Education

Doctor of Philosophy McGill University, Department of Sociology Thesis title: <i>A Paradigm Shift? An Empirical Exploration of the Revival of Food Allergy Immunotherapy in North America</i> Supervisor: Dr. Alberto Cambrosio	January 2023
Master of Arts Queen's University, Department of Sociology Thesis title: <i>Learning to Live with Food Allergies: Negotiating Risk and Appropriating Expertise in Consumption Practices</i> Supervisor: Dr. Martin Hand	November 2011
Bachelor of Arts (Honours) McMaster University, Political Science and Sociology	April 2009

Employment History

University of Central Florida Assistant Professor Department of Sociology	August 2023 – present
Centre de Recherche CHU Sainte-Justine and University of Montreal Research Associate	2022-2023
Centre de Recherche CHU Sainte-Justine and University of Montreal Research Coordinator	2018-2022
McGill University, Department of Medical Education Lecturer	2018-2018
McGill University, Department of Medical Education Research Assistant	2017-2018

McGill University, Desautels Faculty of Management Research Assistant	2017-2017
McGill University, Department of Sociology Research Assistant	2012-2013
McGill University, Department of Social Studies of Medicine Research Assistant	2012-2012
University of New South Wales, School of Public Health and Community Medicine Research Assistant	2011-2012
McMaster University, Queen's University, University of Sydney, McGill University Teaching Assistant	2009-2018

Honours and Awards

University of Montreal Research Fellowship, University of Montreal	2018 - 2019
Wolfe Graduate Fellowship in Technological and Scientific Literacy, McGill University	2018 - 2018
Fonds de Recherche Société et Culture doctoral scholarship, Fonds de Recherche Société et Culture	2015 - 2018
Graduate Excellence Scholarship, McGill University	2013 - 2013
Ontario Graduate Scholarship, Queen's University	2009 - 2011
The R. Samuel McLaughlin Fellowship, Queen's University	2009 - 2011
The Dr. Harry Lyon Hooker Scholarship, McMaster University	2007

Research And Creative Activities

18. Stop Shaming and Blaming Youth for COVID-19, live radio interview, The Aaron Rand Show (CJAD), Montreal, Canada.
https://omny.fm/shows/cjad-800/stop-blaming-and-shaming-young-people-about-covid?in_playlist=cjad-800!the-aaron-rand-show
19. Teens prescribed opioids lack guidance, input on medication use, Canada-wide study finds, Montreal Gazette, Montreal, Canada.
<https://montrealgazette.com/news/local-news/teens-prescribed-opioids-lack-guidance-input-on-medication-use-canada-wide-study-finds>

NEWSPAPER INTERVIEWS

20. Opioid crisis impacting young and old alike, says researcher Nairn, *Westmount Independent*, Westmount, Quebec, Canada.

CLINICAL CURRICULUM

21. **Nairn, S.** & Jayasinha, R. (2021, March). *Mental Health and Psychoactive Substance Consumption in Young People During the COVID-19 Pandemic*. [On-line training module for mental health cross-training program for healthcare professionals]. The Douglas Research Centre. Montreal, Canada. (equitable contribution of authors)

WORK-IN-PROGRESS

MANUSCRIPTS FOR PUBLICATION TO REFEREED JOURNALS/BOOKS:

22. **Nairn, S.A.**, Phillips, J., Jones, T, Rodriguez C., and Schmill, D. Gender-targeted Substance Use Interventions for Young Cisgender and Transgender Women – A Systematic Scoping Review of the Literature. *Rejected from Journal of Child and Adolescent Substance use in July 2025*.
23. **Nairn, S.A.**, Halcomb, L. & Fisher, J. A Content Analysis and Comparison of Mediated Representations of Narcan and Nefly. *Manuscript writing ongoing*.
24. **Nairn S.A.** The Emergence of Medically-Tailored Meals in North America. *Data analysis and manuscript writing ongoing*.

