

KIMBERLY RENK, PH.D., IMH-E®

BUSINESS ADDRESS

University of Central Florida
Department of Psychology
P.O. Box 161390
Orlando, FL 32816-1390
(407) 823-2218

kimberly.renk@ucf.edu, kimrenkphd@gmail.com

CURRENT POSITION

May 2006 until Present **Associate Professor of Clinical Psychology**
Clinical Psychology Ph.D. Program, University of Central Florida

PREVIOUS POSITIONS

May 2013 until September 2015 **Director of Clinical Training**
Clinical Psychology Ph.D. Program, University of Central Florida

October 2011 until May 2013 **Associate Director of Clinical Training**
Clinical Psychology Ph.D. Program, University of Central Florida

August 2000 until May 2006 **Assistant Professor of Clinical Psychology**
Clinical Psychology Ph.D. Program, University of Central Florida

LICENSE/ENDORSEMENT

August 2019 until Present **Infant Mental Health Mentor-Clinical (IMH-E®)**
Florida Infant Mental Health Endorsement for Culturally Sensitive, Relationship-Focused Practice Promoting Infant Mental Health®

August 2003 until Present **Florida Psychologist, Lic. No. PY6771**

EDUCATION

August 2000 **Doctorate of Philosophy in Clinical Psychology**
University of South Florida, Tampa, Florida
Minor: Research Methods
Major Professor: Vicky Phares, Ph.D.
Dissertation title: *Maternal and Paternal Perceptions of Children's Social Competence*
Predoctoral Internship with Infant Mental Health Fellowship: Louisiana State University School of Medicine, New Orleans, Louisiana
(July 1, 1999 until June 30, 2000)

- May 1994** **Master of Arts in Clinical Psychology**
 Illinois State University, Normal, Illinois
Major Professor: Gary Creasey, Ph.D.
Thesis title: *Gender vs. Gender Identity: Implications for Coping Behavior Patterns*
- May 1992** **Bachelor of Science in Psychology**
 University of Illinois, Urbana, Illinois
Cognate: Human Development and Family Studies

PROFESSIONAL EXPERIENCE

PUBLICATIONS

(Google Scholar Statistics: citations=5677; h-index=39; i10-index=65)

GRANTS AND CONTRACTS

GRANT TRAINING

2012, May **CHIPS (Child Intervention, Prevention, and Services) Research Institute Fellow**
 Proposal submitted: *Treating trauma from abuse and neglect in young children*
 Involved competitive selection for and participation in a dynamic, interdisciplinary training consortium focused on intervention, prevention, and the provision of services for children and adolescents. Funded by the National Institute of Mental Health. Included a \$3,000 travel award as well as accommodations for the five-day institute held at Johns Hopkins University in Baltimore, Maryland.

GRANTS AND CONTRACTS (Totaling \$466,784.51)

- ¹⁵**Renk, K. (PI).** (2020, January-2020, June). *Building a reflective practice network for Florida's Early Childhood Court.* Grant awarded to Florida's Office of Court Improvement via Zero to Three from HRSA. Subcontract for \$40,000. Funded for \$40,000; awaiting contract.
- ¹⁴**Renk, K. (PI).** (2020, February-2020, June). *Pine Hills preschool project-Year three: Expanding attachment-infused classrooms with Circle of Security.* Grant awarded by Early Learning Coalition of Orange County for \$50,000. Funded for \$50,000; awaiting contract.
- ¹³**Renk, K. (PI).** (2020, January-2020, June). *Using Circle of Security-Parenting in child welfare: Tracking change across session.* Grant awarded by Embrace Families/Community Based Care of Orange County via Orange County for \$20,000. Funded for \$20,000.
- ¹²Fisher, T. (PI), **Renk, K. (Co-PI)**, Briggs, C. (Co-PI), & Léticée, M. (Co-PI). (2018, October-2019, October). *Using the traditional fable to introduce parenting to new parents.* Grant submitted to the Pabst Steinmetz Foundation Arts and Wellness Innovation Awards for \$25,000. Funded for \$25,000. Deliverables can be found at: <https://www.youtube.com/channel/UClUjxpvC3ZdUYw7fPOsEDqA/playlists>.
- ¹¹**Renk, K. (PI).** (2018, June-2019, May). *Pine Hills preschool project-Year two: Expanding attachment-infused classrooms with Circle of Security.* Grant submitted to One Hundred Women Strong Fund at the Central Florida Foundation and the Early Learning Coalition of Orange County for \$61,070. Funded for \$61,070.
- ¹⁰**Renk, K. (PI).** (2017, July-2018, June). *Nemours early intervention program for families with young children on the Autism Spectrum: Year four.* Collaborative training contract submitted to Nemours Children's Hospital from state appropriation funding for \$7,390 (100% direct costs). Funded for \$7,390.
- ⁹**Renk, K. (PI).**, Boris, N. W. (PI), & Early Learning Coalition of Orange County (Consultants). (2017, February-2018, February). *Pine Hills preschool project: Creating an attachment-infused classroom with Circle of Security.* Grant submitted to One Hundred Women Strong Fund at the Central Florida Foundation for \$36,915 (90% direct costs). Funded for \$36,915.
- ⁸**Renk, K. (PI).** (2016, July-2017, June). *Nemours early intervention program for families with young children on the Autism Spectrum: Year three.* Collaborative training contract submitted to Nemours Children's Hospital from state appropriation funding for \$7,390 (100% direct costs). Funded for \$7,390.
- ⁷**Renk, K. (PI)**, Leon, A. (Co-PI), & Boris, N. W. (Consultant). (2016, April-2017, April). *The effectiveness of evidence-based attachment-focused parenting for families with young children: Using Circle of*

Security in the child welfare system. Grant submitted to the Florida State University's Florida Institute for Child Welfare for \$59,976 (91% direct costs). Funded for \$59,976.

- ⁶**Renk, K. (PI).** (2015, August-2016, June). *Nemours early intervention program for families with young children on the Autism Spectrum: Year two.* Collaborative training contract submitted to Nemours Children's Hospital from state appropriation funding for \$14,871 (100% direct costs). Funded for \$14,871.
- ⁵**Renk, K. (PI).** (2014, September-2015, June). *Nemours early intervention program for families with young children on the Autism Spectrum: Year one.* Collaborative training contract submitted to Nemours Children's Hospital from state appropriation funding for \$50,000 (100% direct costs). Funded for \$50,000; used \$33,410 due to start date of student training.
- ⁴**Renk, K. (PI).** (2005, August-2007, August). *Relationships among parental psychopathology, child psychopathology, and parent-child interactions in the context of parent-child intervention.* Application submitted to the National Institutes of Health Loan Repayment Program as a Clinical Researcher for up to \$35,000 per year for two years toward student loan repayment. Funded for \$62,672.51.
- ³**Renk, K. (PI),** Roddenberry*, A. (Student PI), Rojas-Vilches*, A. (Student RA), Hajjar, F. (Collaborating Oncologist), & Bayles, A. (Collaborating Nurse Practitioner). (2003, January-2003, December). *Psychological correlates of quality of life in children with cancer.* Grant submitted to the Florida Hospital Gala Endowed Program for \$20,000. Funded for \$20,000.
- ²**Renk, K. (PI).** (2002, May-2003, April). *The relationships among parental psychopathology, child psychopathology, and parent-child interactions.* Grant submitted to the UCF In-House Research Grant Program for \$7500. Funded for \$7500.
- ¹Roddenberry*, A. (Student PI), & **Renk, K. (PI).** (2002, January-2002, December). *Maternal and paternal ratings of quality of life in children with cancer.* Grant submitted to the Florida Hospital Gala Endowed Program for \$20,000. Funded for \$4,000.

DONATIONS RECEIVED (Totaling \$38,500)

- ²**Renk, K.** (starting 2019, November, for five years). Donation made to Kimberly Renk, Ph.D./the Understanding Young Children and Families Laboratory via UCF Foundation for \$25,000.00 from Mr. Ognjen and Dr. Jenny Sosa (and corporate matching funds from Fidelity).
- ¹**Renk, K.** (starting 2016, January, for three years). Donation made to Kimberly Renk, Ph.D./the Understanding Young Children and Families Laboratory via UCF Foundation for \$13,500.00 from Mr. Ognjen and Dr. Jenny Sosa (and corporate matching funds from Fidelity).
-

PRESENTATIONS
(Talks are listed in blue)

