsychology postdoctoral fellowship. Currently - Chief Administrator of Psychological Services for UF Health Cancer Center (Orlando, FL).
- Diana M. Orem – “Executive functioning and delusion severity in schizophrenia: The influence of emotional content in reasoning tasks.” Status: Successfully defended in July 2009. Ph.D. awarded August 2010. A Licensed Psychologist with a completed postdoctoral clinical psychology fellowship. Currently a staff Psychologist at a United States military base - Yuma Proving Ground (Arizona) and Lecturer, Department of Psychological Sciences, Northern Arizona University.
- Vidya Kamath – “Association between unihinal olfactory processing and self-reported empathy in schizophrenia” Status: Successfully defended in June 2009. Ph.D. awarded August 2010. A Licensed Psychologist and Board-Certified Neuropsychologist. Currently a tenure-track Assistant Professor, Department of Psychiatry and Behavioral Sciences, Johns Hopkins University Medical School.

Master’s Theses Chaired

- Samantha Simpson – “Big five aspect personality scales and social anxiety severity in a nonpsychiatric sample.” Status: Successfully defended in August 2021.
- John O’Donnell – “Lifetime history of concussions and behavioral measures of anhedonia.” Status: Successfully defended in July 2019.
- Chi Chan – “An event-related potential investigation of error monitoring in adults with a history of psychosis.” Status: Successfully defended in October 2013.
- Andrew Deptula – “Autobiographical memory and theory of mind in schizotypy.” Status: Successfully defended in November 2012.
- Katie Ragsdale – “Comorbidity of psychopathy and schizotypy: Skin conductance to affective pictures.” Status: Successfully defended in June 2012.
- Scott Sutterby – “Neuropsychological functioning in social phobia.” Status: Successfully defended in October 2009.
- Diana Orem - “The relationship between stroop task performance and delusion-proneness in nonpsychiatric adults.” Status: Successfully defended in April 2007.
- Vidya Kamath - “The relative sensitivity of an olfactory identification deficit in individuals with schizotypal personality features.” Status: Successfully defended in February 2007.
- Diane Petrac (now Robinson) - “The relationship between chronic self-reported stress and divided attention performance.” Status: Successfully defended in December 2006.

Honors Undergraduate Theses Chaired

- Ana Garcia – “Mediation analysis of a broader conceptualization of the three-step theory of suicidality.” Status: Successfully defended April 2022.
- Keira Monaghan – “Emotion experience to expression: Influence of psychopathy, expression suppression, and working memory.” Status: Successfully defended November 2020.
- Magan Halverson – “Development of a self-report scale of motivation: The multifaceted motivation inventory.” Status: Successfully defended July 2020.
- Allen Hagen – “History of involvement with combat sports and severity of subtypes of psychopathy.” Status: Successfully defended July 2020.
- Ashley Lee Lum – “Relationships between broad aspects of personality functioning and generalized anxiety severity.” Status: Successfully defended April 2019.
- Charlotte Payne – “Does mental status moderate the relationship between traumatic brain injury history and life satisfaction?” Status: Successfully defended in April 2019.
- Samantha Berg – “Social anxiety and subtypes of empathy: The moderating influence of biological sex.” Status: Successfully defended in November 2018. Chosen by UCF Burnett Honors College for one of four oral presentations across the university during UCF Research Week (April 2019). Resulting publication accepted in peer-reviewed journal (*Psychological Reports*) – Samantha is first author.