REFEREED CONFERENCE PRESENTATIONS

1. **Nairn, S.** The food challenge to pharma: An exploration of the promises & pitfalls of ontologically ambiguous food drugs. Dangerous Consumption Colloquium, University of Auckland, New Zealand, (November 28th, 2025).
2. Halcomb, L., **Nairn, S.** & Fisher, J. The right tool for an emergency: naloxone, epinephrine, and pharmaceutical delivery device. Presented at the American Sociological Association Annual Conference. Chicago, United States, (August 11th, 2025)
3. **Nairn, S.** & Jones, T. Gender-targeted Substance Use Interventions for Young Women/Females and Trans Women: A Scoping Review. Presented at the Canadian Sociological Association Annual Conference. Montreal, Quebec, (June 20th, 2024).
4. **Nairn, S.** An Exploration of Youth, Family, and Provider-identified Solutions to the Canadian Youth Opioid Health Threat. Presented at the International Association for Youth Mental Health biannual conference. Copenhagen, Denmark, (Sept. 29-Oct. 1st, 2022).
5. **Nairn, S.** Youth Perceptions of and Experiences with Opioids for Pain Management: Intersecting Stigmas and Ambivalence. Paper presented at the Research in the Emergency Department Symposium (9th Edition), CHU Sainte-Justine, University of Montreal, (May 19th, 2022).
6. **Nairn, S.** Interventions to Reduce Opioid Use in Youth At-risk and in Treatment for Substance Use Disorders: A Scoping Review. Paper presented at the University of British Columbia Addictions and Concurrent Disorders Research Group “Let’s Talk Overdose” Virtual Conference, (April 6th & 7th, 2022).
7. **Nairn, S.** The Canadian Youth Opioid Overdose Crisis – Improving Interventions and Identifying Agents of Change. Chaired panel and presented paper to the Canadian Society of Addiction Medicine and International Society of Addiction Medicine Annual Conference (November 12-15th, 2020).
8. **Nairn, S. & Audet, M.** A Review of the Evidence: Interventions & Treatments for Youth At-Risk of Opioid Addiction, Society for Research on Adolescence Biannual Conference, San Diego, California, (2020 – conference cancelled due to pandemic).
9. **Nairn, S.** The Peculiar Biomedical Puzzle of Immunotherapy for Food Allergy. Paper presented at the Canadian Sociological Association and Social Sciences and Humanities Congress, University of British Columbia, Vancouver, Canada (June 3rd, 2019).
10. **Nairn, S.** The Peculiar Biomedical Puzzle of Immunotherapy for Food Allergy. Paper presented at the Canadian Society for Allergy, Asthma, and Clinical Immunology

Annual Conference, The Prince George Hotel, Halifax, Nova Scotia (September 12th–16th, 2018).

11. **Nairn, S.** Religious Participation and Stress-induced Physiological Weathering in Late Life. Paper presented at the American Sociological Association annual conference, New York, NY (August, 2013).
12. **Nairn, S.** Contemplating Pleasures and Enacting Tensions: The Everyday Experience of Food Allergy. Paper presented at the Canadian Sociological Association annual conference, Victoria, British Columbia (June, 2013).
13. **Nairn, S.** “Why Risk It?”: (de)constructing diagnoses and negotiating food allergy in everyday life. Paper presented at the 3rd Biannual Bilingual CSSH Conference, Ottawa, Ontario (October, 2012).
14. **Nairn, S.** Learning to Live with Food Allergies: Negotiating Dangers and Deconstructing Risks. Paper Presented at the University of New South Wales and the Kirby Institute for Infection and Immunity in Society Dangerous Consumption Colloquium, Sydney, Australia (November, 2011).
15. **Nairn, S. & Smith, G.** The Visibility and Trivialization of the Trojan Horse? Surveillance Representation in Advertising and Popular Culture. Paper presented at A Research Workshop: The Political Economy of Surveillance, Milton Keynes, UK (September, 2010).
16. **Nairn, S. & Smith, G.** Problematizing ‘surveillance’: Exploring Subjectivities. Paper presented at the Fourth Biannual Surveillance and Society/SSN Conference, London, UK (April, 2010).