INTERNATIONAL

- ²⁵Stephenson*, J., **Renk, K.**, & Khan*, M. (2020, May). *Reflective functioning and parenting behaviors as co-mediators in the relationship between childhood exposure to domestic violence and young child behaviors*. Poster accepted for presentation at the 17th World Congress of the World Association for Infant Mental Health, Brisbane, Australia.
- ²⁴Khan*, M., **Renk, K.**, & Stephenson*, J. (2020, May). *How strongly do maternal depression and insecure attachment patterns predict young children's affective problems?* Poster accepted for presentation at the 17th World Congress of the World Association for Infant Mental Health, Brisbane, Australia.
- ²³Cunningham*, A., **Renk, K.**, Kolomeyer*, E., Khan*, M., & Stephenson*, J. (2018, May). *I need you: The role of mothers' emotional availability in mediating the relationship between trauma symptoms and attachment related parenting stress*. Poster presented at the 16th World Congress of the World Association for Infant Mental Health, Rome, Italy.
- ²²Cunningham*, A., **Renk, K.**, Kolomeyer*, E., Khan*, M., & Stephenson*, J. (2018, May). *It's all my fault: Understanding the added value of reflective functioning in the relationship between depressive trauma symptoms and self-criticism*. Poster presented at the 16th World Congress of the World Association for Infant Mental Health, Rome, Italy.
- ²¹Khan*, M., **Renk, K.**, Kolomeyer*, E., Cunningham*, A., & Stephenson*, J. (2018, May). *Disorganized attachment: Explaining the connection between negative parenting behaviors in mothers with childhood trauma and young children's externalizing behaviors*. Poster presented at the 16th World Congress of the World Association for Infant Mental Health, Rome, Italy.
- ²⁰Kolomeyer*, E., **Renk, K.**, Cunningham*, A., Khan*, M., & Stephenson*, J. (2018, May). *Helping young children succeed: The impact of mothers' psychological symptoms, sense of competence, and parenting behaviors on young child adaptive functioning*. Poster presented at the 16th World Congress of the World Association for Infant Mental Health, Rome, Italy.
- ¹⁹Lowell*, A., & **Renk, K.** (2018, May). *Predicting child welfare system involvement for mothers who are substance-involved*. Poster presented at the 16th World Congress of the World Association for Infant Mental Health, Rome, Italy.
- ¹⁸Lowell*, A., & **Renk, K.** (2018, May). *The mediating role of emotion dysregulation in the relationship between childhood adversity and child maltreatment potential for mothers who are substance-involved*. Poster presented at the 16th World Congress of the World Association for Infant Mental Health, Rome, Italy.
- ¹⁷**Renk, K.**, & Lowell*, A. (2018, May). *Using Circle of Security-Parenting to build reflective capacity for parenting in mothers who are substance-involved*. Symposium segment for "Bringing data to life! Enhancing reflective functioning in parents at risk" (chaired by N. Suchman, Yale University) presented at the 16th World Congress of the World Association for Infant Mental Health, Rome, Italy.
- ¹⁶Stephenson*, J., **Renk, K.**, Kolomeyer*, E., Cunningham*, A., & Khan*, M. (2018, May). *Family conflict and parenting: Investigating the relationships among family environment, parenting behaviors, and externalizing behaviors in children 1½- to 5-years*. Poster presented at the 16th World Congress of the World Association for Infant Mental Health, Rome, Italy.

- ¹⁵Cunningham*, A., **Renk, K.**, Kolomeyer*, E., Lowell*, A., Khan*, M., & Stephenson*, J. (2016, May). *Childhood trauma, parenting self-efficacy, reflective functioning, and parenting competence: What happens when the traumatized child grows up and becomes a mother?* Poster presented at the 15th World Congress of the World Association for Infant Mental Health, Prague, Czech Republic.
- ¹⁴Graham, M., **Renk, K.**, & White, B. (2016, May). *Holding the baby in mind across families in drug treatment, child welfare, and court-involved teen parents.* Poster presented at the 15th World Congress of the World Association for Infant Mental Health, Prague, Czech Republic.
- ¹³Kolomeyer*, E., **Renk, K.**, Cunningham*, A., Lowell*, A., Khan*, M., & Stephenson*, J. (2016, May). *How are mothers' adverse childhood experiences related to their own parenting behaviors?* Poster presented at the 15th World Congress of the World Association for Infant Mental Health, Prague, Czech Republic.
- ¹²Lowell*, A., & **Renk, K.** (2016, May). *Cognitive-behavioral treatment of PTSD in a mother and her young child following the experience of chronic domestic violence.* Poster presented at the 15th World Congress of the World Association for Infant Mental Health, Prague, Czech Republic.
- ¹¹Lowell*, A., **Renk, K.**, Kolomeyer*, E., Cunningham*, A., Khan*, M., & Stephenson*, J. (2016, May). *Emotion dysregulation as a mediator in the relationship between childhood emotional abuse and child maltreatment potential in community mothers of young children.* Poster presented at the 15th World Congress of the World Association for Infant Mental Health, Prague, Czech Republic.
- ¹⁰**Renk, K.**, Boris, N. W., Lowell*, A., Kolomeyer*, E., Cunningham*, A., & Khan*, M. (2016, May). *Predicting child maltreatment potential in substance-involved mothers participating in a residential treatment program.* Poster presented at the 15th World Congress of the World Association for Infant Mental Health, Prague, Czech Republic.
- ⁹Lowell*, A., **Renk, K.**, Lauer*, B., & Puff*, J. (2014, June). *Temperament and child maltreatment: A closer look at the interactions among parent and child temperament, stress and coping, emotional and behavioral regulation, and child maltreatment potential.* Poster presented at the 14th World Congress of the World Association for Infant Mental Health, Edinburgh, Scotland.
- ⁸Puff*, J., **Renk, K.**, Lowell*, A., & Lauer*, B. (2014, June). *Above and beyond personality: Mothers' temperament and parenting behaviors.* Poster presented at the 14th World Congress of the World Association for Infant Mental Health, Edinburgh, Scotland.
- ⁷Puff*, J., **Renk, K.**, McSwiggan*, M., & Cunningham*, A. (2014, June). *Parents' temperament and personality: Their roles in parenting behaviors and children's temperament.* Poster presented at the 14th World Congress of the World Association for Infant Mental Health, Edinburgh, Scotland.
- ⁶Asberg*, K., & **Renk, K.** (2010, June). *Avoidance coping mediates the relationship between trauma symptoms and substance abuse.* Poster presented at the World Congress of Behavioral and Cognitive Therapies, Boston, Massachusetts.
- ⁵Klein-Sosa*, J. L., & **Renk, K.** (2010, June). *Predictors of parental discipline in families raising youth with hearing and communication disorders.* Poster presented at the World Congress of Behavioral and Cognitive Therapies, Boston, Massachusetts.
- ⁴Lauer*, B., White*, R., Weaver*, R., **Renk, K.**, Oliveros*, A., Sims*, M., & Taylor*, L. (2010, June). *Happy moms have "good" kids: Maternal mood and child behavior ratings.* Poster presented at the World Congress of Behavioral and Cognitive Therapies, Boston, Massachusetts.

- ³Middleton*, M., Scott*, S. L., Puff*, J., & **Renk, K.** (2010, June). *Child temperament and parenting stress: Mediating effects of parental locus of control*. Poster presented at the World Congress of Behavioral and Cognitive Therapies, Boston, Massachusetts.
- ²**Renk, K.**, Phares, V., & Epps, J. (1997, June). *The relationship of parental anger and children's behavior problems*. Poster presented at the Eighth Scientific Meeting of the International Society for Research in Child and Adolescent Psychopathology, Paris, France.
- ¹Phares, V., **Renk, K.**, & Lum, J. (1996, January). *Motivation to change: Parents' and adolescents' desire to change clinically referred adolescents' behavior*. Poster presented at the annual meeting of the International Society for Research in Child and Adolescent Psychopathology, Santa Monica, California.

- ⁵⁶**Renk, K.** (2019, June). *Celebrating our children as they look toward Kindergarten!* Invited speech for the Pine Hills Preschool Voluntary PreKindergarten Graduation, Orlando, Florida.
- ⁵⁵Fisher, T., & **Renk, K.**, with project team. (2019, April). *Positive parenting: New fables for new parents*. Presentation for the 2018 Pabst Steinmetz Foundation Arts and Wellness Innovation Awards, Orlando, Florida.
- ⁵⁴Khan*, M., & **Renk, K.** (2019, April). *Insecure mother-child attachment mediates the association between mothers' childhood maltreatment experiences and negative parenting behaviors*. Poster presented at the University of Central Florida Graduate Research Forum, Orlando, Florida. **Won "Exemplary Poster Presentation".
- ⁵³**Renk, K.** (2019, April). *Creating a resilient community: From trauma to healing*. Moderator for a small group at the Valencia College Justice and Peace Institute's training day with Dr. Vincent Felitti, Orlando, Florida.
- ⁵²**Renk, K.** (2019, April). *Preparing for doctoral program admission in clinical psychology*. Invited presentation for the Undergraduate Internship course at Stetson University, Deland, Florida.
- ⁵¹Khan, M., Stephenson, J., & **Renk, K.** (2019, March). *Selma Fraiberg-A visionary for society's most vulnerable: Bridging historical thinking to current infant mental health innovations*. Poster presentation for the University of Central Florida Department of Criminal Justice Women's History Month Poster Competition, Orlando, Florida.
- ⁵⁰**Renk, K.** (2019, March). *Bringing trauma-informed care to child services: Understanding adverse childhood experiences and meeting clients where they are while taking care of ourselves*. Invited workshop for Central Florida Foundation's Impact Families Learning Collaborative, Orlando, Florida.
- ⁴⁹**Renk, K.** (2019, March). *Young child trauma in the context of Early Childhood Court*. Invited segment for the Ninth Judicial Circuit's Early Childhood Court Lunch-and-Learn, Orlando, Florida.

