

No Cost Extension in Research.gov

Users will need to login to research.gov at the following address:

<http://www.research.gov/>

You will need to know your NSF ID and password.

After logging in, you will need to click on the “Notifications & Requests” under the awards and reporting. The screen should look like this:

After clicking there, you will need to click on the “Prepare New” request button which is located [here](#).

Once you have clicked on the Prepare New button, it will bring up a list of options as to what type of request the user wishes to make. In this case, the user should select “No-Cost Extension” as seen below:

Prepare New

Step 1: Select type of change

- All
- Budget Activities
- No-Cost Extensions
- Changes in Objectives, Scope, or Methodology and other Significant Changes
- Changes in PI/PD and co-PI/co-PD
- Other

Step 2: Select notification / request

No-Cost Extension ▾

Step 3: Enter award number and click 'Prepare New'.

Award Number:

[Click Here](#)

Once you have selected this option, then you will need to enter the award number of the grant you are wanted to extend. This is the NSF award number and not the UCF grant number and it should be 7 digits long.

Once it has been entered then the system will let you know what type of extension it is. If it is for a Grantee NCE, the screen should look like this:

Prepare New Notification / Request

Grantee-Approved No-Cost Extension

The user will need to enter the new revised end date, the amount of remaining funds in the grant, the justification for the NSF approved NCE, and the plan for the use of the unobligated funds.

Once this is completed you will need to click on the “Save & Submit” button. This will send the request to Office of Research Award Management for approval.

Once Award Management receives the e-mail notification from NSF of the submitted request from the PI then Award Management can go an approve the submission.