REFEREED POSTER PRESENTATIONS

1. **Nairn, S.,** Jones, T., Phillipps, J., Rodriguez, C., & Schmill, D. Gender-targeted Substance Use Interventions for Young Cisgender and Transgender Women – A Systematic Scoping Review of the Literature. Presented at The International Association for Youth Mental Health biannual conference, Vancouver, British Columbia (March 18th-22nd, 2025).
2. **Nairn, S.** Youth Perceptions of Opioids for Pain Management – Intersecting Stigmas and Ambivalence. Canadian Pain Society 43rd Annual Scientific Meeting, Fairmont Banff Springs Hotel, Banff, Alberta (May 10th-12th, 2023).
3. **Nairn, S.** Youth-identified Solutions to the Canadian Youth Opioid & Polysubstance Use Health Crises. University of British Columbia Addictions and Concurrent Disorders Research Group “Let’s Talk Overdose” Virtual Conference (April 6th & 7th, 2022).

4. **Nairn, S.** Race Differentials in Partnering Patterns Among Older Men: Influence of Androgens or Religious Participation? The Population Association of America annual meeting, New Orleans, LA (April, 2013).
5. **Nairn, S.** Negotiating Food Allergy/Intolerance in Contemporary Consumer Culture. The British Sociological Association Food Study Group Conference, The British Library Conference Centre, London, UK (July, 2012).

INVITED PRESENTATIONS

1. **Nairn, S.** & Kang, J. Preliminary (Qualitative) Findings – Validating Best Practices for Food Allergy Communication in Dining and Hospitality. Presented at the Food Allergy Research and Education PACT Alliance Hospitality Working Group Bi-Monthly Meeting (May 21st, 2026).
2. **Nairn, S.** Youth Perceptions and Experiences with Opioids for Pain Management: Intersecting Stigmas and Ambivalence. Presented to the Department of Surgery, CHU Sainte-Justine, University of Montreal, (April 20th, 2022).
3. **Nairn S.** Youth Perceptions of and Experiences with Opioids for Pain Management: Intersecting Stigmas and Ambivalence. Paper presented to the Adolescent Medicine Department, CHU Sainte-Justine, University of Montreal (February 8th, 2022).
4. **Nairn, S.** Landscapes of Interventions and Treatments for Youth At-risk for Opioid Use and Youth-identified Solutions to the Opioid Overdose and Health Crisis. Presented to the Pan-Canadian Joint Consortium for School Health (January 11th, 2022).
5. **Nairn, S.** The Canadian Youth Opioids Overdose Crisis & Youth-identified Solutions for Healthcare Providers. Presented to the Association for the Faculties of Medicine of Canada (AFMC), (February 18th, 2021).
6. **Nairn, S.** The Canadian Youth Opioid Overdose Crisis & Youth-identified Solutions for Healthcare Providers. Presented to the Opioid Response Partners Network of Health Canada (February 16th, 2021).
7. **Nairn, S.** The Canadian Youth Opioids Overdose Crisis: A focus on solutions, Presented to the Controlled Substances Directorate (CSD), Health Canada, (December 7th, 2020).
8. **Nairn, S.** Youth Perceptions of Opioids in Contemporary Media. Paper presented at the United Nations Commission on Narcotic Drugs (CND), United Nations, Vienna, Austria (March 4th, 2020).

9. **Nairn, S.** A Review of the Literature on Pediatric Transition to Adult Care. Paper presented to the Joint Task Force on Pediatric Transition to Adult Care, McGill University Health Center, Montreal, Quebec (October 18th, 2017).