- ⁴⁸Renk, K., & Wildermuth, S. (2019, March). *"Healing Neen": A discussion for substance-involved women about healing trauma and overcoming challenges*. Expert video facilitation for Aspire/Center for Drug-Free Living Women's Residential Program-Seminole County, Orlando, Florida.
- ⁴⁷Renk, K. (2018, November). *Diversity female forum: Being a woman in academia and finding the "right" balance*. Panel discussion with C. Blaney for the University of Central Florida Clinical Psychology Ph.D. Program, Orlando, Florida.
- ⁴⁶Renk, K. (2018, July). *Understanding childhood trauma*. Lunch-and-learn provided to the Sex Crimes/Child Abuse Unit at the State Attorney's Office, Orlando, Florida.
- ⁴⁵Khan, M., Renk, K., & Stephenson, J. (2018, April). *Predicting young children's emotional and behavioral problems in a sample of mothers with ACEs*. Poster presented at the University of Central Florida Graduate Research Forum, Orlando, Florida.
- ⁴⁴Renk, K. (2018, April). *Preparing for doctoral program admission in clinical psychology*. Invited presentation for the Undergraduate Internship course at Stetson University, Deland, Florida.
- ⁴³Renk, K., & Wildermuth, S. (2018, March). *"Healing Neen": A discussion for substance-involved women about healing trauma and overcoming challenges*. Expert video facilitation for Aspire/Center for Drug-Free Living Women's Residential Program-Orange County, Orlando, Florida.
- ⁴²Renk, K. (2018, March). *Pine Hills preschool project: Creating attachment-infused classrooms*. Invited presentation for the 100 Women Strong at Central Florida Foundation Connect Event, Orlando, Florida.
- ⁴¹Renk, K. (2017, October). *Infant mental health: What is it and why is it important?* Invited presentation for the Professional Development Day for Seminole County VPK Providers, Sanford, Florida.
- ⁴⁰Renk, K. (2017, July). *"Raising America" in the context of Circle of Security and socioemotional development in young children*. Expert panel participant (along with Karen Willis, Early Learning Coalition of Orange County, and Ken Peach, Department of Health) for 100 Women Strong Giving Circle of the Central Florida Foundation-Learning Social, Orlando, Florida.
- ³⁹Renk, K. (2017, April). *Preparing for doctoral program admission in clinical psychology*. Invited presentation for the Undergraduate Internship course at Stetson University, Deland, Florida.
- ³⁸Renk, K. (2017, April). *Understanding young children and families*. Invited presentation for the Beta Psi Omega (Biology) Fraternity at the University of Central Florida, Orlando, Florida.
- ³⁷Renk, K. (2016, August). *Circle of security-parenting*. Invited Lunch and Learn for the Children's Home Society, Orange County, Orlando, Florida.
- ³⁶Renk, K. (2016, August). *Circle of security-parenting*. Invited presentation for the Partners Meeting at Community Based Care of Central Florida-West, Orange County, Orlando, Florida.
- ³⁵Renk, K. (2016, June). *Child-parent psychotherapy*. Invited presentation for the Early Childhood Court Initiative "BABY Court" Stakeholders' Meeting at the Thomas S. Kirk Juvenile Justice Center, Orlando, Florida.
- ³⁴Boris, N. W., & Renk, K. (2016, May). *Early brain development, infant mental health, and social-emotional learning*. Expert panel participants (along with Linda Sutherland, Executive Director of

- the Healthy Start Coalition; Karen Willis, Executive Director of the Early Learning Coalition of Orange County; Cindy Jurie, Director of Research and Special Projects for the Early Learning Coalition of Orange County; Sharon Carnahan, Director of the Rollins College Child Development and Research Center; Susan Sunka, Early Learning Coalition of Osceola County; and Jennifer Grant, Executive Director of the Early Learning Coalition of Seminole County) for 100 Women Strong Giving Circle of the Central Florida Foundation, Orlando, Florida.
- ³³**Renk, K.** (2016, April). *Preparing for doctoral program admission in clinical psychology*. Invited presentation for the Undergraduate Internship course at Stetson University, Deland, Florida.
- ³²**Renk, K.** (2016, February). *Circle of security-parenting*. Invited presentation for the Early Childhood Court Initiative “BABY Court” Stakeholders’ Meeting at the Thomas S. Kirk Juvenile Justice Center, Orlando, Florida.
- ³¹**Renk, K.** (2015, December). *The Crowell relationship assessment: Evaluating parent-young child attachment using structured observation*. Invited professional training workshop presented at Kinder Konsulting & Parents, Too, Inc. (a community based organization that provides mental health services to families with children who range in age from 0- to 8-years), Winter Park, Florida.
- ³⁰**Renk, K.** (2015, November). *Attachment: Key principles and applications*. Invited professional training workshop presented at Kinder Konsulting & Parents, Too, Inc. (a community based organization that provides mental health services to families with children who range in age from 0- to 8-years), Winter Park, Florida.
- ²⁹**Renk, K.** (2015, July). *Seeking attention versus seeking connection: Viewing your child’s behavior as communication*. Invited presentation for the monthly parenting meeting at the Orlando Day Nursery, Orlando, Florida.
- ²⁸**Renk, K.** (2015, April). *Preparing for doctoral program admission in clinical psychology*. Invited presentation for the Undergraduate Internship course at Stetson University, Deland, Florida.
- ²⁷**Renk, K.,** Puff*, J., McSwiggan*, M., Lowell*, A., Kolomeyer*, E., Cunningham*, A., & Khan*, M. (2014, December). *The WISC-V: The new, the old, and the tried and true*. Presentation given for the Clinical Psychology Ph.D. Program at the University of Central Florida, Orlando, Florida.
- ²⁶**Renk, K.** (2014, November). *Keeping your cool during parenting: Ways to manage your anger, prompt appropriate child behavior, and keep the peace at home*. Invited presentation for the Family Action Plan Services Program at the Orlando Day Nursery, Orlando, Florida.
- ²⁵**Renk, K.** (2014, October). *Knowing when and how to discipline your young child*. Invited presentation for the monthly parenting meeting at the Orlando Day Nursery, Orlando, Florida.
- ²⁴**Renk, K.** (2014, April). *Preparing for doctoral program admission in clinical psychology*. Invited presentation for the Undergraduate Internship course at Stetson University, Deland, Florida.
- ²³**Renk, K.,** Lauer*, B., McSwiggan*, M., Puff*, J., & Lowell*, A. (2013, October). *Catching your child being good and other helpful parenting tips*. Invited presentation for the monthly parenting meeting at the Orlando Day Nursery, Orlando, Florida.
- ²²**Renk, K.,** Puff*, J., & Lauer*, B. (2013, May). *When to know that your child needs help and how to go about getting it*. Invited presentation for the monthly parenting meeting at the Orlando Day Nursery, Orlando, Florida.

- ²¹**Renk, K.**, Lauer*, B., Pearte*, C., Puff*, J., McSwiggan*, M., & Lowell*, A. (2013, April). *Positive play time and other stress relievers to help parents*. Invited presentation for the monthly parenting meeting at the Orlando Day Nursery, Orlando, Florida.
- ²⁰**Renk, K.** (2012, September). *The clinical psychology Ph.D. program at the University of Central Florida*. Poster session at the University of Central Florida Graduate Fair, University of Central Florida, Orlando, Florida.
- ¹⁹**Renk, K.** (2012, July). *Catching your child being good and other helpful parenting tips*. Invited presentation for the monthly parenting meeting at the Orlando Day Nursery, Orlando, Florida.
- ¹⁸**Renk, K.** (2012, April). *Being successful in completing an Honors in the Major project*. Invited presentation made to the Department of Psychology at the University of Central Florida, Orlando, Florida.
- ¹⁷**Renk, K.** (2012, January). *Parental difficulties and behavior problems in young children*. Invited colloquium for the "You're the Key" event for preschool teachers sponsored by the Winter Park Day Nursery and Orlando Day Nursery, Orlando, Florida.
- ¹⁶**Renk, K.** (2011, October). *Clinical child psychology: Getting into graduate school and planning for your career*. Invited presentation made to the Psychological Society at the University of Central Florida, Orlando, Florida.
- ¹⁵**Renk, K.** (2011, September). *Clinical child psychology: Getting into graduate school and planning for your career*. Invited presentation made to the Palm Bay Psychological Society at the University of Central Florida, Melbourne, Florida.
- ¹⁴**Renk, K.** (2010, September). *Clinical child psychology: Working with children and their families*. Invited presentation made to the Psychological Society at the University of Central Florida, Orlando, Florida.
- ¹³**Renk, K.** (2010, January). *Understanding children and families*. Invited presentation for the Kiwanis Club, Orlando, Florida.
- ¹²**Renk, K.** (2009, March). *Comments on working with today's college students and their parents*. Invited presentation made to the Student Success Center and Student Development and Enrollment Services at the University of Central Florida, Orlando, Florida.
- ¹¹Janowski, A., **Renk, K.**, & Walter, M. (2009, February). *Teaching and counseling*. Invited presentation made to the Psychological Society at the University of Central Florida, Orlando, Florida.
- ¹⁰**Renk, K.** (2008). *UCF profiles*. Interview with Charna Davis Wiese for UCF TV, Orlando, Florida. YouTube posting at: <https://www.youtube.com/watch?v=tnfzcgYJxWY>.
- ⁹**Renk, K.**, Scott*, S. L., Wolfe*, R., Baksh*, E., & Klein*, J. (2007, October). *Understanding children and families*. Poster presented for College Day at the University of Central Florida, College of Sciences, Orlando, Florida.
- ⁸**Renk, K.** (2007, April). *Clinical child psychology: Education, training, and preparation*. Invited presentation made to the Psychological Society at the University of Central Florida, Department of Psychology, Orlando, Florida.
- ⁷**Renk, K.** (2006, March). *Career options in child clinical and pediatric psychology*. Invited presentation for the University of South Florida Department of Psychology Clinical Psychology Doctoral Program, Tampa, Florida.

- ⁶Renk, K. (2004, June). *Understanding children and families research*. Invited presentation for the Summer Undergraduate Research Academy at the University of Central Florida, Orlando, Florida.
- ⁵Renk, K. (2003, November). *The WISC-IV: Updates and modifications*. Colloquium (chaired by K. Renk) presented at the University of Central Florida Department of Psychology Clinical Psychology Doctoral Program, Orlando, Florida.
- ⁴Roddenberry*, A., Renk, K., & Rojas-Vilches*, A. (2003, March). *Quality of life in children with cancer*. Poster presented at the Florida Hospital-University of Central Florida Networking Session, Orlando, Florida.
- ³Renk, K. (2002, April). *Graduate school preparation*. An Honors College presentation (chaired by J. Shivamoggi) presented at the University of Central Florida, Orlando, Florida.
- ²Renk, K. (2001, November). *Clinical child psychology: Education, training, and positions*. Invited presentation to the Psychological Society at the University of Central Florida, Department of Psychology, Orlando, Florida.
- ¹Renk, K. (2000, January). *Psychological evaluation of an inpatient*. Grand Rounds "A Case Conference" (chaired by Jeffrey McGilbra, M.D.) presented at the Louisiana State University Health Sciences Center, Department of Psychiatry, New Orleans, Louisiana.

