

RESEARCH EXPERIENCE

Co-Author

Department of Psychology

Rollins College

November 2016 to May 2017

Responsibilities: Assisted with composing a short entry on the topic, Team Climate Inventory (TCI), which was published in the *Encyclopedia of Personality and Individual Differences*.

Primary Investigator

Student Faculty Collaborative Scholarship Program

Rollins College

June 2016 to July 2016

Responsibilities: Examined a measure of personality, self-presentation, and emotional reaction to social media feedback scenarios. Selected the research question, completed a literature review, created the survey, administered the survey to over 200 participants, analyzed the data, conducted a mediation analysis, composed a manuscript, and submitted to a peer-reviewed journal, which was published in a Special Issue of *Personality and Individual Differences*.

Research Assistant

Department of Psychology

Rollins College

March 2016 to March 2017

Responsibilities: Assisted with a research project concerning the personality trait, grit, and its relationship with several variables: narcissism, hypercompetitiveness, empathy, Machiavellianism, and life satisfaction. Assisted in the recruitment of over 100 participants. Conducted reliability analysis of the personality measures. Created the correlation matrix for the poster submission to the Southeastern Psychological Association (SEPA) conference.