GRANTS SUBMITTED (EXTERNAL)

1. Agency: National Institutes of Health, R01 – Re-submitted October, 2025
Title of Proposal: A Social Factors Approach to Improving Emergency Epinephrine Use for Food Allergy Anaphylaxis
Role: Co-investigator
Amount to be awarded to UCF: 520 996 USD
Percentage credit: 100%
2. Agency: National Institutes of Health, R03 – Submitted January, 2026
Title of Proposal: Understand and Improving Food Allergy Communications in the Hospitality Industry
Role: Principal investigator
Amount to be awarded to UCF: 100 000 USD
Percentage credit: 50%
3. Agency: Health Research Council of New Zealand – Submitted January 2026
Title of Proposal: Decoding Digital Diet Advice: Supporting Families of Children with Epilepsy
Role: Co-investigator
Amount to be awarded to UCF: Services provided in kind, travel expenses equivalent to 10 000 USD
4. Agency: Health Research Council of New Zealand Explorer (\$179k) Title of Proposal: Digital Epilepsy Pathways: How digital and clinical inputs shape care, Submitted January 2026, Role: Co-investigator, Amount to be awarded to UCF: Services provided in kind, travel expenses equivalent to 10 000 USD
5. Agency: Neurological Foundation (New Zealand) (\$249k) Title of proposal: Digital Epilepsy Pathways: How digital and clinical inputs shape care, Submitted January 2026, Role: Co-investigator, Amount to be awarded to UCF: Services provided in kind, travel expenses equivalent to 10 000 USD
6. Agency: Epilepsy New Zealand (\$249k) Digital Epilepsy Pathways: How digital and clinical inputs shape care, Submitted March 2026, Role: Co-investigator, Amount to be awarded to UCF: Services provided in kind, travel expenses equivalent to 10 000 USD
7. Agency: Health Research Council of New Zealand Health Delivery Project Expression of Interest (\$1.4m) Digital Epilepsy Pathways: How digital and clinical inputs shape care, Submitted April 2026, Role: Co-investigator, Amount to be awarded to UCF: Services provided in kind, travel expenses equivalent to 10 000 USD

GRANTS/CONTRACTS AWARDED

1. Food Allergy Research and Education (FARE) and Rosen College of Hospitality Management – 2026
Analyzing FARE's Food Allergy Accommodations Guidelines for Industry
Role: Researcher
Amount: Services provided in kind, research support expenses equivalent to 2000 (USD)
2. The Becca Schmill Foundation – 2023-2025
Gender-targeted Substance Use Interventions for Young Cisgender and Transgender Women
Role: Principal Investigator
Amount: 10 000 (USD)
3. Canadian Institutes of Health Research (CIHR) – 2022-2024
The CRISM Quebec Node: building evidence for preventing, treating and reducing drug related harms
Role: Co-investigator
Amount: 2 400 000 (CAD)
4. Canadian Institutes of Health Research (CIHR) – 2022-2026
CRISM Implementation Science Program on Opioid Interventions and Services – QC/ Maritimes
Role: Research Associate
Amount: 200 000 (CAD)

5. Social Sciences and Humanities Research Council
(SSHRC) Insight Grant – 2016-2018
The Seduction Community: A Critical Ethnography
Role: Co-applicant
Amount: 70 000 (CAD)

TEACHING

University of Central Florida,

Department of Sociology

Instructor

Medical Sociology Honours (in-person)	May 2026-present
Medical Sociology (UG/on-line)	May 2026-present
Patterns of Mental Health in Society (Honours).	Jan. 2026- Apr. 2026
Medical Sociology (UG/on-line)	Jan. 2026-Apr. 2026
Medical Sociology (UG/on-line)	Aug. 2025 – Dec. 2025
Medical Sociology (UG/on-line)	May 2025 – Aug. 2025
Social Inequalities and Health (Graduate)	Jan. 2025 – Apr. 2025
Medical Sociology (Honours)	Jan. 2025 – Apr. 2025
Medical Sociology (Honours)	Aug. 2024 – Dec. 2024
Introduction to Sociology (UG)	Dec. 2024 – April 2024
Animals and Health (UG/on-line)	Dec. 2024 – April 2024

McGill University, Department of

Medical Education

Instructor

Transition to Clinical Practice – Introduction to Ethnography	Sept. 2018- April 2018
---	------------------------