EXPERT WITNESS TESTIMONY

- ¹Renk, K. (2017, May). *Expert witness testimony regarding adverse childhood experiences*. Expert witness testimony requested for criminal court re-sentencing by David Redfearn, Esquire, Assistant Public Defender, Ninth Judicial Circuit, Orlando, Florida.

RESEARCH

POSTDOCTORAL RESEARCH

- | | |
|---------------------------|--|
| August 2000 until Present | <p>Understanding Young Children and Families Research Clinic and Laboratory</p> <p>Department of Psychology, University of Central Florida, Orlando, Florida</p> <p>This laboratory was formed by Kimberly Renk, Ph.D., to examine issues that further our understanding of the parent-young child connection, especially when families are struggling with problems in living, changes in caregivers, parental substance misuse and other psychological disorders, traumatic experiences in both parents and their young children, abuse or neglect issues, and other adverse childhood experiences. On occasion, other child and adolescent issues have been examined as well. In addition to the research focus of this laboratory, graduate and undergraduate students receive training and supervision in skills needed to conduct competent research.</p> |

| May 2016 until Present | <p>Baby TALK Chicago, Illinois</p> |

PREDOCTORAL RESEARCH

- August 1994 until
April 2000
- Research Assistant and Graduate Student**
Department of Psychology, University of South Florida, Tampa, Florida
Major Professor: Vicky Phares, Ph.D.
During the course of doctoral studies at the University of South Florida, research activities included a Major Area Paper (a meta-analysis) and a Dissertation, amongst other research projects, under the direction of Vicky Phares, Ph.D. In addition to these usual research activities, other activities included being a research assistant on Dr. Phares' National Institute of Mental Health funded study examining the relationships among maternal and paternal psychopathology and adolescents' emotional and behavioral functioning.
- August 1992 until
April 1994
- Research Assistant and Graduate Student**
Department of Psychology, Illinois State University, Bloomington-Normal, Illinois
Thesis Advisor: Gary Creasey, Ph.D.
During the course of graduate studies at Illinois State University, research activities included the completion of a Master's Thesis under the direction of Gary Creasey, Ph.D. Other activities included being a research assistant for various studies with Karen Pfof, Ph.D.
- August 1990 until
May 1992
- Undergraduate Research Assistant**
Department of Psychology, University of Illinois, Champaign-Urbana, Illinois
During the course of undergraduate studies at the University of Illinois, research activities included serving as a research assistant for Janine Giese-Davis and Deanna Barch, both graduate students in the Clinical Psychology Ph.D. program, for various studies examining health-related issues and schizophrenic information processing, respectively.

APPLIED CLINICAL RESEARCH

- February 2020 until
June 2020
- Pine Hills Preschool Project-Year Three**
Orlando, Florida
This grant-funded project involves a collaboration among professionals at the Early Learning Coalition-Orange County and two selected childcare centers in Pine Hills, Florida, with Kimberly Renk, Ph.D. This project is continuing the incorporation of Circle of Security-Parenting into the childcare setting with providers and staff at the two selected childcare centers (TBA). The project involves monitoring of providers and staff as well as delivery of the formal Circle of Security-Parenting program and follow up consultation. This program will be modeling reflective practice.
- January 2020 until
Present
- Teacher Quality Partnership: Downtown Experience**
Orlando, Florida
This grant-funded project involves a collaboration between the University of Central Florida and Orange County Public Schools (PI: Mary Little, Ph.D.) to recruit, prepare, and sustain highly effective teachers to support students with diverse learning needs. Dr. Renk is serving on the Teacher Quality Partnership Advisory Committee and assisting with research and development.

- June 2018 until
June 2019
- Pine Hills Preschool Project-Year Two**
Orlando, Florida
This grant-funded project involved a collaboration among professionals at the 100 Women Strong/Central Florida Foundation, the Early Learning Coalition-Orange County, and two selected childcare centers in Pine Hills, Florida, with Kimberly Renk, Ph.D. This project continued the incorporation of Circle of Security-Parenting into the childcare setting with providers and staff at the two selected childcare centers (Pine Hills Preschool and Kids Avenue Learning Center). The project involved monitoring of providers and staff as well as delivery of the formal Circle of Security-Parenting program and follow up consultation. This program modeled reflective practice.
- February 2017 until
February 2018
- Pine Hills Preschool Project-Year One**
Orlando, Florida
This grant-funded project involved a collaboration among professionals at the 100 Women Strong/Central Florida Foundation, the Early Learning Coalition-Orange County, and two selected childcare centers in Pine Hills, Florida, with Kimberly Renk, Ph.D., and Neil W. Boris, M.D. This project piloted the incorporation of Circle of Security-Parenting into the childcare setting with providers and staff at the two selected childcare centers (Bays Childcare Center and Admired Angels Childcare Center). The project involved monitoring of providers and staff as well as delivery of the formal Circle of Security-Parenting program and follow up consultation.
- April 2016 until
Present
- Embrace Families/Community Based Care**
Orlando, Florida
This project involves a collaboration among professionals at our Embrace Families/Community Based Care agency, professionals in the Ninth Judicial Circuit (with leadership from Judge Alicia Latimore), and Kimberly Renk, Ph.D., from the University of Central Florida. The project was initially grant funded by Florida State University's Florida Institute of Child Welfare. In the first year of the project, there was consultation from Neil W. Boris, M.D., from Florida State University's Center for Prevention and Early Intervention Policy and Ana Leon, Ph.D. from the University of Central Florida. This project serves families who have been identified by the local child welfare system as requiring intervention for abuse and neglect issues and who have young children who are 0- to 6-years of age. As part of this project, families are being provided the Circle of Security DVD-Based Parenting Intervention in group format while be monitored with a variety of pre- and post-measures.
- October 2015 until
Present
- B.A.B.Y. Early Childhood Court Initiative
Ninth Judicial Circuit, Orange, County, Florida
Judge Alicia Latimore**
This project involves a collaboration among professionals in the Ninth Judicial Circuit (with leadership from the Honorable Judge Alicia Latimore), Embrace Families/Community Based Care and the Department of Children and Families, and Kimberly Renk, Ph.D. (who is contributing as a reflective supervisor and consultant for Child-Parent Psychotherapy and providing Circle of Security-Parenting). This project serves families who have been identified by the local child welfare system as requiring intervention through the court system and who have young children who are 0- to 5-years of age.

- December 2013 until Present
Center for Drug-Free Living/Aspire Women's Residential Programs
 Orlando, Florida
Women's Residential of Orange County: December 2013 until present
Women's Residential of Seminole County: July 2018 until present
 This project involves the provision of Circle of Security Parenting to women in residence at the Women's Residential Substance Treatment Programs as part of a research protocol being conducted in the Understanding Children and Families Laboratory. This project examines the effectiveness of Circle of Security Parenting for substance-involved women with young children. This project involves examining changes from pre- to post-intervention across a variety of variables (e.g., mothers' emotion regulation, parental locus of control, child abuse potential) using a variety of questionnaires and interviews. Reflective supervision is an active component of this project.
- September 2010 until Present
Gifted Research Clinic
Understanding Young Children and Families
 Department of Psychology, University of Central Florida
 Orlando, Florida
 This research clinic was created with the dual intent of studying children and adolescents who are referred for gifted testing and their families and providing psychological services to these children and adolescents and their families. This research clinic is manned by doctoral students in Clinical Psychology and their faculty mentor, Kimberly Renk, Ph.D. As part of this research clinic, a research protocol is examining the relationships among a variety of child characteristics (e.g., intellectual functioning, goal determination, emotional and behavioral difficulties) as rated by mothers and fathers.
- August 2001 until Present
Young Children and Families Research Clinic and Laboratory
Understanding Young Children and Families
 Department of Psychology, University of Central Florida
 Orlando, Florida
 This research clinic was created with the dual intent of studying the interactions of and providing psychological services to young children and their families. It serves families with infants and young children who range in age from 0- to 6-years. These infants and young children exhibit a variety of emotional and behavioral difficulties, including anxiety, mood symptoms, behavioral issues, and trauma-related symptoms. This research clinic is manned by doctoral students in Clinical Psychology and their faculty mentor, Kimberly Renk, Ph.D. As part of this research clinic, a research protocol is examining the relationships among various parent characteristics (e.g., psychological symptoms), young child characteristics (e.g., emotional and behavioral problems), and parent-child interactions (e.g., via the Crowell Parent-Child Relationship Assessment). A variety of intervention programs, such as Circle of Security-Parenting, Child-Parent Psychotherapy, and cognitive-behavioral interventions, are being utilized to serve infants/young children and their caregivers with support of reflective supervision.
-

CLINICAL/CONSULTATION WORK

ASSESSMENT/INTERVENTION TRAINING

- July 2019 **Reflective Supervision Training**
Fourth Annual Reflective Supervision/Consultation Symposium
 Selected as an “outer reflective holding circle consultant” from infant mental health professionals across the United States to participate in a three-day symposium held in Pittsburgh, Pennsylvania, and sponsored by the *Alliance for the Advancement of Infant Mental Health* and the *Pennsylvania Association for Infant Mental Health*. These consultants included Alisa Hathaway, Ashley McCormick, Carla Baron, Sheryl Goldberg, and myself, under the direction of Debbie Weatherston with administrative support from Una Majmudar. Was the only infant mental health professional selected from Florida.
- June 2019 **DC: 0-5 Train the Trainer**
 Participated in a two-day train-the-trainer event to become a recognized certified DC: 0-5 trainer. Participants were from the Southern United States, inclusive of Alabama, Florida, North Carolina, and Tennessee. Held in Chattanooga, Tennessee.
- April 2019 **Creating a Resilient Community: From Trauma to Healing**
Presenter: Vincent Felitti, M.D.
 Helped to plan and attended a “think tank-like” experience with professionals from Orlando, Florida, to further efforts for Orlando to become a trauma-informed community. Held by Valencia College’s Peach and Justice Institute in Orlando, Florida.
- September 2018 **Reflective Supervision Training**
Presenter: Sherry Scott Heller
 Attended “Dual Reflective Supervision: The Mentor/Monitor Model” at the First 1000 Days Florida Summit, West Palm Beach, Florida.
- August 2018 **Adverse Childhood Experiences (ACEs)**
Presenter: Vincent Felitti, M.D.
 Invited to participate in a “think tank” experience examining ACEs and challenges in the provision of needed services for individuals impacted by ACEs. Held in Naples, Florida.
- August 2018 **Reflective Supervision Training**
Third Annual Reflective Supervision/Consultation Symposium
 Selected as one of two infant mental health professionals from Florida to participate in a three-day symposium held in Golden City, Colorado, and sponsored by the *Alliance for the Advancement of Infant Mental Health* and the *Colorado Association for Infant Mental Health*.
- June 2018 **Guided Interaction For Family Time and Contact (GIFT) Training**
Trainer: D. Bell
 Participated in a one-day train-the-trainer for this model of therapeutic supervised visitation for families who are child welfare-involved. Provided in St. Leo, Florida.
- May 2018 **Reflective Supervision Training**
Trainer: J. Ribaldo with content from D. Weatherston
 Participated in “Perspectives on Supervision: Reflective and Relational”, a Master Class training at the World Association of Infant Mental Health in Rome, Italy. Also attended the following general sessions:

Shahmoon-Shanok, R. *A great leap forward: Integrating mindfulness into IMH supervision, training, and clinical practice with families experiencing trauma and adversity*. (Included R. Clark, R. Shahmoon-Shanok, & M. C. Heffron).
 Watson, C. *Building and evaluating reflective capacity: Approaches in diverse systems and cultural contexts*. (Included C. Watson, A. Tomlin, S. Shea, D. Williams, & A. Berg).

- May 2018
 May 2019
- University of Central Florida College of Medicine HIPAA Training**
 Online course outlining HIPAA.
- February 2018
- Reflective Supervision Training**
Trainers: C. Watson & D. Williams
 Participated in “Nurturing a Culture of Relationship and Reflection in Supervision, Practice, and Programs” and “Understanding the Elements of Reflective Supervision and the Dyadic Process: The RIOS (Reflective Interaction Observation Scale)” at the *Listening to Babies 2018 Training Day* in St. Petersburg, Florida.
- December 2017
- DC:0-5 Diagnostic Training**
Trainers: K. Mulrooney & G. Costa
 Participated in a two-day training to learn the revisions offered in the new DC: 0-5 diagnostic classification system for infants and young children held in Tampa, Florida.
- November 2017
- Reflective Supervision Training**
Trainers: K. Johnston, M. C. Heffron, B. Stroud, T. N. Murch, & J. Whiteman
 Participated in a one-day training entitled, “It Sounds Good in Theory-But Is Challenging in Practice!: Implementing and Sustaining Reflective, Relationship-Based Practices Within Agencies and Systems” offered as a pre-conference forum at the Zero to Three National Training Institute in San Diego, California.
- July 2015-January
 2017
- Child-Parent Psychotherapy**
Training to be a Nationally Rostered Provider
Trainers: M. Kronenberg & A. Dickson
 Participated in an 18-month training to become a nationally rostered provider. Participated in the initial three-day training in July 2015 as well as a booster training in January 2016 and September 2016, all held in Orlando, Florida. Also participated in twice monthly phone consultations, weekly reflective supervision groups, and periodic supervisors’ calls.
- May 2014
- Circle of Security DVD-Based Parenting Intervention**
Registered Provider
Trainer: B. Powell
 Attended four-day training offered in Orlando, Florida, to become a registered provider of this treatment intervention.

POSTDOCTORAL CLINICAL/CONSULTATION WORK

January 2020 until June 2020 (Anticipated)	<p>Building a Reflective Practice Network for Florida's Early Childhood Court State of Florida</p> <p>Provision of reflective practice consultation and team building across different circuits of Florida's Early Childhood Court (ECC), consultation regarding case recidivism and other court issues, and network building for Florida's ECC.</p>
August 2018 until Present	<p>Vetted Reflective Supervisor</p> <p>Credentials reviewed and interview completed by Kristi Armstrong and Carol Young, both endorsed Infant Mental Health Clinical Mentors (IMH-E®; Infant Mental Health Mentor-Clinical).</p>
July 2016 until Present	<p>Kimberly Renk PLLC/CAPeRS Infant, Child, and Parent Consultation Services Orlando, Florida</p> <p>Owner: Kimberly Renk, Ph.D.</p> <p>Activities include providing psychological assessment and evidence-based intervention services to infants, children, and families. Activities also include consultation services with other providers and other professionals serving infants, children, and families. Particular focus is given to infants and young children in the 0- to 6-year age range. Diagnoses of these children and adolescents include internalizing, externalizing, and developmental disorders that are co-occurring amongst a variety of family stressors. Reflective supervision is being received biweekly from Carol Siegel, Ph.D., a Licensed Psychologist and endorsed Infant Mental Health Clinical Mentor (Category IV) in Minnesota (starting in February 2018).</p>
Summer 2016, 2017, 2018, 2019	<p>Camp Boggy Creek Off Site Summer Consultant and Oversight Eustis, Florida</p> <p>Activities include on call emergency services and onsite training (provided as needed) for the staff and children participating in Camp Boggy Creek services during summer months.</p>

May 2015
- Volunteer Parent Group Facilitator at Boggy Creek Camp**
Eustis, Florida
Activities included facilitating volunteer groups for parents who have children and
adolescents facing a chronic illness, such as pediatric cancer, sickle cell anemia,
and heart conditions, approximately four times per year.
- October 2003 until
May 2009
- Independent Contractor**
Orlando, Florida
Various clinical activities, including record review and contract assessments in
private practice.
- January 2001 until
January 2007
- Nemours Children's Clinics**
Orlando, Florida
Supervised by: Leslie Gavin, Ph.D.
Activities included assessment of children and adolescents who have been
diagnosed with cancer, with assessments occurring for those who are newly
diagnosed or who have experienced a relapse.

August 2000 until
August 2003

Postdoctoral Clinician

Community Counseling Clinic, University of Central Florida
Orlando, Florida

Supervised by: Stacey Dunn, Ph.D.

Activities included assessment and intervention services with children, adolescents, and families in an outpatient setting. Disorders assessed and/or treated included Oppositional Defiant Disorder, Conduct Disorder, and complications from Fetal Alcohol Syndrome, amongst others.

PREDOCTORAL CLINICAL WORK

July 1999 until
June 2000

Psychology Intern

Louisiana State University Health Sciences Center
New Orleans, Louisiana

APA Accredited Psychology Internship

Rotations and Clinical Activities Have Included:

Charity Hospital, Inpatient Psychiatric Units (January 2000 until June 2000)

Supervised by:

F. Merritt Ayad, Ph.D. (January 2000 until March 2000)

Thomas Wolf, Ph.D. (April 2000 until June 2000)

Activities included assessment and group psychotherapy with adult inpatients who have been identified as being in danger of harming themselves or others or who have been found to be gravely disabled. Additional activities include attendance of regular staff meetings. Disorders treated and assessed included schizophrenia, psychotic disorders, mood disorders, personality disorders, and others.

Adult Outpatient Psychiatric Clinic (July 1999 until June 2000)

Supervised by: Linda Floyd, Ph.D.

Activities included outpatient psychotherapy and assessment with adults in a psychiatry clinic based in a medical school. Disorders treated and/or assessed include major depressive disorder, anxiety disorders, and personality disorders, amongst others.

Infant Treatment Team (July 1999 until June 2000)

Completed as Part of Infant Mental Health Fellowship

Supervised by: Joy Osofsky, Ph.D.

Activities included outpatient psychotherapy and assessment with infants, young children, and their families while receiving weekly individual and group reflective supervision. Families were referred for services by the Office of Community Services as a result of abuse and/or neglect occurring within the family. Other families were referred through a psychiatry clinic due to the young age of the children in the family. Disorders treated and/or assessed include problems related to abuse, encopresis, attention-deficit/hyperactivity disorder, oppositional defiant disorder, and attachment difficulties, amongst others. Weekly reflective supervision was received.

Child/Adolescent Treatment Team (July 1999 until June 2000)

Supervised by: Lynn Parker, Ph.D.

Activities included outpatient psychotherapy and assessment with children, adolescents, and their families at a psychiatry clinic based in a medical school. Disorders treated and/or assessed include learning disabilities, mental retardation, attention-deficit/hyperactivity disorder, oppositional defiant disorder, and attachment disorders, amongst others.

New Orleans Adolescent Hospital

(July 1999 until December 1999)

Supervised by: Catherine Reichard, Ph.D.

Activities included assessment as well as individual and group psychotherapy with children and adolescents in an inpatient adolescent hospital for suicidal and homicidal behaviors. Disorders treated and/or assessed include major depressive disorder, mental retardation, attention-deficit/hyperactivity disorder, oppositional defiant disorder, and post-traumatic stress disorder, amongst others.

September 1998 until
May 1999

Graduate Supervisor

Psychological Services Center, University of South Florida
Tampa, Florida

Supervised by: Maria dePerczel, Ph.D., & Vicky Phares, Ph.D.

Activities included the supervision of beginning clinical students in their assessment activities. Completed in conjunction with the graduate level Assessment Case Conference offered at the University of South Florida. Disorders assessed included learning disabilities and attention-deficit/hyperactivity disorder, amongst others.

August 1998 until
May 1999

Psychology Extern

Hillsborough County School System

A.P.E.S.E. (Alternative Placement for Exceptional Student Education) and EH
(Emotionally Handicapped) Programs

Tampa, Florida

Supervised by Charles Furman, Psy.D.

Activities included individual and group therapy as well as psychological assessment of children and adolescents displaying emotional and behavioral disorders. Disorders treated and/or assessed included attention-deficit/hyperactivity disorder, oppositional defiant disorder, and mood disorders, amongst others.