- Nicolas Joseph – “Big five personality traits and facial emotion recognition in adults with a history of psychosis.” Status: Student did not complete proposal after multiple semesters of effort during Summer 2014 – Spring 2015. Discontinued.
- Lisa Kadison - “Subtypes of anhedonia and facial electromyography response to negative affective pictures in healthy adults.” Status: Successfully defended in April 2013. Resulted in published peer-reviewed manuscript with student as first author.
- Jenya Kolpakova – “Childhood cat bites and disorganized symptoms of schizotypy in adulthood.” Status: Successfully defended in February 2013. Resulted in published peer-reviewed manuscript with student as first author.
- Timothy Paskowski – “The relationship between psychometrically defined social anxiety and working memory performance.” Status: Successfully defended in April 2011. First place Winner in the Social Sciences III Category in the 2011 UCF Showcase for Undergraduate Research Excellence.
- Marlaine Monroig – “Associations between positive health behaviors and psychological distress.” Status: Successfully defended in April 2011. Second Place Winner in the Health Sciences Category in the 2011 UCF Showcase for Undergraduate Research Excellence.
- Amanda Houston – “Concussion history and neuropsychological baseline testing in collegiate football athletes.” Status: Successfully defended in Spring 2010.
- Andrew Wiseman, M.M. – “The effect of red light on location backward masking as related to schizotypal personality features.” Status: Student discontinued in August 2009 after legal and personal difficulties.
- Micah Allen – “Linguistic correlates of psychopathology in autobiographical narrative.” Status: Successfully defended in Spring 2008.
- Adam McCowan – “The relationship between performance on the stroop task and a task of directed deception.” Status: Student discontinued in December 2007 after 2.5 semesters due to personal crisis.
- Cathleen Webster - “Personality traits related to vengeance propensity.” Status: Successfully defended in Spring 2006.
- Scott Sutterby - “Attentional bias across the dimension of social anxiety.” Status: Successfully defended in Spring 2006.
- Diana Orem - “The relationship between stress and memory performance in an undergraduate population.” Status: Successfully defended in Spring 2005.

UCF College of Medicine Student Research Projects Chaired

- Timothy Le (Summer 2019 to current): Independent research project: “Time-frequency analysis of visual evoked potential P1 in relation to transdiagnostic psychiatric symptoms. Status: Assisting with manuscript writing and completed EEG analyses (as of Summer 2022)
- Stephanie Schiffert (Fall 2018 to Fall 2019) – Focused Inquiry and Research Experience Project: “Working memory performance and constricted affect in a transdiagnostic psychiatric sample.” Status: Successfully completed in Fall 2019.
- Lauren Vassiliades (Fall 2014 to Spring 2016) – Focused Inquiry and Research Experience Project: “Psychiatric symptoms and abnormal neural oscillations during visual stimulation.” Status: Successfully completed March 2016; chosen for oral presentation by medical school and won award for that presentation.
- Austin Mercadante (Spring 2012 to Summer 2014). Focused Inquiry and Research Experience Project: “Transdiagnostic psychiatric symptoms related to visual-evoked potential abnormalities” Status: After two years of effort, student discontinued due to lack of time to dedicate to project.

Select Graduate Student Awards/Honors for Students Mentored/Supervised

- Giulia Salgari (2021) – Selected in competitive process for a funded national-level 11-day event-related potential (ERP) bootcamp in San Diego, CA.

Select Undergraduate Student Awards/Honors for Students Mentored/Supervised

- Ana Garcia (Summer, Fall 2021) – Received Summer Undergraduate Research Fellowship, Honors Undergraduate Thesis Scholarship, Distinguished Undergraduate Research Award
- Samantha Berg (February 2020) – Inducted into the UCF Order of Pegasus (highest award/honor for an undergraduate student at UCF); Honorable Mention for the UCF College of Sciences’ Founders’ Day Award.
- Samuel Naranjo Rincon (February 2020) – Selected in highly competitive national process (<10% applications accepted) for a funded 10-week MIT Summer Research Program in Biology and Neuroscience.

Magan Halverson (February 2020) - Selected in highly competitive national process (<10% applications accepted) for a Research Experience for Undergraduates (REU): Translational Research in Psychological Sciences: Human Factors at Rice University (sponsored by the National Science Foundation).