McGill University, Department of

Sociology

Teaching Assistant

Socialization, Introduction to Sociology, Sociology of the Jews in North America, Social Problems, Sociology of Culture	Sept. 2012 – April 2016
---	-------------------------

University of Sydney, Department of Social and Political Sciences

Teaching Assistant

The Sociology of Childhood and Youth	Sept. 2011 – April 2012
--------------------------------------	-------------------------

Queen's University, Department of Sociology

Teaching Assistant

Social Problems, Social Theory,
Consumer Culture

Sept. 2009 – April 2011

McMaster University, Department of Sociology

Teaching Assistant

Introduction to Sociology

Sept. 2008 – April 2009

STUDENTS SUPERVISED

HUT

Chloe Milliron

Topic: Food allergy and food insecurity

Role: Committee member

Status: Successfully defended, Fall 2025

Shreya Selvakumar

Topic: Socioeconomic status among undergraduate students and mental health

Role: Committee member

Status: Successfully defended, Spring 2026

Master's Theses

Marcus Hernandez

Topic: Experiences accessing transgender-targeted healthcare services

Role: Committee member

Status: Proposal passed, data collection underway

Research Assistants

Thomas Jones (PhD student)

2024-2025

Carolina Rodriguez (UG honours student)

2024-2025

Teaching Mentorship

Maria Andrada Corale (PhD Student)

Course: GTA for Medical Sociology (online)

2026-present

Alexandra Milana (PhD student)

Course: GTA for Medical Sociology (on-line)

2025- 2026

Estefany Londono (PhD student)

Course: GTA for Introduction to Sociology

2023-2024

Divya Joshi (UG)

Course: Independent study about teaching and mentoring in medical sociology

COURSES TAKEN

University of Central Florida, IDL6534 – Faculty development program for designing, developing, and teaching on-line courses

Fall 2023

SERVICE

Editorial and Peer Review Activities

Associate Board Member, Italian Journal of Science and Technology	Oct. 2025-present
Reviewer, Edward Elgar Publishing	May 2025
Reviewer, Sociological Spectrum	Aug. 2023 – present
Reviewer, Journal of Clinical and Experimental Allergy	March 2023 – present
Reviewer, Psychiatric Research and Clinical Practice	July 2023 – present
Reviewer, International Journal of Mental Health Nursing	Sept. 2022 – present
Reviewer, An Interdisciplinary Journal for the Social Study of Health, Illness and Medicine	Aug. 2022 – present
Associate Editor, Canadian Journal of Addiction Medicine	Apr. 2021 – July 2022

Professional Memberships & Service Activities

Committee member, Science, Knowledge and Technology Section	Nov. 2025- present
American Sociological Association, Awards Committee	

Committee member, Science, Knowledge and Technology section	Sept. 2025 – present
American Sociological Association, Fundraising	

Member, Science, Knowledge and Technology section	Aug. 2025 – present
American Sociological Association	

Committee member, UCF Department of Sociology	Oct. 2024 – present
Hiring Committee	

Committee member, UCF Department of Sociology	Sept. 2024 – present
Undergraduate Committee	

Committee member, UCF Department of Sociology Chair	Nov. 2023 – Feb. 2024
Search Committee	

Member, Canadian Sociological Association	March 2013 – present
Member, American Sociological Association	May 2013 – present
Consultant, Canadian Society of Allergy and Clinical Immunology Oral Immunotherapy Clinical Practice Guideline Working Group	Jan. 2019 – Oct. 2019
Ambassador, The Royal Victoria Hospital Foundation Youth Movement, Montreal, Quebec	Jan. 2014 – Sept. 2016
Regional Director, AllerGEN Students and New Professionals Network	Jan. 2013 – July 2015
Member, Taskforce for the creation of an Adolescent Transition Clinic at the McGill University Health Center	Oct. 2017- Aug. 2018
Department representative, Association of McGill University Research Employees Union	Jan. 2015 – Sept. 2017
Committee member, McGill University, Department of Sociology Hiring Committee	Sept. 2012 – Sept. 2013