September 1995
until May 1999

Graduate Clinician

Psychological Services Center, University of South Florida
Tampa, Florida

Supervised by:

Maria dePerczel, Ph.D. (August 1998 until May 1999)

Vicky Phares, Ph.D. (August 1997 until May 1999)

Bill Sacco, Ph.D. (June 1996 until August 1997)

Ellis Gesten, Ph.D. (September 1995 until June 1996)

Activities included intake evaluation, individual/family therapy, and assessment with children, adolescents, and adults meeting various diagnostic criteria and displaying various problems in living. Disorders treated and/or assessed included attention-deficit/hyperactivity disorder, oppositional defiant disorder, major depressive disorder, personality disorders, delusional disorder, and learning disability, amongst others.

- August 1995 until
June 1996
- Psychology Extern**
Hillsborough County School System Alternative Education
Tampa, Florida
Supervised by Charles Furman, Psy.D.
Activities included individual therapy and psychological assessment of children and adolescents displaying behavior disorders, as well as adolescent mothers and pregnant adolescents. Other activities included group therapy, consultation with teachers, classroom observation, and family contact. Disorders treated and/or assessed included conduct disorder, attention-deficit/hyperactivity disorder, oppositional defiant disorder, learning disability, major depressive disorder, and others.
- January 1995 until
May 1995
- Assessment Practicum Experience**
Children's Home
Tampa, Florida
Supervised by Elisabeth Reading, Ph.D., & Kristy Wiener, M. A.
Activities included assessments of children living in group homes as a result of termination of parental rights.
- August 1994 until
December 1994
- Intellectual Assessment Practicum**
University of South Florida
Tampa, Florida
Supervised by Cindy Cimino, Ph.D.
Activities included administration, scoring, interpretation, and report writing using the Wechsler Adult Intelligence Scale-Revised and the Wechsler Intelligence Scale for Children-Third Edition.
- May 1994 until
June 1994
- Clinical Caseworker**
Youth Services of Mid-Illinois
Bloomington, Illinois
Supervised by Susan Bellas, M.S.
Activities included outpatient therapy of abused and neglected children and adolescents, school visitation, and preparation of annual case reviews as well as other documentation.
- August 1993 until
May 1994
- Psychology Intern**
Youth Services of Mid-Illinois
Bloomington, Illinois
Supervised by Bill Roberts, Ph.D.
Activities included outpatient therapy of abused and neglected children and adolescents as well as some experience with family and group therapy. Other activities included psychological evaluations of abused and neglected children and adolescents and clinical case management. Disorders treated and/or assessed include problems related to abuse, attention-deficit/hyperactivity disorder, oppositional defiant disorder, autism, mental retardation, major depressive disorder, post-traumatic stress disorder, and anxiety disorders, amongst others.

- August 1993 until
May 1994 **Graduate Clinician**
Student Counseling Center, Illinois State University
Normal, Illinois
Supervised by Ray Bergner, Ph.D., & Alvin House, Ph.D.
Activities included individual psychotherapy with college-aged students for problems in various areas. Responsibilities included assessment, diagnosis, and treatment.
- August 1992 until
May 1993 **Psychological Assistant** to Jeff Laurent, Ph.D.
Psychology Resource Center, Illinois State University
Normal, Illinois
Activities included maintenance and tracking of psychological equipment and testing materials.
- August 1992 until
December 1992 **Intellectual Assessment Practicum**
Illinois State University
Normal, Illinois
Supervised by Jeff Laurent, Ph.D.
Activities included administration, scoring, interpretation, and report writing using the Wechsler Adult Intelligence Scale-Revised and the Wechsler Intelligence Scale for Children-Third Edition.

POLICY WORK

- October 2019 **Children's Policy Network Meeting, Hollywood, Florida**
Facilitated meeting of thought leaders from throughout the state to outline and understand policy objectives for Florida's children and families.
- March 2019-Present **Dependency Court Improvement Program Panel**
Office of Court Improvement, Tallahassee, Florida
Invited opportunity to be a member of this panel as well as its Early Childhood Court Recidivism Protocols Workgroup, both of which evaluate current dependency court policies and develop new protocols to better serve families who are child welfare- and court-involved.
- June 2018
October 2018 **Minga Forum on Early Education**
Provided by the Community Seal at the Early Learning Coalition of Orange County
Invited to participate in a "think tank"-like experience examining the importance of early childhood education as well as strengths and barriers in Orange County, Florida, regarding current early childhood education systems.

TRAINING OUTCOMES

PREDOCTORAL INTERNSHIP SITES OF DR. RENK'S GRADUATE STUDENTS

Baylor College of Medicine, Houston, Texas (3 students)
 Children's National Medical Center, Washington, DC
 Harvard School of Medicine-Boston Children's Hospital, Boston, Massachusetts
 Kennedy Krieger Institute/ Johns Hopkins Center for Child and Family Traumatic Stress/Psychiatric
 Mental Health
 Lackland Air Force Base-Wilford Hall Medical Center, San Antonio, Texas
 Mailman Center for Child Development-University of Miami, Miami, Florida (2 students)
 Nemours/Alfred I. DuPont Hospital for Children, Wilmington, Delaware
 River Oak Center for Children, Sacramento, California (2 students)
 Tulane School of Medicine, New Orleans, Louisiana
 Yale University Child Study Center, New Haven, Connecticut (2 students)
 Yale University School of Medicine, New Haven, Connecticut

POSTDOCTORAL INTERNSHIP SITES OF DR. RENK'S GRADUATE STUDENTS

Barksdale Air Force Base, Shreveport, Louisiana
 Emory University School of Medicine, Atlanta, Georgia
 St. Louis Children's Hospital, St. Louis, Missouri
 Texas Children's Hospital/Baylor College of Medicine, Houston, Texas
 Tulane School of Medicine, New Orleans, Louisiana
 University of Florida Health Sciences Center, Gainesville, Florida
 University of Medicine and Dentistry of New Jersey CARES (Child Abuse Research Education and
 Services), Newark, New Jersey
 University of Oklahoma Health Sciences Center, Oklahoma City, Oklahoma
 Yale University Child Study Center, New Haven, Connecticut (2 students)
 Yale University School of Medicine, New Haven, Connecticut

POST POSTDOCTORAL POSITIONS OF DR. RENK'S GRADUATE STUDENTS

Assistant Professor-Baylor College of Medicine, Houston, Texas
 Assistant Professor-Marian University, Indianapolis, Indiana
 Assistant Professor-Mississippi State University, Mississippi State, Mississippi
 Assistant Professor-Stephen F. Austin State University, Nacogdoches, Texas
 Assistant Professor-Tulane University School of Medicine, New Orleans, Louisiana
 Associate Professor-Mississippi State University, Mississippi State, Mississippi
 Associate Professor-Western Carolina University, Cullowhee, North Carolina
 Pediatric Psychologist-Cincinnati Children's Hospital, Cincinnati, Ohio
 Policy Analyst-GENED Educational Services, LLC, Boston, Massachusetts
 Psychologist and Principal-Carrollwood Day School, Carrollwood, Florida
 Psychologist-Fundamental Therapy Solutions, Gainesville, Florida
 Psychologist-Soublis Psychological Associates
 Psychologist and Internship Supervisor-Visiting Mental Health/Mental Health Center of Florida, Fort
 Lauderdale, Florida

GRADUATE STUDENT TRAINING

CURRENT STUDENTS

¹⁷**Klaver, Samantha** (Currently a First Year)

2021 (Expected)

¹⁶**Khan, Maria** (Currently a Sixth Year)
Master's Thesis Project: *Childhood maltreatment and mother-child attachment: Examining interactions among attachment, depression, reflective functioning, and young children's outcomes when mothers have histories of childhood maltreatment.*
Dissertation Project: *When mothers and fathers are "gone": Predicting intergenerational pathways of trauma, substance use, and attachment in parents who are opioid-involved.*
Predoctoral Internship: Kennedy Krieger Institute/ Johns Hopkins Center for Child and Family Traumatic Stress/Psychiatric Mental Health

2018

¹⁵**Kolomeyer, Ellen** Ph.D. earned Fall 2018
Master's Thesis Project: *Mothers' temperament, trauma, and psychopathology: How are enduring maternal characteristics related to mothers' perceptions of children's psychosocial functioning and quality of life?*
Dissertation Project: *The state of trauma-informed care in the preschool.*
Predoctoral Internship: Mailman Center for Child Development-University of Miami-Early Interventions Track, Miami, Florida
Postdoctoral Internship: Mailman Center for Child Development-University of Miami, Miami, Florida

2017

¹⁴**Lowell, Amanda** Ph.D. earned August 2017
Master's Thesis Project: *Temperament and child maltreatment: A closer look at the interactions among parent and child temperament, stress and coping, emotional and behavioral regulation, and parenting behaviors.*
Dissertation Project: *Predicting child maltreatment potential in mothers who are substance-involved: A study of temperament, adverse childhood experiences, stress, and emotion regulation as mechanisms of action.*
Predoctoral Internship: Yale University Child Study Center (Early Childhood Track), New Haven, Connecticut
Postdoctoral Fellowship: Yale University Child Study Center, New Haven, Connecticut

2016

¹³**Puff, Jayme** Ph.D. earned August 2016
Master's Thesis Project: *Parents' temperament and personality: Their roles in parenting behaviors, parent locus of control, and young children's outcomes.*
Dissertation Project: *Mothers' trauma history and regulation abilities: Interactions among young children's temperament, attachment, and maltreatment potential.*
Predoctoral Internship: Yale University Child Study Center (Early Childhood Track), New Haven, Connecticut

Postdoctoral Fellowship: Yale University Child Study Center, New Haven, Connecticut; Emory University School of Medicine, Atlanta, Georgia
Current Position: Psychologist-Soublis Psychological Associates