Samantha Berg (November 2019) – nominated by the UCF Burnett Honors College for the prestigious university-level Order of Pegasus award.

Chloe LaRochelle (November 2019) – nominated by the UCF College of Medicine for the prestigious university-level Order of Pegasus award.

Samantha Berg (April 2019) – undergraduate student chosen by UCF Burnett Honors College for one of four oral presentations across the university during UCF Research Week. Title: “Social anxiety and subtypes of empathy: The moderating influence of biological sex.”

Lauren Vassiliades (March 2016) – medical student – Second Place Award for Student Choice M-2 Oral Presentation at the FIRE Research Conference, UCF College of Medicine

Timothy Paskowski (April 2011) – undergraduate student - First place Award in the Social Sciences III Division - UCF Showcase for Undergraduate Research Excellence. Title: “The relationship between psychometrically defined social anxiety and working memory performance.”

Marlaine Monroig (April 2011) – undergraduate student - Second Place Award in the Health Sciences Category - UCF Showcase for Undergraduate Research Excellence. Title: “Associations between positive health behaviors and psychological distress.”

Andrea Ranieri (April 2010) – undergraduate student - Second Place Award from Social Sciences III Division – UCF Annual Showcase of Undergraduate Research Excellence. Title: The backward masking red light effect and schizotypy.

Student Research Committees – Secondary Member

Dissertation Committees – Secondary Member

Rachel Bassett (Chair: Daniel Paulson; Department of Psychology). Bridging the gap between black americans’ and white americans’ completion of advance care directives: The role of religion and spirituality in end-of-life planning. Status: Successfully defended in March 2023.

Matthew Kramer (Chair: Robert Dvorak; Department of Psychology). Hannibal lecter and a friend walk into a bar: The role of psychopathy in peer drinking behaviors. Status: Successfully defended in July 2022.

Zlatin Mitkov (Chair: Andrew Boutton; Department of Political Science Intelligence and National Security; Security Studies Ph.D. Program). Group-level cues and the use of force in domestic and foreign policy contexts. Status: Successfully defended in June 2021.

Manuel Herrera (Chair: Daniel Paulson; Department of Psychology). Measurement invariance in the CESD-8 and assessment of mood correlates between American and Mexican community studies on the multisystemic geriatric depression cycle. Status: Successfully defended 4/8/2021.

Thien-an Le (Chair: Jeffrey Cassisi; Department of Psychology). The relationship between familism and social distancing behaviors during the covid-19 pandemic. Status: Successfully defended: 11/20/2020.

Hassam Sheikh (Chair: Ladislau Boloni; Department of Computer Science). Multi-agent reinforcement learning for defensive escort teams. Status: Successful defended: 11/18/2020.

Andel Nicasio (Co-Chairs: Cerissa Blaney and Diane Robinson; Department of Psychology). Telephone-delivered cognitive-behavioral therapy for insomnia in patients with cancer: A randomized controlled trial. Status: Successfully defended in June 2019.

Patricia Carlton (Chair: Mark Kamrath; Texts & Technology Ph.D. Program) – “From Ashes to Ashé: Memorializing traumatic events through participatory digital archives.” Status: Successfully defended in April 2016.

Rebecca Grossman (Chair: Ed Salas; Department of Psychology) – “How do teams become cohesive? A meta-analysis of cohesion’s antecedents.” Status: Successfully defended in August 2014.

Chris Coultas (Chair: Ed Salas; Department of Psychology) – “Identity construction and information processing in a coaching relationship: The effects of coach behavior on coachee goal-setting and commitment.” Status: Successfully defended in July 2014.

Rachel Wolfe White (Chair: Kim Renk; Department of Psychology) – “Development during middle school: An ecological-transactional, cross-sectional examination of early adjustment.” Status: Successfully defended in July 2012.