2015

- ¹²**Lauer, Brea-Anne** Ph.D. earned December 2015
Master's Thesis Project: *Accuracy of the peer informant: What characteristics are related to improvements in the ability to detect psychological symptoms in peers?*
Dissertation Project: *Friendship and informant characteristics associated with the agreement among adolescent and friend ratings of behavior problems.*
Predoctoral Internship: Nemours/Alfred I. duPont Hospital for Children, Wilmington, Delaware
Postdoctoral Fellowship: St. Louis Children's Hospital, St. Louis, Missouri
Current Position: Pediatric Psychologist-Cincinnati Children's Hospital, Cincinnati, Ohio
- ¹¹**Pearte, Catherine** Ph.D. earned May 2015
Dissertation Project: *Temperament, emotion regulation, and distress tolerance as related correlates of psychological symptoms.*
Predoctoral Internship: Baylor College of Medicine/Ben Taub Hospital, Houston, Texas
Current Position: Assistant Professor-Stephen F. Austin State University, Nacogdoches, Texas

2012

- ¹⁰**Middleton, Melissa** Ph.D. earned August 2012
Master's Thesis Project: *Mediating effect of parental attributions in the relationship between children's temperament and parenting stress.*
Dissertation Project: *Match between parent and child temperament: Implications for parenting behaviors and children's behavior problems.*
Predoctoral Internship: Tulane University School of Medicine, New Orleans, Louisiana
Postdoctoral Fellowship: Tulane University School of Medicine, New Orleans, Louisiana
Current Position: Assistant Professor-Tulane University School of Medicine, New Orleans, Louisiana
- ⁹**Wolfe, Rachel** Ph.D. earned August 2012
Master's Thesis Project: *Perceived familial characteristics and neighborhood support: How do they relate to the development of externalizing behavior problems?*
Dissertation Project: *Development during middle school: An ecological-transactional, cross-sectional examination of early adolescent adjustment.*
Predoctoral Internship: Baylor College of Medicine Houston, Texas
Postdoctoral Fellowship: Texas Children's Hospital/Baylor College of Medicine, Houston, Texas
Current Position: Assistant Professor-Baylor College of Medicine, Houston, Texas

2009

8Klein-Sosa, Jenny Ph.D. earned December 2009
Master's Thesis Project: *The relationship of children's competencies, behavior problems, and acculturation.*
Dissertation Project: *Predictors of parental discipline in families raising youth with hearing and communication disorders.*
Predoctoral Internship: Children's National Medical Center, Washington, DC
Current Position: GENED Educational Services, LLC

7McKinney, Cliff Ph.D. earned May 2009
Master's Thesis Project: *A holistic model of parent-adolescent interaction variables.*
Dissertation Project: *A holistic model of parent-early adolescent interaction variables.*
Predoctoral Internship: River Oak Center for Children, Sacramento, California
Current Position: Associate Professor-Mississippi State University, Mississippi State, Mississippi

2008

6Asberg, Kia Ph.D. earned August 2008
Dissertation Project: *Resiliency factors and pathways to incarceration in female survivors of childhood sexual abuse.*
Predoctoral Internship: Yale University School of Medicine, New Haven, Connecticut
Current Position: Associate Professor-Western Carolina University, Cullowhee, North Carolina

5Donnelly, Reesa Ph.D. earned December 2008
Master's Thesis Project: *Self-talk in relation to adolescents' psychological adjustment.*
Dissertation Project: *Parental influences and cognitive mediators of adolescents' stress and health.*
Predoctoral Internship: Baylor College of Medicine Houston, Texas
Postdoctoral Fellowship: University of Florida Health Sciences Center, Gainesville, Florida
Current Position: Psychologist-Fundamental Therapy Solutions, Gainesville, Florida

4Oliveros, Arazais Ph.D. earned December 2008
Master's Thesis Project: *The relationship of parental psychopathology, parental discipline practices, and children's emotional and behavioral problems.*
Dissertation Project: *The relationships among attributions, parent-child conflict, and conflict in college students' romantic relationships.*
Predoctoral Internship: Harvard School of Medicine-Boston Children's Hospital Boston, Massachusetts
Postdoctoral Fellowship: Yale University School of Medicine, New Haven, Connecticut
Current Position: Assistant Professor-Mississippi State University, Mississippi State, Mississippi

2007

- ³**Roddenberry, Angela** Ph.D. earned December 2007
Master's Thesis Project: *Ratings of quality of life in children who have cancer.*
Dissertation Project: *Locus of control and self-efficacy: Potential moderators of stress, illness, and utilization of health services in college students.*
Predoctoral Internship: Mailman Center for Child Development-University of Miami Miami, Florida
Postdoctoral Fellowship: University of Oklahoma Health Sciences Center, Oklahoma City, Oklahoma
Current Position: Pediatric Psychologist-Cincinnati Children's Hospital, Cincinnati, Ohio

2005

- ²**Kanter Agliata, Allison** Ph.D. earned August 2005
Dissertation Project: *Expectation discrepancies for academic achievement between college students and their parents.*
Predoctoral Internship: Lackland Air Force Base-Wilford Hall Medical Center San Antonio, Texas
Postdoctoral Fellowship: Barksdale Air Force Base, Shreveport, Louisiana
Current Position: Psychologist and Principal-Carrollwood Day School, Carrollwood, Florida

2004

- ¹**Sieger, Karin** Ph.D. earned August 2004
 (Completed Master's Thesis with a different mentor.)
Dissertation Project: *Adolescent pregnancy and parenting: A study of psychological symptoms, child characteristics, and family support.*
Predoctoral Internship: River Oak Center for Children, Sacramento, California
Postdoctoral Fellowship: University of Medicine and Dentistry of New Jersey CARES (Child Abuse Research Education and Service), Newark, New Jersey
Current Position: Psychologist and Internship Supervisor-Visiting Mental Health/Mental Health Center of Florida, Fort Lauderdale, Florida

OTHER STUDENTS

- ⁴**Cunningham, Annelise** **Master's Thesis Project:** *Childhood trauma, reflective functioning, self-efficacy, and parenting competence: What happens when the traumatized child grows up and becomes a mother?* (Defended in Spring 2016)
- ³**McSwiggan, Meagan** **Master's Thesis Project:** *Differential parenting and adjustment: Does attachment help to explain the relationship?* (Defended in Spring 2015)
- ²**Scott, Samantha** **Master's Thesis Project:** *Coparenting, parental satisfaction, and child behavior problems.* (Defended in Summer 2009)
- ¹**Stephenson, J'Nelle** **Master's Thesis Project:** *The relationships among childhood experience of domestic violence, relationship troubles, parenting styles, and reflective functioning.* (Defended in Summer 2018)
-

UNDERGRADUATE HONORS STUDENTS SUPERVISED**2020**

- ¹⁸**Molina, Javier** Fall 2020
Project: *The relationships among fathers' adverse childhood experiences, their own childhood attachment, and their attachment with their own young children.*

2019

- ¹⁷**Jurgensen, Melanie** Summer 2019
Project: *The mediating factor of resilience on attachment style and the prevention of psychological symptoms.*
 (Went on to attend the Applied Developmental Psychology Master's program at Boston University.)
- ¹⁶**Merkley, Melissa** Summer 2019
Project: *The role of mental health in the relationship between adverse childhood experiences and substance use.*

2014

- ¹⁵**Hare, Megan** Summer 2014
Project: *The relationship of parents' work stress and child functioning in the context of spillover effects, marital and parenting stress, and parents' perceptions.*
 (Went on to attend the Psychology Master's program at the University of Maryland.)

2011

- ¹⁴**Havill, Amanda** Spring 2011
Project: *Relationships among child abuse experiences, social support, and academic success*
 (Went on to attend the Clinical Psychology Master's program at the University of Central Florida.)
- ¹³**Kison, Saarah** Spring 2011
Project: *Relationships of combined parenting styles of step- and biological parents in stepfamily relationship formation and emerging adult stepchildren's adjustment*
 (Went on to attend the Counseling Psychology Ph.D. program at the University of Southern Mississippi.)
- ¹²**Lowell, Amanda** Spring 2011
Project: *The role of attachment in the relationship between child maltreatment and later emotional and behavioral functioning*
 (Went on to attend the Clinical Psychology Ph.D. program at the University of Central Florida.)

2010

- ¹¹**Puff, Jayme** Summer 2010
Project: *Relationships among parents' economic and parenting stress, parenting behaviors, and ratings of young children's emotional and behavioral functioning*
 (Went on to attend the Clinical Psychology Ph.D. program at the University of Central Florida.)

2009

- ¹⁰**Gamm, Stephanie** Spring 2009
Project: *Relationships among socioeconomic status, family relationships, and academic achievement*
 (Went on to attend the Exceptional Student Education Master's program at the University of Central Florida and the Educational Leadership Doctoral program at the University of Central Florida.)
- ⁹**Vazquez, Karinna** Spring 2009
Project: *Attachment development in emerging adults' romantic relationships and friendships*
 (Went on to attend the Experimental Psychology Master's program at Florida Atlantic University.)

2008

- ⁸**Gozu, Hisae** Spring 2008
Project: *College students' perception of parenthood: Predictors of parenting attributions*
 (Went on to attend the English Language Arts Education Master's program at the University of Central Florida.)
- ⁷**Sherrill, Andrew** Spring 2008
Project: *Gray areas of child sexual abuse: Undergraduate students' attributions of depicted adult-adolescent and adolescent-adolescent sexual interactions*
 (Went on to attend the Clinical Psychology Ph.D. program at Northern Illinois University.)

2007

- ⁶**Gross, Kelly** Spring 2007
Project: *The relationships among college student's life satisfaction, symptoms of depression, attachment, parenting styles, and perceptions of parents*
 (Went on to attend the School Psychology Educational Specialist program at the University of Florida.)

2006

- ⁵**Ernst, Stephanie** Spring 2006
Project: *Relationships among parenting style, parental self-efficacy, parents' perceptions of children, and preschoolers' emotion regulation*
 (Went on to attend the Clinical Psychology Ph.D. program at the University of Memphis.)

- ⁴**Sinatra, Anne** Spring 2006
Project: *Differences in academically gifted honors and non-honors students*
(Went on to attend the Applied Experimental and Human Factors Ph.D. program at the University of Central Florida.)
- ³**Wiley, Rachel** Spring 2006
Project: *Psychological correlates of quality of life in children with cerebral palsy*
(Went on to attend the Clinical Psychology Master's program at the University of Central Florida and the Counseling Psychology Ph.D. program at Arizona State University.)
- 2005**
- ²**Hoggatt, Celia** Spring 2005
Project: *Abuse factors, anxiety, and somatic complaints in psychological evaluation of patients with chronic pain*
(Went on to attend the Clinical Psychology Psy.D. program at Argosy Professional School.)
- ¹**Smith, Tara** Spring 2005
Project: *Coping styles, perceived parental support, and academic-related stress among college students*
(Went on to attend the Counselor's Education Master's program at the University of Central Florida.)

TEACHING

TEACHING AWARDS

- 2010-2011 **University of Central Florida**
College of Sciences Excellence in Graduate Teaching Award
This is a competition in the College of Sciences for excellence in graduate teaching. \$2000.
- 2010-2011 **University of Central Florida**
College of Sciences Excellence in Undergraduate Teaching Award
This is a competition in the College of Sciences for excellence in undergraduate teaching. \$2000.
- 2009-2010 **University of Central Florida**
Teaching Incentive Program Award
This is a university-wide competition for excellence in teaching over the five years prior to the award. \$5000 increase to base salary.
- 2004-2005 **University of Central Florida**
Teaching Incentive Program Award
This is a university-wide competition for excellence in teaching over the five years prior to the award. \$5000 increase to base salary.

TEACHING/TRAINING ENHANCEMENT ACTIVITIES

- October 12-13, 2017 **Alliance for the Advancement of Infant Mental Health Endorsement Workshop for the Florida Association for Infant Mental Health**
 Endorsement Consultants: Nichole Paradis, LMSW, IMH-E®, and Ashley McCormick, LMSW, IMH-E®
 This workshop provided training for Florida Association for Infant Mental Health Board members and other interested persons in the use of the *Competency Guidelines®* and *Endorsement for Culturally Sensitive, Relationship-Focused Practice Promoting Infant Mental Health®*.
- Spring 2013 **Canvas Training Course**
 This course assisted faculty members at the University of Central Florida in migrating their existing online courses from Webcourses to the Canvas Online Learning System and to navigate the newly implemented Canvas Online Learning System.
- Spring 2012 **APA Doctoral Site Visitor Workshop from the Commission on Accreditation**
 (led by Victoria Follett, Ph.D., and Wayne Siegel, M.D., as part of the CUDCP Annual Meeting in San Diego, California)
 This workshop provided training necessary to be an American Psychological Association site visitor for Clinical Psychology Doctoral Programs.
- Spring 2009 **IDL 6543 (Interactive Distributed Learning for Technology Mediated Course Delivery)**
 This course assisted faculty members at the University of Central Florida in designing, implementing, and teaching online courses.

SUPERVISION OF STUDENT ORGANIZATIONS

- May 2013 until
 September 2015 **PsiDocs Graduate Student Organization**
 This group was supervised by Kimberly Renk, Ph.D. PsiDocs provides a forum for graduate students who are in the Clinical Psychology Ph.D. program to advocate for themselves via Student Government and to serve the University of Central Florida.
- October 2003 until
 Present **Family Interaction Group for Graduate Students (FIGGS) Understanding Children and Families**
 This group is supervised by Kimberly Renk, Ph.D. FIGGS provides a forum for graduate and undergraduate students who have research and service interests in family interactions to explore research ideas regarding family interactions, to host and provide guest lectures, and to attend workshops and symposia.

GRADUATE COURSES

- Summer 2013-2015 **Ethics and Professional Issues in Clinical Psychology (CLP 7623; 3 credit hours)**
 University of Central Florida, Orlando, Florida
 Graduate lecture course of clinical psychology graduate students providing a comprehensive introduction to ethical and professional issues in Clinical Psychology.

- Spring 2010-2012 **Introduction to Clinical Psychology and Psychotherapy (CLP 7145; 3 credit hours)**
University of Central Florida, Orlando, Florida
Graduate lecture and lab course of clinical psychology graduate students addressing the theories and techniques of psychotherapy interventions (both historical and current) with addition emphasis on interviewing skills and beginning therapy preparation and skills.
- Spring 2009
Fall 2007, 2009-2018 **Introduction to Child Assessment (CLP 7446C; 3 credit hours)**
University of Central Florida, Orlando, Florida
Graduate lecture and lab course of clinical psychology graduate students addressing the theories and techniques of child psychological assessment with a primary emphasis on interviewing skills, cognitive assessment, and report writing.
- Spring 2009
Spring 2006-2007 **Introduction to Psychotherapy (CLP 6195; 3 credit hours)**
University of Central Florida, Orlando, Florida
Graduate lecture and lab course of clinical psychology graduate students addressing the theories and techniques of psychotherapy interventions with a primary emphasis on interviewing skills and beginning therapy preparation and skills.
- Fall 2002-2008
Spring 2001-2002 **Advanced Abnormal and Clinical Psychopharmacology (PSB 6446; 3 credit hours)**
University of Central Florida, Orlando, Florida
Graduate lecture course of clinical psychology graduate student addressing the diagnosis of psychopathology and drug treatment of these disorders.
- Spring 2004, 2007
Fall 2001, 2009 **Child and Family Therapy (CLP 6460; 3 credit hours)**
University of Central Florida, Orlando, Florida
Graduate lecture course of clinical psychology graduate students addressing the theories and techniques of child, adolescent, and family therapy, including empirically supported treatments.
- Fall 2008, 2012-2015
Spring 2001- 2005, 2013-2015
Summer 2001-2002, 2012 **Clinical Practicum (CLP 7943C; 3 credit hours)**
University of Central Florida, Orlando, Florida
Supervision of clinical psychology graduate students in their clinical placements at the designated on campus Psychology Clinic. This course includes intensive supervision of students' provision of psychological assessment and intervention services to individuals from the community.
- Spring 2003 **Developmental Psychopathology (CLP 6476; 3 credit hours)**
University of Central Florida, Orlando, Florida
Graduate lecture course of clinical psychology graduate students addressing the diagnosis of psychopathology in infants, children, and adolescents.
- Fall 2000-2006 **Introduction to Individual Assessment (CLP 6441C; 3 credit hours)**
University of Central Florida, Orlando, Florida
Graduate lecture and lab course of clinical psychology graduate students addressing the theories and techniques of psychological assessment with a primary emphasis on interviewing skills, cognitive assessment (particularly intelligence tests), and report writing.

UNDERGRADUATE COURSES

- Spring 2016-2018 **Abnormal Psychology-Honors (CLP 3143H; 3 credit hours)**
University of Central Florida, Orlando, Florida
Undergraduate honors course addressing the classification, causation, and treatment of deviant patterns of behavior.
- Summer 2017-2018 **Developmental Psychology-Online (DEP 2004W; 3 credit hours)**
Spring 2016-2017, University of Central Florida, Orlando, Florida
2019 Undergraduate online course addressing methods, empirical findings, and theoretical interpretations in the study of human development.
- Fall 2016-2017 **Abnormal Psychology-Online (CLP 3143W; 3 credit hours)**
Spring 2018-2019 University of Central Florida, Orlando, Florida
Summer 2011-2014, Undergraduate online course addressing the classification, causation, and
2016-2019 treatment of deviant patterns of behavior.
- Summer 2011, 2016 **Introduction to Psychology-Online (PSY 2012; 3 credit hours)**
University of Central Florida, Orlando, Florida
Undergraduate online course providing an introduction to concepts in psychological science.
- Summer 2009 **Research Methods (PSY 3213C; 4 credit hours)**
University of Central Florida, Orlando, Florida
Undergraduate lecture and laboratory course that covers the investigation of experimental designs and research methods utilized in psychology.
- Summer 2010 **Personality Theory (PPE 3003; 3 credit hours)**
Spring 2008 University of Central Florida, Orlando, Florida
Summer 2006-2008 Undergraduate lecture course surveying theory and research on the development of personality characteristics.
- Summer 2006, 2010 **Developmental Psychology (DEP 2004; 3 credit hours)**
Spring 2006 University of Central Florida, Orlando, Florida
Undergraduate lecture course addressing methods, empirical findings, and theoretical interpretations in the study of human development.
- Spring 2005, 2008 **Interviewing and Counseling (PCO 4203; 3 credit hours)**
University of Central Florida, Orlando, Florida
Undergraduate lecture and demonstration course that reviews various interviewing and counseling theories, techniques, and practical experiences from mental health settings.
- Summer 2008-2009 **Abnormal Psychology (CLP 3143; 3 credit hours)**
Summer 2001-2005 University of Central Florida, Orlando, Florida
Spring 2001, 2010- Undergraduate lecture course addressing the classification, causation, and
2011 treatment of deviant patterns of behavior.
- Fall 2009-2011 **Child Psychopathology (CLP 4134; 3 credit hours)**
Summer 2001-2005, University of Central Florida, Orlando, Florida
2007 Undergraduate lecture course addressing the classification, causation, and treatment of deviant patterns of childhood behavior.

- Fall 1999
Summer 1997 **Child Psychology (DEP 3103; 3 credit hours)**
University of South Florida, Tampa, Florida
Undergraduate lecture course (of non-psychology majors) addressing developmental and psychosocial aspects of childhood, including hereditary, maturational, psychological, and social determinants of child behavior.
- Spring 1997 **Developmental Psychology (DEP 4005; 3 credit hours)**
University of South Florida, Tampa, Florida