- Beth Hammons (Chair: Mike Dunn; Department of Psychology) – “Examining the hypocrisy paradigm as an intervention for modifying high-risk alcohol use behaviors among hispanic college students.” Status: Successfully defended in July 2010.
- Elizabeth Frei (Chair: Stacey Dunn; Department of Psychology) – “Neurocognitive correlates of body image disturbance.” Status: Successfully defended in November 2009.
- Teri Marino (Chair: Charles Negy; Department of Psychology) – “The effects of psychoeducation on thought-action fusion, thought suppression, magical thinking, and responsibility.” Status: Successfully defended in April 2009.
- Reesa Donnelly (Chair: Kim Renk; Department of Psychology) - "Parental influences and cognitive mediators of adolescents' stress and health." Status: Successfully defended in September 2008.

Master's Thesis Committees – Secondary Member

- Randy Panzarino (Chair: Martinen Vanryckeghem; Department of Communication Sciences and Disorders) – “Psychological distress and affective, behavioral, and cognitive experiences of stuttering.” Status: Successfully defended in November 2021.
- Jonathan Mitchell (Chair: Jeff Cassisi; Department of Psychology) – “Measurement of negative affectivity in psychometrically defined schizotypy using facial electromyography.” Status: Successfully defended in November 2012.
- Catherine Pearte (Chair: Charles Negy; Department of Psychology) – “Young adults' attitudes toward same-sex marriage and polygamy as a function of demographic, gender, and personality variables.” Status: Successfully defended in July 2010.
- Rachel Wolfe White (Chair: Kim Renk; Department of Psychology) – “Perceived parental characteristics and neighborhood support: How do they relate to adolescents' externalizing behavior problems? Status: Successfully defended in September 2009.
- Jenn Siva (Chair: Mike Dunn; Department of Psychology) – "Implementation and evaluation of a classroom-based approach to expectancy challenge for reducing alcohol use among first-year college students." Status: Successfully defended in July 2008.
- Pamela Brown (Chair: Mike Dunn; Department of Psychology) - “GHB use among college students: Application of a memory model to explore the influence of outcome expectancies.” Status: Successfully defended in April 2008.
- Beth Hammons (Chair: Charles Negy; Department of Psychology) – “The importance of addressing acculturative stress in marital therapy with hispanic american women.” Status: Successfully defended in July 2007.
- Rachel Lunt (Chair: Charles Negy; Department of Psychology) – “Perceptions of ethnic student organizations on campus.” Status: Successfully defended in March 2007.
- Teri Carper (Chair: Charles Negy; Department of Psychology) - "Predictors of perceiving racism in ambiguously unpleasant interracial interactions." Status: Successfully defended in February 2006.

Honors Undergraduate Thesis Committees – Secondary Member

- Hannah Grimes (Chair: Grace White; Department of Psychology) – “Motivations for retaliatory aggression on social media and borderline personality endorsers.” Status: Successfully proposed in October 2023.
- Eesha Kamana (Chair: Daniel McConnell; Department of Psychology) – “Does social media use negatively affect one's sense of well-being?” Status: Successfully proposed in December 2022.
- Parth Nakirikanti (Chair: Jeffrey Cassisi; Department of Psychology) – “Attention, working memory, and adaptive functioning in emerging young adults with different personality traits.” Status: Successfully proposed in November 2022.
- Sarah Mieczkowski (Chair: Daniel McConnell; Department of Psychology) – “The relationship between online learning and student motivation and engagement.” Status: Successfully defended in April 2022.
- Adriana Seda (Chair: Steven Berman; Department of Psychology) – “Morality and identity: A new framework.” Status: Successfully defended in April 2022.
- Katie Moskal (Chair: Robert Dvorak; Department of Psychology) – “Craving for attention: Examining mood and attention bias in the moment as predictors of alcohol craving.” Status: Successfully defended in April 2021.
- Alyssa Roberts (Chair: Charles Negy; Department of Psychology) – “The relationship between psychopathology and unconventional relationships.” Status: Successfully defended in April 2020.
